7.7 Subject to its obligation to deliver a Notice to Pay, the Bond Trustee may determine from time to time whether it will enforce the Covered Bond Guarantee which it is entitled to enforce, without making any demand or taking any proceedings against the Issuer. subject always to the rights of the Guarantor to set off amounts owing by the Issuer to the Guarantor, in accordance with the Priorities of Payments, (x) in respect of amounts paid by the Guarantor under the Covered Bond Guarantee, against any amounts repayable by the Guarantor under the terms of the Intercompany Loan Agreement and (y) against amounts payable by the Guarantor to any Swap Provider (provided that such Swap Provider is the Issuer) under the terms of any Interest Rate Swap Transaction or Covered Bond Swap Transaction, which shall remain unaffected.

8. Payments Under the Covered Bond Guarantee

- 8.1 (a) The Issuer shall notify the Bond Trustee in writing (copied to the Guarantor), no later than close of business on the fifth Toronto Business Day before each Interest Payment Date, of the amount of Scheduled Interest and/or Scheduled Principal which is due and payable by the Issuer on such Interest Payment Date and shall confirm whether or not it shall have sufficient funds to make such payments of Scheduled Interest and/or Scheduled Principal on such Interest Payment Date. If the amount available for payment by the Issuer in respect of Scheduled Interest and/or Scheduled Principal on such Interest Payment Date will be insufficient to meet the amount of Scheduled Interest and/or Scheduled Principal due and payable on such Interest Payment Date (the “**Shortfall**”), the Issuer shall inform the Bond Trustee in writing (copied to the Guarantor) of the amount of the Shortfall. Following the occurrence of an Issuer Event of Default and service by the Bond Trustee of an Issuer Acceleration Notice on the Issuer pursuant to Condition 7.01, the Bond Trustee shall promptly deliver a Notice to Pay to the Issuer and the Guarantor with a copy to the Paying Agents requiring the Guarantor to pay the Guaranteed Amounts on the later of (i) the day which is two Toronto Business Days after service of the Notice to Pay on the Guarantor; and (ii) the date on which the Guaranteed Amounts would otherwise be Due for Payment.
- (b) Following the service by the Bond Trustee of an Issuer Acceleration Notice on the Issuer and the service by the Bond Trustee of a Notice to Pay on the Guarantor but prior to a Guarantor Event of Default and delivery by the Bond Trustee of a Guarantor Acceleration Notice, payment by the Guarantor of the Guaranteed

Amounts pursuant to the Covered Bond Guarantee shall be made in accordance with the Guarantee Priority of Payments set out in Section 6.4 of the Guarantor Agreement on the earlier of (i) the second Toronto Business Day following service of a Notice to Pay on the Guarantor, or, if later, the Scheduled Payment Date on which the relevant Guaranteed Amount is Due for Payment; and (ii) the Extension Determination Date.

- 8.2 The Bond Trustee shall direct the Guarantor to pay (or to procure the payment of) all sums payable under the Covered Bond Guarantee to the Paying Agents subject always to the provisions of Clause 2.3.
- 8.3 At least one Business Day before the date on which the Guarantor is obliged to make a payment under the Covered Bond Guarantee, it shall notify or procure the notification of the Paying Agents of the irrevocable instructions to the Account Bank through which payment to the Paying Agents is to be made.
- 8.4 All payments of Guaranteed Amounts by or on behalf of the Guarantor will be made without withholding or deduction for, or on account of, any present or future tax, duties, assessment or other governmental charges of whatever nature, imposed or levied by or on behalf of Canada or any province or territory thereof, or in the case of Covered Bonds issued by a branch of the Issuer located outside Canada, the country in which such branch is located, or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, the Guarantor will not pay any additional amounts to the Bond Trustee or any holder of Covered Bonds, Receipts and/or Coupons in respect of the amount of such withholding or deduction. If any such withholding or deduction is required, the Guarantor shall pay the Guaranteed Amounts net of such withholding or deduction and shall account to the appropriate tax authority for the amount required to be withheld or deducted. In the event that such withholding or deduction is required, the Issuer shall be required to pay such additional amounts as will result in the holders of Covered Bonds, Receipts or Coupons receiving such amounts as they would have received in respect of such Covered Bonds or Coupons had no such withholding or deduction been required in accordance with Condition 8.01.
- 8.5 The Issuer shall not be discharged from its obligations under the Covered Bonds, Receipts or Coupons and this Trust Deed by any payment made by the Guarantor under the Covered Bond Guarantee PROVIDED THAT this Clause 8.5 shall operate only for the purpose of the subrogation rights of the Guarantor contemplated by Clause 7.8.
- 8.6 Except in relation to Excess Proceeds, any payment made by the Guarantor to the Covered Bondholders, Receiptholders or the Couponholders in respect of the Covered Bonds, Receipts or Coupons may be made in accordance with the Conditions and the Agency Agreement, and any payments so made shall be a good discharge *pro tanto* of the relative covenant by the Guarantor (as the case may be) contained in Clauses 7 or 8 (as the case may be) save to the extent that there is default in the subsequent payment thereof in accordance with the trust presents to the relevant Covered Bondholders, Receiptholders or Couponholders (as the case may be).

9. Non Payment

Proof that with respect to any specified Covered Bond, Receipt or Coupon the Issuer or, as the case may be, the Guarantor has made default in paying any amount due in respect of such Covered Bond, Receipt or Coupon shall (unless the contrary be proved) be sufficient evidence that the same default has been made as regards all other Covered Bonds, Receipts or Coupons (as the case may be) in respect of which the relevant amount is due and payable.

10. Proceedings, Action and Indemnification

- 10.1 The Bond Trustee may at any time after an Issuer Acceleration Notice (in the case of the Issuer) or a Guarantor Acceleration Notice (in the case of the Guarantor), at its discretion and without further notice, take such proceedings as it may think fit against or in relation to the Issuer or, as the case may be, the Guarantor to enforce the provisions of this Trust Deed, the Covered Bonds, the Receipts and the Coupons. However, the Bond Trustee shall not be bound to take any such enforcement proceedings in relation to this Trust Deed, the Covered Bonds, the Receipts, the Coupons or any other Transaction Document unless directed or requested to do so (i) by an Extraordinary Resolution (with the Covered Bonds of all Series taken together as a single Series as provided in Clause 2.7) or (ii) in writing by the holders of not less than twenty five per cent. of the Principal Amount Outstanding of the Covered Bonds then outstanding (with the Covered Bonds of all Series taken together as a single Series as aforesaid) and in either case then only if it shall be indemnified and/or secured to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.
- 10.2 Subject to Clause 10.1, the Bond Trustee shall not be bound to take any other action hereunder or any other Transaction Document unless directed or requested to do so (i) by an Extraordinary Resolution of the Covered Bondholders of the relevant one or more Series or (ii) in writing by the holders of not less than twenty five per cent. of the Principal Amount Outstanding of the Covered Bonds of the relevant one or more Series and in either case then only if it shall be indemnified and/or secured to its satisfaction against all Liabilities to which it may thereby render itself liable or which it may incur by so doing.
- 10.3 Only the Bond Trustee may enforce the provisions hereof. No Covered Bondholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or the Guarantor to enforce the performance of any of the provisions hereof or to directly enforce the provisions of the Security Agreement or any other Transaction Document unless the Bond Trustee having become bound as aforesaid to take proceedings fails to do so within 30 days and such failure is continuing (in which case each of such Covered Bondholder, Receiptholder or Couponholder shall be entitled to take any such steps and proceedings as it shall deem necessary other than the presentation of a petition for the winding up of, or for an administration order or liquidation in respect of, the Issuer, the Guarantor or any of the General Partners).

- 10.4 Notwithstanding the foregoing, for so long as there are U.S. Registered Covered Bonds outstanding, in accordance with Section 316(b) of the Trust Indenture Act, the right of any holder to receive payment of principal and interest on the Covered Bonds on or after the due date for such principal or interest, or to institute suit for the enforcement of payment of that principal or interest, may not be impaired or affected without the consent of the Covered Bondholders, provided that no such right of enforcement shall exist (i) in respect of a postponement of an interest payment which has been consented to by the Covered Bondholders in accordance with the Trust Deed or (ii) to the extent that the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the security granted pursuant to this Trust Deed or the Security Agreement upon any property subject to such security.

11. Application of Moneys

- (b) By subscribing for Covered Bond(s), each Covered Bondholder shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Guarantor in the manner as described above.

- (n) The Bond Trustee may certify whether or not any of the conditions, events and acts set out in Clause 21.2(a) is in its opinion materially prejudicial to the interests of the Covered Bondholders of any Series and any such certificate shall be conclusive and binding upon the Issuer, the Guarantor, the Covered Bondholders, the Receipholders and the Couponholders.
- (o) The Bond Trustee as between itself and the Covered Bondholders, the Receipholders and the Couponholders may determine all questions and doubts arising in relation to any of the provisions hereof. Every such determination, whether or not relating in whole or in part to the acts or proceedings of the Bond Trustee, shall be conclusive and shall bind the Bond Trustee and the Covered Bondholders, the Receipholders, the Couponholders and the other Secured Creditors.
- (p) In connection with the exercise by it of any of its trusts, powers, authorities or discretions hereunder (including any modification, waiver, authorization, determination or substitution), the Bond Trustee shall have regard to the general interests of the Covered Bondholders of each Series as a class (but shall not have regard to any interests arising from circumstances particular to individual Covered Bondholders, Receipholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of such exercise for individual Covered Bondholders, Receipholders and Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub division thereof and the Bond Trustee shall not be entitled to require, nor shall any Covered Bondholder, Receipholder or Couponholder be entitled to claim, from the Issuer, the Guarantor, the Bond Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholders, Receipholders and/or Couponholders, except to the extent already provided for in Condition 8 (*Taxation*) and/or in any undertaking or covenant given in addition thereto or in substitution therefor hereunder.
- (q) Any trustee hereof being a lawyer, accountant, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual and proper professional and other charges for business transacted and acts done by him or his firm in connection with the trusts hereof or any other of the Transaction Documents to which the Bond Trustee is a party and also his

reasonable charges in addition to disbursements for all other work and business done and all time spent by him or his firm in connection with matters arising in connection herewith including matters which might or should have been attended to in person by a trustee not being a lawyer, accountant, broker or other professional person.

