

2014 List of Environmental Stakeholder Groups and Discussion Topics

TD is committed to proactive stakeholder engagement that enables us to have ongoing dialogue with many industry associations, environmental non-governmental groups, and Aboriginal and community groups. Here is a selection of organizations and discussion topics that we have contributed to over the past year.

Organization	Topic Area	Notes on Engagement
Alliance for Community Trees	Urban Forestry	ACTrees is one of the organizations that helps administer TD Tree Days in the U.S. TD also recently funded a Tree Care grant program for ACTrees members to support structural pruning and maintenance programs.
Arbor Day Foundation	Urban Forestry	Arbor Day administers TD Green Streets in the U.S. This grant program supports innovation in municipal forestry and funds tree planting and urban greening projects in low-to moderate-income neighbourhoods.
Boreal Leadership Council	Sustainable development in the Boreal region Aboriginal engagement	As a member of the Boreal Leadership Council, TD participates in bi-annual meetings and supports working group activities on an ongoing basis.
Centre for Mining Innovation	Mining	A TD executive is on the board level of this industry association, which links mining and academia to promote industry innovation in technology and sustainability.
Equator Principles Financial Institutions	Environmental and social risk in the financial sector	TD is a member of this industry association and participates on working committees and in annual meetings.
Forest Stewardship Council	Free, Prior and Informed Consent (FPIC)	TD is the lead sponsor and participant in a project that will operationalize the concepts and practices of FPIC into natural resource management in Canada.
Greening Greater Toronto/Civic Action	Sustainable cities	TD executives are members of a steering committee and working committees that support a range of programs with an environmental focus.
Nature Conservancy of Canada/The Nature Conservancy	Forest Conservation	TD works with both of these organizations to protect critical forest habitat in Canada and the United States through the TD Forests program.
Network for Business Sustainability	Sustainable development	TD is a member of the advisory committee for this multi-stakeholder organization that links business and academia to support research on a wide range of topics relating to sustainable development.
Natural Step		TD was a founding sponsor and is a participant in Natural Step's Natural Capital Laboratory
New York Restoration Project	Urban Forestry	NYRP is one of the organizations that helps to administer TD Tree Days in the U.S. NYRP is also the lead partner with the New York City Department of Parks & Recreation in MillionTreesNYC, an initiative to plant and care for one million new trees in New York City by 2015. TD is a lead sponsor of MillionTreesNYC.
World Resources Institute	Responsible finance	TD is a member of a working group to develop protocols for financed emissions.
UNEP Financial Initiative (North America)	Environmental issues in the financial sector	TD is a member of this industry association, which identifies and supports research in areas relating to environmental risk and opportunity in the sector.
U.S. Green Building Council/Canadian Green Building Council	Green Buildings	TD is a member of this industry organization aimed at advancing green building initiatives.

We also engage with these additional organizations
