Notes: *2020 figure restated. 1. The significant increase is consistent with the firm's overall AUM. 2. The significant increase is due to strong performance and new clients. 3. The significant increase is due to a combination of private and public market wins along with market appreciation. 4. The significant increase is due to a variety of different investment strategies. 5. The significant increase is due to the addition of a large client in 2021.

Figures in this report are based on responses provided by the survey respondents. Benefits Canada assumes no responsibility for the accuracy of the data provided. All totals are subject to +/- variance due to rounding.
