

Genesis Trust II Monthly Portfolio Report

In response to the COVID-19 pandemic, The Toronto-Dominion Bank has provided certain financial assistance to eligible customers, including deferral of principal and interest payments on term portions of home equity lines of credit ("HELOC"), for up to six months. From March 17, 2020 to May 3, 2020, eligible borrowers were able to defer payment of principal. Beginning on May 4, 2020, eligible borrowers were able to defer payment of both principal and interest. HELOC accounts that are deferred under the deferral program are not considered delinquent. The performance metrics shown in this report reflect the impact of these relief measures.
