- (a) In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or otherwise, it will be impractical to mail notice of any event to any Holder of a Registered Note when such notice is required to be given pursuant to any provision of this Indenture, then any method of notification as will be satisfactory to the Indenture Trustee and the Issuer will be deemed to be a sufficient giving of such notice.

- (c) Each Transferor, the Issuer and the Noteholders shall be entitled to receive at least ten days written notice when the Indenture Trustee proposes to take any action pursuant to clause (a), accompanied by copies of any instruments involved, and the Indenture Trustee shall also be entitled to require, as a condition to such action, an Opinion of Counsel, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with. 2.10 **Certain Commercial Law Representations and Warranties**

The Issuer hereby makes the following representations and warranties. Such representations and warranties shall survive until the termination of this Indenture. Upon the filing of the assignments, financing statements and continuation statements (and other documents where applicable) and, in the case of after-acquired Collateral

and the proceeds thereof, upon its creation, the Indenture Trustee shall have a security interest in such property and proceeds.

- (b) At the time of its grant of any security interest in the related Collateral pursuant to this Indenture, the Issuer owned and had good and marketable title to such Collateral free and clear of any lien, claim or encumbrance of any Person.
- (c) The Issuer has caused or will have caused, within ten days of the initial execution of this Indenture, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the related Collateral granted to the Indenture Trustee pursuant to this Indenture.

Note issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein”, or (B) “Unless this Note is presented by an authorized representative of CDS Clearing and Depository Services Inc. (“CDS”), to the Issuer or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of CDS & Co. or in such other name as is requested by an authorized representative of CDS (and any payment is made to CDS & Co. or to such other entity as is requested by an authorized representative of CDS), any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful since the registered owner hereof, CDS & Co., has a property interest in the securities represented by this note herein and it is a violation of its rights for another person to hold, transfer or deal with this note”, and (v) may bear such other legend as the Issuer, upon advice of counsel, deems to be applicable.

- (b) Notwithstanding any other provisions of this Section 3.04 or of Section 4.05, and subject to the provisions of paragraph (c) below, unless the terms of a Global Note or the applicable Indenture Supplement expressly permit such Global Note to be exchanged in whole or in part for individual Notes, a Global Note may be transferred, in whole but not in part and in the manner provided in Section 4.05, only to a nominee of the Depository for such Global Note, or to the Depository, or a successor Depository for such Global Note selected or approved by the Issuer, or to a nominee of such successor Depository.
- (c) With respect to Notes issued within the United States or Canada, unless otherwise specified in the applicable Indenture Supplement, or with respect to Notes issued outside the United States and Canada, if specified in the applicable Indenture Supplement:
 - (i) If at any time the Depository for a Global Note notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or if at any time the Depository for the Notes for such Series, Class or Tranche ceases to be a clearing agency registered under the *Securities Exchange Act*, or other applicable statute or regulation, in the case of Notes issued within the United States, or a clearing agency registered under the *Securities Act* (Ontario), or other applicable statute or regulation, in the case of Notes issued within Canada, the Issuer will appoint a successor Depository with respect to such Global Note. If a successor Depository for such Global Note is not appointed by the Issuer within 90 days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer will execute, and the Indenture Trustee or its agent, upon receipt of an Issuer Certificate requesting the authentication and delivery of individual Notes of such Series, Class or Tranche in exchange for such Global Note, will authenticate and deliver, individual Notes of such

Series, Class or Tranche of like tenor and terms in an aggregate Stated Principal Amount equal to the Stated Principal Amount of the Global Note in exchange for such Global Note.

- (ii) The Issuer may at any time and in its sole discretion determine that the Notes of any Series, Class or Tranche or portion thereof issued or issuable in the form of one or more Global Notes will no longer be represented by such Global Note or Notes. In such event the Issuer will execute, and the Indenture Trustee, upon receipt of a written request by the Issuer for the authentication and delivery of individual Notes of such Series, Class or Tranche in exchange in whole or in part for such Global Note, will authenticate and deliver individual Notes of such Series, Class or Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of such Global Note or Notes representing such Series, Class or Tranche or portion thereof in exchange for such Global Note or Notes.
- (iii) If specified by the Issuer pursuant to Sections 3.02 and 4.01 with respect to Notes issued or issuable in the form of a Global Note, the Depository for such Global Note may surrender such Global Note in exchange in whole or in part for individual Notes of such Series, Class or Tranche of like tenor and terms in definitive form on such terms as are acceptable to the Issuer and such Depository. Thereupon the Issuer will execute, and the Indenture Trustee or its agent will authenticate and deliver, without service charge, (A) to each Person specified by such Depository a new Note or Notes of the same Series, Class or Tranche of like tenor and terms and of any authorized denomination as requested by such Person in aggregate Stated Principal Amount equal to and in exchange for such Person's beneficial interest in the Global Note; and (B) to such Depository a new Global Note of like tenor and terms and in an authorized denomination equal to the difference, if any, between the Stated Principal Amount of the surrendered Global Note and the aggregate Stated Principal Amount of Notes delivered to the Holders thereof.
- (iv) If any Event of Default has occurred and is continuing with respect to such Global Notes, and Holders of Notes evidencing more than 50% of the unpaid Outstanding Dollar Principal Amount of the Global Notes of that Series, Class or Tranche advise the Indenture Trustee and the Depository that a Global Note is no longer in the best interest of the Noteholders, the Holders of Global Notes of that Tranche may exchange such Notes for individual Notes.
- (v) In any exchange provided for in any of the preceding four paragraphs, the Issuer will execute and the Indenture Trustee or its agent will authenticate and deliver individual Notes in definitive registered form in authorized denominations. Upon the exchange of the entire Stated Principal Amount of a Global Note for individual Notes, such Global Note will be canceled by the Indenture Trustee or its agent. Except as provided in the preceding

paragraphs, Notes issued in exchange for a Global Note pursuant to this Section 3.04 will be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, will instruct the Indenture Trustee or the Note Registrar. The Indenture Trustee or the Note Registrar will deliver such Notes to the Persons in whose names such Notes are so registered.

3.05 Temporary Global Notes and Permanent Global Notes

- (a) If specified in the applicable Indenture Supplement for any Tranche, all or any portion of a Global Note may initially be issued in the form of a single temporary global Bearer Note or Registered Note (the “**Temporary Global Note**”), without interest coupons, in the denomination of the entire aggregate principal amount of such Series, Class or Tranche and substantially in the form set forth in the exhibit with respect thereto attached to the applicable Indenture Supplement. The Temporary Global Note will be authenticated by the Indenture Trustee upon the same conditions, in substantially the same manner and with the same effect as the Notes in definitive form. The Temporary Global Note may be exchanged as described below or in the applicable Indenture Supplement for permanent global Bearer Notes or Registered Notes (the “**Permanent Global Notes**”).
- (b) Unless otherwise provided in the applicable Indenture Supplement, exchanges of beneficial interests in or security entitlements to Temporary Global Notes for beneficial interests in or security entitlements to Permanent Global Notes will be made as provided in this subsection 3.05(b). The Administrator will, upon its determination of the date of completion of the distribution of the Notes of such Series, Class or Tranche, so advise the Indenture Trustee, the Issuer, the Foreign Depository, and each foreign clearing agency forthwith. Without unnecessary delay, but in any event not prior to the Exchange Date, the Issuer will execute and deliver to the Indenture Trustee at the office or its designated agent outside Canada and the United States Permanent Global Notes in bearer or registered form (as specified in the applicable Indenture Supplement) in an aggregate principal amount equal to the Outstanding Currency-Specific Dollar Principal Amount of such Series, Class or Tranche of Notes. Bearer Notes so issued and delivered may have coupons attached. The Temporary Global Note may be exchanged for an equal aggregate principal amount of Permanent Global Notes only on or after the Exchange Date. A United States Person may exchange its beneficial interest in or security entitlement to the Temporary Global Note only for an equal aggregate principal amount of Permanent Global Notes in registered form bearing the applicable legend set forth in the form of Registered Note attached to the applicable Indenture Supplement and having a minimum denomination of 500,000, which may be in temporary form if the Issuer so elects. The Issuer may waive the 500,000 minimum denomination requirement if it so elects. Upon any demand for exchange for Permanent Global Notes in accordance with this subsection 3.05(b), the Issuer will cause the Indenture Trustee to authenticate and deliver the Permanent Global Notes to the Holder (x)

outside Canada or the United States, in the case of Bearer Notes and (y) according to the instructions of the Holder, in the case of Registered Notes. Upon receipt of such certification, the Indenture Trustee will cause the Temporary Global Note to be endorsed in accordance with subsection 3.05(d). Any exchange as provided in this Section 3.05 will be made free of charge to the Holders and the beneficial owners of the Temporary Global Note and to the beneficial owners of the Permanent Global Note issued in exchange, except that a Person receiving the Permanent Global Note must bear the cost of insurance, postage, transportation and the like in the event that such Person does not receive such Permanent Global Note in person at the offices of a foreign clearing agency or Foreign Depository.

- (c) The delivery to the Indenture Trustee by a foreign clearing agency or Foreign Depository of any written statement referred to above may be relied upon by the Issuer and the Indenture Trustee as conclusive evidence that a corresponding certification or certifications has or have been delivered to such foreign clearing agency pursuant to the terms of this Indenture.
- (d) Upon any such exchange of all or a portion of the Temporary Global Note for a Permanent Global Note or Notes, such Temporary Global Note will be endorsed by or on behalf of the Indenture Trustee to reflect the reduction of its principal amount by an amount equal to the aggregate principal amount of such Permanent Global Note or Notes. Until so exchanged in full, such Temporary Global Note will in all respects be entitled to the same benefits under this Indenture as Permanent Global Notes authenticated and delivered hereunder except that the beneficial owners of such Temporary Global Note will not be entitled to receive payments of interest on the Notes until they have exchanged their beneficial interests in or security entitlements to such Temporary Global Note for Permanent Global Notes.

3.06 Beneficial Ownership of Global Notes

Until definitive Notes have been issued to the applicable Noteholders pursuant to Section 3.04 or as otherwise specified in any applicable Indenture Supplement:

- (a) the Issuer and the Indenture Trustee may deal with the applicable clearing agency or Depository and the clearing agency's or Depository's participants for all purposes (including the making of distributions) as the authorized representatives of the respective Note Owners; and
- (b) the rights of the respective Note Owners will be exercised only through the applicable clearing agency or Depository and the clearing agency's or Depository's participants and will be limited to those established by law and agreements between such Note Owners and the clearing agency or Depository and/or the clearing agency's or Depository's participants. Pursuant to the operating rules of the applicable clearing agency, unless and until Notes in definitive form are issued pursuant to Section 3.04, the clearing agency or the Depository will make book-entry transfers among the clearing agency's or the Depository's participants and receive and transmit distributions of principal and

interest on the related Notes to such clearing agency's or Depository's participants.

For purposes of any provision of this Indenture requiring or permitting Actions with the consent of, or at the direction of, Noteholders evidencing a specified percentage of the Outstanding Dollar Principal Amount of Outstanding Notes, such direction or consent may be given by Note Owners (acting through the clearing agency and the clearing agency's participants) owning interests in or security entitlements to Notes evidencing the requisite percentage of principal amount of Notes.

