

GET STARTED WITH YOUR RSA SECURID® HARD TOKEN

ACTIVATE YOUR HARD
TOKEN THROUGH TD
BUSINESS CENTRAL U.S.

For the security of your business, all tokens are assigned to a specific user and will require a PIN to be activated before use.

How to activate your new hard token

1. After receiving your RSA SecurID hard token, go to your TD Business Central U.S. registration e-mail and select **Register**.
2. Next, select **Register now**. Then, you'll need to agree to the Terms and Conditions before proceeding.
3. Enter the security code which will be the 6-digit tokencode displayed by your token. Select **Enter** to continue.
4. You'll be asked to create a 4 to 8-digit PIN, which will be needed each time you use your hard token. Create a PIN, and then enter the new 6-digit tokencode displayed by your token. Select **Create PIN**.
5. Lastly, create a username and password. Select **Done** and you're all set to log in to TD Business Central U.S.

How to log in with your activated hard token

1. After selecting **Done** at the end of registration, select **Log in** to go to the TD Business Central U.S. login page. Or, go to <https://businessconnect.tdbank.com/>. Enter your username and password. Then, select **Log in** to get started.
2. You'll be asked for a security code. Enter your 4 to 8-digit PIN followed directly by the 6-digit tokencode displayed by your token. Select **Enter** to authenticate and log in.

If you have any questions about token activation or logging in, please contact us for assistance. [1-866-475-7262](tel:1-866-475-7262)

Monday to Friday: 7:30 AM - 8:00 PM ET

Saturday: 9:00 AM - 1:00 PM ET

Sunday: Closed

Frequently asked questions

What is a tokencode?

Your tokencode is a 6-digit code displayed by your RSA SecurID hard token. The tokencode changes every 60 seconds and can only be used once.

Do I need my RSA SecurID hard token every time I log in?

Yes, you'll need to enter your 4 to 8-digit PIN followed directly by the 6-digit tokencode displayed by the token each time you log in.

Is my hard token required for ACH or wire payments?

No, your token is not required for ACH or wire payments. Functions assigned by your System Administrator are available once you've logged in.

What should I do if I lose my hard token?

Please notify your System Administrator or contact TD Treasury Management Support Services at **1-866-475-7262**.

Is my hard token required for logging in to any other TD applications?

Yes, your token may be required for logging in to other applications, such as TD eTreasury.