- (r) The Bond Trustee may whenever it thinks fit delegate by power of attorney or otherwise to any person or persons or fluctuating body of persons (whether being a joint trustee of the trust presents or not) all or any of its trusts, powers, authorities and discretions hereunder. Such delegation may be made upon such terms (including power to sub delegate) and subject to such conditions and regulations as the Bond Trustee may in the interests of the Covered Bondholders think fit. Provided the Bond Trustee has exercised reasonable care in the selection of any such delegate, the Bond Trustee shall not be under any obligation to supervise the proceedings or acts of any such delegate or sub delegate or be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such delegate or sub delegate. The Bond Trustee shall within a reasonable time after any such delegation or any renewal, extension or termination thereof give notice thereof to the Issuer.
- (s) The Bond Trustee may in the conduct of the trusts hereof instead of acting personally employ and pay an agent (whether being a lawyer or other professional person) to transact or conduct, or concur in transacting or conducting, any business and to do, or concur in doing, all acts required to be done in connection herewith (including the receipt and payment of money). Provided the Bond Trustee has exercised reasonable care in the selection of any such agent, the Bond Trustee shall not be in any way responsible for any Liability incurred by reason of any misconduct or default on the part of any such agent or be bound to supervise the proceedings or acts of any such agent.
- (t) The Bond Trustee shall not be responsible for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence of this Trust Deed and the Transaction Documents or any other document relating or expressed to be supplemental thereto and shall not be liable for any failure to obtain any licence, consent or other authority for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, performance, enforceability or admissibility in evidence of this Trust Deed and the Transaction Documents or any other document relating or expressed to be supplemental thereto.
- (u) The Bond Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to such assets of the trusts constituted hereby as the Bond Trustee may determine, including for the purpose of depositing with a custodian this Trust Deed or any document relating to the trusts constituted hereby and the Bond Trustee shall not be responsible for any Liability incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of such person;

the Bond Trustee is not obliged to appoint a custodian if the Bond Trustee invests in securities payable to bearer.

- (v) Subject to the requirements, if any, of the Stock Exchange, any corporation into which the Bond Trustee shall be merged or with which it shall be consolidated or any company resulting from any such merger or consolidation shall be a party hereto and shall be the Bond Trustee under the trust presents without executing or filing any paper or document or any further act on the part of the parties thereto.
- (w) Unless notified to the contrary, the Bond Trustee shall be entitled to assume without enquiry (other than requesting a certificate pursuant to Clause 15(p)) that no Covered Bonds are held by, for the benefit of, or on behalf of, the Issuer or the Guarantor.
- (x) The Bond Trustee shall have no responsibility whatsoever to the Issuer, the Guarantor, any Covered Bondholder, Receiptholder or Couponholder or any other person for the maintenance of or failure to maintain any rating of any of the Covered Bonds by any Rating Agency.
- (y) The Bond Trustee shall not be liable or responsible for any Liabilities or inconvenience which may result from anything done or omitted to be done by it in accordance with the provisions hereof.
- (z) If, in connection with the exercise of its powers, trusts, authorities or discretions, the Bond Trustee is of the opinion that the interest of the holders of the Covered Bonds of any one or more Series would be materially prejudiced thereby, the Bond Trustee shall not exercise such power, trust, authority or discretion without the approval of such Covered Bondholders by Extraordinary Resolution or by a written resolution of such Covered Bondholders of not less than fifty per cent. of the Principal Amount Outstanding of the Covered Bonds of the relevant Series then outstanding.
- (aa) The Bond Trustee will not be responsible for any loss, expense or liability, which may be suffered as a result of any Loans or Related Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons on behalf of the Bond Trustee. The Bond Trustee will not be responsible for (i) supervising the performance by the Issuer or any other party to the Transaction Documents of their respective obligations under the Transaction Documents and the Bond Trustee will be entitled to assume, until it has written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Transaction Documents under the Transaction Documents; (iii) monitoring the Portfolio, including, without limitation, whether the Portfolio is in compliance with the Asset Coverage Test and/or the Amortization Test; or (iv) monitoring whether Loans and Related Security satisfy the Eligibility Criteria. The Bond Trustee will not be liable to any

Covered Bondholder or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by a prudent chargee in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Transaction Documents.

- (bb) Where hereunder, the Bond Trustee is required to consider whether any event or the exercise by it of any of its powers, authorities or discretions is or will be materially prejudicial to the interests of the Covered Bondholders of one or more Series, the Bond Trustee shall be entitled to call for and rely and act upon the advice or opinion of any reputable financial or other adviser (whether or not such financial adviser shall be a Secured Creditor or otherwise party to any Transaction Document) and if relied upon by the Bond Trustee shall be binding on the Covered Bondholders of all Series and the Bond Trustee shall not incur any Liability by reason of so acting or relying.

None of the provisions contained in this Trust Deed shall require the Bond Trustee to expend or risk its own funds or otherwise incur financial liability on the performance of any of its duties or in the exercise of any of its rights or powers if there are any reasonable grounds for believing that the reimbursement of such expenditure or indemnity satisfactory to the Bond Trustee against such risk or liability is not assured to it, provided that the Bond Trustee, shall forthwith upon making such a determination, deliver notice of the same to the Issuer and the Guarantor, which notice shall include the grounds for such belief.

19. Bond Trustee's Liability

- 19.1 Nothing herein shall in any case in which the Bond Trustee has failed to show the degree of care and diligence required of it as trustee having regard to the provisions hereof conferring on it any trusts, powers, authorities or discretions (i) relieve or indemnify the Bond Trustee against any liabilities which by virtue of any rule of Law would otherwise attach to it in respect of any breach of trust of which it may be guilty in relation to its duties hereunder or (ii) so long as U.S. Registered Covered Bonds are outstanding, relieve the Bond Trustee from liability for its own negligence, wilful default or fraud except as permitted in Section 315(d) of the Trust Indenture Act.
- 19.2 Except for the payment obligations of the Issuer and the Guarantor under the Covered Bonds and the Covered Bond Guarantee, no party to this Trust Deed shall be liable to any other party, or held in breach of this Trust Deed, if prevented, hindered, or delayed in the performance or observance of any provision contained herein by reason of act of God, riots, terrorism, acts of war, epidemics, governmental action or judicial order, earthquakes, or any other similar causes (including, but not limited to, mechanical, electronic or communication interruptions, disruptions or failures). Performance times under this Trust Deed shall be extended for a period of time equivalent to the time lost because of any delay that is excusable under this Section 19.2.

- 19.3 The Bond Trustee shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Bond Trustee, in its sole judgment, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline.

20. Bond Trustee Contracting with the Issuer and the Guarantor

Neither the Bond Trustee nor any director or officer or holding company, Subsidiary or associated company of a corporation acting as a trustee hereunder shall by reason of its or his fiduciary position be in any way precluded from:

- (a) entering into or being interested in any contract or financial or other transaction or arrangement with the Issuer or the Guarantor or any of their respective Subsidiaries and affiliates (including without limitation any contract, transaction or arrangement of a banking or insurance nature or any contract, transaction or arrangement in relation to the making of loans or the provision of financial facilities or financial advice to, or the purchase, placing or underwriting of or the subscribing or procuring subscriptions for or otherwise acquiring, holding or dealing with, or acting as paying agent in respect of, the Covered Bonds or any other covered bonds, bonds, stocks, shares, debenture stock, debentures or other securities of, the Issuer, the Guarantor or any of their respective Subsidiaries or affiliates); or
- (b) accepting or holding the trusteeship of any other trust deed constituting or securing any other securities issued by or guaranteed by, or relating to the Issuer or the Guarantor or any of their respective Subsidiaries or affiliates, or any other office of profit under the Issuer or the Guarantor or any of their respective Subsidiaries or affiliates,

and shall be entitled to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such contract, transaction or arrangement as is referred to in (a) above or, as the case may be, any such trusteeship or office of profit as is referred to in (b) above without regard to the interests of, or consequences for the Covered Bondholders, Receiptholders or Couponholders and notwithstanding that the same may be contrary or prejudicial to the interests of the Covered Bondholders and shall not be responsible for any Liability occasioned to the Covered Bondholders, Receiptholders or Couponholders thereby and shall be entitled to retain and shall not be in any way liable to account for any profit made or share of brokerage or commission or remuneration or other amount or benefit received thereby or in connection therewith; *provided that* for so long as U.S. Registered Covered Bonds are outstanding the Bond Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. The provisions of Section 311 of the Trust Indenture Act shall apply to each of the Issuer and the Guarantor for so long as U.S. Registered Covered Bonds are outstanding.

Where any holding company, Subsidiary or associated company of the Bond Trustee or any director or officer of the Bond Trustee acting other than in his capacity as such a

director or officer has any information, the Bond Trustee shall not thereby be deemed also to have knowledge of such information and, unless it shall have actual knowledge of such information, shall not be responsible for any loss suffered by Covered Bondholders resulting from the Bond Trustee's failing to take such information into account in acting or refraining from acting hereunder or in relation hereto.

21. Waiver, Authorization and Determination and Substitution

- 21.1 The Bond Trustee may without the consent of any of the Covered Bondholders of any Series, the related Receiptholders and/or Couponholders or any of the other Secured Creditors and without prejudice to its rights in respect of any subsequent breach, Issuer Event of Default, Potential Issuer Event of Default, Guarantor Event of Default or Potential Guarantor Event of Default from time to time and at any time but only if (i) in so far as in its opinion the interests of the Covered Bondholders of any Series shall not be materially prejudiced thereby and (ii) it has not been informed by any Covered Bondholders of any Series that such Covered Bondholder(s) will be materially prejudiced thereby, waive or authorise any breach or proposed breach by the Issuer or the Guarantor of any of the covenants or provisions contained herein or the other Transaction Documents or determine that any Issuer Event of Default, Potential Issuer Event of Default, Guarantor Event of Default or Potential Guarantor Event of Default shall not be treated as such for the purposes hereof PROVIDED ALWAYS THAT the Bond Trustee shall not exercise any powers conferred on it by this Clause in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 7 (*Events of Default*) but so that no such direction or request shall affect any waiver, authorization or determination previously given or made. Any such waiver, authorization or determination may be given or made on such terms and subject to such conditions (if any) as the Bond Trustee may determine, shall be binding on the Secured Creditors and, if, but only if, the Bond Trustee shall so require, shall be notified by the Issuer to the Covered Bondholders in accordance with Condition 14 (*Notices*) as soon as practicable thereafter.

MODIFICATION

- 21.2 (a) Subject to Clause 21.2(b) and Clause 21.2(d) including Conditions 13.02(c) and (d) referred to in Clause 21.2(d), the Bond Trustee may without the consent or sanction of any of the Secured Creditors at any time and from time to time concur with the Issuer and the Guarantor and any other party in making any modification (and for this purpose the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter) (i) to this Trust Deed and/or the other Transaction Documents which in the opinion of the Bond Trustee may be expedient to make PROVIDED THAT (a) the Bond Trustee is of the opinion that such modification will not be materially prejudicial to the interests of any of the Covered Bondholders of any Series and (b) the Bond Trustee has not been informed by any Covered Bondholders of any Series that such Covered Bondholder(s) will be materially prejudiced thereby or (ii) to this Trust Deed or the other Transaction Documents which is of a formal, minor or technical nature or to correct a manifest error or an error established as such to the satisfaction of

the Bond Trustee or to comply with mandatory provisions of law. Any such modification may be made on such terms and subject to such conditions (if any) as the Bond Trustee may determine, shall be binding upon the Secured Creditors and if, but only if, the Bond Trustee shall so require, shall be notified by the Issuer to the Covered Bondholders in accordance with Condition 14 (*Notices*) and to the other Secured Creditors as soon as practicable thereafter.