3.07 Notices to Depository

Whenever any notice or other communication is required to be given to Noteholders with respect to which book-entry Notes have been issued, unless and until Notes in definitive form will have been issued to the related Note Owners, the Indenture Trustee will give all such notices and communications to the applicable clearing agency or Depository.

3.08 CUSIP Numbers

In issuing the Notes, the Issuer may use "CUSIP" numbers (if then generally in use), and, if so, the Indenture Trustee shall use such CUSIP numbers in notices of redemption as a convenience to Holders; provided that, subject to Section 8.01, any such notice may state that (a) no representation is made as to the correctness of such CUSIP numbers as printed on the related Notes or as contained in any notice of redemption, (b) reliance may be placed only on the other identification numbers, if any, printed on the Notes and (c) any such redemption shall not be affected by any defect in or omission of such CUSIP numbers. Each Bearer Note surrendered pursuant to this Section 4.05 will have attached thereto all unmatured coupons; provided, however, that any Bearer Note, so surrendered after the close of business on the last day of the month preceding the relevant Payment Date need not have attached the coupon relating to such Payment Date. Whenever any Notes are so surrendered for exchange, the Issuer will execute, and the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside Canada and the United States), the Notes which the Noteholders making the exchange are entitled to receive.
- (d) All Notes issued upon any transfer or exchange of Notes will be the valid and legally binding obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

- (f) Unless otherwise provided in the Note to be transferred or exchanged, no service charge will be made on any Noteholder for any transfer or exchange of Notes, but the Issuer may (unless otherwise provided in such Note) require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes before the transfer or exchange will be complete, other than exchanges pursuant to Section 4.04 or Section 10.06 not involving any transfer.

- (g) None of the Issuer, the Note Registrar or the Indenture Trustee shall be required (i) to issue, register the transfer of or exchange any Notes of any Series, Class or Tranche during a period beginning at the opening of business 15 days before the day of selection of Notes of such Series, Class or Tranche to be redeemed and ending at the close of business on (A) if Notes of such Series, Class or Tranche are issuable only as Registered Notes, the day of the mailing of the relevant notice of redemption of Registered Notes of such Series, Class or Tranche so selected for redemption or (B) if Notes of the Series, Class or Tranche are issuable as Bearer Notes, the day of the first publication of the relevant notice of redemption or, if Notes of the Series, Class or Tranche are also issuable as Registered Notes and there is no publication, the mailing of the relevant notice of redemption or (ii) to register the transfer or exchange of any Notes or portions thereof so selected for redemption.

The Issuer shall deliver copies of such Issuer Certificates to the Note Registrar.

- (h) None of the Issuer, the Indenture Trustee, any agent of the Indenture Trustee, any Paying Agent or the Note Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership.
- (i) The Issuer initially appoints BNY Trust Company of Canada to act as Note Registrar for the Registered Notes on its behalf. Notes issued upon registration or transfer of, or Notes issued in exchange for, Notes bearing the legend referred to above will also bear such legend and any other legends required by the applicable Indenture Supplement unless the Issuer, the Indenture Trustee and the Note Registrar receive an Opinion of Counsel, satisfactory to each of them, to the effect that such legend may be removed.

Whenever a Note containing the legend referred to above is presented to the Note Registrar for registration of transfer, the Note Registrar will promptly seek instructions from the Issuer regarding such transfer and will be entitled to receive an Issuer Certificate prior to registering any such transfer. The Issuer hereby agrees to indemnify the Note Registrar and the Indenture Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in relation to any such instructions furnished pursuant to this clause. The Indenture Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture, the applicable Indenture Supplement, or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Any remaining amounts on deposit in the Excess Funding Account in excess of the amount required to be treated as

Principal Collections for a Monthly Period shall be released to the holders of the Transferor Indebtedness in accordance with the related Indenture Supplement to the extent that, after such release, (i) the Transferor Amount is equal to or greater than the Required Transferor Amount and (ii) the Pool Balance is equal to or greater than the Required Pool Balance.

7.02 Acceleration of Maturity; Rescission and Annulment

- (a) If an Event of Default described in clause 7.01(a), (b), (c) or (e) (if the Event of Default under clause (c) or (e) is with respect to less than all Series, Classes and Tranches of Notes then Outstanding) of Section 7.01 occurs and is continuing with respect to any Series, Class or Tranche, then and in each and every such case, unless the principal of all the Notes of such Series, Class or Tranche shall have already become due and payable, either the Indenture Trustee or the Holders of not less than 66-2/3% of the Outstanding Dollar Principal Amount of the Notes of such Series, Class or Tranche then Outstanding hereunder (each such Series, Class or Tranche acting as a separate Class), by notice in writing to the Issuer (and to the Indenture Trustee if given by the Holders), may declare the Outstanding Currency Specific Dollar Principal Amount (in the case of Notes that are Foreign Currency Notes) or the Outstanding Dollar Principal Amount (in the case of Notes that are not Foreign Currency Notes) of all the Outstanding Notes of such Series, Class or Tranche and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, anything in this Indenture, the related Indenture Supplement or in the Notes of such Series, Class or Tranche to the contrary notwithstanding. Such payments are subject to the allocation provisions of the Servicing Agreement and the allocation, deposits and payment sections of the related Indenture Supplement.
- (b) If an Event of Default described in clause (c) or (e) of Section 7.01 occurs with respect to all Series, Classes and Tranches of Outstanding Notes and is continuing, then and in each and every such case, unless the principal of all the Notes shall have already become due and payable, either the Indenture Trustee or the Holders of not less than 66-2/3% of the Outstanding Dollar Principal Amount of all the Outstanding Notes hereunder (treated as one Class), by notice in writing to the Issuer (and to the Indenture Trustee if given by Holders), may declare Outstanding Currency Specific Dollar Principal Amount (in the case of Notes that are Foreign Currency Notes) or the Outstanding Dollar Principal Amount (in the case of Notes that are not Foreign Currency Notes) of all the Notes then Outstanding and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture, the related Indenture Supplements or the Notes to the contrary.

- (c) If an Event of Default described in clause (d) of Section 7.01 occurs and is continuing, then the Notes of all Series, Classes and Tranches will automatically be and become immediately due and payable by the Issuer, without notice or demand to any Person, and the Issuer will automatically and immediately be obligated to pay off the Notes.

At any time after such a declaration of acceleration has been made or an automatic acceleration has occurred with respect to the Notes of any Series, Class or Tranche and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter in this Article VII provided, the Holders of not less than 66-2/3% of the Outstanding Dollar Principal Amount of such Series, Classes or Tranches, by written notice to the Issuer and the Indenture Trustee, may rescind and annul such declaration and its consequences if:

- (ii) all Events of Default with respect to such Series, Class or Tranche of Notes, other than the nonpayment of the principal of the Notes of such Series, Class or Tranche which has become due solely by such acceleration, have been cured or waived as provided in Section 7.16.

No such rescission will affect any subsequent default or impair any right consequent thereon.

7.03 Collection of Indebtedness and Suits for Enforcement by Indenture Trustee

The Issuer covenants that if:

- (a) the Issuer defaults in the payment of interest on any Series, Class or Tranche of Notes when such interest becomes due and payable and such default continues for a period of 35 days following the date on which such interest became due and payable, or
- (b) the Issuer defaults in the payment of the Stated Principal Amount of any Series, Class or Tranche of Notes on the Legal Maturity Date thereof;

the Issuer will, upon demand of the Indenture Trustee, pay (subject to the allocation provided in this Article VII and any related Indenture Supplement) to the Indenture Trustee, for the benefit of the Holders of any such Notes of the affected Series, Class or Tranche, the whole amount then due and payable on any such Notes for principal and interest, with interest, to the extent that payment of such interest will be legally enforceable, upon the overdue principal and upon overdue installments of interest, (i) in the case of Interest-bearing Notes, at the rate of interest applicable to the Stated Principal Amount thereof, unless otherwise specified in the applicable Indenture Supplement; and (ii) in the case of Discount Notes, as specified in the applicable Indenture Supplement, and in addition thereto, will pay such further amount as will be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 8.07.

If the Issuer fails to pay such amounts forthwith upon such demand, the Indenture Trustee may take immediate steps to enforce the Security Interest, including instituting, in its own name and as trustee of an express trust, a judicial proceeding seeking the appointment of a national receiver or a judicial proceeding for the collection of the sums so due and unpaid, and may directly prosecute such proceeding to judgment or final decree, and the Indenture Trustee may enforce the same against the Issuer or any other obligor upon the Notes of such Series, Class or Tranche and collect the money adjudged or decreed to be payable in the manner provided by law out of the Collateral or any other obligor upon such Notes, wherever situated.

7.04 Indenture Trustee May File Proofs of Claim

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy or other similar proceeding relative to the Issuer or any other obligor upon the Notes or the property of the Issuer or of such other obligor, the Indenture Trustee (irrespective of whether the principal of the Notes will then be due and payable as therein expressed or by declaration or otherwise) will be entitled and empowered by intervention in such proceeding or otherwise:

- (i) to file and prove a claim for the whole amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary and advisable in order to have the claims of the Indenture Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due the Indenture Trustee under Section 8.07) and of the Noteholders allowed in such judicial proceeding, and
- (ii) to collect and receive any funds or other property payable or deliverable on any such claims and to distribute the same;

Nothing herein contained will be deemed to authorize the Indenture Trustee to authorize or consent to or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Indenture Trustee to vote in respect of the claim of any Noteholder in any such proceeding.

7.05 Indenture Trustee May Enforce Claims Without Possession of Notes

7.06 Application of Money Collected

Any money or other property collected by the Indenture Trustee with respect to a Series, Class or Tranche of Notes pursuant to this Article VII will be applied in the following order, at the date or dates fixed by the Indenture Trustee and, in case of the distribution of such money on account of principal or interest, upon presentation of the Notes of such Series, Class or Tranche and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

- (c) third, to pay any servicing fee and any other fees or expenses then owing for that Series, Class or Tranche of Notes; and
- (d) fourth, to the Issuer.

Following an acceleration of any Series, Class or Tranche of Notes, the Indenture Trustee may elect to continue to hold the Collateral and apply distributions on the Collateral in accordance with the regular distribution provisions pursuant to the relevant allocation provisions

of the Servicing Agreement, except that principal will be paid on the accelerated Series, Class or Tranche of Notes to the extent funds are received and allocated to the accelerated Series, Class or Tranche of Notes, and payment is permitted by the subordination provisions of the accelerated Series, Class or Tranche of Notes.

7.08 Sale of Collateral for Accelerated Notes

In the case of a Series, Class or Tranche of Notes that has been accelerated following an Event of Default, the Indenture Trustee may, subject to any further conditions specified in the related Indenture Supplement, and at the direction of the Holders of not less than 66-2/3% of the Outstanding Dollar Principal Amount of that Series, Class or Tranche of Notes will, cause the Issuer to sell Collateral as provided in the related Indenture Supplement.

This right may be exercised only if the Indenture Trustee, being advised by counsel and provided with an Opinion of Counsel upon which it may conclusively rely, determines that the direction provided by the Noteholders does not conflict with applicable law or this Indenture and does not have a substantial likelihood of involving the Indenture Trustee in personal liability.

