

## List of Stakeholder Groups and Engagement Topics

TD is committed to proactive stakeholder engagement that enables us to have ongoing dialogue with many industry associations, environmental non-governmental groups, and Indigenous and community groups. Our interactions with these stakeholders influence our internal policies and practices (including our guidelines on responsible lending, our sustainable investing approach, our community focus, and our operations). Here is a representative selection of organizations and discussion topics that we have engaged in over the past year.

Organization	Topic Area	Notes on Engagement
Alliance for Community Trees	Urban forestry	ACTrees is one of the organizations that helps administer TD Tree Days in the U.S. TD also recently funded a Tree Care grant program for ACTrees members to support structural pruning and maintenance programs.
Arbor Day Foundation	Urban forestry	Arbor Day administers TD Green Streets in the U.S. This grant program supports innovation in municipal forestry and funds tree planting and urban greening projects in low-to moderate-income neighbourhoods.
Carbon Pricing Leadership Coalition	Carbon pricing	TD is a member of the Carbon Pricing Leadership Coalition Investor and Finance Sector Task Team, a working group that brings together leaders from across government, private sector, and civil society to expand the use of carbon pricing globally.
Canadian Bankers Association	Various industry topics	TD is an active member of the Canadian Bankers Association. We have worked with the CBA on various industry initiatives, including the Financial Stability Board's Taskforce for Climate Related Financial Disclosures.
CDP	Carbon management and disclosure	TDAM and TD Securities are signatories to the CDP Climate Change, Water, and Forest programs. TD annually responds to the CDP Investor Questionnaire and maintains a leadership position (a score of A- in 2017) in the Climate Change Program. TD is also a member of the CDP Supply Chain Program and was named to the CDP Supplier Engagement Leader Board in 2017.
Conference Board of Canada	Low-carbon economy	TD is a funder of the recently announced Low Carbon Economy Centre which focuses on the economic implications of the low-carbon economy.
Corporate Renewable Energy Buyers' Principles	Renewable energy buying and procurement	TD has signed on to the Renewable Energy Buyers' Principles, which informs utilities and other suppliers what industry-leading, multinational companies are looking for when buying renewable energy from the grid.
Ecofiscal Commission	Environmental and economic policy	TD is a sponsor and member of the advisory board.
Equator Principles Financial Institutions	Environmental and social risk in the financial sector	TD is a signatory to the Equator Principles.
Green Bond Principles	Green bond standards	TD is a member of the Green Bond Principles as an issuer.
Natural Capital Lab	Natural capital	TD was a founding sponsor and is an active participant in the Natural Capital Innovator Group.
New Buildings Institute	Green buildings	TD is identified by this organization for our efforts to improve energy performance of commercial buildings through supporting net zero strategies.
Plug'n Drive	Electric vehicle industry knowledge	TD is an active sponsor of Plug'n Drive's initiatives, which support the development of the electric vehicle industry.
RE100	Renewable energy buying and procurement	TD was the first Canadian company to join RE100.
Huron-Wendat Nation	Carbon offset credits	TD purchased voluntary carbon offset credits with a portion of the proceeds directed to an archeological discovery project by Laval University to uncover ancestral artifacts from the Huron-Wendat Nation. The transaction was managed by EnviroCredit and Carbonzero with Solifor Perthuis.
Canadian Council for Aboriginal Business (CCAB)	Sustainable business and Aboriginal banking	TD has been awarded Gold Level Status in Progressive Aboriginal Relations (PAR) by CCAB. This certification validates that we are on the right path and demonstrating sustainable progress in all areas of Indigenous relations – specifically employment, business and community investment.

## List of Stakeholder Groups and Engagement Topics (cont'd)

Organization	Topic Area	Notes on Engagement
Sustainability CoLab	Sustainable cities	TD is an active sponsor of CoLab events and initiatives. In 2017 we worked on a small-scale vendor subsidy program to engage TD's suppliers on environmental performance.
UN Environment Program Finance Initiative (North America)	Environmental issues in the financial sector	TD is a member of UNEP FI industry association and participates on working committees and in annual meetings. In 2017 TD joined a group of 16 global financial institutions to participate in a pilot study on the recommendations set out by Financial Stability Board's Task Force on Climate-Related Financial Disclosures.
UN PRI (Principles for Responsible Investment)	Environmental issues in the financial sector	TDAM is a signatory.
UN PSI (Principles for Sustainable Insurance)	Environmental issues in the insurance sector	TD Insurance is a signatory.
U.S. Green Building Council/Canadian Green Building Council	Green buildings	TD is a member of this industry organization aimed at advancing green building initiatives.
Zero Waste Business Council	Waste management	TD is a member of this organization whose mission is to educate and provide support to industry organizations seeking to reduce their waste and improve their diversion methods.
Rainforest Action Network	Energy and finance	Engagement regarding conventional energy financing.
Shareholders Association for Research & Education (SHARE)	Responsible investment	Engagement around conventional energy financing.
Bloomberg North America	Sustainable financing and low-carbon economy	Through TD-Bloomberg Sustainability Dialogues, TD and Bloomberg are contributing to the conversation on the transition to the low-carbon economy and contributing insights and research on how business can help Canada meet its 2013 climate goals.
Nature Conservancy of Canada/The Nature Conservancy	Forest conservation and natural capital	TD works with both of these organizations to protect critical forest habitat in Canada and the United States through the TD Forests program.
Park People	Community green spaces	Through TD Friends of the Environment Foundation (TD FEF), we support Park People in initiatives to help revitalize and animate public parks and green spaces in Canada.
Women in Renewable Energy (WiRE)	Renewable energy and inclusion	Provide support to WiRE to develop organizational diversity and inclusion, advancing the role and recognition of women in the renewable energy sector.
