Visa SavingsEdge is a Small Business loyalty and discount program offered by Visa Canada Corporation to eligible businesses and their authorized Cardholders that hold an eligible Visa Business Card. Visa Small Business Cardholders can receive savings through two types of discount offers: Instant Coupons and Cashback. With Instant Coupons, Cardholders may receive a discount at the time of purchase by using an applicable coupon code or link from a participating Merchant. A linked Card is not required for Cardholders to use Instant Coupons. With Cashback Offers, Cardholders must link (enroll) their eligible Card in the Program and use their linked Card to make qualifying purchases of goods or services pursuant to an active Cashback Offer provided by a participating Merchant, and that transaction must be processed or submitted through the Visa payment system (a "Qualifying Purchase"). Visa reserves the right to determine in its sole discretion whether a Visa Business Card transaction is a Qualifying Purchase. Please see the program terms & conditions for additional restrictions. For Cashback Offers, discounts are provided in the form of credits posted to the Cardholder's applicable Visa Business Card account. Visa may modify, restrict, limit, change or cancel the program in any way and at any time. Visa also reserves the right to suspend or cancel any Cardholder's participation in the program. Offers may be subject to additional terms and conditions and are subject to applicable law. Offers may be removed from the program at any time and are subject to availability.
