

DIRECTOR NOMINEES

Fourteen director nominees are proposed for election to the board of directors at the meeting.

Independence		Gender		Tenure	
Independent	93%	Female	36%	0-5 years	50%
Non-Independent	7%	Male	64%	6-10 years	29%
				11-15 years	21%

INDEPENDENCE

Thirteen of the nominees proposed for election, including the chairman of the board, are independent — they are not part of management and do not have relationships with the bank that would make them personally beholden to the bank or that would otherwise interfere with the exercise of their independent judgment. Bharat Masrani is not independent because of his role as Group President and Chief Executive Officer of the bank.

TENURE AND GENDER DIVERSITY

The average tenure of our nominees is 7 years as at October 31, 2018. The distribution of tenures shown in the table above provides a balance between fresh perspectives and experience and organizational knowledge acquired over time. You can read more about our Retirement Age and Term Limits on page 77 of this circular.

The board has a goal that women and men each comprise at least 30% of the board's independent directors. Thirty eight percent of the independent nominees are female. You can read more about gender diversity on pages 74 and 75 of this circular.

COMPETENCIES AND SKILLS/EXPERIENCES

The nominees have been selected based on their ability to make a valuable contribution to the board. The bank believes the nominees have the right mix of experience, expertise and personal attributes to enable the board and its committees to carry out their wide-ranging responsibilities. Details regarding the competencies of the independent nominees are described under the heading "Key Areas of Expertise/Experience" below and information regarding the board's approach to its composition, director nominations and board renewal are described in Schedule A to this circular.

DIRECTOR PROFILES

The profiles below provide important information on each director nominee, including information about their experience, expertise, principal place of residence and current bank equity ownership (consisting of common shares beneficially owned, directly or indirectly, or controlled or directed, as well as deferred share units (DSUs) (each equivalent to a common share), as described in greater detail on page 17, credited to each nominee as part of their compensation). The total equity value and amount by which each nominee's bank equity ownership exceeds the nominee's share ownership requirement (SOR) is based on the bank's stock price at the end of the preceding calendar year and is presented in Canadian dollars. SOR is described further under the heading "Director Share Ownership Requirement" in the "Director Compensation" section of this circular.