- (b) The prior consent of the Bond Trustee and the Secured Creditors will not be required and will not be obtained in relation to the accession of any New Seller to the Programme PROVIDED THAT the relevant conditions precedent in the Transaction Documents are satisfied at the time of the intended accession.
- (c) Notwithstanding Clause 21.1 or 21.2(a), the Bond Trustee may without the consent of any other party make modifications to this Trust Deed or the other Transaction Documents to remove any references to the Trust Indenture Act, provided that there are no U.S. Registered Covered Bonds outstanding. Any such modification may be made on such terms and subject to such conditions (if any) as the Bond Trustee may determine, shall be binding upon the Secured Creditors and, unless the Bond Trustee otherwise agrees, shall be notified by the Issuer to the Covered Bondholders in accordance with Condition 14 (*Notices*) and the other Secured Creditors as soon as practicable thereafter.
- (d) The Bond Trustee agrees to perform all matters expressed to be performed by it in, and otherwise comply with, Conditions 13.02(c) and (d) in respect of Covered Bonds issued after July 27, 2018, and in connection therewith, shall take all such action as may be incidental thereto.

SUBSTITUTION

- 21.3 (a) If so requested by the Issuer, the Bond Trustee shall, if it is satisfied based on advice from its legal advisors that to do so would not be materially prejudicial to the Covered Bondholders and the Rating Agency Condition has been satisfied, without the consent of the Covered Bondholders, Receiptholders or Couponholders, agree with the Issuer and the Guarantor to the substitution in place of the Issuer (or of the previous substitute under this Clause) as the principal debtor hereunder and all other Transaction Documents of any Subsidiary of the Issuer (such substituted issuer being hereinafter called the “**New Company**”) PROVIDED THAT in each case a trust deed is executed and other forms of undertaking are given by the New Company in the form and manner satisfactory to the Bond Trustee, agreeing to be bound by the provisions hereof and the other Transaction Documents and with any consequential amendments which the Bond Trustee may deem appropriate as fully as if the New Company had been named herein and the other Transaction Documents as the principal debtor in place of the Issuer (or of the previous substitute under this Clause).
- (b) The following further conditions shall apply to (a) above:

- (i) the Issuer and the Guarantor shall deliver to the Bond Trustee a certificate of two directors of the Issuer and a certificate of the Managing GP of the Guarantor stating that immediately after giving effect to such transaction no Issuer Event of Default (in respect of the Issuer) or Guarantor Event of Default, respectively and no Potential Issuer Event of Default (in respect of the Issuer) or Potential Guarantor Event of Default, respectively, shall have happened and be continuing;
- (ii) the Issuer shall execute and deliver to the Bond Trustee (in such form reasonably acceptable to the Bond Trustee) an undertaking to guarantee the obligations of the New Company in respect of the Covered Bonds and this Trust Deed;
- (iii) where the New Company is incorporated, domiciled or resident in, or subject generally to the taxing jurisdiction of, a territory other than or in addition to the original taxing jurisdiction, undertakings or covenants shall be given by the New Company in terms corresponding to the provisions of Condition 8 (*Taxation*) with the substitution for (or, as the case may be, the addition to) the references to the original taxing jurisdiction of references to that other or additional territory in which the New Company is incorporated, domiciled or resident or to whose taxing jurisdiction it is subject and, where such undertaking or covenant is provided, references in Condition 6.02 (*Early Redemption for Taxation Reasons*) to the original taxing jurisdiction shall be deemed to be amended accordingly;
- (iv) the Covered Bond Guarantee remaining in place *mutatis mutandis* in relation to the obligations of the New Company; and
- (v) the New Company shall deliver to the Bond Trustee such legal opinions of internationally recognised counsel as may be reasonably requested by the Bond Trustee.

BREACH

- 21.4 Any breach of or failure to comply by the Issuer or the Guarantor with any such terms and conditions as are referred to in this Clause 21 shall constitute a default by the Issuer or the Guarantor in the performance or observance of a covenant or provision binding on it under or pursuant hereto.
- 22. Holder of Definitive Covered Bond Assumed to be Receiptholder and Couponholder**
- 22.1 Wherever herein the Bond Trustee is required or entitled to exercise a power, trust, authority or discretion hereunder, except as ordered by a court of competent jurisdiction or as required by applicable law, the Bond Trustee shall, notwithstanding that it may have express notice to the contrary, assume that each Covered Bondholder is the holder of all Receipts and Coupons appertaining to each Definitive Covered Bond of which he is the holder.

NO NOTICE TO RECEIPTHOLDERS OR COUPONHOLDERS

- 22.2 Neither the Bond Trustee nor the Issuer shall be required to give any notice to the Receiptholders or Couponholders for any purpose hereunder and the Receiptholders or Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Covered Bonds in accordance with Condition 14 (*Notices*).

23. Currency Indemnity

Each of the Issuer and, following the occurrence of a Covered Bond Guarantee Activation Event, the Guarantor shall, jointly and severally indemnify the Bond Trustee, every Appointee, the Covered Bondholders, the Receiptholders and the Couponholders and keep them indemnified against:

- (a) any Liability incurred by any of them arising from the non-payment by the Issuer or the Guarantor of any amount due to the Bond Trustee or the holders of the Covered Bonds and the relative Receiptholders or Couponholders hereunder by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the Issuer or the Guarantor; and
- (b) any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the local currency equivalent of the amounts due or contingently due hereunder (other than this Clause) is calculated for the purposes of any bankruptcy, insolvency, winding up or liquidation of the Issuer or, as the case may be, the Guarantor and (ii) the final date for ascertaining the amount of claims in such bankruptcy, insolvency, winding up or liquidation. The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

The above indemnities shall constitute obligations of the Issuer and the Guarantor separate and independent from their other obligations under the other provisions hereof and shall apply irrespective of any indulgence granted by the Bond Trustee or the Covered Bondholders, the Receiptholders or the Couponholders from time to time and shall continue in full force and effect notwithstanding the judgment or filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the Issuer or, as the case may be, the Guarantor for a liquidated sum or sums in respect of amounts due hereunder (other than this Clause). Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Covered Bondholders, the Receiptholders and the Couponholders and no proof or evidence of any actual loss shall be required by the Issuer or the Guarantor or its or their liquidator or liquidators.

24. New Bond Trustee

The power to appoint a new bond trustee hereof shall be vested solely in the Issuer and the Guarantor jointly but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution of all the Covered Bondholders. One or more persons may hold office as bond trustee or bond trustees hereof but such bond trustee or bond trustees shall (a) meet the requirements for a bond trustee in the CMHC Guide, and (b) be or include a Trust Corporation, and, in either case, provided that so long as there are U.S. Registered Covered Bonds outstanding, at least one person holding office as bond trustee shall be a trustee who shall be qualified to act under Sections 310(a)(1), 310(a)(2) and 310(a)(5) of the Trust Indenture Act. If for so long as there are U.S. Registered Covered Bonds outstanding, a Bond Trustee has or shall acquire any “conflicting interest” within the meaning of Section 310(b) of the Trust Indenture Act, the Bond Trustee and the Issuer shall comply with the provisions of Section 310(b) of the Trust Indenture Act; provided, however, that there shall be excluded from the operation of Section 310(b)(1) of the Trust Indenture Act any deed or deeds under which other securities or certificates of interest or participation in other securities of the Issuer are outstanding if the requirements for such exclusion set forth in Section 310(b)(1) of the Trust Indenture Act are met. Whenever there shall be more than two bond trustees the majority of such bond trustees shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Bond Trustee hereby PROVIDED THAT a Trust Corporation shall be included in such majority. Any appointment of a new bond trustee hereof shall as soon as practicable thereafter be notified by the Issuer to the Agents, the Covered Bondholders and the Rating Agencies.

25. Separate and Co-Trustees

Notwithstanding the provisions of Clause 24 above, the Bond Trustee may, upon giving prior notice to the Issuer, the Guarantor and the Rating Agencies (but without the consent of the Issuer, the Guarantor, the Rating Agencies, the Covered Bondholders, Receipholders or Couponholders), appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not) that meets the requirements for a bond trustee in the CMHC Guide to act either as a separate bond trustee or as a co bond trustee jointly with the Bond Trustee:

- (a) if the Bond Trustee considers such appointment to be in the interests of the Covered Bondholders;
- (b) for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions hereof against the Issuer or the Guarantor.

Each of the Issuer and the Guarantor irrevocably appoints the Bond Trustee to be its attorney coupled with an interest in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions hereof) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Bond Trustee hereby) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Bond Trustee shall have power in like manner to remove any such person. Such reasonable remuneration as the Bond Trustee may pay to any such person, together with any attributable Liabilities incurred by it in performing its function as such separate bond trustee or co bond trustee, shall for the purposes hereof be treated as Liabilities incurred by the Bond Trustee.

26. Bond Trustee's Retirement and Removal

- (a) A bond trustee hereof may retire at any time on giving not less than three months' prior written notice to the Issuer, the Guarantor and the Rating Agencies without giving any reason and without being responsible for any Liabilities incurred by reason of such retirement. Should the Bond Trustee, in its sole judgment, determine at any time that its acting under this Agreement has resulted in its being in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline, then it shall have the right to resign on 10 days' written notice to the Issuer and the Guarantor, provided that (i) the Bond Trustee's written notice shall describe the circumstances of such non-compliance; and (ii) if such circumstances are rectified to the Bond Trustee's satisfaction within such 10 day period, then such resignation shall not be effective. The Covered Bondholders may by Extraordinary Resolution of all the Covered Bondholders remove any bond trustee or bond trustees for the time being hereof. Each of the Issuer and the Guarantor undertakes that in the event of the only bond trustee hereof which is a Trust Corporation giving notice under this Clause or being removed by Extraordinary Resolution it will use all reasonable endeavours to procure that a new bond trustee hereof being a Trust Corporation that meets the requirements for a bond trustee in the CMHC Guide is appointed as soon as reasonably practicable thereafter. The retirement, resignation or removal of any such bond trustee shall not become effective until a successor bond trustee being a Trust Corporation that meets the requirements for a bond trustee in the CMHC Guide is appointed and notice thereof has been provided to the Rating Agencies and CMHC prior to such effective date. If, in such circumstances, no appointment of such new bond trustee has become effective within 60 days of the date of such notice or Extraordinary Resolution, the Bond Trustee shall be entitled to appoint a Trust Corporation that meets the requirements for a bond trustee in the CMHC Guide as bond trustee hereof, but no such appointment shall take effect unless previously approved by an Extraordinary Resolution. For greater certainty, a Bond Trustee who has resigned or been removed while there are U.S. Registered Covered Bonds outstanding shall be subject to Section 311(a) of the Trust Indenture Act to the extent provided therein, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act.

