

NOTIFICATION UNDER SECTION 309B(1)(C) OF THE SECURITIES AND FUTURES ACT 2001 OF SINGAPORE (the “SFA”) – In connection with Section 309B of the SFA and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “**CMP Regulations 2018**”), the Issuer has determined the classification of the Notes to be “prescribed capital markets products” (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the “**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“**UK**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (“**FSMA**”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the “**UK PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

UK MIFIR PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPS ONLY TARGET MARKET – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA (“**UK MIFIR**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

THE NOTES ARE SUBJECT TO CONVERSION IN WHOLE OR IN PART – BY MEANS OF A TRANSACTION OR SERIES OF TRANSACTIONS AND IN ONE OR MORE STEPS – INTO COMMON SHARES OF THE ISSUER OR ANY OF ITS AFFILIATES UNDER SUBSECTION 39.2(2.3) OF THE CANADA DEPOSIT INSURANCE CORPORATION ACT (“CDIC ACT”) AND TO VARIATION OR EXTINGUISHMENT IN CONSEQUENCE, AND SUBJECT TO THE APPLICATION OF THE LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN IN RESPECT OF THE OPERATION OF THE CDIC ACT WITH RESPECT TO THE NOTES.

ANNEXURE D

The section of the Information Memorandum entitled “*Canadian Bank Resolution Powers*” is supplemented with the following:

***“Following a Bail-in Conversion, Noteholders of Bail-inable Notes lodged in the Austraclear System that have been converted into common shares may face operational and procedural risks as it is not possible for common shares to be delivered or held in the Austraclear System*”**

Where the Bail-inable Notes are lodged in the Austraclear System, Austraclear is recorded as the registered holder of such Bail-inable Notes and holds those Bail-inable Notes as nominee for participants in the Austraclear System, who in turn may hold interests on behalf of underlying beneficial owners. Upon a Bail-in Conversion, whereby the Bail-inable Notes may be converted into common shares of the Issuer or its affiliates, holders of the Bail-inable Notes should be aware that the Austraclear System is not able to accept or facilitate the holding or transfer of equity securities, including common shares. As a result, upon a Bail-in Conversion, it will not be possible for common shares or other equity securities to be delivered or held through the Austraclear System. Instead, an alternative mechanism will be required to effect delivery of common shares or other equity securities of the Issuer or its affiliates to the ultimate beneficial owners, which may involve the withdrawal of the Bail-inable Notes from the Austraclear System, the identification of participants and underlying beneficial owners, and the delivery of common shares or other equity securities of the Issuer or its affiliates outside the Austraclear System, potentially through the appointment of a share trustee or similar arrangement. This process may be operationally complex, may result in delays or additional administrative steps, and may give rise to uncertainties or costs in relation to the timely and effective delivery of common shares or other equity securities of the Issuer or its affiliates to holders of the Bail-inable Notes or beneficial owners. There can be no assurance that any such alternative arrangements will operate smoothly or without disruption, and Noteholders of the Bail-inable Notes may be exposed to risks of delay, loss of value, or difficulties in realising or disposing of common shares or other equity securities of the Issuer or its affiliates received upon a Bail-in Conversion. Noteholders should consider these operational and procedural risks when assessing an investment in the Bail-inable Notes.”

ANNEXURE E

The sub-section of the Information Memorandum entitled “*Taxation – Canadian Taxation*” is deleted and replaced with the following.

“The following is, as of the date hereof, a summary of the principal Canadian federal income tax considerations under the Income Tax Act (Canada) and regulations promulgated thereunder (collectively, the “**Canada Tax Act**”) generally applicable to a holder who acquires beneficial ownership of a Note upon the initial issuance by the Issuer pursuant to this Pricing Supplement or common shares of the Issuer or an affiliate of the Issuer that is a corporation resident or deemed resident in Canada on a Bail-in Conversion, and who, for purposes of the Canada Tax Act and at all relevant times, (i) is not (and is not deemed to be) resident in Canada, (ii) deals at arm’s length with, and is not affiliated with, the Issuer, any affiliate of the Issuer who issues common shares on a Bail-in Conversion and any transferee resident (or deemed to be resident) in Canada to whom the holder assigns or otherwise transfers the Note, (iii) is not, and deals at arm’s length with any person who is, a “specified shareholder” (within the meaning of subsection 18(5) of the Canada Tax Act) of the Issuer or any of its affiliates, (iv) is entitled to receive all payments (including any interest and principal and dividends) made on the Note or any common shares of the Issuer or any of its affiliates acquired on a Bail-in Conversion as beneficial owner, (v) does not use or hold and is not deemed to use or hold the Note or any common shares of the Issuer or any of its affiliates acquired on a Bail-in Conversion in, or in the course of, carrying on a business in Canada and (vi) is not an insurer carrying on an insurance business in Canada and elsewhere (a “**Non-resident Holder**”). A “specified shareholder” for these purposes generally includes a person who (either alone or together with persons with whom that person is not dealing at arm’s length) owns or has the right to acquire or control 25% or more of the Issuer’s shares determined on a votes or fair market value basis. This summary assumes that no amount paid or payable in respect of a Note (including in respect of any disposition of a Note) will be the deduction component of a “hybrid mismatch arrangement” under which the payment arises within the meaning of paragraph 18.4(3)(b) of the Canada Tax Act.

This summary is based upon the provisions of the Canada Tax Act in force on the date hereof, proposed amendments to the Canada Tax Act in the form publicly announced prior to the date hereof by or on behalf of the Minister of Finance (Canada) (the “**Tax Proposals**”) and the current administrative policies of the Canada Revenue Agency published in writing by it prior to the date hereof. This summary assumes that all Tax Proposals will be enacted in the form currently proposed; however, no assurance can be given that the Tax Proposals will be enacted in the form proposed or at all. This summary does not otherwise take into account or anticipate any other changes in law or administrative policies, whether by legislative, governmental or judicial decision, action or interpretation, nor does it take into account other federal or any provincial, territorial or foreign income tax legislation or considerations, which may differ from those discussed herein. Subsequent developments could have a material effect on the following description.