7.10 Limitation on Suits

To the fullest extent permitted by applicable law, no Holder of any Note of any Series, Class or Tranche will have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, unless:

- (d) the Indenture Trustee, for 60 days after the Indenture Trustee has received such notice, request and offer of indemnity has failed to institute any such proceeding;

it being understood and intended that no one or more Holders of Notes of such Series, Class or Tranche will have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of such Series, Class or Tranche, or to obtain or to seek to obtain priority or preference over any other such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and proportionate benefit of all the Holders of all Notes of such Series, Class or Tranche.

7.11 Unconditional Right of Noteholders to Receive Principal and Interest; Limited Recourse

Notwithstanding any other provisions in this Indenture, the Holder of any Note will have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Note on the Legal Maturity Date expressed in the related Indenture Supplement and to institute suit for the enforcement of any such payment, and such right will not be impaired without the consent of such Holder; provided, however, that notwithstanding any other provision of this Indenture to the contrary, the obligation to pay principal of or interest on the Notes or any other amount payable to any Noteholder will be without recourse to the Transferor, the Indenture Trustee, the Issuer Trustee or any Affiliate, officer, employee, member or director of any of them, and the obligation of the Issuer to pay principal of or interest on the Notes or any other amount payable to any Noteholder will be subject to the allocation and payment provisions of the Servicing Agreement and the applicable Indenture Supplements and limited to amounts available from the Collateral.

7.12 Restoration of Rights and Remedies

If the Indenture Trustee or any Noteholder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, then and in every such case the Issuer, the Indenture Trustee and the Noteholders will, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Noteholders will continue as though no such proceeding had been instituted.

7.13 Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other appropriate right or remedy.

7.14 Delay or Omission Not Waiver

No delay or omission of the Indenture Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every

right and remedy given by this Article VII or by law to the Indenture Trustee or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Noteholders, as the case may be.

7.15 Control by Noteholders

Holders of not less than 66-2/3% of the Outstanding Dollar Principal Amount of any affected Series, Class or Tranche will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee with respect to the Notes of such Series, Class or Tranche, provided that:

- (a) the Indenture Trustee will have the right to decline to follow any such direction if the Indenture Trustee, being advised by counsel, determines that the Action so directed may not lawfully be taken or would conflict with this Indenture or if the Indenture Trustee in good faith determines that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Holders not taking part in such direction, and
- (b) the Indenture Trustee may take any other action permitted hereunder deemed proper by the Indenture Trustee which is not inconsistent with such direction.

7.16 Waiver of Past Defaults

Holders of not less than 66-2/3% of the Outstanding Dollar Principal Amount of any Series, Class or Tranche may on behalf of the Holders of all the Notes of such Series, Class or Tranche waive any past default hereunder or under the related Indenture Supplement with respect to such Series, Class or Tranche and its consequences, except a default not theretofore cured in the payment of the principal of or interest on any Note of such Series, Class or Tranche.

Upon any such waiver, such default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other default or impair any right consequent thereon.

7.17 Undertaking for Costs

All parties to this Indenture agree, and each Holder of any Note by his or her acceptance thereof will be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 7.17 will not apply to any suit instituted by the Indenture Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 25% in Outstanding Dollar Principal Amount of the Outstanding Notes of any Series, Class or Tranche to which the suit relates, or to

any suit instituted by any Noteholders for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Legal Maturity Date expressed in such Note.

7.18 Waiver of Stay or Extension Laws

The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

7.19 Indenture Trustee Appointed Attorney

The Issuer irrevocably constitutes and appoints the Indenture Trustee and any officer or employee thereof, with full power of substitution, as its true and lawful attorney coupled with an interest with full power and authority in the name of the Issuer or in its own name, in its discretion, upon the occurrence and during the continuance of any Event of Default, for the purpose of carrying out the terms of this Indenture to take all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes hereof, and without limiting the generality of the foregoing, hereby gives the Indenture Trustee the power and right on behalf of the Issuer, without notice to or assent by the Issuer, to the extent permitted by applicable law, to do the following:

- (a) to ask for, demand, sue for, collect and receive all and any monies due or becoming due with respect to the Collateral;
- (b) to receive, take, endorse, assign and deliver any and all cheques, notes, drafts, acceptances, documents and other negotiable and non-negotiable instruments, documents and chattel paper taken or received by the Indenture Trustee in connection therewith and herewith; and
- (c) to commence, file, prosecute, defend, settle, compromise or adjust any claim, suit, action or proceeding with respect to the Collateral.

7.20 Disclaimer of Marshalling

In the event that the security hereby constituted shall become enforceable and the Indenture Trustee shall have determined or become bound to enforce the same, the Issuer covenants not to invoke the doctrine of marshalling or any other equitable principle for the purpose of requiring the Indenture Trustee to realize or to have realized on any particular asset forming part of the Collateral.

ARTICLE VIII
THE INDENTURE TRUSTEE

8.01 **Certain Duties and Responsibilities**

- (a) The Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Notes of any Series, Class or Tranche, and no implied covenants or obligations will be read into this Indenture against the Indenture Trustee.
- (b) In the absence of bad faith on its part, the Indenture Trustee may, with respect to Notes of any Series, Class or Tranche, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Indenture Trustee, the Indenture Trustee will be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).
- (c) The Indenture Trustee will exercise the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent trustee would exercise or use under comparable circumstances.
- (d) No provision of this Indenture will be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:
 - (i) this subsection (d) will not be construed to limit the effect of subsection (a) of this Section 8.01;
 - (ii) the Indenture Trustee will not be liable for any error of judgment made in good faith by an Indenture Trustee Authorized Officer, unless it will be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;
 - (iii) the Indenture Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than 66-2/3% of the Outstanding Dollar Principal Amount of any Series, Class or Tranche relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Indenture with respect to the Notes of such Series, Class or Tranche; and
 - (iv) no provision of this Indenture will require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability in the

performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

- (e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee will be subject to the provisions of this Section 8.01.

8.02 Notice of Defaults

Within 90 days after the occurrence of any Event of Default hereunder with respect to Notes of any Series, Class or Tranche of which the Indenture Trustee has received written notice:

- (a) the Indenture Trustee will transmit by mail to all Registered Noteholders of such Series, Class or Tranche, as their names and addresses appear in the Note Register, notice of such default,
- (b) the Indenture Trustee will notify all Holders of Bearer Notes of such Series, Class or Tranche, by publication of notice of such default in an Authorized Newspaper, or as otherwise provided in the applicable Indenture Supplement, and
- (c) the Indenture Trustee will give prompt written notification thereof to the Note Rating Agencies, unless such default will have been cured or waived;

provided, however, that, except in the case of a default in the payment of the principal of or interest on any Note of such Series, Class or Tranche, the Indenture Trustee will be protected in withholding such notice if and so long as an Indenture Trustee Authorized Officer in good faith determines that the withholding of such notice is in the interests of the Noteholders of such Series, Class or Tranche.

8.03 Certain Rights of Indenture Trustee

Except as otherwise provided in Section 8.01:

- (a) the Indenture Trustee may conclusively rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document (whether in its original, facsimile or other electronic form) believed by it to be genuine and to have been signed or presented by the proper party or parties;
- (b) whenever in the administration of this Indenture the Indenture Trustee will deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;
- (c) the Indenture Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel will be full and complete

authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

- (d) the Indenture Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;
- (e) the Indenture Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Indenture Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;
- (f) the Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Indenture Trustee will not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;
- (g) the Indenture Trustee will not be responsible for filing any financing statements or continuation statements in connection with the Notes, but will cooperate with the Issuer in connection with the filing of such financing statements or amendments to such financing statements;
- (h) the Indenture Trustee shall not be deemed to have notice of any default (including any Servicer Default under the Servicing Agreement) or Event of Default unless an Indenture Trustee Authorized Officer has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Indenture Trustee at the Corporate Trust Office of the Indenture Trustee, and such notice references the Notes and this Indenture;
- (i) the rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other person employed to act hereunder;

- (k) the Indenture Trustee will have no obligation to calculate any amount due or owing or to be allocated as provided in this Indenture, including interest or

principal for any Notes; the Indenture Trustee shall be entitled to and may rely absolutely upon the Monthly Servicer's Certificate;

- (l) the Indenture Trustee will be entitled to rely and act upon any direction, order, instruction, notice or communication provided to it under this Indenture which is sent to it by Electronic Methods. The Indenture Trustee shall have no liability for any losses, liabilities, costs or expenses incurred by it as a result of such reliance upon or compliance with such instructions or directions. The Issuer agrees: (i) to assume all risks arising out of the use of such Electronic Methods to submit instructions and directions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Indenture Trustee and that there may be more secure methods of transmitting instructions than the method(s) selected by the Issuer; and (iii) that the security procedures (if any) to be followed in connection with its transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and
- (m) the Indenture Trustee will not be liable for any consequential, punitive or special damages.

8.04 Not Responsible for Recitals or Issuance of Notes

The recitals contained herein and in the Notes, except the certificates of authentication, will be taken as the statements of the Issuer, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes. The Indenture Trustee will not be accountable for the use or application by the Issuer of Notes or the proceeds thereof.

8.05 May Hold Notes

The Indenture Trustee, any Paying Agent, the Note Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to subsection 8.10(e) and applicable legislation, may otherwise deal with the Issuer with the same rights it would have if it were not Indenture Trustee, Paying Agent, Note Registrar or such other agent.

8.06 Money Held in Trust

Money held by the Indenture Trustee in trust hereunder need not be segregated from other funds except to the extent required by this Indenture or by law. The Indenture Trustee will be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Issuer.

8.07 Compensation and Reimbursement; Limit on Compensation Reimbursement and Indemnity

- (a) The Issuer agrees:
- (i) to pay to the Indenture Trustee from time to time reasonable compensation (or, for so long as BNY Trust Company of Canada is the Indenture Trustee, such amount as has been mutually agreed upon in writing) for all services rendered by it hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
 - (ii) except as otherwise expressly provided herein, to reimburse the Indenture Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Indenture Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its own negligence or bad faith; and
 - (iii) to indemnify the Indenture Trustee for, and to hold it harmless against, any and all loss, liability, expense, claim, damage or injury incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim or liability (whether asserted by the Issuer, the Servicer, any Holder or any other Person) in connection with the exercise or performance of any of its powers or duties hereunder.

The Indenture Trustee will have no recourse to any asset of the Issuer other than funds available pursuant to Section 7.06 or to any Person other than the Issuer. - (b) This Section 8.07 will survive the termination of this Indenture and the resignation or replacement of the Indenture Trustee under Section 8.10.

8.08 [RESERVED]

8.09 Corporate Indenture Trustee Required; Eligibility

There will at all times be an Indenture Trustee hereunder with respect to each Series, Class or Tranche of Notes, which will be either a bank, a trust company or a corporation organized and doing business under the laws of Canada or of any province or territory thereof, authorized under such laws to carry on a trust business as contemplated hereby in each of the provinces and territories of Canada. The Issuer may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee. If at any time the Indenture Trustee with respect to any Series, Class or Tranche of

Notes will cease to be eligible in accordance with the provisions of this Section 8.09, it will resign immediately in the manner and with the effect hereinafter specified in this Article VIII.