- (b) Notwithstanding the provisions of Clause 26(a) and without any requirement of approval by Covered Bondholders, should the Bond Trustee be in breach of any of the representations, warranties or covenants provided in Clause 16, the Guarantor may terminate the Bond Trustee. The Guarantor will use all reasonable endeavours to procure that a new bond trustee hereof being a Trust Corporation that meets the requirements for a bond trustee in the CMHC Guide is appointed as soon as reasonably practicable thereafter. The removal of any such bond trustee shall not become effective until a successor bond trustee being a Trust Corporation that meets the requirements for a bond trustee in the CMHC Guide is appointed and notice thereof has been provided to the Rating Agencies and CMHC prior to such effective date.
- (c) The Guarantor or the Issuer shall provide notice to CMHC of the retirement or removal of the Bond Trustee and of the Bond Trustee's replacement contemporaneously with the earlier of (i) notice of such retirement or removal and replacement to a Rating Agency, (ii) notice of such retirement or removal and replacement being provided to or otherwise made available to Covered Bondholders and (iii) five Business Days following such retirement or removal and replacement (unless the replacement has yet to be identified at that time, in which case notice of the replacement may be provided no later than 10 Business Days thereafter). Any such notice shall include (if known) the reasons for the retirement or removal of the Bond Trustee, all information relating to the replacement required by the CMHC Guide and a revised and amended copy of this Trust Deed with such replacement.

27. Bond Trustee's Powers to be Additional

The powers conferred upon the Bond Trustee hereby shall be in addition to any powers which may from time to time be vested in the Bond Trustee by the general law or as a holder of any of the Covered Bonds, Receipts or Coupons.

28. Notices

Any notice or demand to the Issuer, the Guarantor or the Bond Trustee to be given, made or served for any purposes hereunder or the Security Agreement shall be given, made or served by sending the same by pre-paid post (first class if inland, first class airmail if overseas) or facsimile transmission or email or by delivering it by hand as follows:

The failure of the addressee to receive such confirmation shall not invalidate the relevant notice or demand given by facsimile transmission.

29. Amendments

Subject to the terms of Clause 21, and except as otherwise expressly provided in this Trust Deed, the provisions in this Trust Deed may be amended only by written agreement of all of the parties hereto, and if any such amendment or any waiver given in accordance with Clause 21 is determined to be material in the opinion of the Guarantor, satisfaction of the Rating Agency Condition shall be required in respect thereof. For certainty, any increase in the maximum Asset Percentage set forth in Clause 14 shall be deemed to be a material amendment to this Trust Deed. The Guarantor (or the Cash Manager on its behalf) shall deliver notice to the Rating Agencies of any amendment or waiver which does not require satisfaction of the Rating Agency Condition provided that failure to deliver such notice shall not constitute a breach of the obligations of the Guarantor under this Trust Deed. This Agreement (and the benefits and obligations contained in it) may not be assigned by any party without the prior written consent of each of the other parties hereto and the Rating Agency Condition having been satisfied in respect of such assignment.

30. Non-Petition

The Issuer and the Bond Trustee agree that they shall not institute or join any other Person or entity in instituting against, or with respect to, the Guarantor, or any of the general partners of the Guarantor, any bankruptcy or insolvency proceeding or event so

long as any Covered Bonds issued by the Issuer under the Programme shall be outstanding or there shall not have elapsed one year plus one day since the last day on which any such Covered Bonds shall have been outstanding. The foregoing provision shall survive the termination of this Trust Deed by either party hereto.

31. Governing Law

This Trust Deed is governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

32. Counterparts and Severability

This Trust Deed and any trust deed supplemental hereto may be executed and delivered in any number of counterparts, all of which, taken together, shall constitute one and the same deed and any party to this Trust Deed or any trust deed supplemental hereto may enter into the same by executing and delivering a counterpart.

If any provision in or obligation under this Trust Deed, any trust deed supplemental hereto or any Covered Bonds issued pursuant to this Trust Deed is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Trust Deed, any trust deed supplemental hereto or any Covered Bonds issued pursuant to this Trust Deed, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Trust Deed, any trust deed supplemental hereto or any Covered Bonds issued pursuant to this Trust Deed.

33. Trust Indenture Act

The parties agree that for so long as U.S. Registered Covered Bonds are outstanding, the provisions of the Trust Indenture Act (including Sections 310 through 318, inclusive, thereof) that impose duties on any Person (including the provisions automatically deemed included unless expressly excluded by this Trust Deed) are part of and govern the applicable provisions of this Trust Deed (including any supplemental Trust Deed), whether or not physically contained herein. If and to the extent that any provision of this Trust Deed limits, qualifies, or conflicts with the duties imposed by, or with another provision (an “incorporated provision”) included in this Trust Deed by operation of Sections 310 to 318, inclusive, of the Trust Indenture Act, such imposed duties or incorporated provision shall control and such Trust Deed provision shall be deemed modified thereby.

TERMS AND CONDITIONS OF THE COVERED BONDS

See attached.

TERMS AND CONDITIONS OF THE COVERED BONDS

*With the exception of N Covered Bonds, the following are the terms and conditions of the Covered Bonds (the “**Terms and Conditions**” or the “**Conditions**”) which will (as completed by the applicable Final Terms in relation to a Tranche of Covered Bonds or, in the case of Exempt Covered Bonds only, supplemented, amended and/or replaced by a Pricing Supplement in relation to any Tranche of Exempt Covered Bonds) apply to each Global Covered Bond and each Definitive Covered Bond, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer(s) at the time of issue but, if not so permitted and agreed, such Definitive Covered Bond will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms or Pricing Supplement (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Covered Bond and Definitive Covered Bond.*

This Covered Bond is one of a Series (as defined below) of Covered Bonds issued by The Toronto-Dominion Bank (the “**Issuer**” or the “**Bank**”) as part of the Issuer’s CAD 80 billion global legislative Covered Bond programme (the “**Programme**”) and constituted by a trust deed initially dated as of the Programme Date and most recently amended and restated as of 30 June 2022 (such trust deed as may be further amended, restated, supplemented or replaced, the “**Trust Deed**”) made between the Issuer, TD Covered Bond (Legislative) Guarantor Limited Partnership, as guarantor (the “**Guarantor**”) and Computershare Trust Company of Canada, as bond trustee (in such capacity, the “**Bond Trustee**” which expression shall include any successor as bond trustee).

The Covered Bonds have the benefit of an agency agreement dated as of the Programme Date (as may be amended, restated, supplemented or replaced, the “**Agency Agreement**”) and made between the Issuer, the Guarantor, the Bond Trustee, Citibank, N.A., in its capacities as U.S. registrar (the “**U.S. Registrar**”, which expression shall include any successor in such capacity), transfer agent and paying agent (the “**U.S. Paying Agent**”, which expression shall include any successor in such capacity), in each case in respect of U.S. Registered Covered Bonds, and in respect of all other Covered Bonds, Citigroup Global Markets Europe AG, in its capacity as European registrar (the “**European Registrar**”, which expression shall include any successor to Citigroup Global Markets Europe AG, in such capacity, and the “**Registrar**” or “**Registrars**” for a Tranche (as defined below) shall be as specified in the applicable Final Terms or Pricing Supplement (as defined below)), Citibank, N.A., acting through its London Branch, in its capacities as issuing and principal paying agent (the “**Issuing and Paying Agent**”, which expression shall include any successor to Citibank, N.A., acting through its London Branch, in such capacity), calculation agent (the “**Calculation Agent**”, which expression shall include any successor to Citibank, N.A., acting through its London Branch, in its capacity as such and any substitute calculation agent appointed in accordance with the Agency Agreement either with respect to the Programme or with respect to a particular Series) and as transfer agent and the other transfer agents named therein (collectively, the “**Transfer Agent**” which expression shall include any Registrar and any additional or successor transfer agents), and the paying agents named therein (the “**Paying Agents**”, which expression shall include the Issuing and Paying Agent, the U.S. Paying Agent and any substitute or additional paying agents appointed in accordance with the Agency Agreement either with respect to the Programme or with respect to a particular Series). As used herein, “**Agents**” shall mean the Paying Agents, the Registrar or Registrars, the Exchange Agent and the Transfer Agents. A branch of a bank is not a subsidiary of such bank and does not comprise a separate legal entity.

Save as provided in Conditions 7 and 13, references in these Terms and Conditions to “**Covered Bonds**” are to Covered Bonds of this Series and shall mean:

- (a) in relation to any Covered Bonds represented by a global covered bond (a “**Global Covered Bond**”), units of the lowest Specified Denomination in the Specified Currency;
- (b) any Global Covered Bond;
- (c) any definitive Covered Bonds in bearer form (“**Bearer Definitive Covered Bonds**”) issued in exchange for a Global Covered Bond in bearer form; and
- (d) any definitive Covered Bonds in registered form (“**Registered Definitive Covered Bonds**”) (whether or not issued in exchange for a Global Covered Bond in registered form).

Save as provided in Conditions 7 and 13, any references to “**Coupons**” (as defined in Condition 1.06), “**Receipts**” (as defined in Condition 1.07) or “**Talons**” (as defined in Condition 1.06) are to Coupons, Receipts and Talons relating to Covered Bonds of this Series.

References in these Terms and Conditions to the Final Terms or Pricing Supplement are to Part A of the Final Terms or Pricing Supplement prepared in relation to the Covered Bonds of the relevant Tranche or Series.

In respect of any Covered Bonds, references herein to these “Terms and Conditions” are to these terms and conditions as completed by the Final Terms, or, in the case of Exempt Covered Bonds only, as supplemented, amended, and/or replaced by the Pricing Supplement, and any reference herein to a “**Condition**” is a reference to the relevant Condition of the Terms and Conditions of the relevant Covered Bonds.

The Covered Bonds are issued in series (each, a “**Series**”), and each Series may comprise one or more tranches (“**Tranches**” and each, a “**Tranche**”) of Covered Bonds. Each Tranche will be the subject of Final Terms or a Pricing Supplement, a copy of which will be available free of charge during normal business hours at the specified office of the Issuing and Paying Agent and/or, as the case may be, the applicable Registrar and each other Paying Agent. In the case of a Tranche of Exempt Covered Bonds, copies of the Pricing Supplement will only be available for inspection by a Holder of or, as the case may be, a Relevant Account Holder (each as defined herein) in respect of, such Covered Bonds.

The Bond Trustee acts for the benefit of the holders for the time being of the Covered Bonds (the “holders of the Covered Bonds”, which expression shall, in relation to any Covered Bonds represented by a Global Covered Bond, be construed as provided below), the holders of the Receipts (the “**Receiptholders**”) and the holders of the Coupons (the “**Couponholders**”, which expression shall, unless the context otherwise requires, include the holders of the Talons (as defined in Condition 1.06 below)), and for holders of each other series of Covered Bonds in accordance with the provisions of the Trust Deed.

The Guarantor has, in the Trust Deed, irrevocably and unconditionally guaranteed the due and punctual payment of the Guaranteed Amounts in respect of the Covered Bonds as and when the same shall become due for payment on certain dates and in accordance with the Trust Deed (“**Due for Payment**”), but only after the occurrence of a Covered Bond Guarantee Activation Event.

