

## List of Stakeholder Groups and Engagement Topics

TD is committed to proactive stakeholder engagement that enables us to have ongoing dialogue with many industry associations, environmental non-governmental groups, and Aboriginal and community groups. Here is a selection of organizations and discussion topics that we have contributed to over the past year.

| Organization  | Topic Area  | Notes on Engagement   |
|---|---|---|
| Alliance for Community Trees                                    | Urban forestry  | ACTrees is one of the organizations that helps administer TD Tree Days in the U.S. TD also recently funded a Tree Care grant program for ACTrees members to support structural pruning and maintenance programs |
| Arbor Day Foundation  | Urban forestry  | Arbor Day administers TD Green Streets in the U.S. This grant program supports innovation in municipal forestry and funds tree planting and urban greening projects in low-to moderate-income neighbourhoods    |
| Boreal Leadership Council                                       | Sustainable development in the boreal region<br>Aboriginal engagement | As a member of the Boreal Leadership Council, TD participates in bi-annual meetings and supports working group activities on an ongoing basis   |
| Ecofiscal Commission  | Environmental and economic policy                                     | TD is a sponsor and member of the Advisory Board  |
| Equator Principles Financial Institutions                       | Environmental and social risk in the financial sector                 | TD is a member of this industry association and participates on working committees and in annual meetings   |
| Forest Stewardship Council                                      | Free, prior and Informed consent (FPIC)                               | TD is a sponsor and participant in a project that will operationalize the concepts and practices of FPIC into natural resource management in Canada   |
| Green Bond Principles   | Green bond standards  | TD is a member as an issuer and an underwriter  |
| Evergreen CityWorks   | Sustainable cities  | TD executives are members of the steering committee and working committees that support a range of programs with an environmental focus   |
| Natural Capital Coalition                                       | Natural capital   | TD is a member and is pilot testing the Natural Capital Protocol  |
| Natural Capital Lab   | Natural capital   | TD was a founding sponsor and is a participant  |
| Nature Conservancy of Canada/<br>The Nature Conservancy         | Forest conservation   | TD works with both of these organizations to protect critical forest habitat in Canada and the U.S. through the TD Forests program  |
| Trust for Public Lands  | Urban green space   | TD is partnering on enhancement of green space and civic commons in Miami Florida   |
| UNEP Financial Initiative (North America)                       | Environmental issues in the financial sector                          | TD is a member of this industry association, and is active in the insurance initiatives   |
| U.S. Green Building Council/<br>Canadian Green Building Council | Green buildings   | TD is a member of this industry organization aimed at advancing green building initiatives  |