8.10 Resignation and Removal; Appointment of Successor

- (a) No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee pursuant to this Article VIII will become effective until the acceptance of appointment by the successor Indenture Trustee under Section 8.11.
- (b) The Indenture Trustee may resign with respect to any Series, Class or Tranche of Notes at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.
- (c) The Indenture Trustee may be removed with respect to any Series, Class or Tranche of Notes at any time by Action of the Majority Holders of that Series, Class or Tranche, delivered to the Indenture Trustee and to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of removal, the Indenture Trustee being removed may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.
- (d) If at any time:
 - (i) the Indenture Trustee ceases to be eligible under Section 8.09 with respect to any Series, Class or Tranche of Notes and fails to resign after written request therefor by the Issuer or by any such Noteholder, or
 - (ii) the Indenture Trustee becomes incapable of acting with respect to any Series, Class or Tranche of Notes, or
 - (iii) the Indenture Trustee is adjudged bankrupt or insolvent or a receiver of the Indenture Trustee or of its property is appointed or any public officer takes charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer may remove the Indenture Trustee, with respect to the Series, Class or Tranche, or in the case of clause (iv), with respect to all Series, Classes or Tranches, or (B) subject to Section 7.17, any Noteholder who has been a bona fide Holder of a Note of such Series, Class and Tranche for at least 6 months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Indenture Trustee with respect to such Series, Class or Tranche and the appointment of a successor Indenture Trustee with respect to the Series, Class or Tranche, or, in the case of clause (iv), with respect to all Series, Classes and Tranches.

- (e) The Indenture Trustee shall resign if a material conflict of interest arises in its role as a trustee under this Indenture that is not eliminated within 90 days after the Indenture Trustee becomes aware that it has such a material conflict of interest. Forthwith after the Indenture Trustee becomes aware that it has a material conflict of interest, it shall provide the Issuer Trustee with written notice of the nature of that conflict. If, notwithstanding the foregoing provisions of this subsection 8.10(e), the Indenture Trustee has such a material conflict of interest, the validity and enforceability of this Indenture and of the Notes issued hereunder shall not be affected in any manner whatsoever by reason only of the existence of such material conflict of interest. If the Indenture Trustee contravenes the foregoing provisions of this subsection 8.10(e), any interested party may apply to a court of competent jurisdiction for an order that the Indenture Trustee be replaced as trustee hereunder. The Indenture Trustee represents to the Issuer Trustee that at the time of the execution and delivery hereof no material conflict of interest exists in the Indenture Trustee's role as a fiduciary hereunder.

- (f) If the Indenture Trustee resigns, is removed or becomes incapable of acting with respect to any Series, Class or Tranche of Notes, or if a vacancy shall occur in the office of the Indenture Trustee with respect to any Series, Class or Tranche of Notes for any cause, the Issuer will promptly appoint a successor Indenture Trustee for that Series, Class or Tranche of Notes. If, within one year after such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Indenture Trustee with respect to such Series, Class or Tranche of Notes is appointed by Act of the Majority Holders of such Series, Class or Tranche delivered to the Issuer and the retiring Indenture Trustee, the successor Indenture Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Indenture Trustee with respect to such Series, Class or Tranche and supersede the successor Indenture Trustee appointed by the Issuer with respect to such Series, Class or Tranche of Notes. If no successor Indenture Trustee with respect to such Series, Class or Tranche of Notes shall have been so appointed by the Issuer or the Noteholders of such Series, Class or Tranche and accepted appointment in the manner hereinafter provided, any Noteholder who has been a bona fide Holder of a Note of such Series, Class or Tranche for at least 6 months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee with respect to such Series, Class or Tranche of Notes.

- (g) The Issuer will give written notice of each resignation and each removal of the Indenture Trustee with respect to any Series, Class or Tranche of Notes and each appointment of a successor Indenture Trustee with respect to any Series, Class or Tranche to each Noteholder as provided in Section 1.06 and to each Note Rating Agency. To facilitate delivery of such notice, upon request by the Issuer, the Note Registrar shall provide to the Issuer a list of the relevant Registered Noteholders. Each notice will include the name of the successor Indenture Trustee and the address of its principal Corporate Trust Office.

8.11 Acceptance of Appointment by Successor

Every successor Indenture Trustee appointed hereunder will execute, acknowledge and deliver to the Issuer and to the predecessor Indenture Trustee an instrument accepting such appointment, with a copy to the Note Rating Agencies, and thereupon the resignation or removal of the predecessor Indenture Trustee will become effective with respect to any Series, Class or Tranche as to which it is resigning or being removed as Indenture Trustee, and such successor Indenture Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the predecessor Indenture Trustee with respect to any such Series, Class or Tranche; but, on request of the Issuer or the successor Indenture Trustee, such predecessor Indenture Trustee will, upon payment of its reasonable charges, if any, execute and deliver an instrument transferring to such successor Indenture Trustee all the rights, powers and trusts of the predecessor Indenture Trustee, and will duly assign, transfer and deliver to such successor Indenture Trustee all property and money held by such predecessor Indenture Trustee hereunder with respect to all or any such Series, Class or Tranche, subject nevertheless to its lien, if any, provided for in Section 8.07. Upon request of any such successor Indenture Trustee, the Issuer will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights, powers and trusts.

In case of the appointment hereunder of a successor Indenture Trustee with respect to the Notes of one or more (but not all) Series, Classes or Tranches, the Issuer, the predecessor Indenture Trustee and each successor Indenture Trustee with respect to the Notes of any applicable Series, Class or Tranche will execute and deliver an Indenture Supplement which will contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Indenture Trustee with respect to the Notes of any Series, Class or Tranche as to which the predecessor Indenture Trustee is not being succeeded will continue to be vested in the predecessor Indenture Trustee, and will add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Indenture Trustee, it being understood that nothing herein or in such Indenture Supplement will constitute such Indenture Trustees co-trustees of the same trust and that each such Indenture Trustee will be Indenture Trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Indenture Trustee.

No successor Indenture Trustee with respect to any Series, Class or Tranche of Notes will accept its appointment unless at the time of such acceptance such successor Indenture Trustee will be qualified and eligible under this Article VIII.

8.12 Merger, Conversion, Consolidation or Succession to Business

Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Indenture Trustee, will be the successor of the Indenture Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article VIII, without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Indenture Trustee shall give prompt

written notice of such merger, conversion, consolidation or succession to the Issuer and the Note Rating Agencies. In case any Notes shall have been authenticated, but not delivered, by the Indenture Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Indenture Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Indenture Trustee had itself authenticated such Notes.

8.13 Trust Indenture Legislation

- (a) In this Article 8, the term “applicable legislation” means the provisions, if any, of the *Trust and Loan Companies Act* (Canada) and any other statute of Canada or a province thereof, and of regulations under any such statute, in each case, as amended, restated or re-enacted from time to time, relating to trust indentures and to the rights, duties and obligations of trustees under trust indentures and of entities issuing debt obligations under trust indentures, to the extent that in the opinion of counsel to the Issuer such provisions are at the time in force and applicable to this Indenture.
- (b) If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a mandatory requirement of applicable legislation, such mandatory requirement shall prevail.
- (c) The Issuer and the Indenture Trustee agree that each will at all times in relation to this Indenture and any action to be taken hereunder, observe and comply with and be entitled to the benefits of applicable legislation.

8.14 [RESERVED]

8.15 Tax Returns

In the event that the Issuer shall be required to file tax returns, the Administrator shall prepare or shall cause to be prepared such tax returns and shall provide such tax returns to the Issuer Trustee or the Administrator for signature at least five days before such tax returns are due to be filed. The Issuer, in accordance with the terms of each Indenture Supplement, shall also prepare or shall cause to be prepared all tax information required by law to be distributed to Noteholders and shall deliver such information to the Indenture Trustee at least five days prior to the date it is required by law to be distributed to Noteholders. The Indenture Trustee, upon written request, will furnish the Administrator with all such information known to the Indenture Trustee as may be reasonably requested and required in connection with the preparation of all tax returns of the Issuer, and shall, upon request, execute such returns. In no event shall the Administrator, the Indenture Trustee or the Issuer Trustee be personally liable for any liabilities, costs or expenses of the Issuer or any Noteholder arising under any tax law, including without limitation, federal, state, provincial, territorial or local income or excise taxes or any other tax imposed on or measured by income (or any interest or penalty with respect thereto arising from a failure to comply therewith).

8.16 Representations and Covenants of the Indenture Trustee

The Indenture Trustee represents, warrants and covenants that

- (i) The Indenture Trustee is a trust company organized, existing and in good standing under the laws of Canada;
- (ii) The Indenture Trustee has full power and authority to deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture and other documents to which it is a party; and
- (iii) Each of this Indenture and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms.

8.17 Indenture Trustee's Application for Instructions from the Issuer

Any application by the Indenture Trustee for written instructions from the Issuer may, at the option of the Indenture Trustee, set forth in writing any action proposed to be taken or omitted by the Indenture Trustee under and in accordance with this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective; provided that such application shall make specific reference to this Section 8.17. The Indenture Trustee shall not be liable for any action taken by, or omission of, the Indenture Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five Business Days after the date the Issuer actually receives such application, unless the Issuer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Indenture Trustee shall have received written instructions in response to such application specifying the action be taken or omitted.

8.18 Appointment of Co-Trustee or Separate Indenture Trustee

- (a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located, the Indenture Trustee shall have the power and shall execute and deliver all instruments, subject to the prior written consent of the Transferor, which consent shall not be unreasonably withheld, to appoint one or more Persons reasonably acceptable to the Issuer to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Trust Estate, and to vest in such Person or Persons, in such capacity and for the benefit of the Noteholders, such title to the Trust Estate, or any part thereof, and, subject to the other provisions of this Section 8.18, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 8.09 and no notice to Noteholders of the appointment of any co-trustee or separate trustee shall be required under Section 8.10.

- (b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:
- (i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Estate or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;
 - (ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and
 - (iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.
- (c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article VIII. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.
- (d) Any separate trustee or co-trustee may at any time appoint the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

8.19 Authorization for Quebec Security

For greater certainty and without limiting the powers of the Indenture Trustee herein and for purposes of constituting security on any of the Issuer's property in the Province of Quebec as security for the due payment of all Obligations Secured and the performance by the Issuer of all of the obligations of the Issuer contained herein, the Issuer and the Indenture Trustee hereby

The purchase of any Note by any Noteholder shall constitute ratification by such Noteholder of the power of attorney of the Indenture Trustee constituted hereunder and the incurrence of any debt by the Trust with the other Specified Creditors pursuant to the applicable Transaction Document shall constitute such ratification by such Specified Creditor of such power of attorney constituted hereunder.

**ARTICLE IX
NOTEHOLDERS' MEETINGS, LISTS, REPORTS BY INDENTURE
TRUSTEE AND ISSUER**

9.01 Issuer To Furnish Indenture Trustee Names and Addresses of Noteholders

The Issuer will furnish or cause to be furnished to the Indenture Trustee:

- (a) not more than 15 days after each Record Date, in such form as the Indenture Trustee may reasonably require, a list of the names and addresses of the Registered Noteholders of such Series, Classes or Tranches as of such date, and
- (b) at such other times as the Indenture Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days before the time such list is furnished;

provided, however, that so long as the Indenture Trustee is the Note Registrar, no such list shall be required to be furnished.

