How to Become Insured

You are insured if *You* have proof of insurance. *Your* proof of insurance is in the form of the *Declaration of Coverage* document that is provided to *You* when *You* complete *Your Application* for coverage. If *You* do not receive *Your* proof of insurance before *You* depart on *Your Covered Trip*, *You* must contact *Our Administrator* immediately.

You will have coverage once *You* complete all the following steps:

- applicants meet the Eligibility Requirements for insurance under Section 2: Eligibility; and
- apply for insurance; and
- if required, *You* provide *Us* with accurate and complete evidence of insurance. See "When Is a Medical Questionnaire Required" in Section 2, and "Contract or Coverage Termination or Void by Insurer," in Section 9; and
- pay the required premium.

Once this is complete, *You* will receive proof of insurance.

When does Coverage Start and End

The *Medical Emergency Coverage Period* begins on the later of:

- the *Insured Person's* scheduled *Effective Date*, shown in the *Application* or most recent *Declaration of Coverage*; or
- when the *Insured Person* actually depart on the *Covered Trip*; and

ends on the earlier of:

- the *Insured Person's* scheduled return date, shown in the *Application* or most recent *Declaration of Coverage*; or
- the date the *Insured Person* actually returns to his or her province or territory of residence; or
- the date this *Certificate* terminates.

The *Medical Emergency Coverage Period* will not end if an *Insured Person* temporarily return to his or her province or territory of residence before the termination date of *Your Certificate* as described in below under "When *Your Certificate* Terminates," provided that:

- the *Insured Person* has not incurred or submitted a claim under this *Certificate* or suffered a *Medical Emergency* during the *Covered Trip* or during his or her temporary return to his or her province or territory of residence; and
- there has been no change in any *Pre-Existing Medical Condition* (as defined in Definitions at the end of the *Certificate*) during the *Covered Trip* or during the temporary return to his or her province or territory of residence; and
- the *Insured Person's Medical Condition* has remained *Stable* during his or her temporary return to his or her province or territory of residence; and
- The *Insured Person* was fit to resume travel on his or her *Covered Trip*.

Automatic Extension of Coverage

If an *Insured Person* is suffering from a *Medical Emergency* on the date the *Medical Emergency Coverage Period* would end for any reason except cancellation of the *Certificate*, the *Medical Emergency Coverage Period* is automatically extended to 72 hours immediately following the end of the *Medical Emergency* for that *Insured Person*; and for any other *Insured Person* if

- that other *Insured Person* has extended his or her trip past his or her scheduled return date because of the first *Insured Person's Medical Emergency*; and
- *Our Administrator* has approved a *Travelling Companion* benefit for that other *Insured Person*.

If *You* cannot complete *Your* trip by *Your* return date because of the delay of a common carrier in which *You* are scheduled to travel, *Your* coverage will automatically extend for the delay period to a maximum of 72 hours. Regardless of the automatic extension, coverage will not continue beyond the maximum number of days allowed under *Your GHIP* for travel outside of *Your* home province or territory.

When *Your Certificate* Terminates

Your 55+ Extended Stay Plan will terminate on the earliest of:

- the scheduled return date shown in *Your Application* or *Your* most recent *Declaration of Coverage*; or
- the date the last *Insured Person* returns to his or her province or territory of residence from the *Covered Trip*; or
- the date the last *Insured Person* is no longer eligible for coverage; or
- the date the last *Insured Person's* insurance is canceled because of a change in *Medical Condition* before departing on the *Covered Trip*; or
- the date *Your* request to cancel *Your Certificate* is effective.

 - no *Insured Person* has suffered a *Medical Emergency* before *You* apply for this top-up of coverage; and

Section 9: Contract or Coverage Termination or Void by Insurer

When Can the Insurer Cancel or Terminate the Contract

Amending or cancelling coverage based on a change in *Medical Condition*

Where medical evidence is required, *Our* decision as to whether, and on what basis, to insure a person depends on his or her condition on the date he or she leaves on the *Covered Trip*. Therefore, if the *Insured Person's Medical Condition* changes, and/or is not *Stable*, as described below under "*You* must inform *Us* of any changes to *Your* health", before the *Covered Trip* begins, *We* may:

- cancel the *Insured Person's* insurance for that *Covered Trip*; or
- request a higher premium for that *Insured Person* for that *Covered Trip*.

If *You* do not pay the additional premium by the date the *Insured Person* departs, *We* will cancel the *Insured Person's* insurance for that *Covered Trip*. If *We* cancel insurance under this provision, *We* will refund any premiums that were paid for the cancelled coverage.

When Can the Insurer Void Coverage

Failure to disclose impacts *Your* benefits

This *Certificate* is voidable by *Us* and no benefits will be paid if a person who applies to be insured and completes a medical questionnaire as part of the *Application*:

- fails to disclose all *Medical Conditions*, current medications, prescribed medications and periods of *Hospitalization* in response to the medical questions; or
- fails to fully, completely and accurately answer the medical questions.

This *Certificate* and all coverage hereunder is voidable by *Us*:

If an *Insured Person* is also insured under any other insurance certificate or policy, *We* will coordinate payment of benefits with the other insurer.
