• when the Insured Person actually depart on the Covered Trip; and
ends on the earlier of:
• the Insured Person’s scheduled return date, shown in the Application or most recent Declaration of Coverage; or
• the date the Insured Person actually returns to his or her province or territory of residence; or

that other Insured Person has extended his or her trip past his or her scheduled return date because of the first Insured Person’s Medical Emergency; and
- Our Administrator has approved a Travelling Companion benefit for that other Insured Person.

If You cannot complete Your trip by Your return date because of the delay of a common carrier in which You are scheduled to travel, Your coverage will automatically extend for the delay period to a maximum of 72 hours. Regardless of the automatic extension, coverage will not continue beyond the maximum number of days allowed under Your GHIP for travel outside of Your home province or territory.

Section 9: Contract or Coverage Termination or Void by Insurer

When Can the Insurer Cancel or Terminate the Contract

Amending or cancelling coverage based on a change in Medical Condition

Where medical evidence is required, Our decision as to whether, and on what basis, to insure a person depends on his or her condition on the date he or she leaves on the Covered Trip. Therefore, if the Insured Person’s Medical Condition changes, and/or is not Stable, as described below under “You must inform Us of any changes to Your health”, before the Covered Trip begins, We may:

• cancel the Insured Person’s insurance for that Covered Trip; or
• request a higher premium for that Insured Person for that Covered Trip.

If You do not pay the additional premium by the date the Insured Person departs, We will cancel the Insured Person’s insurance for that Covered Trip. If We cancel insurance under this provision, We will refund any premiums that were paid for the cancelled coverage.

When Can the Insurer Void Coverage

Failure to disclose impacts Your benefits

This Certificate is voidable by Us and no benefits will be paid if a person who applies to be insured and completes a medical questionnaire as part of the Application:

• fails to disclose all Medical Conditions, current medications, prescribed medications and periods of Hospitalization in response to the medical questions; or
• fails to fully, completely and accurately answer the medical questions.

This Certificate and all coverage hereunder is voidable by Us:

• if the failure to disclose or misrepresentation relates only to the amount of premium that should have been paid; or
• even if any failure to disclose or misrepresentation does not relate to the cause of any claim.

NOTE: We may investigate the answers provided to the health questions in the Application at any time, including at the time of claim.
You must inform Us of any changes to Your health
If an Insured Person is required to complete a medical questionnaire, they must contact Our Administrator if their Medical Condition changes, and/or is not Stable, after enrollment and before the date of departure. If You are unsure if You should inform Us of Your change in health status, please contact Our Administrator for assistance. This Certificate is voidable by Us and no benefits will be payable under it, if the Insured Person fails to contact Our Administrator as required.

Premium
May or may not be fully or partially refunded.

Section 12: General Conditions

Unless this Certificate or the Group Policy states otherwise, the following conditions apply to Your coverage.

Access to Medical Care
We and/or Our Administrator will assist You to access care whenever possible, however will not be responsible for the availability, quality or results of any medical Treatment or transport, or for Your failure to obtain medical Treatment.

Benefit Payments
This Certificate contains provisions removing or restricting the right of the Insured Person to designate persons to whom or for whose benefit money is to be payable. This means that under the Group Policy, You do not have the right to choose a beneficiary who will receive any benefits payable under this Certificate. Benefits are payable to You or, on Your behalf, to Your medical service provider.

Coordination of Benefits with Other Insurance
• All of Our coverages are excess insurance, meaning that any other sources of recovery You have will pay first, and this insurance coverage will be the last to pay. The total benefits payable under all Your insurance, including this Certificate, cannot be more than the actual expenses for a claim. If an Insured Person is also insured under any other insurance certificate or policy, We will coordinate payment of benefits with the other insurer.
• In no case will We seek to recover against employment related plans if the lifetime maximum for all in-country and out-of-country benefits is $50,000 or less. If the lifetime maximum for all in-country and out-of-country benefits is over $50,000, We will coordinate benefits only above this amount.

Currency
All amounts shown are in Canadian currency.

Group Policy
All benefits under this Certificate are subject in every respect to the Group Policy which alone constitutes the agreement under which benefits will be provided. The principal provisions of the Group Policy affecting You are summarized in this Certificate. The Group Policy is on file at the office of the Policyholder and upon request, You are entitled to receive and examine a copy of the Group Policy.

Legal Action Limitation Period
Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (for actions or proceedings governed by the laws of Alberta and British Columbia), The Insurance Act (for actions or proceedings governed by the laws of Manitoba), the Limitations Act, 2002 (for actions or proceedings governed by the laws of Ontario), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the Civil Code of Quebec.

Relationship Between Us and the Group Policyholder
TD Life Insurance Company is affiliated with The Toronto-Dominion Bank (“TD Bank”).

Review and Medical Examination
When a claim is being processed, We will have the right and the opportunity, at Our own expense, to review all medical records related to the claim and to examine You medically when and as often as may be reasonably required.

Right of Subrogation
There may be circumstances where another person or entity should have paid You for a loss but instead We paid You for the loss. If this occurs, You agree to co-operate with Us so We may demand payment from the person or entity who should have paid You for the loss. This may include:
• transferring to Us the debt or obligation owing to You from the other person or entity; or
• permitting Us to bring a lawsuit in Your name; or
• if You receive funds from the other person or entity, You will hold it in trust for Us; or
• acting so as not to prejudice any of Our rights to collect payment from the other person or entity. We will pay the costs for the actions We take.