The security for the obligations of the Guarantor under the Covered Bond Guarantee and the other Transaction Documents to which it is a party has been created in and pursuant to, and on the terms set out in, a security agreement (such security agreement as amended, restated, supplemented or replaced the “**Security Agreement**”) dated the Programme Date and made between the Guarantor, the Bond Trustee and certain other Secured Creditors.

These Terms and Conditions include summaries of and are subject to, the provisions of the Trust Deed, the Security Agreement, the Agency Agreement and the other Transaction Documents.

Copies of the Trust Deed, the Security Agreement, the Master Definitions and Construction Agreement (as defined below), the Agency Agreement and each of the other Transaction Documents (other than the Dealership Agreement and any subscription agreements) are available for inspection during normal business hours at the registered office for the time being of the Bond Trustee being at the date of this Prospectus at 100 University Avenue, 11th Floor, Toronto, Ontario, Canada, M5J 2Y1 and at the specified office of each of the Paying Agents. Copies of the applicable Final Terms of all Covered Bonds of each Series (or Pricing Supplement in relation to Exempt Covered Bonds of any Series) are obtainable during normal business hours of the specified office of each of the Paying Agents, and any holder of the Covered Bonds must produce evidence satisfactory to the Issuer and the Bond Trustee or, as the case may be, relevant Paying Agent as to its holding of Covered Bonds and identity. The holders of the Covered Bonds, the Receiptholders and Couponholders are deemed to have notice of, or are bound by, and are entitled to the benefit of, all the provisions of, and definitions contained in, the Trust Deed, the Security Agreement, the Master Definitions and Construction Agreement, the Agency Agreement, each of the other Transaction Documents (other than the Dealership Agreement and any subscription agreements) and the applicable Final Terms or Pricing Supplement which are applicable to them and to have notice of each set of Final Terms or Pricing Supplement relating to each other Series.

Except where the context otherwise requires, capitalized terms used or otherwise defined in these Terms and Conditions shall bear the meanings given to them in the master definitions and construction agreement made between the parties to the Transaction Documents initially dated as of the Programme Date and most recently amended and restated as of 5 July 2019 and as amended on 30 June 2020, on 30 June 2021 and on 30 June 2022 (such master definitions and construction agreement as may be further amended, restated, supplemented or replaced, the “**Master Definitions and Construction Agreement**”), a copy of each of which may be obtained as described above.

1. Form and Denomination

1.01 Covered Bonds are issued in bearer form (“**Bearer Covered Bonds**”) or in registered form (“**Registered Covered Bonds**”), as specified in the Final Terms or Pricing Supplement and are serially numbered. Registered Covered Bonds will not be exchangeable for Bearer Covered Bonds and vice versa.

The Covered Bond may be a Fixed Rate Covered Bond, a Floating Rate Covered Bond, or a Zero Coupon Covered Bond or any appropriate combination thereof, depending on the Interest Basis specified in the applicable Final Terms or Pricing Supplement. The Covered Bond may also be an Instalment Covered Bond depending upon the Redemption/Payment Basis specified in the applicable Final Terms or Pricing Supplement.

1.02 For so long as any of the Covered Bonds is represented by a Temporary Global Covered Bond and/ or Permanent Global Covered Bond held on behalf of Euroclear and/ or Clearstream, Luxembourg or so long as The Depository Trust Company (“**DTC**”) or its nominee or CDS Clearing and Depository Services Inc. (“**CDS**”) or its nominee is the registered holder of a Registered Global Covered Bond, each person (other than Euroclear or Clearstream, Luxembourg, DTC or CDS) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg, DTC or CDS as the holder of a particular principal amount of such Covered Bonds (a “**Relevant Account Holder**”) (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg, DTC or CDS as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor, the Bond Trustee, the Issuing and Paying Agent, the Registrar and any other Agent as the holder of such principal amount of such Covered Bonds for all purposes, in accordance with and subject to the Terms and Conditions of the relevant Global Covered Bond and the Trust Deed, other than with respect to the payment of principal or interest on the Covered Bonds, and, in the case of DTC or its nominee or CDS or its nominee, voting, giving consents and making requests, for which purpose the bearer of the relevant Temporary Global Covered Bond and/ or Permanent Global Covered Bond or registered holder of a Registered Global Covered Bond (or in either case, the Bond Trustee in accordance with the Trust Deed) shall be treated by the Issuer, the Guarantor, the Bond Trustee, the Issuing and Paying Agent and any Agent and any Registrar as the holder of such principal amount of such Covered Bonds in accordance with and subject to the terms of the relevant Global Covered Bond and the expression “Holder” and related expressions shall be construed accordingly. Covered Bonds which are represented by a Global Covered Bond will be transferable only in accordance with the then current rules and procedures of Euroclear or of Clearstream, Luxembourg, DTC or CDS or any other relevant clearing system, as the case may be.

References to DTC, CDS, Euroclear or Clearstream, Luxembourg shall, whenever the context so permits (but not in the case of any NGCB or Registered Global Covered Bond to be held under the NSS), be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or Pricing Supplement as may otherwise be approved by the Issuer, the Issuing and Paying Agent and the Bond Trustee.

Bearer Covered Bonds

1.03 The Final Terms or Pricing Supplement shall, if applicable, specify whether U.S. Treasury Regulation § 1.163-5(c)(2)(i)(D) (or any successor U.S. Treasury regulation section, including without limitation, successor regulations issued in accordance with IRS Notice 2012-20 or otherwise in connection with the United States Hiring Incentives to Restore Employment Act of 2010) (the “**TEFRA D Rules**”) or U.S. Treasury Regulation § 1.163-5(c)(2)(i)(C) (or any successor U.S. Treasury regulation section, including without limitation, successor regulations issued in accordance with IRS Notice 2012-20 or otherwise in connection with the United States Hiring Incentives to Restore Employment Act of 2010) (the “**TEFRA C Rules**”) shall apply. Each Tranche of Bearer Covered Bonds with an original maturity of more than one year is represented upon issue by a Temporary Global Covered Bond, unless the Final Terms or Pricing Supplement specify otherwise, in particular, when the TEFRA C Rules apply.

Where the Final Terms or Pricing Supplement applicable to a Tranche of Bearer Covered Bonds so specify or where a Tranche of Bearer Covered Bonds has an original maturity of one year or less, such Tranche is (unless otherwise specified in the Final Terms or Pricing Supplement) represented upon issue by a Permanent Global Covered Bond.

Interests in the Temporary Global Covered Bond may be exchanged for:

- (a) interests in a Permanent Global Covered Bond; or

- (b) if so specified in the Final Terms or Pricing Supplement, Bearer Definitive Covered Bonds.

Exchanges of interests in a Temporary Global Covered Bond for Bearer Definitive Covered Bonds or, as the case may be, a Permanent Global Covered Bond will be made only on or after the Exchange Date (as specified in the Final Terms or Pricing Supplement) and (unless the Final Terms or Pricing Supplement specify that the TEFRA C Rules are applicable to the Covered Bonds) provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations has been received in accordance with the terms of the Temporary Global Covered Bond (each certification in substantially the form set out in the Temporary Global Covered Bond or in such other form as is customarily issued in such circumstances by the relevant clearing system).

1.04 The bearer of any Temporary Global Covered Bond shall not (unless, upon due presentation of such Temporary Global Covered Bond for exchange (in whole but not in part only) for a Permanent Global Covered Bond or for delivery of Bearer Definitive Covered Bonds, such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to collect any payment in respect of the Covered Bonds represented by such Temporary Global Covered Bond which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date specified in the applicable Final Terms or Pricing Supplement.

1.05 Unless the Final Terms or Pricing Supplement specify that the TEFRA C Rules are applicable to the Covered Bonds and subject to Condition 1.04 above, if any date on which a payment of interest is due on the Covered Bonds of a Tranche occurs while any of the Covered Bonds of that Tranche are represented by a Temporary Global Covered Bond, the related interest payment will be made on the Temporary Global Covered Bond only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Covered Bond or in such other form as is customarily issued in such circumstances by the relevant clearing system), has been received by Euroclear Bank SA/NV (“**Euroclear**”) or Clearstream Banking SA (“**Clearstream, Luxembourg**”) or any other relevant clearing system in accordance with the terms of the Temporary Global Covered Bond. Payments of amounts due in respect of a Permanent Global Covered Bond or (subject to Condition 1.04 above) a Temporary Global Covered Bond will be made through Euroclear or Clearstream, Luxembourg or any other relevant clearing system without any requirement for further certification. Any reference herein to Euroclear or Clearstream, Luxembourg shall be deemed to include a reference to any other relevant clearing system.

1.06 Bearer Definitive Covered Bonds that are not Zero Coupon Covered Bonds have attached thereto, at the time of their initial delivery, coupons (“**Coupons**”), the presentation of which will be a prerequisite to the payment of interest save in certain circumstances specified herein. Definitive Covered Bonds that are not Zero Coupon Covered Bonds, if so specified in the Final Terms or Pricing Supplement, have attached thereto, at the time of their initial delivery, a talon (“**Talon**”) for further coupons and the expression “Coupons” shall, where the context so requires, include Talons.

1.07 Bearer Definitive Covered Bonds, the principal amount of which is repayable by instalments (“**Instalment Covered Bonds**”) in such amounts as may be specified in, or determined in accordance with, the provisions of the Final Terms or Pricing Supplement (each an “**Instalment Amount**”), have endorsed thereon a grid for recording the repayment of Instalment Amounts or, if so specified in the Final Terms or Pricing Supplement, have attached thereto, at the time of their initial delivery, payment receipts (“**Receipts**”) in respect of the Instalment Amounts repaid.

Denomination

Denomination of Bearer Covered Bonds

1.08 Bearer Covered Bonds are in the Specified Denomination(s) specified in the Final Terms or Pricing Supplement. Bearer Covered Bonds of one denomination may not be exchanged for Bearer Covered Bonds of any other denomination.

Denomination of Registered Covered Bonds

1.09 Registered Covered Bonds are in the Specified Denominations specified in the Final Terms or Pricing Supplement.

Currency of Covered Bonds

1.10 The Covered Bonds are denominated in such currency as may be specified in the Final Terms or Pricing Supplement. Any currency may be so specified, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

2. Title and Transfer

2.01 Title to Bearer Covered Bonds, Receipts and Coupons passes by delivery. References herein to the “Holders” of Bearer Covered Bonds or of Receipts or Coupons are to the bearers of such Bearer Covered Bonds or such Receipts or Coupons.

2.02 Title to Registered Covered Bonds passes by due endorsement in the relevant register. The Issuer shall procure that the Registrar keep a register or registers in which shall be entered the names and addresses of the Holders of Registered Covered Bonds and particulars of the Registered Covered Bonds held by them. Such registration shall be noted on the Registered Covered Bonds by the Registrar.

