The Aeroplan number of the person accessing the benefit must be included in the qualifying reservation, and the name on the airline reservation must be identical to the name on the Aeroplan account of the traveller. For Additional Cardholders' ability to access available benefits, their Aeroplan number must be linked to a valid credit card account as verified by the bank. Linking can be done by visiting www.aircanada.com/linkmycard. Please allow up to 72 hours after the credit card is approved, or the Aeroplan number of the Additional Cardholder is linked to the Additional Cardholder credit card, for these benefits to be activated. The Primary Business Cardholder and Additional Cardholder(s) must be in good standing at time of flight for airline benefits to apply. Airline benefits will no longer be available upon account closure, regardless of reason for closure, or if the credit card product is changed. Aeroplan membership and benefits are subject to the Aeroplan Program Terms & Conditions (aircanada.com/aeroplan-termsandconditions) and any applicable Air Canada terms and conditions relating to a benefit, as determined by Air Canada in its sole discretion and as may be changed from time to time.

¹ "Primary Business Cardholder" means the individual who is issued the TD Aeroplan Visa Business Card with an Annual Fee of \$149. Applicable airline benefits will be awarded to the Aeroplan Account associated with the Primary Business Cardholder, as designated by the Business.

² Free First Checked Bag

The Primary Business Cardholder or Additional Cardholder, and up to eight (8) other passengers travelling on the same reservation (up to a maximum of nine (9) travellers), are each entitled to a free first checked bag up to 23kg/50lbs. Benefit only applies when checking in with Air Canada, for a flight operated by Air Canada, Air Canada Rouge® or under the Air Canada Express® brand. Benefit is not available if check-in is with another airline. If the first checked bag is already complimentary (for example, as a result of Aeroplan Elite Status or fare purchased), there is no additional checked bag benefit that will be provided. Free first checked bag benefit may not be applied retroactively, and no refunds will be issued. Service charges for additional/oversized/overweight baggage may apply. For more information on baggage restrictions, please visit aircanada.com/baggage

³ Air Canada Maple Leaf Lounge One-Time Guest Passes

The Primary Business Cardholder is entitled to receive one (1) Air Canada Maple Leaf Lounge One-Time Guest Pass (each a "Guest Pass") for every \$10,000 in net purchases charged to the Primary Business Cardholder account (less any returns and credits) within an account year (being each consecutive 12-month period starting when the Annual Fee is charged) up to a maximum of 4 Guest Passes in an account year per Aeroplan Account. All net spend by Additional Cardholder(s) will count towards the spend of the Primary Business Cardholder as long as they are associated with the same Aeroplan Account. All earned Guest Passes will be deposited up to 2 weeks following the Cardholder renewal year. Each Guest Pass will expire twelve (12) months from the date of issuance. One Guest Pass may be used for single admittance by the Primary Business Cardholder, Additional Cardholder(s), or any

guest(s) accompanying any of them to access an eligible Air Canada Maple Leaf Lounge (as identified below) upon presentation of a Guest Pass, along with a same-day, confirmed ticket on a flight operated by Air Canada, Air Canada Rouge or under the Air Canada Express brand. Eligible Air Canada Maple Leaf Lounges are limited to those Maple Leaf Lounges located in Canada and in the United States only and exclude international Air Canada Maple Leaf Lounges located in the international departure zones of Canadian airports. Access also excludes Air Canada Signature Suites and lounges operated by third parties, such as the Star Alliance member airlines. Any guest entering an Air Canada Maple Leaf Lounge using a Guest Pass must be accompanied by the Primary Business Cardholder or Additional Cardholder. Anyone under the age of majority entering an Air Canada Maple Leaf Lounge must be accompanied by an adult with access to the lounge. Age of majority is determined by the jurisdiction in which the Air Canada Maple Leaf Lounge is located. Benefit may only be used as described, and otherwise cannot be transferred. Access is subject to space availability. Unused Guest Pass will automatically be cancelled on the date the credit card is closed, or if the credit card is changed to a different product. All Air Canada Maple Leaf Lounges Terms and Conditions apply and can be reviewed at aircanada.com/lounges-termsandconditions

⁴ Threshold Benefit: Aeroplan Elite Status Qualification Boost

For every \$5,000 in net purchases (less any returns and credits) charged to the credit card account, the Primary Business Cardholder will receive 1,000 Status Qualifying Miles (SQM) and 1 Status Qualifying Segment (SQS), to be deposited at the end of the next credit card account billing period. Please allow up to 1 week after your credit card account statement date for the deposit to appear. SQM and SQS are not redeemable towards Aeroplan rewards and only count toward Aeroplan Elite Status qualification. SQM do not count towards Million Mile Status. Additional Cardholder(s) are not eligible to receive SQM or SQS through this benefit; however, all net spend by Additional Cardholder(s) will count towards the spend of the Primary Business Cardholder as long as they are associated with the same Aeroplan Account. The Primary Business Cardholder may earn unlimited bonus SQM and SQS during an Elite Status qualification period. All Aeroplan Elite Status conditions apply and can be reviewed at aircanada.com/elite-termsandconditions