9.02 Preservation of Information; Communications to Noteholders

- (a) The Indenture Trustee will preserve, in as current a form as is reasonably practicable, the names and addresses of Registered Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in Section 9.01 and the names and addresses of Registered Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee may destroy any list furnished to it as provided in Section 9.01 upon receipt of a new list so furnished.
- (b) If three or more Holders of Notes of any Series, Class or Tranche (hereinafter referred to as “**applicants**”) (or, if there are less than three such Holders, all of the Holders) apply in writing to the Indenture Trustee, and furnish to the Indenture Trustee reasonable proof that each such applicant has owned a Note of such Series, Class or Tranche for a period of at least six months preceding the date of

such application, and such application states that the applicants desire to communicate with other Holders of Notes of such Series, Class or Tranche or with the Holders of all Notes with respect to their rights under this Indenture or under such Notes and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Indenture Trustee will, within five Business Days after the receipt of such application, at its election, either:

- (i) afford such applicants access to the information preserved at the time by the Indenture Trustee in accordance with subsection 9.02(a), or
- (ii) inform such applicants as to the approximate number of Holders of Notes of such Series, Class or Tranche or all Notes, as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with subsection 9.02(a), and as to the approximate cost of mailing to such Noteholders the form of proxy or other communication, if any, specified in such application.

If the Indenture Trustee shall elect not to afford such applicants access to such information, the Indenture Trustee shall, upon the written request of such applicants, mail to each Holder of a Registered Note of such Series, Class or Tranche or to all Registered Noteholders, as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with subsection 9.02(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Indenture Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless, within five days after such tender, the Indenture Trustee shall mail to such applicants, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Indenture Trustee, such mailing would be contrary to the best interests of the Holders of Notes of such Series, Class or Tranche or all Noteholders, as the case may be, or would be in violation of applicable law. Such written statement will specify the basis of such opinion.

- (c) Every Holder of Notes, by receiving and holding the same, agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders of Notes in accordance with subsection 9.02(b), regardless of the source from which such information was derived, and that the Indenture Trustee will not be held accountable by reason of mailing any material pursuant to a request made under subsection 9.02(b)

9.03 [RESERVED]

- (f) The ownership of Bearer Notes will be proved as provided in subsection 1.04(c)(ii).

Additionally, notwithstanding any provision of this Article X to the contrary and in addition to clauses (a) through (m) above, the Issuer and the Indenture Trustee may amend this Indenture, including any Indenture Supplement, to modify, eliminate or add to the provisions of this Indenture (i) to facilitate compliance with any amendment to any change of law or regulation which applies to the Issuer or the transactions governed by the Transaction Documents or (ii) to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document; in each case, provided that the Issuer shall deliver to the Indenture Trustee and the Issuer Trustee an Officer's Certificate to the effect that (A) the Issuer reasonably believes that such amendment will not have a material adverse effect on the Noteholders or (B) such amendment is required to remain in compliance with any change of law or regulation which applies to the Issuer or the transactions governed by the Transaction Documents, or such amendment is required to cause the provisions hereof to conform to or be consistent with or in furtherance of the statements made with respect to this Indenture in any applicable offering document.

Additionally, notwithstanding any provision of this Article X to the contrary and in addition to clauses (a) through (m) above, this Indenture, including any Indenture Supplement, may also be amended without the consent of the Indenture Trustee or any of the Noteholders, for the purpose of (i) adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or any Indenture Supplement or (ii) modifying in any manner the rights of the Holders of the Notes under this Indenture or any Indenture Supplement; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee and the Issuer Trustee an Officer's Certificate to the effect that the Issuer reasonably believes that such amendment will

not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future and (ii) the Note Rating Agency Condition shall be satisfied.

Additionally, notwithstanding any provision of this Article X to the contrary and in addition to clauses (a) through (m) and the immediately preceding paragraph, this Indenture, including any Indenture Supplement, may also be amended without the consent of the Indenture Trustee or any of the Noteholders, to provide for (i) the establishment of multiple asset pools and the designation of Collateral to be included as part of specific asset pools or (ii) those changes necessary for compliance with securities law requirements or banking laws or regulations; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee and the Issuer Trustee an Officer's Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future and (ii) the Note Rating Agency Condition shall be satisfied.

The Issuer shall send a copy of any amendment to this Indenture or any Indenture Supplement to each Note Rating Agency.

The Indenture Trustee may, but shall not be obligated to, enter into any amendments which adversely affects the Indenture Trustee's rights, duties, benefits, protections, privileges or immunities under this Indenture or otherwise.

10.02 Indenture Supplements with Consent of Noteholders

In addition to any amendment permitted pursuant to Section 10.01 hereof, with prior notice to each applicable Note Rating Agency and the consent of Holders of not less than 66-2/3% in Outstanding Dollar Principal Amount of each Series, Class or Tranche of Notes affected by such amendment of this Indenture, including any Indenture Supplement, by Act of said Holders delivered to the Issuer and the Indenture Trustee, the Issuer, and the Indenture Trustee, as applicable, may enter into an amendment of this Indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes of each such Series, Class or Tranche under this Indenture or any Indenture Supplement; provided, however, that no such amendment of an Indenture Supplement will, without the consent of the Holder of each Outstanding Note affected thereby:

- (a) change the scheduled payment date of any payment of interest on any Note, or change an Expected Final Payment Date or Legal Maturity Date of any Note;
- (b) reduce the Stated Principal Amount of, or the interest rate on any Note, or change the method of computing the Outstanding Dollar Principal Amount, the Outstanding Currency Specific Dollar Principal Amount, the Adjusted Outstanding Dollar Principal Amount or the Nominal Liquidation Amount in a manner that is adverse to the Holder of any Note;
- (c) reduce the amount of a Discount Note payable upon the occurrence of an Early Amortization Event or other optional or mandatory redemption or upon the acceleration of its Legal Maturity Date;

- (d) impair the right to institute suit for the enforcement of any payment on any Note;
- (e) reduce the percentage in Outstanding Dollar Principal Amount of the Outstanding Notes of any Series, Class or Tranche of Notes, the consent of whose Holders is required for any such amendment, or the consent of whose Holders is required for any waiver of compliance with the provisions of this Indenture or of defaults hereunder and their consequences, provided for in this Indenture;
- (f) modify any of the provisions of this Section 10.02 or Section 7.18, except to increase any percentage of Holders required to consent to any such amendment or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note affected thereby;
- (g) permit the creation of any lien or other encumbrance on the Collateral that is prior to the lien in favor of the Indenture Trustee for the benefit of the Holders of such Notes;
- (h) change any Place of Payment where any principal of, or interest on, any Note is payable, unless otherwise provided in the applicable Indenture Supplement;
- (i) change the method of computing the amount of principal of, or interest on, any Note on any date; or
- (j) make any other amendment not permitted by Section 10.01.

An amendment of this Indenture or an Indenture Supplement which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular Series, Class or Tranche of Notes, or which modifies the rights of the Holders of Notes of such Series, Class or Tranche with respect to such covenant or other provision, will be deemed not to affect the rights under this Indenture of the Holders of Notes of any other Series, Class or Tranche.

It will not be necessary for any Act of Noteholders under this Section 10.02 to approve the particular form of any proposed amendment or Indenture Supplement, but it will be sufficient if such Act will approve the substance thereof.

10.03 Execution of Amendments and Indenture Supplements

In executing or accepting the additional trusts created by any amendment of this Indenture or Indenture Supplement permitted by this Article X or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee will be provided with, and (subject to Section 8.01 or the applicable provisions of the Transfer Agreement or the Servicing Agreement) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment or Indenture Supplement is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Indenture Trustee may, but will not (except to the extent required in the case of an amendment or Indenture Supplement entered into under subsection 10.01(e)) be obligated to, enter into any such amendment or Indenture

Supplement which affects the Indenture Trustee's own rights, duties or immunities under this Indenture or otherwise.

10.04 Effect of Amendments and Indenture Supplements

Upon the execution of any amendment of this Indenture or any Indenture Supplement or any supplemental indentures under this Article X this Indenture and/or the related Indenture Supplement will be modified in accordance therewith with respect to each Series, Class or Tranche of Notes affected thereby, or all Notes, as the case may be, and such amendment or supplemental indenture will form a part of this Indenture and the related Indenture Supplement for all purposes; and every Holder of Notes theretofore or thereafter authenticated and delivered hereunder will be bound thereby to the extent provided therein.

10.05 [RESERVED]

10.06 Reference in Notes to Indenture Supplements

Notes authenticated and delivered after the execution of any amendment of this Indenture or any Indenture Supplement or any supplemental indenture pursuant to this Article X may, and will if required by the Indenture Trustee, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such amendment or supplemental indenture. If the Issuer will so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such amendment or supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

10.07 Amendments to the Pooling and Servicing Agreement

By their acceptance of a Note, the Noteholders acknowledge that the Transferor and the Master Trust Trustee may amend the applicable Pooling and Servicing Agreement and any supplement thereto without the consent of the Holders of any Investor Certificates (including the Issuer) or any Noteholder, so long as such amendment or supplement would not materially adversely affect the interest of the Holders of any Investor Certificates.

For purposes of any vote or consent under a Pooling and Servicing Agreement or any supplement thereto, with respect to certain actions requiring the consent or direction of Investor Certificateholders holding a specified percentage of the aggregate unpaid amount outstanding of Investor Certificates (whether by number of Series or percentage of all outstanding Investor Certificates depending on the manner of voting or consenting on such matter), the Issuer, as holder of the Collateral Certificate, shall be deemed to be an Investor Certificateholder under such Pooling and Servicing Agreement, and will be deemed to have voted in accordance with the Investor Certificateholders holding a majority of the aggregate Invested Amount outstanding of such Investor Certificates which are entitled to vote or consent on such matter; provided, however, that in the event Investor Certificateholders holding equal portions of the Invested Amount outstanding of such Investor Certificates vote in the positive and in the negative, without taking into consideration the vote of the Issuer, as holder of such Collateral Certificate, the Issuer shall be deemed to vote in the negative; provided further that if

the Collateral Certificate is the sole Investor Certificate outstanding entitled to vote or consent on such matter, the Issuer, as holder thereof, will be deemed to have voted in the negative.

10.08 Amendments to the Declaration of Trust

- (a) Subject to the provisions of the Declaration of Trust, without the consent of the Holders of any Notes or the Indenture Trustee, the Issuer Trustee may amend the Declaration of Trust so long as such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future.
- (b) Subject to the provisions of the Declaration of Trust, with the consent of the Holders of not less than 66-2/3% in Outstanding Dollar Principal Amount of the Outstanding Notes affected by such amendment, by Action of said Holders delivered to the Indenture Trustee, the Administrator and the Issuer Trustee, the Issuer Trustee may amend the Declaration of Trust for the purpose of adding, changing or eliminating any provisions of the Declaration of Trust or of modifying the rights of those Noteholders.

**ARTICLE XI
REPRESENTATIONS, WARRANTIES AND COVENANTS OF ISSUER**

11.01 Payment of Principal and Interest

With respect to each Series, Class or Tranche of Notes, the Issuer will duly and punctually pay the principal of and interest on such Notes in accordance with their terms, this Indenture and any related Indenture Supplement, and will duly comply with all the other terms, agreements and conditions contained in, or made in this Indenture and any related Indenture Supplement for the benefit of, the Notes of such Series, Class or Tranche. The payment of principal and interest on each Series, Class or Tranche of Notes will be primarily based on the performance of the Receivables and, except for interest rate or currency mismatches, will not be contingent on market or credit events that are independent of the Receivables.