References herein to the “**Holders**” of Registered Covered Bonds are to the persons in whose names such Registered Covered Bonds are so registered in the relevant register.

2.03 The Holder of any Bearer Covered Bond, Coupon, Receipt or Registered Covered Bond will for all purposes of the Trust Deed, Security Agreement and Agency Agreement (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof and no person shall be liable for so treating such Holder.

Transfer of Registered Covered Bonds

2.04 A Registered Covered Bond may, upon the terms and subject to the terms and conditions set forth in the Agency Agreement and as required by law, be transferred in whole or in part only (provided that such part is a Specified Denomination specified in the Final Terms or Pricing Supplement) upon the surrender of the Registered Covered Bond to be transferred, together with a form of transfer duly completed and executed, at the specified office of the Registrar. A new Registered Covered Bond will be issued to the transferee and, in the case of a transfer of part only of a Registered Covered Bond, a new Registered Covered Bond in respect of the balance not transferred will be issued to the transferor.

2.05 Each new Registered Covered Bond to be issued upon the registration of the transfer of a Registered Covered Bond will, within three Relevant Banking Days of the transfer date be available for collection by each relevant Holder at the specified office of the Registrar or, at the option of the Holder requesting such transfer, be mailed (by uninsured mail at the risk of the Holder(s) entitled thereto) to such address(es) as may be specified by such Holder. For these purposes, a form of transfer received by the Registrar or the Issuing and Paying Agent after the Record Date in respect of any payment due in respect of Registered Covered Bonds shall be deemed not to be effectively received by the Registrar or the Issuing and Paying Agent until the day following the due date for such payment.

2.06 Transfers of beneficial interests in Rule 144A Global Covered Bonds (as defined below) and Regulation S Global Covered Bonds (as defined below) (together, the “**Registered Global Covered Bonds**”) will be effected by DTC, CDS, Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. The laws of some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Covered Bonds represented by a Registered Global Covered Bond to such persons may depend upon the ability to exchange such Covered Bonds for Covered Bonds in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Covered Bonds represented by a Registered Global Covered Bond accepted by DTC to pledge such Covered Bonds to persons or entities that do not participate in the DTC system or otherwise take action in respect of such Covered Bonds may depend upon the ability to exchange such Covered Bonds for Covered Bonds in definitive form. A beneficial interest in a Registered Global Covered Bond will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Registered Definitive Covered Bonds or for a beneficial interest in another Registered Global Covered Bond only in

the Specified Denominations set out in the applicable Final Terms or Pricing Supplement and only in accordance with the rules and operating procedures for the time being of DTC, CDS, Euroclear or Clearstream, Luxembourg, as the case may be, and in accordance with the terms and conditions specified in the Agency Agreement. Transfers of a Registered Global Covered Bond registered in the name of a nominee for DTC or CDS shall be limited to transfers of such Registered Global Covered Bond, in whole but not in part, to another nominee of DTC or CDS, as applicable, or to a successor of DTC or CDS, as applicable, or such successor's nominee.

2.07 Subject as provided in Conditions 2.09, 2.10, 2.11 and 2.12, upon the terms and subject to the conditions set forth in the Agency Agreement, a Registered Definitive Covered Bond may be transferred in whole or in part in the authorized denominations set out in the applicable Final Terms or Pricing Supplement. In order to effect any such transfer (a) the holder or holders must (i) surrender the Registered Covered Bond for registration of the transfer of the Registered Covered Bond (or the relevant part of the Registered Covered Bond) at the specified office of the Registrar or any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or such person or their, attorney or attorneys duly authorized in writing, and (ii) complete and deposit such other certifications as may be required by the Registrar or, as the case may be, the relevant Transfer Agent, and (b) the Registrar or, as the case may be, the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request.

Any such transfer will be subject to such reasonable regulations as the Issuer, the Bond Trustee and the Registrar may from time to time prescribe (the initial such regulations being set out in the Agency Agreement).

Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with, any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail to such address as the transferee may request, a new Registered Definitive Covered Bond of a like aggregate nominal amount to the Registered Definitive Covered Bond (or the relevant part of the Registered Definitive Covered Bond) transferred.

In the case of the transfer of part only of a Registered Definitive Covered Bond, a new Registered Definitive Covered Bond in respect of the balance of the Registered Definitive Covered Bond not transferred will (in addition to the new Registered Definitive Covered Bond in respect of the nominal amount transferred) be so authenticated and delivered or (at the risk of the transferor) so sent by uninsured mail to the address specified by the transferor.

2.08 For the purposes of these Terms and Conditions:

- (a) **“Distribution Compliance Period”** means the period that ends 40 days after the completion of the distribution of the relevant Tranche of Covered Bonds of which such Covered Bonds are a part;
- (b) **“Legended Covered Bonds”** means Registered Covered Bonds (whether in definitive form or represented by a Registered Global Covered Bond) sold in private transactions to QIBs in accordance with the requirements of Rule 144A;
- (c) **“NGCB”** means a Temporary Global Covered Bond or a Permanent Global Covered Bond, in either case in respect of which the applicable Final Terms or Pricing Supplement specify that it is a new global covered bond;
- (d) **“QIB”** means a “qualified institutional buyer” within the meaning of Rule 144A;
- (e) **“Regulation S”** means Regulation S under the Securities Act;
- (f) **“Regulation S Global Covered Bond”** means a Registered Global Covered Bond representing Covered Bonds sold outside the United States in reliance on Regulation S;
- (g) **“Relevant Banking Day”** means a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of the Registrar is located and, in the case only of an exchange of a Bearer Covered

Bond for a Registered Covered Bond, where such request for exchange is made to the Issuing and Paying Agent, in the place where the specified office of the Issuing and Paying Agent is located;

- (h) “**Rule 144A**” means Rule 144A under the Securities Act;
- (i) “**Rule 144A Global Covered Bond**” means a Registered Global Covered Bond representing Covered Bonds sold in the United States to QIBs in reliance on Rule 144A;
- (j) “**Securities Act**” means the United States Securities Act of 1933, as amended; and
- (k) the “**transfer date**” shall be the Relevant Banking Day following the day on which the relevant Registered Covered Bond shall have been surrendered for transfer in accordance with Condition 2.04.

2.09 The issue of new Registered Covered Bonds on transfer will be effected without charge by or on behalf of the Issuer, the Issuing and Paying Agent or the Registrar, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Issuer, the Issuing and Paying Agent or the Registrar may require in respect of) any tax, duty or other governmental charges which may be imposed in relation thereto.

2.10 In the event of a partial redemption of Covered Bonds under Condition 6, the Issuer shall not be required to register the transfer of any Registered Covered Bond, or part of a Registered Covered Bond called for partial redemption.

2.11 Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of a beneficial interest in, a Regulation S Global Covered Bond to a transferee in the United States or who is a U.S. person will only be made:

- (a) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate (a “**Transfer Certificate**”), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Covered Bond or beneficial interest therein to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; or
- (b) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of United States counsel, that such transfer is in compliance with any applicable securities laws of any state of the United States,

and, in each case, in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

In the case of (a) above, such transferee may take delivery through a Legended Covered Bond in global or definitive form. Prior to the end of the applicable Distribution Compliance Period, beneficial interests in Regulation S Covered Bonds registered in the name of a nominee for DTC may only be held through the accounts of Euroclear and Clearstream, Luxembourg. After expiry of the applicable Distribution Compliance Period: (A) beneficial interests in Regulation S Global Covered Bonds registered in the name of a nominee for DTC may be held through DTC directly, by a participant in DTC or indirectly through a participant in DTC; and (B) such certification requirements will no longer apply to such transfers.

2.12 Transfers of Legended Covered Bonds or beneficial interests therein may be made:

- (a) to a transferee who takes delivery of such interest through a Regulation S Global Covered Bond, upon receipt by the Registrar of a duly completed Transfer Certificate from the transferor to the effect that such transfer is being made in accordance with Regulation S and that, in the case of a Regulation S Global Covered Bond registered in the name of a nominee for DTC, if such transfer is being made prior to expiry of the applicable Distribution Compliance Period, the interests in the Covered Bonds being transferred will be held immediately thereafter through CDS, Euroclear and/or Clearstream, Luxembourg; or

- (b) to a transferee who takes delivery of such interest through a Legended Covered Bond where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification; or
- (c) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of United States counsel, that such transfer is in compliance with any applicable securities laws of any state of the United States,

and, in each case, in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

Upon the transfer, exchange or replacement of Legended Covered Bonds, or upon specific request for removal of the legend therein, the Registrar shall deliver only Legended Covered Bonds or refuse to remove the legend therein, as the case may be, unless there is delivered to the Issuer such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of United States counsel, that neither the legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

3. Status of the Covered Bonds

The Covered Bonds constitute deposit liabilities of the Issuer for purposes of the Bank Act, however the Covered Bonds will not be insured under the *Canada Deposit Insurance Corporation Act* (Canada), and will constitute legal, valid and binding direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* with all deposit liabilities of the Issuer without any preference among themselves and at least *pari passu* with all other unsubordinated and unsecured obligations of the Issuer, present and future (except as otherwise prescribed by law). Unless otherwise specified in the Final Terms or Pricing Supplement, the deposits to be evidenced by the Covered Bonds will be taken by the main branch of the Issuer in Toronto, but without prejudice to the provisions of Condition 9.

4. Guarantee

Payment of Guaranteed Amounts in respect of the Covered Bonds when the same shall become Due for Payment has been unconditionally and irrevocably guaranteed by the Guarantor (the “**Covered Bond Guarantee**”) in favour of the Bond Trustee (for and on behalf of the Covered Bondholders) following a Covered Bond Guarantee Activation Event pursuant to the terms of the Trust Deed. The Guarantor shall have no obligation under the Covered Bond Guarantee to pay any Guaranteed Amounts until a Covered Bond Guarantee Activation Event (as defined below) has occurred. The obligations of the Guarantor under the Covered Bond Guarantee are direct and, following the occurrence of a Covered Bond Guarantee Activation Event, unconditional and, except as provided in the Guarantee Priority of Payments, unsubordinated obligations of the Guarantor, which are secured as provided in the Security Agreement. For the purposes of these Terms and Conditions, a “**Covered Bond Guarantee Activation Event**” means the earlier to occur of (i) an Issuer Event of Default together with the service of an Issuer Acceleration Notice on the Issuer and the service of a Notice to Pay on the Guarantor; and (ii) a Guarantor Event of Default together with the service of a Guarantor Acceleration Notice on the Issuer and the Guarantor. If a Notice to Pay is served on the Guarantor, the Guarantor shall pay Guaranteed Amounts in respect of the Covered Bonds on the Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

Any payment made by the Guarantor under the Covered Bond Guarantee shall (unless such obligation shall have been discharged as a result of the payment of Excess Proceeds to the Bond Trustee pursuant to Condition 7) discharge *pro tanto* the obligations of the Issuer in respect of such payment under the Covered Bonds, Receipts and Coupons except where such payment has been declared void, voidable or otherwise recoverable in whole or in part and recovered from the Bond Trustee or the holders of the Covered Bonds.

