

## ENHANCED DISCLOSURE TASK FORCE

The Enhanced Disclosure Task Force (EDTF) was established by the Financial Stability Board in May 2012 to identify fundamental disclosure principles, recommendations and leading practices to enhance risk disclosures of banks. On October 29, 2012, the EDTF published its report, "Enhancing the Risk Disclosures of Banks", which sets forth 7 fundamental disclosure principles and 32 recommendations around improving risk disclosures.

Below is an index that includes the recommendations (as published by the EDTF) and lists the location of the related EDTF disclosures presented in the [Second Quarter of the 2016 Report to Shareholders](#) or the [Second Quarter of the 2016 Supplemental Financial Information](#). Information on TD's website or any Supplemental Financial Information is not and should not be considered incorporated herein by reference into the [2015 Annual Report](#), Management's Discussion and Analysis, or the Consolidated Financial Statements.