11.02 Maintenance of Office or Agency

The Issuer will maintain an office or agency in each Place of Payment where Notes may be presented or surrendered for payment, where Notes may be surrendered for transfer or exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer will give prompt written notice to the Indenture Trustee of the location, and of any change in the location, of such office or agency. If at any time the Issuer will fail to maintain such office or agency or will fail to furnish the Indenture Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Indenture Trustee, and the Issuer hereby appoints the Indenture Trustee its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes of one or more Series, Classes or Tranches may be presented or surrendered for any or all of such purposes specified above and may constitute and appoint one

or more Paying Agents for the payments of such Notes, in one or more other cities, and may from time to time rescind such designations and appointments; provided, however, that no such designation, appointment or rescission shall in any matter relieve the Issuer of its obligations to maintain an office or agency in each Place of Payment for Notes of any Series, Class or Tranche for such purposes. The Issuer will give prompt written notice to the Indenture Trustee of any such designation or rescission and of any change in the location of any such other office or agency. Unless and until the Issuer rescinds one or more of such appointments, the Issuer hereby appoints the Indenture Trustee, at its principal office, as its Paying Agent in Toronto, Ontario with respect to all Series, Classes and Tranches of Notes having a Place of Payment in the City of Toronto, Ontario.

11.03 Money for Note Payments to be Held in Trust

The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Noteholders from the Collection Account or other applicable Issuer Account pursuant to the provisions of any Indenture Supplement and will report the amounts of such distributions to the Indenture Trustee. Any Paying Agent will have the revocable power to withdraw funds from the Collection Account or other applicable Issuer Account for the purpose of making the distributions referred to above.

The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture or any Indenture Supplement in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

The Issuer will cause each Paying Agent (other than the Indenture Trustee) for any Series, Class or Tranche of Notes to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Section 11.03, that such Paying Agent will:

- (a) hold all sums held by it for the payment of principal of or interest on Notes of such Series, Class or Tranche in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as herein provided;
- (b) if such Paying Agent is not the Indenture Trustee, give the Indenture Trustee notice of any default by the Issuer (or any other obligor upon the Notes of such Series, Class or Tranche) in the making of any such payment of principal or interest on the Notes of such Series, Class or Tranche;
- (c) if such Paying Agent is not the Indenture Trustee, at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;
- (d) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards

described in this Section 11.03 required to be met by a Paying Agent at the time of its appointment; and

- (e) comply with all requirements of the Income Tax Act or any other applicable tax law with respect to the withholding from any payments made by it on any Notes of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any Series, Class or Tranche of Notes or for any other purpose, pay, or by an Officer's Certificate direct any Paying Agent to pay, to the Indenture Trustee all sums held in trust by the Issuer or such Paying Agent in respect of each and every Series, Class or Tranche of Notes as to which it seeks to discharge this Indenture or, if for any other purpose, all sums so held in trust by the Issuer in respect of all Notes, such sums to be held by the Indenture Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent will be released from all further liability with respect to such money.

Any money deposited with the Indenture Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of or interest on any Note of any Series, Class or Tranche and remaining unclaimed for two years after such principal or interest has become due and payable will be paid to the Issuer upon request in an Officer's Certificate, or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease. The Indenture Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer give to the Holders of the Notes as to which the money to be repaid was held in trust, as provided in Section 1.06, a notice that such funds remain unclaimed and that, after a date specified in the notice, which will not be less than 30 days from the date on which the notice was first mailed or published to the Holders of the Notes as to which the money to be repaid was held in trust, any unclaimed balance of such funds then remaining will be paid to the Issuer free of the trust formerly impressed upon it.

Each Paying Agent will at all times have, or be a wholly owned subsidiary of a corporation which has, a combined capital and surplus of at least \$50,000,000 and be subject to supervision or examination by a Canadian federal, provincial or territorial authority or be regulated by or subject to the supervision or examination of a governmental authority of a nation that is a member of the Organization for Economic Co-operation and Development. If such Paying Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 11.03, the combined capital and surplus of such Paying Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition as so published.

11.04 Statement as to Compliance

The Issuer will deliver to the Indenture Trustee and the Note Rating Agencies, on or before March 31 of each year, beginning in 2017, a written statement signed by an Authorized Officer of the Issuer stating that:

- (a) a review of the activities of the Issuer during the prior year and of the Issuer's performance under this Indenture and under the terms of the Notes has been made under such Authorized Officer's supervision; and
- (b) to the best of such Authorized Officer's knowledge, based on such review, the Issuer has complied in all material respects with all conditions and covenants under this Indenture throughout such year, or, if there has been a material default in the fulfillment of any such condition or covenant (without regard to any grace period or requirement of notice), specifying each such default known to such Authorized Officer and the nature and status thereof.

11.05 Legal Existence

The Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence.

11.06 Further Instruments and Acts

Upon request of the Indenture Trustee or as necessary, the Issuer will execute and deliver such further instruments and do such further acts (including, but not limited to, disclosing or causing to be disclosed information) as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

11.07 Compliance with Laws

The Issuer will comply with the requirements of all applicable laws, the noncompliance with which would, individually or in the aggregate, materially and adversely affect the ability of the Issuer to perform its obligations under the Notes or this Indenture.

11.08 Notice of Events of Default

The Issuer agrees to give the Indenture Trustee and the Note Rating Agencies prompt written notice of each Event of Default hereunder and each breach on the part of the Master Trust or the Transferor of its respective obligations under the applicable Pooling and Servicing Agreement or the Transfer Agreement, respectively, and any default of a Derivative Counterparty.

11.09 Certain Negative Covenants

The Issuer will not:

- (a) claim any credit on, or make any deduction from the principal or interest payable in respect of, the Notes (other than amounts withheld in good faith from such

payments under the Income Tax Act or other applicable tax law including foreign withholding);

- (b) permit the validity or effectiveness of this Indenture to be impaired, or permit the lien in favor of the Indenture Trustee created by this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to the Notes under this Indenture except as may be expressly permitted hereby;
- (c) permit any lien, charge, excise, claim, security interest, mortgage or other encumbrance (other than the lien in favor of the Indenture Trustee created by this Indenture) to be created on or extend to or otherwise arise upon or burden the Collateral or any part thereof or any interest therein or the proceeds thereof;
- (d) release any security or guarantee in respect of the Collateral;
- (e) voluntarily dissolve or liquidate; or
- (f) take any action that would cause it to be treated as engaged in a “trade or business within the United States” within the meaning of applicable U.S. tax law interpreting section 864 of the Internal Revenue Code or its successor or predecessor provisions.

11.10 No Other Business

The Issuer will not engage in any business other than as permitted under the Declaration of Trust.

11.11 Rule 144A Information

For so long as any of the Notes of any Series, Class or Tranche are “restricted securities” within the meaning of Rule 144(a)(3) under the *Securities Exchange Act*, the Issuer agrees to provide to any Noteholder of such Series, Class or Tranche and to any prospective purchaser of Notes designated by such Noteholder, upon the request of such Noteholder or prospective purchaser, any information required to be provided to such Holder or prospective purchaser to satisfy the conditions set forth in Rule 144A(d)(4) under the *Securities Exchange Act*.

11.12 Performance of Obligations; Servicing of Receivables

- (a) The Issuer will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person’s material covenants or obligations under any instrument or agreement included in the Collateral or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except as expressly provided in this Indenture, the Declaration of Trust, the Transfer Agreement and the Servicing

Agreement, the applicable Pooling and Servicing Agreement or such other instrument or agreement.

- (b) The Issuer will punctually perform and observe all of its obligations and agreements contained in this Indenture, any Indenture Supplement, the Declaration of Trust and in the instruments and agreements (including but not limited to, the applicable Pooling and Servicing Agreement) relating to the Collateral, including but not limited to filing or causing to be filed all PPSA financing statements and amendments thereto required to be filed by the terms of this Indenture and the Declaration of Trust in accordance with and within the time periods provided for herein and therein. Except as otherwise expressly provided herein or therein, the Issuer shall not waive, amend, modify, supplement or terminate this Indenture, any Indenture Supplement or the Declaration of Trust or any provision thereof without the consent of the Majority Holders of the Notes of each adversely affected Series, Class or Tranche.

11.13 Issuer May Consolidate, Etc., Only on Certain Terms

- (a) The Issuer shall not consolidate or merge with or into any other Person, unless:
- (1) the Person (if other than the Issuer) formed by or surviving such consolidation or merger (i) shall be a Person organized and existing under the laws of Canada or any province or territory thereof, (ii) shall not be subject to regulation as an “investment company” under the *Investment Company Act* and (iii) shall expressly assume, by a supplemental indenture, executed and delivered to the Indenture Trustee, in a form satisfactory to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and the performance of every covenant of this Indenture on the part of the Issuer to be performed or observed;
 - (2) immediately after giving effect to such transaction, no Event of Default or Early Amortization Event shall have occurred and be continuing;
 - (3) the Issuer shall have delivered to the Indenture Trustee an Officer’s Certificate and an Opinion of Counsel each stating that (i) such consolidation or merger and such supplemental indenture comply with this Section 11.13, (ii) all conditions precedent in this Section 11.13 relating to such transaction have been complied with, and (iii) such supplemental indenture is duly authorized, executed and delivered and is valid, binding and enforceable against such Person;
 - (4) the Note Rating Agency Condition shall have been satisfied with respect to such consolidation or merger;

- (6) such Person is not a Non-resident.
- (b) The Issuer shall not convey or transfer any of its properties or assets, including those included in the Collateral, substantially as an entirety to any Person,

unless:

- (1) the Person that acquires by conveyance or transfer the properties and assets of the Issuer the conveyance or transfer of which is hereby restricted shall (A) be a Canadian citizen or a Person organized and existing under the laws of Canada or any province or territory thereof, (B) expressly assume, by a supplemental indenture, executed and delivered to the Indenture Trustee, in form satisfactory to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and the performance or observance of every agreement and covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein, (C) expressly agree by means of such supplemental indenture that all right, title and interest so conveyed or transferred shall be subject and subordinate to the lien and Security Interest of the Indenture Trustee created by this Indenture, (D) expressly agree by means of such supplemental indenture that such Person (or if a group of Persons, then one specified Person) shall make all filings with the Commission (and any other appropriate Person) required by the *Securities Exchange Act* in connection with the Notes and (E) not be an “investment company” as defined in the *Investment Company Act*;

- (5) the Issuer shall have delivered to the Indenture Trustee an Officer’s Certificate and an Opinion of Counsel each stating that such conveyance or transfer and such Indenture Supplement comply with this Section 11.13 and that all conditions precedent herein provided for relating to such transaction have been complied with.

11.14 Successor Substituted

Upon any consolidation or merger, or any conveyance or transfer of the properties and assets of the Issuer substantially as an entirety in accordance with Section 11.13 hereof, the Person formed by or surviving such consolidation or merger (if other than the Issuer) or the Person to which such conveyance or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if

such Person had been named as the Issuer herein. In the event of any such conveyance or transfer, the Person named as the Issuer in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Section 11.14 shall be released from its obligations under this Indenture as issued immediately upon the effectiveness of such conveyance or transfer, provided that the Issuer shall not be released from any obligations or liabilities to the Indenture Trustee or the Noteholders arising prior to such effectiveness.

