Fee Rebate

Your monthly plan fee will be rebated when your daily balance is greater than or equal to the required amount throughout the month

Non-customer Fees

Cashing cheques (drawn on TD Canada Trust accounts) is subject to a \$5.00 fee (does not apply to Federal Government cheques and other payment instruments)

¹ This statement does not contain all of the charges for services provided by TD Canada Trust in respect of deposit accounts with TD Canada Trust other than personal deposit accounts. For information regarding charges not included in this brochure, please contact your nearest TD Canada Trust branch.

² Amounts shown and service charges for U.S. Dollar business accounts are quoted and/or payable in U.S. Dollars, or their Canadian Dollar equivalent, using the TD Canada Trust prevailing exchange rate at the time the service charge is applied.

³ Business Overdraft Protection is available only on Canadian dollar accounts. Business Overdraft Protection is subject to credit approval.

⁴ For more information on these discounts and rebates, please visit tdcanadatrust.com or call us at 1-866-222-3456.

⁵ Not applicable to TD Credit. Please see TD credit agreement for NSF information.

⁶ If you make a foreign currency withdrawal at an ATM outside Canada with your TD Access Card, the amount of the foreign currency funds received at the ATM, and any fee charged by the ATM provider is converted to Canadian dollars at the exchange rate set by Visa International in effect on the date the transaction is posted to your account. The amount withdrawn from your account will include a fee equal to 3.5% of the amount of the foreign currency funds received at the ATM plus any fee charged by the ATM provider after conversion to Canadian dollars. For example: For a USD \$10 cash withdrawal at an ATM in United States, where the rate set by Visa International is 1.3 (USD \$1.00 costs CAD \$1.3); Amount received at ATM = USD \$10; US ATM provided fee = USD \$2; Amount after conversion = USD \$12 x 1.3 = CAD \$15.60; Fee = CAD \$15.60 x 3.5% = CAD \$0.55; Total withdrawal amount = CAD \$15.60 + CAD \$0.55 = CAD \$16.15; If this withdrawal example occurred at a non-TD ATM in United States, the \$3 non-TD ATM handling fee would also be withdrawn from your account.

⁷ If you elect to have the Paperless Recordkeeping option, the fee is waived.

⁸ Other financial institution charges and out-of-pocket expenses may apply.

⁹ Fees collected in the currency of the transaction, except for transactions in a foreign currency (except U.S. Dollars), which are payable at the Canadian Dollar equivalent at the TD Canada Trust prevailing exchange rate.

¹⁰ Additional charge of \$10 for EasyLine telephone banking requests mailed within Canada and \$24 for drafts mailed to locations outside of Canada.

¹¹ In addition, foreign bank and communication charges may apply.

¹² Some sizes not available at some branches.

¹³ Fees for Canadian and U.S. Dollar wire payments are quoted and collected in the currency of the wire. Fees for foreign currency wire payments are quoted and collected in Canadian Dollars.

¹⁴ If you make a purchase in foreign currency with your TD Access Card (NYCE), the foreign currency amount is converted to Canadian dollars at an exchange rate that is calculated by adding 0.035 to the rate set by Interac Corp. in effect on the date the transaction is posted to your account. For example, for a USD \$10 purchase, where the rate set by Interac Corp. is 1.3 (USD \$1.00 costs CAD \$1.30); Exchange rate = 1.3 + 0.035 = 1.335; Total withdrawal amount = USD \$10 x 1.335 = CAD \$13.35 (includes the fee in the amount of CAD \$0.35)
