For Credit Card Tips from the Consumer Financial Protection Bureau:	To learn more about factors to consider when applying for or using a credit card, visit the website of the Consumer Financial Protection Bureau at http://www.consumerfinance.gov/learnmore .

How We Will Calculate Your Balance: To calculate your account balance, we add the transactions on your account in the billing cycle to any outstanding balance from the previous billing cycle, add the Monthly Membership Fee for the billing cycle, and subtract any payments and credits received during the billing cycle. See the "Payments" section of your TD Clear (\$2,000 Credit Limit) Credit Card Agreement for more details.

Procedures for Opening a New Account (USA Patriot Act): To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means to you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

Notice to Active Duty Service Members and Dependents: If you would like more information regarding your account, please call us at 1-877-488-3712.

About This Credit Card Program: This credit card program is issued and administered by TD Bank, N.A. ("TD Bank") located in Wilmington, DE. Any Account opened in response to this application shall be governed by the laws of the State of Delaware. Visa is a registered trademark and service mark of Visa International Service Association and is used pursuant to a license.

Monthly Membership Fee: Your account has a Monthly Membership Fee that will be billed to your account each month as a charge, whether or not you use your account, and applied against your available credit like other charges. The Monthly Membership Fee amount is listed in the Fee Schedule. Your payment of the Monthly Membership Fee does not affect our right to close your Account or limit your right to make transactions on your Account.

Card Eligibility: To be eligible for an Account, you must meet certain minimum income, residency, age, credit quality and other requirements.

Balance Transfers: You may be able to transfer balances from eligible credit card accounts to your Account. **Balance Transfers are subject to your available credit limit.**

We may limit the number and types of credit card accounts from which we will allow Balance Transfers, and the times, manner, and circumstances in which Balance Transfers may be requested. Balance Transfers may not be payable to yourself or made payable to cash. Balance Transfers may be used to pay off other creditors but cannot be used to pay off accounts owned by TD Bank or to any bank now or previously affiliated with TD Bank.

It may take 2 to 4 weeks to process a Balance Transfer request after your account is opened. You must continue paying each of your creditors until the requested Balance Transfer appears on your monthly billing statement sent to you by your creditor as a credit. Your other credit card account(s) will not be closed even if you transfer your entire balance(s). If you want to close an account, please contact your other creditors directly.

Transfers requested with Convenience Checks are processed as Cash Advances, not as Balance Transfers. If you have a dispute with a creditor and pay that creditor with a Balance Transfer or Convenience Check, you may lose certain dispute rights with that creditor.

Credit Reports: You agree that we have a right to obtain a credit report in connection with our review of your application and if approved after we establish the Account, to administer the Account. You agree that we may report to others our credit experience with you. At your request we will provide the name and address of each consumer-reporting agency from which we obtained a report about you.