11.15 Guarantees, Loans, Advances and Other Liabilities

Except as contemplated by this Indenture or the Declaration of Trust, the Issuer shall not make any loan or advance or credit to, or guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing or otherwise), endorse or otherwise become contingently liable, directly or indirectly, in connection with the obligations, stocks or dividends of, or own, purchase, repurchase or acquire (or agree contingently to do so) any stock, obligations, assets or securities of, or any other interest in, or make any capital contribution to, any other Person.

11.16 Capital Expenditures

The Issuer shall not make any expenditure (by long-term or operating lease or otherwise) for capital assets (either realty or personally).

11.17 Restricted Payments

The Issuer shall not, directly or indirectly, (i) pay any dividend or make any distribution (by reduction of capital or otherwise), whether in cash, property, securities or a combination thereof, to the Issuer Trustee or any owner of a beneficial interest in the Issuer or otherwise with respect to any ownership or equity interest or security in or of the Issuer, (ii) redeem, purchase, retire or otherwise acquire for value any such ownership or equity interest or security or (iii) set aside or otherwise segregate any amounts for any such purpose; provided, however, that the Issuer may make, or cause to be made, (x) distributions as contemplated by, and to the extent funds are available for such purpose under, the Declaration of Trust and (y) payments to the Indenture Trustee pursuant to Section 8.07 hereof. The Issuer will not, directly or indirectly, make payments to or distributions from the Collection Account except in accordance with this Indenture or any Indenture Supplement.

11.18 No Borrowing

The Issuer will not issue, incur, assume, guarantee or otherwise become liable, directly or indirectly, for any additional indebtedness, except for the Notes and under the Transaction Documents related thereto.

11.19 Ordinary Course

The Issuer entered into the securitization in the ordinary course of business and not in contemplation of insolvency of any Account Owner and not with intent to hinder, delay or defraud any Account Owner or its creditors.

ARTICLE XII
EARLY AMORTIZATION OF NOTES

12.01 Applicability of Article

Unless otherwise specified in the applicable Indenture Supplement related to a Series, Class or Tranche of Notes, pursuant to the terms of this Article XII, the Issuer will redeem and pay, provided that funds are available and subject to the allocation and reallocation provisions and, with respect to Subordinated Notes, the subordination provisions of the Senior Class of that Series, of the related Indenture Supplement, each affected Series, Class or Tranche of Notes upon the occurrence of any Early Amortization Event. Unless otherwise specified in the applicable Indenture Supplement relating to a Series, Class or Tranche of Notes, or in the form of Notes for such Series, Class or Tranche, the following are “**Early Amortization Events**”:

- (a) the occurrence of an Event of Default and acceleration of the Notes of a Series, Class or Tranche pursuant to Article VIII hereof;
- (b) with respect to any Series, Class or Tranche of Notes, the occurrence of the Expected Final Payment Date of such Series, Class or Tranche of Notes;
- (c) the Issuer becomes an investment company within the meaning of the *Investment Company Act*;
- (d) the occurrence of an Insolvency Event as defined in Section 4.1 of the Transfer Agreement relating to the Transferor;
- (e) the occurrence of an Insolvency Event as defined in the applicable Receivables Purchase Agreement relating to an Account Owner;
- (f) a Transfer Restriction Event shall occur; or
- (g) with respect to any Series, Class or Tranche of Notes, any additional Early Amortization Event specified in the Indenture Supplement for such Series, Class or Tranche of Notes as applying to such Series, Class or Tranche of Notes;

provided that in the case of any event described in subparagraph (d), (e) or (f), an Early Amortization Event shall occur with respect to the applicable Series, Class or Tranche of Notes without any notice or other action on the part of the Indenture Trustee or the Noteholders immediately upon the occurrence of such event (or, in the case of clause (y) below, immediately following the expiration of the 60-day grace period), but only to the extent that (x) as of the date of such event, the average of the Monthly Pool Balance Percentage for the immediately preceding three Monthly Periods is equal to or greater than 10% or (y) as of the date of such event, the average of the Monthly Pool Balance Percentage for the immediately preceding three Monthly Periods is less than 10%, and within 60 days following the occurrence of the related Insolvency Event or Transfer Restriction Event, the Pool Balance does not at least equal the Required Pool Balance (without giving effect to Receivables or Collateral Certificates attributable to the Transferor or the Account Owner with respect to which the Insolvency Event

or the Transfer Restriction Event has occurred). In the case of any event described in subparagraphs (a) through (c) (unless otherwise specified in the applicable Indenture Supplement relating to a Series, Class or Tranche of Notes), an Early Amortization Event shall occur with respect to the applicable Series, Class or Tranche without any notice or other action on the part of the Indenture Trustee or the applicable Noteholders immediately upon the occurrence of such event.

The repayment price of a Series, Class or Tranche of Notes so redeemed will equal the Outstanding Currency Specific Dollar Principal Amount (in the case of Notes that are Foreign Currency Notes) or the Outstanding Dollar Principal Amount (in the case of Notes that are not Foreign Currency Notes) of such Series, Class or Tranche, plus accrued, past due and additional interest to but excluding the date of repayment, the payment of which will be subject to the allocations, deposits and payments sections and the subordination provisions of the related Indenture Supplement.

If the Issuer is unable to pay the repayment price in full on the Payment Date following the end of the Monthly Period in which the Early Amortization Event occurs, monthly payments on such Series, Class or Tranche of Notes will thereafter be made on each following Payment Date until the Stated Principal Amount of such Series, Class or Tranche, plus all accrued, past due and additional interest, is paid in full or the Legal Maturity Date occurs, whichever is earlier, subject to the allocations, deposits and payments sections of the related Indenture Supplement. Any funds in any Supplemental Issuer Accounts for a repaid Series, Class or Tranche will be applied to make the principal and interest payments on that Series, Class or Tranche on the repayment date, subject to the allocations, deposits and payments sections of the related Indenture Supplement. Principal payments on redeemed Classes or Tranches will be made first to the senior most Notes until paid in full, then to the next Subordinated Notes until paid in full.

No Principal Collections will be allocated to a Series, Class or Tranche of Notes with a Nominal Liquidation Amount of zero, irrespective of whether the Stated Principal Amount of that Series, Class or Tranche of Notes has been paid in full. However, any funds previously deposited into the applicable Issuer Accounts and any amounts received from an applicable Derivative Agreement, Supplemental Credit Enhancement Agreement or Supplemental Liquidity Agreement will be available to pay principal of and interest on such Series, Class or Tranche of Notes. Furthermore, Available Finance Charge Collections may be applied to reimburse reductions in the Nominal Liquidation Amount of such Series, Class or Tranche.

12.02 Optional Repurchase

Unless otherwise provided in the applicable Indenture Supplement for a Series, Class or Tranche of Notes, the Transferor (but only if the Transferor is the Servicer or an Affiliate of the Servicer) has the right, but not the obligation, to redeem all Outstanding Series of Notes in whole but not in part on any day on or after the day on which the aggregate Outstanding Dollar Principal Amount (after giving effect to all payments on such day) of all Outstanding Series of Notes is reduced to less than 10% of the sum of the highest Outstanding Dollar Principal Amount of each such Series at any time; provided, however, that in no event shall such

optional redemption occur if 25% or more of the Initial Dollar Principal Amount of any Series of Notes is Outstanding.

If the Transferor elects to redeem the Notes, it will cause the Issuer to notify the Holders of such redemption at least 30 days prior to the redemption date. Unless otherwise specified in the Indenture Supplement or Terms Document applicable to the Notes to be so redeemed, the redemption price of each Series, Class or Tranche so redeemed will equal 100% of the Outstanding Currency Specific Dollar Principal Amount of such Series, Class or Tranche, plus accrued, unpaid and additional interest or principal accreted and unpaid on such Tranche to but excluding the date of redemption, the payment of which will be subject to the allocations, deposits and payments sections of the related Indenture Supplement.

If the Transferor is unable to pay the redemption price in full on the redemption date, monthly payments on each Series, Class or Tranche of Notes will thereafter be made until either the Outstanding Currency Specific Dollar Principal Amount of each Series, Class or Tranche, plus all accrued, unpaid and additional interest, is paid in full or the Legal Maturity Date occurs, whichever is earlier, subject to Article VII, Article VIII and the allocations, deposits and payments sections of the related Indenture Supplement. Any funds in any Supplemental Issuer Accounts for a redeemed Series, Class or Tranche will be applied to make the principal and interest payments on that Series, Class or Tranche on the redemption date in accordance with the related Indenture Supplement. Principal payments on redeemed Series, Class or Tranches will be made in accordance with the related Indenture Supplement.

12.03 Notice

Promptly after the occurrence of any Early Amortization Event or a redemption pursuant to Section 12.02, the Issuer will notify the Indenture Trustee and the Note Rating Agencies in writing of the identity, Stated Principal Amount, Outstanding Dollar Principal Amount and Outstanding Currency Specific Dollar Principal Amount of the affected Series, Class or Tranche of Notes to be redeemed. Notice of redemption will promptly be given as provided in Section 1.06. All notices of redemption will state (a) the date on which the redemption of the applicable Series, Class or Tranche of Notes pursuant to this Article XII will begin, which will be the Payment Date next following the end of the Monthly Period in which the applicable Early Amortization Event or redemption pursuant to Section 12.02 occurs, (b) the repayment price for such Series, Class or Tranche of Notes and (c) the Series, Class or Tranche of Notes to be redeemed pursuant to this Article XII.

ARTICLE XIII MISCELLANEOUS

13.01 No Petition

The Indenture Trustee, by entering into this Indenture, each Derivative Counterparty, by accepting its rights as a third party beneficiary hereunder, each Supplemental Credit Enhancement Provider or Supplemental Liquidity Provider, as applicable, by accepting its rights as a third party beneficiary hereunder, and each Noteholder, by accepting a Note, agrees, to the fullest extent permitted by applicable law, that at no time shall it commence, or join in

13.03 Limitations on Liability

- (a) It is expressly understood and agreed by the parties hereto that (i) this Indenture is executed and delivered by Computershare Trust Company of Canada not individually or personally but solely as Issuer Trustee of the Issuer, in the exercise of the powers and authority conferred and vested in it under the Declaration of Trust, (ii) each of the representations, undertakings and agreements herein made on the part of the Issuer is made and intended not as a personal representation, undertaking or agreement by Computershare Trust Company of Canada but is made and intended for the purpose of binding only the Issuer and (iii) under no circumstances will Computershare Trust Company of Canada be personally liable for the payment of any indebtedness or expenses of the Issuer or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Issuer under this Indenture or any related documents.
- (b) None of the Indenture Trustee, the Issuer Trustee or any other beneficiary of the Issuer or any of their respective officers, directors, employers or agents will have any liability with respect to this Indenture, and recourse of any Noteholder may be had solely to the Collateral.

13.04 U.S. Tax Treatment

The Issuer and each Noteholder that is a United States Person agree that the Notes are intended to be debt for United States federal, state and local income and franchise tax purposes and agree to treat the Notes accordingly for all such purposes, unless otherwise required by a taxing authority. Each Noteholder that is a United States Person further agrees that it will cause any Note Owner that is a United States Person acquiring an interest in a Note through it to comply with this Indenture as to treatment as indebtedness for United States federal, state and local income and franchise tax purposes as described in this Section 13.04.

