Italicized and capitalized terms are defined. As You read through the Certificate, please refer to Definitions on page 19 to ensure You have a full understanding of Your coverage, limitations and exclusions.

Section 5: Description of Insurance Coverage

Trip Cancellation Coverage (before Departure Date)

Trip Cancellation coverage offers financial protection if unexpected events occur before departure and cause cancellation of travel plans.

What to do if You need to cancel Your Covered Trip

After the Insured Person has cancelled their travel arrangements with the travel supplier, the Insured Person will need to follow the instructions under Section 10, "How to Submit a Claim" to submit a claim.

It is important to call Global Excel immediately or within 24 hours at the emergency assistance number found in Section 11, "How to Contact Our Administrator". Some expenses are only covered if they’re approved in advance by Global Excel. All transportation expenses must be pre-approved.

The amount payable under Trip Cancellation Insurance coverage is limited to the cancellation penalties in effect on the date the covered cause for cancellation occurs, so it’s important to cancel the Insured Person’s plans immediately but no later than within 24 hours of cancellation with Your travel agent or travel supplier.

Trip Interruption Coverage (after Departure Date)

Trip Interruption coverage offers financial protection if unexpected events interrupt travel plans on or after departure date.

What to do if You need to interrupt Your Covered Trip

After the Insured Person has interrupted their travel arrangements with the travel supplier, the Insured Person will need to follow the instructions under Section 10, "How to Submit a Claim" to submit a claim.
The Insured Person must call Global Excel immediately at the 24 Hour Emergency Assistance number found in Section 11, "How to Contact Our Administrator". Some expenses are only covered if they're approved in advance by Global Excel. All transportation expenses must be pre-approved.

Only the expenses that are non-refundable on the day the covered cause for interruption occurs are eligible for reimbursement, so contact Global Excel immediately but no later than within 24 hours to discuss alternate travel arrangements.

required documentation within one (1) year from the date of the accident or the date the claim arises. Failure to provide the applicable documentation may invalidate Your claim.

Provide the Information requested
To make a Trip Cancellation or Trip Interruption claim, as part of the requirements above, under "Time limit from date of event," We will need documentation to substantiate the claim, including but not limited to the following:

• completed claim form;
• a medical document, fully completed by the legally qualified Physician in active personal attendance and in the locality where the Medical Emergency occurred, stating the reason why travel was not recommended, the diagnosis and all dates of Treatment;

NOTE: If Global Excel makes an advance payment for expenses that are later discovered to be ineligible under this Certificate, the Insured Person must reimburse Us.

If Global Excel guarantees or pays eligible expenses on behalf of an Insured Person, then You and, if applicable, the Insured Person must sign an authorization form allowing Global Excel to recover those expenses:

• from any health plan or other insurance; and
• through rights You may have against other insurers or other parties (see Section 12: General Conditions, under “Right of Subrogation”).

If Global Excel pays eligible expenses that are covered under other insurance or another plan, You and the Insured Person (if applicable) must help Global Excel to seek reimbursement as required. The Insured Person must also provide evidence of the actual departure date from his or her province or territory of residence. If requested, an Insured Person must confirm any return dates to his or her province or territory of residence, including any return dates related to an interruption in a Covered Trip.

NOTE: If Global Excel makes an advance payment for expenses that are later discovered to be ineligible under this Certificate, the Insured Person must reimburse Us.

If You Do Not Report the Claim Immediately
It is important to cancel or interrupt Your Covered Trip immediately, but no later than 24 hours following the covered cause for cancellation or interruption because the amount payable under this Certificate may be limited to any penalties imposed by Your travel provider(s) which are in effect on the date the covered cause for cancellation or interruption occurs.

If not, benefits will be limited as described under “Trip Interruption and Trip Interruption Insurance Limitations” in Section 6. Refer to Section 11 under “How to Contact Our Administrator” for information on how to get a claim form.

Section 12 – General Conditions

Unless this Certificate or the Group Policy states otherwise, the following conditions apply to Your coverage.

Access to Medical Care

We and/or Global Excel will assist You to access care whenever possible, however will not be responsible for the availability, quality or results of any medical Treatment, care or transport, or for the failure of any Insured Person to obtain Treatment.

Benefit Payments

This Certificate contains provisions removing or restricting the right of the Insured Person to designate persons to whom or for whose benefit money is to be payable. This means that under the Group Policy, neither You nor any Insured Person has the right to choose a beneficiary who will receive any benefits payable under this Certificate. Benefits are payable to You or, on Your behalf, to Your medical service provider.

Coordination of Benefits with other insurance

All of Our coverages are excess insurance, meaning that any other sources of recovery You have will pay first, and this insurance coverage will be the last to pay. The total benefits payable under all Your insurance, including this Certificate, cannot be more than the actual expenses for a claim. If an Insured Person is also insured under any other insurance certificate or policy, We will coordinate payment of benefits with the other insurer.
Currency
All amounts shown are in Canadian currency.

Group Policy
All benefits under this Certificate are subject in every respect to the Group Policy, which alone constitutes the agreement under which benefits will be provided. The principal provisions of the Group Policy affecting Insured Persons are summarized in this Certificate. The Group Policy is on file at the office of the Policyholder and upon request, You are entitled to receive and examine a copy of the Group Policy.

Legal Action Limitation Period
Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (for actions or proceedings governed by the laws of Alberta and British Columbia), The Insurance Act (for actions or proceedings governed by the laws of Manitoba), the Limitations Act, 2002 (for actions or proceedings governed by the laws of Ontario), or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the Civil Code of Quebec.

Relationship between Us and the Group Policyholder
TD Life Insurance Company and TD Home and Auto Insurance Company is affiliated with The Toronto-Dominion Bank (“TD Bank”).

Review and Medical Examination
When a claim is being processed, We will have the right and the opportunity, at Our own expense, to review all medical records related to the claim and to examine the Insured Person medically when and as often as may be reasonably required.

Right of Subrogation
There may be circumstances where another person or entity should have paid You for a loss but instead We paid You for the loss. If this occurs, You agree to co-operate with Us so We may demand payment from the person or entity who should have paid You for the loss. This may include:
• transferring to Us the debt or obligation owing to You from the other person or entity; or
• permitting Us to bring a lawsuit in Your name; or
• if You receive funds from the other person or entity, You will hold it in trust for Us; or
• acting so as not to prejudice any of Our rights to collect payment from the other person or entity. We will pay the costs for the actions We take.

Recovery
In the event that You are found to be ineligible for coverage, or that a claim is found to be invalid, or benefits are reduced in accordance with any policy exclusion or term or condition, We have the right to collect from You any amount which We have paid on Your behalf to service providers or other parties.

Other Sources of Payment
The benefits payable, as described in this Certificate, are in excess of all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and other travel suppliers and other insurance coverage (even where such other coverage is described as excess) and will only become available after all other sources are exhausted.
