Example of Cash Back Dollars you could earn in your first year†:

	Monthly Spend	Annual Cash Back Dollars You Could Earn in Your First Year††
Gas, Groceries, Regularly Recurring Bill Payments (yearly spend cap of \$5,000 for each)	\$300	\$36
All other Purchases	\$700	\$42
Total Annual Cash Back Dollars You Could Earn in Your First Year		\$78

† This chart is for illustrative purposes only and assumes no redemption of Cash Back Dollars during the year.

†† Monthly spend of \$300 on Gas, Grocery Purchases and regularly recurring bill payments (\$3,600 annually x 1% earn rate = \$36 in Cash Back Dollars) and monthly spend of \$700 on all other Purchases (\$8,400 annually x 0.5% earn rate = \$42 in Cash Back Dollars). \$36 + \$42 = \$78 in Cash Back Dollars for the first year. Card Security

Explore your TD Cash Back Visa* Card security features and protection

Protecting the security of your Card should always be a priority. That's why your TD Cash Back Visa* Card comes with benefits that help protect you when you shop online and in person.

Security Features

- **Shop online and in person securely with Visa Zero Liability** and be protected in the event that unauthorized transactions are made on your Card. See your Cardholder Agreement for complete information on unauthorized transactions and your responsibilities, including your responsibility to protect your PIN.
- **Shop with confidence with Chip & PIN technology.** Chip & PIN technology provides an added level of security through the use of a Personal Identification Number (PIN).
- **Lock or unlock your Card.** Feel more confident if you misplace your credit card by locking your Card in the TD app. When locked, pre-authorized payments and ATM transactions will still go through, credit card payments will still be accepted, and you can make transfers. If you find your Card, it's just as easy to unlock it.

Personal Identification Number (PIN) Security Tips

- Choose a PIN you can remember that's difficult to guess. Don't use a phone number or birthday.
 - Never write down your PIN.
 - Protect your PIN and use your hand or body to shield the keypad when you enter your PIN.
 - Never let anyone else know or use your PIN or use your Card.
 - Make transactions only when and where you feel secure. If in doubt, don't use your Card.
- ▶ **Reset your PIN** easily and conveniently at a TD Canada Trust Branch or 24/7 at any TD Green Machine ATM.

- 1 Earn 1% in Cash Back Dollars ("**PAP Rebate**") on each \$1.00 in payments made on a monthly or other regularly recurring basis for merchant bills, including insurance premiums, magazine/newspaper/online streaming subscriptions, membership fees and telecommunication fees, that are set up by the merchant with your consent to be automatically charged to your TD Cash Back Credit Card Account ("**Account**") and that are classified through the Visa network as "recurring payments" ("**Pre-Authorized Payments**"). You must confirm with your merchant if they can accept Pre-Authorized Payments. Any returned items, refunds, rebates or other similar credits will reduce or cancel the Cash Back Dollars earned on the original Pre-Authorized Payment. **\$5,000 Cap:** The PAP Rebate is only available to a \$5,000 maximum net annual spend ("**\$5,000 Cap**"). Once the \$5,000 Cap has been reached, then any further Pre-Authorized Payments made on the Account will only earn Cash Back Dollars at the standard rebate of 0.5% that applies to all other Purchases on the Account as set out in your Cardholder Agreement ("**Standard Rate**"). **Applicability of PAP Rebate:** The PAP Rebate is in place of, and not in addition to, the Standard Rate. **Other Conditions:** Offer may be changed, withdrawn or extended at any time and cannot be combined with any other offer.
- 2 Earn 1% in Cash Back Dollars ("**Gas Rebate**") for each \$1.00 in Purchases of gas or gas station services or products ("**Gas Purchases**") charged to your TD Cash Back Credit Card Account ("**Account**") and earn 1% in Cash Back Dollars ("**Grocery Rebate**") for each \$1.00 in Purchases of groceries or grocery items ("**Grocery Purchases**") charged to your Account. Any returned items, refunds, rebates or other similar credits will reduce or cancel the Cash Back Dollars earned on the original Gas Purchase or Grocery Purchase, as applicable. **\$5,000 Cap:** Each of the Gas Rebate and the Grocery Rebate is only available to a \$5,000 maximum net annual spend ("**\$5,000 Cap**"). Once the \$5,000 Cap has been reached for either Gas Purchases or Grocery Purchases, then any further Gas Purchases and Grocery Purchases made on the Account will earn Cash Back Dollars at the standard rate that applies to all other Purchases on the Account as set out your Cardholder Agreement ("**Standard Rate**"). **Applicability of Gas Rebate and Grocery Rebate:** Each of the Gas Rebate and the Grocery Rebate is in place of, and not in addition to, the Standard Rate. **Merchant Category Codes:** To earn the Gas

Rebate and/or Grocery Rebate, the Gas Purchases and/or Grocery Purchases must be made at merchants classified through the Visa network with a Merchant Category Code (“**MCC**”) that identifies them in the “gas” or “grocery” category. Some merchants may sell gas or gas station services or products, or groceries or grocery items, or have separate merchants located on their premises that also sell gas or gas station services or products, or groceries or grocery items, but may not be classified with a gas or grocery MCC and such Purchases will not earn the Gas Rebate or Grocery Rebate, as applicable. If you have questions about the MCC that applies to a Purchase, contact TD at 1-800-983-8472. **Other Conditions:** Offer may be changed, withdrawn or extended at any time and cannot be combined with any other offer.

- 3 Earn 0.5% in Cash Back Dollars (“**Standard Rebate**”) on each \$1.00 for all other Purchases (“**Other Purchases**”) charged to your TD Cash Back Credit Card Account (“**Account**”).