5. Interest

Interest

5.01 Covered Bonds may be interest-bearing or non interest-bearing. The Interest Basis is specified in the applicable Final Terms or Pricing Supplement. Words and expressions appearing in this Condition 5 and not otherwise defined herein shall have the meanings given to them in Condition 5.09.

Interest on Fixed Rate Covered Bonds

5.02 Each Fixed Rate Covered Bond bears interest on its Outstanding Principal Amount from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrears on the Interest Payment Date(s) in each year up to and including the Final Maturity Date if that does not fall on an Interest Payment Date.

Unless otherwise provided in the applicable Final Terms or Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on, but excluding, such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms or Pricing Supplement, amount to the Broken Amount(s) so specified.

As used in these Terms and Conditions, “**Fixed Interest Period**” means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or first) Interest Payment Date.

Interest will be calculated on the Calculation Amount of the Fixed Rate Covered Bonds and will be paid to the Holders of the Covered Bonds (in the case of a Global Covered Bond, interest will be paid to Clearstream, Luxembourg and/or Euroclear and/or DTC and/or CDS for distribution by them to Relevant Account Holders in accordance with their usual rules and operating procedures). If interest is required to be calculated for a period ending other than on an Interest Payment Date, or if no Fixed Coupon Amount is specified in the applicable Final Terms or Pricing Supplement, such interest shall be calculated in accordance with Condition 5.08.

Notwithstanding anything else in this Condition 5.02, if an Extended Due for Payment Date is specified in the Final Terms or Pricing Supplement, interest following the Original Due for Payment Date will continue to accrue and be payable on any unpaid amount in accordance with Condition 5 at a Rate of Interest specified in the applicable Final Terms which may provide that such Series of Fixed Rate Covered Bonds will continue to bear interest at a fixed rate or at a floating rate determined in accordance with Condition 5.03 despite the fact that interest accrued and was payable on such Covered Bonds prior to the Final Maturity Date at a fixed rate.

Interest on Floating Rate Covered Bonds

5.03 Interest Payment Dates

Each Floating Rate Covered Bond bears interest on its Outstanding Principal Amount from (and including) the Interest Commencement Date and such interest will be payable in arrears on either:

- (a) the Specified Interest Payment Date(s) (each an “**Interest Payment Date**”) in each year specified in the applicable Final Terms or Pricing Supplement; or
- (b) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms or Pricing Supplement, each date (each an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms or Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression, shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date). Interest will be calculated on the Calculation Amount of the Floating Rate Covered Bonds and will be paid to the Holders of the Covered Bonds (in the case of a Global Covered Bond, interest will be paid to Clearstream, Luxembourg and/or Euroclear and/or DTC and/or CDS for distribution by them to Relevant Account Holders in accordance with their usual rules and operating procedures).

Rate of Interest – Other than SONIA, SOFR or €STR

Where the Screen Rate Determination is specified in the applicable Final Terms or Pricing Supplement as the manner in which the Rate of Interest is to be determined, and the Reference Rate is specified in the applicable Final Terms or Pricing Supplement as being a rate other than SONIA, SOFR or €STR, the Rate of Interest for each Interest Period

will, subject as provided below and subject to the provisions of Condition 13.02, be determined by the Calculation Agent on the following basis:

- (a) the Calculation Agent will determine the Reference Rate (if there is only one quotation for the Reference Rate on the Relevant Screen Page) or, as the case may require, the arithmetic mean (rounded, if necessary, to the nearest ten thousandth of a percentage point, 0.00005 being rounded upwards) of the quotations for the Reference Rate in the relevant currency for a period of the duration of the relevant Interest Period on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (b) if, on any Interest Determination Date, no such rate so appears on the Relevant Screen Page or, as the case may be, if fewer than two such quotations for the Reference Rate so appear or if the Relevant Screen Page is unavailable, the Issuer will request appropriate quotations of the Reference Rate be provided to the Calculation Agent and the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates at which deposits in the relevant currency are offered by the Reference Banks at approximately the Relevant Time on the Interest Determination Date to prime banks in the relevant Principal Financial Centre (as defined herein, and which, for greater certainty will be the Euro-zone in the case of EURIBOR) interbank market for a period of the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;
- (c) if, on any Interest Determination Date, only two or three rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates so quoted; or
- (d) if fewer than two rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates quoted by four major banks in the Principal Financial Centre as selected by the Issuer, at approximately 11.00 a.m. (Financial Centre time) on the first day of the relevant Interest Period for loans in the relevant currency to leading European banks for a period for the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time,

and the Rate of Interest applicable to such Covered Bonds during each Interest Period will be the sum of the Margin specified in the Final Terms or Pricing Supplement and the Reference Rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates so determined, provided however that if the Calculation Agent is unable to determine a Reference Rate or, as the case may be, an arithmetic mean of rates in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to such Covered Bonds during such Interest Period will be the sum of the Margin and the rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates determined in relation to such Covered Bonds in respect of the last preceding Interest Period.

Rate of Interest – SONIA

Where the Screen Rate Determination is specified in the applicable Final Terms or Pricing Supplement as the manner in which the Rate of Interest is to be determined, and the Reference Rate is specified in the applicable Final Terms or Pricing Supplement as being SONIA, then the Rate of Interest for each Interest Period will, as provided below and subject to the provisions of Condition 13.02, be Compounded Daily SONIA for such Interest Period plus or minus the Margin (as indicated in the applicable Final Terms or Pricing Supplement), as determined by the Calculation Agent. Compounded Daily SONIA will be calculated in accordance with either the lag observation method (the “**Observation Lookback Convention**”), the shift observation method (the “**Observation Shift Convention**”) or the SONIA index method (the “**SONIA Index Convention**” and each a “**Compounded Daily SONIA Observation Convention**”). The applicable Final Terms or Pricing Supplement will indicate which Compounded Daily SONIA Observation Convention is applicable.

“**Compounded Daily SONIA**” means, with respect to an Interest Period, the rate of return of a daily compound interest investment (with the daily SONIA reference rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) on the relevant Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fourth decimal place, with 0.00005 per cent being rounded upwards:

Observation Lookback Convention:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{\text{SONIA}_{i-p\text{LBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**SONIA_{i-pLBD}**” means, in respect of any London Banking Day “i” in the relevant Interest Period, the SONIA reference rate for the London Banking Day falling “p” London Banking Days prior to the relevant London Banking Day “i”.

Observation Shift Convention:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{\text{SONIA}_i \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” is the number of calendar days in the relevant Observation Period;

“**d₀**” is the number of London Banking Days in the relevant Observation Period;

“**i**” is a series of whole numbers from one to d₀, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Observation Period;

SONIA Index Convention

$$\left(\frac{\text{SONIA Compounded Index}_y}{\text{SONIA Compounded Index}_x} - 1 \right) \times \frac{365}{d}$$

where:

“**SONIA Compounded Index**” in respect of any London Banking Day, means the screen rate or index for Compounded Daily SONIA administered by the administrator of the SONIA reference rate that is published or displayed by such administrator or other information service at the relevant time on the relevant Index Determination Dates specified below, as further specified in the applicable Final Terms or Pricing Supplement;

A day on which the SONIA Compounded Index is determined pursuant to paragraph “x” or “y” above is referred to as an “**Index Determination Date**”;

“d” is the number of calendar days from (and including) the day in relation to which x is determined to (but excluding) the day in relation to which y is determined.

The following fallbacks for the SONIA reference rate apply to both the Observation Lookback Convention and the Observation Shift Convention:

If, subject to Condition 13.02, in respect of any London Banking Day, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms or Pricing Supplement) determines that the SONIA reference rate is not available on the Relevant Screen Page and has not otherwise been published by the relevant authorised distributors, then the SONIA reference rate in respect of such London Banking Day shall be: (a) (i) the Bank of England’s Bank Rate (the “**Bank Rate**”) prevailing at 5:00 p.m. (or, if earlier, close of business) on such London Banking Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five London Banking Days in respect of which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate, or (b) if the Bank Rate is not available on the relevant London Banking Day, the most recent SONIA reference rate in respect of a London Banking Day.

Notwithstanding the paragraph above and without prejudice to Condition 13.02, in the event the Bank of England publishes guidance as to (i) how the SONIA rate is to be determined or (ii) any rate that is to replace the SONIA reference rate, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms or Pricing Supplement) shall, subject to receiving written instructions from the Issuer and to the extent that it is reasonably practicable, follow such guidance in order to determine the SONIA rate for any London Banking Day “i” for the purpose of the relevant Series of Covered Bonds for so long as the SONIA rate is not available and has not been published by the authorised distributors.

The following fallbacks apply to the SONIA Index Convention

If the SONIA Compounded Index is not published or displayed by the administrator of the SONIA reference rate or other information service at the relevant time on any relevant Index Determination Date, the Compounded Daily SONIA rate for the applicable Interest Period for which SONIA Compounded Index is not available shall be “Compounded Daily SONIA” determined in accordance with the provisions of “Observation Shift Convention” above as if SONIA Index Convention had not been specified as being applicable in the applicable Final Terms or Pricing Supplement. For these purposes, the Relevant Number specified in the applicable Final Terms or Pricing Supplement shall be the “Observation Period Shift” and the Compounded Daily SONIA Observation Convention shall be deemed to be Observation Shift Convention as if SONIA Index Convention had not been specified as being applicable and these alternative elections had been made.

In respect of each Compounded Daily SONIA Observation Convention:

If the relevant Series of Covered Bonds become due and payable in accordance with Condition 7, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms or Pricing Supplement, be deemed to be the date on which such Covered Bonds become due and payable, and the Rate of Interest on such Covered Bonds shall, for so long as such Covered Bonds remain outstanding, be that determined on such date.

“Observation Lookback Period” is as specified in the applicable Final Terms;

If the €STR Reference Rate does not appear on a TARGET2 Business Day as specified above, unless both an €STR Index Cessation Event and an €STR Index Cessation Effective Date (each as defined above) have occurred, the €STR Reference Rate shall be a rate equal to €STR in respect of the last TARGET2 Business Day for which such rate was published on the ECB’s Website.