This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular holder and no representations with respect to the income tax consequences to any particular holder are made. This summary is not exhaustive of all Canadian federal income tax considerations. Accordingly, prospective investors in Notes should consult their own tax advisors with respect to their own particular circumstances.

For the purposes of the Canada Tax Act, all amounts not expressed in Canadian dollars must generally be converted into Canadian dollars based on the single day exchange rate as quoted by the Bank of Canada for the applicable day or such other rate of exchange that is acceptable to the Minister of National Revenue (Canada).

Notes

Interest (including amounts on account or in lieu of payment of, or in satisfaction of, interest) paid or credited or deemed for purposes of the Canada Tax Act to be paid or credited on a Note to a Non-resident Holder (including any amount paid at maturity in excess of the principal amount and interest deemed to be paid on the Note in certain cases involving the assignment or other transfer of a Note to a resident or deemed resident of Canada) will not be subject to Canadian non-resident withholding tax

unless all or any portion of such interest is “participating debt interest” for purposes of the Canada Tax Act. “Participating debt interest” is defined generally as interest (other than interest on a “prescribed obligation” described below) all or any portion of which is contingent or dependent on the use of or production from property in Canada or is computed by reference to revenue, profit, cash flow, commodity price or any other similar criterion or by reference to dividends paid or payable to shareholders of any class or series of shares of the capital stock of a corporation. A “prescribed obligation” is an “indexed debt obligation” (as defined in the Canada Tax Act) in respect of which no amount payable is: (a) contingent or dependent upon the use of or production from property in Canada, or (b) computed by reference to: (i) revenue, profit, cash flow, commodity price or any other similar criterion, other than a change in the purchasing power of money, or (ii) dividends paid or payable to shareholders of any class or series of shares of a corporation. An “indexed debt obligation” is a debt obligation the terms or conditions of which provide for an adjustment to an amount payable in respect of the obligation for a period during which the obligation was outstanding, which adjustment is determined by reference to a change in the purchasing power of money.

In the event that a Note is redeemed, cancelled, purchased or repurchased by the Issuer or any other person resident or deemed to be resident in Canada from a Non-resident Holder, or is otherwise assigned or transferred by a Non-resident Holder to the Issuer or any other person resident or deemed to be resident in Canada, for an amount which exceeds, generally, the issue price thereof, all or part of any such excess amount may, in certain circumstances, be deemed to be interest and may (together with any interest that has accrued or is deemed to have accrued) be subject to Canadian non-resident withholding tax. Such withholding tax will apply if all or any part of such deemed interest is participating debt interest (as defined above) unless, in certain circumstances, the Note is not an indexed debt obligation (described above) and it was issued for an amount not less than 97% of its principal amount (as defined in the Canada Tax Act), and the yield from which, expressed in terms of an annual rate (determined in accordance with the Canada Tax Act) on the amount for which the Note was issued, does not exceed 4/3 of the interest stipulated to be payable on the Note, expressed in terms of an annual rate on the outstanding principal amount from time to time.

If applicable, the normal rate of Canadian non-resident withholding tax is 25%, but such rate may be reduced under the terms of an applicable income tax treaty or convention.

Generally, there are no other Canadian taxes on income (including taxable capital gains) payable by a Non-resident Holder under the Canada Tax Act solely as a consequence of the acquisition, ownership or disposition of a Note by the Non-resident Holder or the conversion of the Note into common shares of the Issuer or any of its affiliates.

Common Shares Acquired on a Bail-In Conversion

Dividends

Dividends paid or credited or deemed to be paid or credited to a Non-resident Holder on any common shares of the Issuer or on the common shares of an affiliate of the Issuer that is (or is deemed to be) a corporation resident in Canada (for purposes of the Tax Act) will be subject to Canadian non-resident withholding tax at a rate of 25%, but such rate may be reduced under the terms of an applicable income tax treaty or convention.

Dispositions

A Non-resident Holder will not be subject to tax under the Canada Tax Act on any capital gain realised on a disposition or deemed disposition of any common shares of the Issuer or an affiliate of the Issuer unless such shares constitute “taxable Canadian property” to the Non-resident Holder for purposes of the Canada Tax Act at the time of their disposition, and such Non-resident Holder is not entitled to relief pursuant to the provisions of an applicable income tax treaty or convention.

Generally, common shares of the Issuer or of an affiliate of the Issuer will not constitute taxable Canadian property to a Non-resident Holder provided that they are listed on a designated stock exchange (which currently includes the Toronto Stock Exchange and the New York Stock Exchange) at the time of their disposition, unless, at any particular time during the 60 month period that ends at that time, the following conditions are met concurrently: (i) one or any combination of (a) the Non-resident

Holder, (b) persons with whom the Non-resident Holder did not deal at arm's length, or (c) partnerships in which the Non-resident Holder or a person described in (b) held a membership interest directly or indirectly through one or more partnerships, owned 25% or more of the issued shares of any class or series of the applicable issuer's share capital and (ii) more than 50% of the fair market value of the relevant shares was derived directly or indirectly from one or any combination of (a) real or immovable property situated in Canada, (b) Canadian resource properties (as defined in the Canada Tax Act), (c) timber resource properties (as defined in the Canada Tax Act), and (d) an option in respect of, or an interest in, or for civil law a right in, any of the foregoing property, whether or not such property exists. Notwithstanding the foregoing, a share may be deemed to be "taxable Canadian property" in certain other circumstances.
