Cost of keys for Lockout Services are not included.

Reimbursement option:

Breakdown Towing – To the nearest service centre

TD Auto Club services will be there should your vehicle experience a mechanical breakdown disabling it from proceeding under its own power. Your disabled vehicle will be towed from the site of the breakdown to the nearest service centre within 5 kilometres of your vehicle's location. Should you choose to go to a different service centre outside of the initial 5 kilometres, additional fees will apply.

If you find yourself in an area where there isn't a service centre within 5 kilometres, we'll bring you to the nearest one within 200 kilometres, at no cost.

Reimbursement option:

Up to \$250 per roadside event

Eligible towing costs are those incurred for moving your disabled vehicle from the site of the breakdown **to the nearest repair service centre** within 200 kilometres for repairs (Storage fees not included).

Winching Services

We will also cover the cost of winching services if your vehicle is stuck in snow or a ditch, and, once removed, can proceed under its own power. The vehicle must be accessible and located on, or adjacent to, a regularly travelled road.

Winching services do not apply if the vehicle is not able to proceed under its own power due to damage and needs to be towed. If your vehicle needs to be towed and is accessible, the Traffic Accident Emergency Services – Accident Towing section on page 10 will apply.

**Reimbursement option:
*Up to \$100 per roadside event***

DAA, The Toronto-Dominion Bank and the service centre assume no liability for any damage that may be caused during the performance of winching services. Service centres will take every step possible to avoid incurring any damage to the vehicle. However, if any damage does occur, a claim cannot be placed other than with your vehicle insurance provider.

Personal Transportation – Up to \$25

We will provide transportation for you and eligible members of your family in the event of a mechanical breakdown within 80 kilometres of your home. We will reimburse you up to \$25 should you take commercial transportation (e.g., bus, train, taxi, plane) to your destination if the vehicle you were driving requires Breakdown Towing.

What you should know about the Emergency Roadside and Towing Services

After you receive Emergency Roadside or Towing Services, it is your responsibility to have the vehicle fixed (if repair is required). Evidence of repair (where repair to your vehicle is needed) will be required for any repeat requests for Emergency Roadside and Towing Services, otherwise the cost of such repeat requests will be payable by you.

Motor homes or recreational vehicles

Should your breakdown occur out of reach of a service centre that is equipped to service motor homes/recreational vehicles, we will attempt to contact the closest service provider for assistance, if available, and may reimburse you for any services received for your motor home/recreational vehicle, to a maximum of \$100.

Note: Motor homes/recreational vehicles over 8,000 lb/3,600 kg are only covered on a reimbursement basis.

Traffic Accident Emergency Services

A traffic accident can be a very frightening and unpleasant experience. We can help by reimbursing you for expenses incurred as outlined below. To qualify for reimbursement, however, you must have reported the accident to the police. In addition, it is important that you contact your vehicle insurance provider immediately following any traffic accident. There are no distance limits in order for you to obtain the following Traffic Accident Emergency Service benefits.

We will reimburse you up to \$200 for the towing of your vehicle from the scene of the traffic accident to the service centre chosen by you. Expenses are eligible for reimbursement when not covered by your vehicle insurance provider. (Accident clean-up and storage fees are not included.)

We will reimburse you up to \$200 to take you and your passengers from the scene of your traffic accident to your destination or home, using commercial transportation (e.g., taxi, bus, train, plane) or a rental vehicle from a recognized bona fide rental agency. Emergency Accommodation and Meals – Up to \$200

You will be reimbursed up to \$200 to help pay for accommodation and meals for you and your passengers, in the immediate vicinity of your traffic accident, while you are awaiting repairs to make your vehicle roadworthy.

Return to Location of Repair Site – Up to \$200

Should a traffic accident disable your vehicle, you may need to leave it for repairs in the vicinity of the accident while you return home or travel to another destination. In this case, you will be reimbursed up to \$200 for expenses incurred for commercial transportation (e.g., taxi, bus, train, plane) from your home or other destination, back to the location of the repair site.

Personal Necessities – Up to \$50

We will reimburse you and your passengers up to a total of \$50 for the cost of personal necessities required while you are staying at a hotel or motel, as a result of a traffic accident.

Expenses are eligible for reimbursement when not covered by your vehicle insurance provider.

Personal Necessities – Up to \$50

Hazardous Weather Services

As motorists living in Canada, we have all experienced the inconvenience and uncertainty of hazardous weather and poor driving conditions.

When travelling, should you encounter road closures due to snow, hail, ice, fog, forest fire, avalanche, tornado, hurricane or landslide, leaving you stranded more than 80 kilometres away from home, you are entitled to the following benefits:

Emergency Accommodation and Meals – Up to \$200

Should hazardous driving conditions leave you stranded and unable to continue your travel, you will be reimbursed for the cost of accommodation and meals for you and your passengers, up to \$200 in total.

If you find yourself in an area where there isn't a service centre within 5 kilometres, we'll bring you to the next nearest one within 200 kilometres, at no cost. Reimbursement up to \$250 is available for

eligible towing costs incurred for moving your disabled vehicle from the site of the breakdown to the nearest repair service centre within 200 kilometres for repairs (Storage fees not included).