13.05 Actions Taken by the Issuer

Any and all actions that are to be taken by the Issuer may be taken by either the Administrator or the Issuer Trustee on behalf of the Issuer.

13.06 Alternate Payment Provisions

Notwithstanding any provision of this Indenture or any of the Notes to the contrary, the Issuer, with the written consent of the Indenture Trustee, may enter into any agreement with any Holder of a Note providing for a method of payment or notice that is different from the methods provided for in this Indenture for such payments or notices. The Issuer will furnish to the Indenture Trustee a copy of each such agreement and the Indenture Trustee will cause payments or notices, as applicable, to be made in accordance with such agreements.

13.07 Termination of Issuer

The Issuer and the respective obligations and responsibilities of the Indenture Trustee created hereby (other than the obligation of the Indenture Trustee to make payments to Noteholders as hereinafter set forth) shall terminate, except with respect to the duties described in subsection 13.08(a), as provided in the Declaration of Trust.

13.08 Final Distribution

The Issuer shall give the Indenture Trustee at least 30 days written notice of the Payment Date on which the Noteholders of any Series, Class or Tranche may surrender their Notes for payment of the final distribution on and cancellation of such Notes. Not later than the fifth day of the month in which the final distribution in respect of such Series, Class or Tranche is payable to Noteholders, the Indenture Trustee shall provide notice to Noteholders of such Series, Class or Tranche specifying (i) the date upon which final payment of such Series, Class or Tranche will be made upon presentation and surrender of Notes of such Series, Class or Tranche at the office or offices therein designated, (ii) the amount of any such final payment and (iii) that the Record Date otherwise applicable to such payment date is not applicable, payments being made only upon presentation and surrender of such Notes at the office or offices therein specified (which, in the case of Bearer Notes, shall be outside the United States and Canada). The Indenture Trustee shall give such notice to the Note Registrar and the Paying Agent at the time such notice is given to Noteholders.

- (a) Notwithstanding a final distribution to the Noteholders of any Series, Class or Tranche of Notes (or the termination of the Issuer), except as otherwise provided in this paragraph, all funds then on deposit in any Issuer Account allocated to such Noteholders shall continue to be held in trust for the benefit of such Noteholders, and the Paying Agent or the Indenture Trustee shall pay such funds to such Noteholders upon surrender of their Notes, if certificated. In the event that all such Noteholders shall not surrender their Notes for cancellation within 6 months after the date specified in the notice from the Indenture Trustee described in paragraph (a), the Indenture Trustee shall give a second notice to the remaining such Noteholders to surrender their Notes for cancellation and receive the final distribution with respect thereto (which surrender and payment, in the case of Bearer Notes, shall be outside the United States). If within one year after the second notice all such Notes shall not have been surrendered for cancellation, the Indenture Trustee may take appropriate steps, or may appoint an agent to take appropriate steps, to contact the remaining such Noteholders concerning surrender

of their Notes, and the cost thereof shall be paid out of the funds in the Collection Account or any Supplemental Issuer Accounts held for the benefit of such Noteholders. The Indenture Trustee and the Paying Agent shall pay to the Issuer any monies held by them for the payment of principal or interest that remains unclaimed for two years. After payment to the Issuer, Noteholders entitled to the money must look to the Issuer for payment as general creditors unless an applicable abandoned property law designates another Person.

13.09 Termination Distributions

Upon the termination of the Issuer pursuant to the terms of the Declaration of Trust, the Indenture Trustee shall release, assign and convey to the Transferor or any of its designees, without recourse, representation or warranty, all of its right, title and interest in the Collateral, whether then existing or thereafter created, all monies due or to become due and all amounts received or receivable with respect thereto (including all moneys then held in any Issuer Account) and all proceeds thereof, except for amounts held by the Indenture Trustee pursuant to subsection 13.08(a). The Indenture Trustee shall execute and deliver such instruments of transfer and assignment as shall be provided to it, in each case without recourse, as shall be reasonably requested by the Transferor, to vest in the Transferor or any of its designees all right, title and interest which the Indenture Trustee had in the Collateral.

 - (ii) No later than the second Business Day of each month in which any Repurchase Reporting Series subject to continuing obligations for filing of reports on Form 10-D under the *Securities Exchange Act* is outstanding, the Indenture Trustee shall provide such information as is requested for the purpose of complying with the Repurchase Rules and Regulations regarding repurchase demand activity during the preceding month related to the underlying assets for each such Repurchase Reporting Series in substantially the form of EXHIBIT B hereto.
 - (iii) If (i) the Indenture Trustee has previously delivered a report described in clause (i) or (ii) above indicating that, based on a review of the records of the Indenture Trustee, there was no asset repurchase demand activity during the applicable period, and (ii) based on a review of the records of the Indenture Trustee, no asset repurchase demand activity has occurred since the delivery of such report, the Indenture Trustee may, in lieu of delivering the information as is requested pursuant to clause (i) or (ii) above substantially in the form of EXHIBIT B hereto, and no later than the date specified in clause (i) or (ii) above, as applicable, notify the Transferor that there has been no change in asset repurchase demand activity since the date of the last report delivered.

- (b) The Indenture Trustee shall provide the information described in paragraph (a) above subject to the following understandings and conditions:
- (i) The Indenture Trustee shall provide the information described in paragraph (a) above only to the extent that the Indenture Trustee has such information or can obtain such information without unreasonable effort or expense; provided that the Indenture Trustee's efforts to obtain such information shall be limited to a review of its internal written records of repurchase demand activity for the applicable Repurchase Reporting Series and that the Indenture Trustee is not required to request information from any unaffiliated parties.
 - (ii) The reporting of repurchase demand activity pursuant to this Section 14.01 is subject in all cases to the best knowledge of the trust officer responsible for the applicable Repurchase Reporting Series.

In no event shall BNY Trust Company of Canada (individually or as Indenture Trustee) have any responsibility or liability in connection with (i) the compliance by any person which is a securitizer (as defined in Rule 15Ga-1) of the Repurchase Reporting Series, or any other person, with the Repurchase Rules and Regulations or (ii) any filing required to be made by a securitizer (as defined in Rule 15Ga-1) under the Repurchase Rules and Regulations in connection with the information provided pursuant to this Section 14.01. The Indenture

Trustee is entitled to the full benefit of any and all protections, limitations on duties or liability and rights of indemnity provided by the terms of the Transaction Documents in connection with any actions pursuant to this Section 14.01.

- (v) The Indenture Trustee's obligation to provide reporting with regard to each Repurchase Reporting Series will continue until the earlier of the date on which such Repurchase Reporting Series is no longer Outstanding or (ii) the Transferor notifies the Indenture Trustee that such reporting no longer is required.

Re: Purchase of \$ * principal amount of Evergreen Credit Card Trust, Series [-], Class [-] Notes

Ladies and Gentlemen:

In connection with our purchase of the above Notes (the “**Notes**”) we confirm that

1. We understand that the Notes are not being registered under the *Securities Act* of 1933, as amended (the “**U.S. Securities Act**”), and are being sold to us in a transaction that is exempt from the registration requirements of the *U.S. Securities Act*.
2. Any information we desire concerning the Notes or any other matter relevant to our decision to purchase the Notes is or has been made available to us.
3. We have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Notes, and we (and any account for which we are purchasing under paragraph 4 below) are able to bear the economic risk of an investment in the Notes. We (and any account for which we are purchasing under paragraph 4 below) are an “accredited investor” (as such term is defined in Rule 501(a)(1), (2) or (3) of Regulation D under the *U.S. Securities Act*).
4. We are acquiring the Notes for our own account or for accounts as to which we exercise sole investment discretion and not with a view to any distribution of the Notes, subject, nevertheless, to the understanding that the disposition of our property shall at all times be and remain within our control.
5. We agree that the Notes must be held indefinitely by us unless subsequently registered under the *U.S. Securities Act* or an exemption from any registration requirements of the *U.S. Securities Act* and any applicable state securities law is available.

* Not less than \$100,000 minimum principal amount.

6. We agree that in the event that at some future time we wish to dispose of or exchange any of the Notes (such disposition or exchange not being currently foreseen or contemplated), we will not transfer or exchange any of the Notes unless:
- (a) (i) the sale is of at least U.S. \$250,000 principal amount of Notes to an Eligible Purchaser (as defined below), (ii) a letter to substantially the same effect as paragraphs 1, 2, 3, 4, 5 and 6 of this letter is executed promptly by the purchaser and (iii) all offers or solicitations in connection with the sale, whether directly or through any agent acting on our behalf, are limited only to Eligible Purchasers and are not made by means of any form of general solicitation or general advertising whatsoever; or
 - (b) the Notes are transferred pursuant to Rule 144 under the *U.S. Securities Act* by us after we have held them for more than two years; or
 - (c) the Notes are sold in any other transaction that does not require registration under the *U.S. Securities Act* and, if the Issuer, the Servicer, the Trustee or the Note Registrar so requests, we theretofore have furnished to such party an opinion of counsel satisfactory to such party, in form and substance satisfactory to such party, to such effect; or
 - (d) the Notes are transferred pursuant to an exception from the registration requirements of the *U.S. Securities Act* under Rule 144A under the *U.S. Securities Act*; and
7. We understand that the Notes will bear a legend to substantially the following effect and any other legends required by the applicable Indenture Supplement:

"THIS NOTE HAS NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), OR ANY OTHER APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT IN ACCORDANCE WITH THE TRUST INDENTURE AND THE INDENTURE SUPPLEMENT AND PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT.

BY ITS ACQUISITION HEREOF, THE HOLDER (A) REPRESENTS THAT IT IS A "QUALIFIED INSTITUTIONAL BUYER" (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) PURCHASING THE SECURITIES FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF ONE OR MORE QUALIFIED INSTITUTIONAL BUYERS; (B) AGREES THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THE NOTES EXCEPT IN ACCORDANCE WITH THE TRUST INDENTURE AND, PRIOR TO THE DATE WHICH IS ONE YEAR AFTER THE LATER OF THE LAST ISSUE DATE FOR THE SERIES AND THE LAST

EACH PURCHASER WILL BE DEEMED TO REPRESENT, COVENANT AND AGREE, FOR THE BENEFIT OF THE TRUST, THE INDENTURE TRUSTEE, THE ISSUER TRUSTEE, THE SERVICER, THE INITIAL PURCHASERS AND THE SELLER, THAT EITHER (A) IT IS NOT ACQUIRING THIS NOTE (OR INTEREST HEREIN) WITH THE ASSETS OF A BENEFIT PLAN (AS DEFINED BELOW) OR (B) ITS ACQUISITION, HOLDING AND DISPOSITION OF THIS NOTE OR INTEREST HEREIN WILL NOT RESULT IN A NONEXEMPT PROHIBITED TRANSACTION UNDER SECTION 406 OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED (“ERISA”), OR SECTION 4975 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE “CODE”), OR A NONEXEMPT VIOLATION OF ANY APPLICABLE LAW THAT IS SUBSTANTIALLY SIMILAR TO SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE (“SIMILAR LAW”).