If the €STR Reference Rate does not appear on a TARGET2 Business Day as specified above, and both an €STR Index Cessation Event and an €STR Index Cessation Effective Date have occurred, the rate for each TARGET2 Business Day in the relevant Interest Period occurring on or after such €STR Index Cessation Effective Date will be determined as if references to “€STR” were references to the rate (inclusive of any spreads or adjustments) that was recommended as the replacement for €STR by the European Central Bank (or any successor administrator of €STR) and/or by a committee officially endorsed or convened by (i) the European Central Bank (or any successor administrator of €STR) and/or (ii) the European Securities and Markets Authority, in each case for the purpose of recommending a replacement for €STR (which rate may be produced by the European Central Bank or another

administrator) and as provided by the administrator of that rate or, if that rate is not provided by the administrator thereof (or a successor administrator), published by an authorized distributor (the “**ECB Recommended Rate**”), provided that, if no such rate has been recommended before the end of the first TARGET2 Business Day following the €STR Index Cessation Effective Date, then the rate for each TARGET2 Business Day in the relevant Interest Period occurring on or after such €STR Index Cessation Effective Date will be determined as if references to €STR were references to the Eurosystem Deposit Facility Rate, the rate on the deposit facility that banks may use to make overnight deposits with the Eurosystem, as published on the ECB’s Website (the “**EDFR**”) on such TARGET2 Business Day plus the arithmetic mean of the daily difference between the €STR and the EDFR over an observation period of 30 TARGET2 Business Days starting 30 TARGET2 Business Days prior to the day on which the €STR Index Cessation Event occurs and ending on the TARGET2 Business Day immediately preceding the day on which the €STR Index Cessation Event occurs (the “**EDFR Spread**”); provided further that, if both an ECB Recommended Rate Index Cessation Event and an ECB Recommended Rate Index Cessation Effective Date subsequently occur, then the rate for each TARGET2 Business Day in the relevant Interest Period occurring on or after that ECB Recommended Rate Index Cessation Effective Date will be determined as if references to “€STR” were references to the EDFR on such TARGET2 Business Day plus the arithmetic mean of the daily difference between the ECB Recommended Rate and the EDFR over an observation period of 30 TARGET2 Business Days starting 30 TARGET2 Business Days prior to the day on which the ECB Recommended Rate Index Cessation Event occurs and ending on the TARGET2 Business Day immediately preceding the day on which the ECB Recommended Rate Index Cessation Event occurs.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions, (i) the Rate of Interest shall be that determined at the last preceding Interest Determination Date or (ii) if there is no such preceding Interest Determination Date, the Rate of Interest shall be determined as if references to €STR for each TARGET2 Business Day in the relevant Interest Period occurring on or after the €STR Index Cessation Effective Date were references to the latest published ECB Recommended Rate or, if the EDFR is published on a later date than the latest published ECB Recommended Rate, the latest published EDFR plus the EDFR Spread.

If a €STR Index Cessation Event and €STR Index Cessation Effective Date occur, the Issuer will promptly notify the Covered Bondholders in accordance with Condition 14 and the Calculation Agent thereof as well as all other action taken in accordance with the above fallback provisions.

If the Covered Bonds become due and payable in accordance with Condition 7, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the relevant Final Terms, be deemed to be the date on which the Covered Bonds became due and payable with corresponding adjustments being deemed to be made to the Compounded Daily €STR formula and the Rate of Interest on the Covered Bonds shall, for so long as any such Covered Bonds remain outstanding, be the Rate of Interest determined on such date.

ISDA Rate Covered Bonds

5.04 Where ISDA Determination is specified in the Final Terms or Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms or Pricing Supplement) the Margin, if any. For purposes of this Condition 5.04, “**ISDA Rate**” for an Interest Period means a rate equal to the Fixed Rates, Fixed Amounts, Floating Rates or Floating Amounts, as the case may be, as set out in the applicable Final Terms or Pricing Supplement, as would have applied (regardless of any event of default or termination event or tax event thereunder) if the Issuer had entered into a schedule and confirmation and credit support annex, if applicable, in respect of the relevant Tranche or Series of Covered Bonds, as applicable, with the Holder of such Covered Bond under the terms of an agreement to which the ISDA Definitions applied and under which:

- the Fixed Rate Payer, Fixed Amount Payer, Floating Rate Payer or, as the case may be, Floating Amount Payer is the Issuer (as specified in the Final Terms or Pricing Supplement);
- the Effective Date is the Interest Commencement Date;
- the Floating Rate Option is as specified in the applicable Final Terms or Pricing Supplement;
- the Designated Maturity, if applicable, is the period specified in the applicable Final Terms or Pricing Supplement;

- the Agent is the Calculation Agent;
- the Calculation Periods are the Interest Periods;
- the Payment Dates are the Interest Payment Dates;
- the relevant Reset Date is the day specified in the applicable Final Terms or Pricing Supplement;
- if applicable, the Applicable Benchmark, Fixing Day, Fixing Time and /or any other items specified in the applicable Final Terms or Pricing Supplement as relating to ISDA Determination are as specified in the applicable Final Terms or Pricing Supplement;
- the Calculation Amount is the principal amount of such Covered Bond;
- the Day Count Fraction applicable to the calculation of any amount is that specified in the Final Terms or Pricing Supplement (which may be Actual/Actual, Actual/365 (Sterling), Actual/Actual (ISDA), Actual/365 (Fixed), Actual/360, 30E/360, Eurobond Basis, 30/360, 360/360, Bond Basis, 30E/360 (ISDA), Actual/Actual (ICMA) or Act/Act (ICMA)), or if none is so specified, as may be determined in accordance with the ISDA Definitions; and
- the Business Day Convention applicable to any date is that specified in the Final Terms or Pricing Supplement (which may be Following Business Day Convention, Modified Following Business Day Convention, Modified Business Day Convention, Preceding Business Day Convention, FRN Convention or Eurodollar Convention), or if none is so specified, as may be determined in accordance with the ISDA Definitions.

For the purposes of this Condition 5.04, “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**”, “**Applicable Benchmark**”, “**Fixing Day**” and “**Fixing Time**” have the meanings given to those terms in the ISDA Definitions.

Maximum or Minimum Interest Rate

5.05 If any Maximum or Minimum Interest Rate is specified in the Final Terms or Pricing Supplement, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.

Accrual of Interest after the due date

5.06 Interest will cease to accrue as from the due date for redemption therefor (or, in the case of an Instalment Covered Bond, in respect of each Instalment Amount, on the due date for payment of the relevant Instalment Amount) unless upon due presentation or surrender thereof (if required), payment in full of the Final Redemption Amount or the relevant Instalment Amount is improperly withheld or refused or default is otherwise made in the payment thereof. In such event, interest shall continue to accrue on the principal amount in respect of which payment has been improperly withheld or refused or default has been made (as well after as before any demand or judgment) at the Rate of Interest then applicable or such other rate as may be specified for this purpose in the Final Terms or Pricing Supplement if permitted by applicable law until the date on which, upon due presentation or surrender of the relevant Covered Bond (if required), the relevant payment is made or, if earlier (except where presentation or surrender of the relevant Covered Bond is not required as a precondition of payment), the seventh day after the date on which the applicable Paying Agent having received the funds required to make such payment, notice is given to the Holders of the Covered Bonds in accordance with Condition 14 that the applicable Paying Agent has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

Interest Amount(s), Calculation Agent and Reference Banks

5.07 If a Calculation Agent is specified in the Final Terms or Pricing Supplement, the Calculation Agent, as soon as practicable after the Relevant Time (if applicable) on each Interest Determination Date (or such other time on such date as the Calculation Agent may be required to calculate any Final Redemption Amount or Instalment Amount, obtain any quote or make any determination or calculation) will determine the Rate of Interest and calculate the amount(s) of interest payable (the “**Interest Amount(s)**”) in the manner specified in Condition 5.08 below, calculate the Final Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation,

as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date or, as the case may be, the Final Redemption Amount or any Instalment Amount to be notified to the Paying Agents, the Registrar (in the case of Registered Covered Bonds), the Issuer, the Holders in accordance with Condition 14 (except for U.S. Registered Covered Bonds) and, if the Covered Bonds are listed on a stock exchange or admitted to listing by any other authority and the rules of such exchange or other relevant authority so require, such exchange or listing authority as soon as possible after their determination or calculation but in no event later than the fourth London Banking Day thereafter (or, in the case of Covered Bonds where the applicable Final Terms specify the Reference Rate as being SONIA, no later than the second London Banking Day thereafter) or, if earlier in the case of notification to the stock exchange or other relevant authority, the time required by the relevant stock exchange or listing authority. The Interest Amounts and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Covered Bonds become due and payable under Condition 7, the Rate of Interest and the accrued interest payable in respect of the Covered Bonds shall nevertheless continue to be calculated in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of each Rate of Interest, Interest Amount, Final Redemption Amount and Instalment Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon the Issuer and the Holders and neither the Calculation Agent nor any Reference Bank shall have any liability to the Holders in respect of any determination, calculation, quote or rate made or provided by it.

The Issuer will procure that there shall at all times be such Reference Banks as may be required for the purpose of determining the Rate of Interest applicable to the Covered Bonds and a Calculation Agent, if provision is made for one in the Terms and Conditions.

If the Calculation Agent is incapable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for any Interest Period or to calculate the Interest Amounts or any other requirements, the Bond Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having regard as it shall think fit to the foregoing provision of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Final Terms or Pricing Supplement), it shall deem fair and reasonable in all circumstances or, as the case may be, the Bond Trustee shall calculate (or appoint an agent to calculate) the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Calculation Agent. The Calculation Agent may not resign its duties without a successor having been appointed as described above.

Calculations and Adjustments

5.08 The amount of interest payable in respect of any Covered Bond for any period shall be calculated by applying the Rate of Interest to the Calculation Amount, and, in each case, multiplying such sum by the Day Count Fraction, save that if the Final Terms or Pricing Supplement specifies a specific amount in respect of such period, the amount of interest payable in respect of such Covered Bond for such Interest Period will be equal to such specified amount.

For the purposes of any calculations referred to in these Terms and Conditions, (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount and (c) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

Where the Covered Bonds are represented by a Global Covered Bond or where the Specified Denomination of a Covered Bond in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Covered Bond shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Outstanding Principal Amount of the Global Covered Bond or the Specified Denomination of a Covered Bond in definitive form, without any further rounding.

Definitions

5.09 In the Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

- (iii) if the Issuer determines that no such spread is customarily applied in international debt capital markets transactions, the Issuer following consultation with the Independent Financial Adviser (if applicable) determines, acting in good faith and a commercially reasonable manner, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the original Reference Rate, where such rate has been replaced by the Alternative Base Rate (as the case may be); or
- (iv) if the Issuer determines that no such industry standard is recognised or acknowledged, the Issuer, acting in good faith and a commercially reasonable manner, determines, or, in its sole discretion, appoints an Independent Financial Adviser to assist in determining, to be appropriate to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to the holders of the Covered Bonds, Receiptholders or Couponholders as a result of the replacement of the Reference Rate with the Alternative Base Rate.

5.10 Where “**Linear Interpolation**” is specified as applicable in respect of an Interest Period in the applicable Final Terms or Pricing Supplement, the Rate of Interest for such Interest Period shall be calculated by the Issuing and Paying Agent or the Calculation Agent, as applicable, by straight line linear interpolation by reference to two rates based on the relevant reference rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms or Pricing Supplement) or the relevant floating rate option (where ISDA determination is specified as applicable in the applicable Final Terms or Pricing Supplement), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Issuing and Paying Agent or the Calculation Agent, as applicable, shall determine such rate at such time and by reference to such sources as it determines appropriate.

Zero-Coupon Covered Bonds

5.11 If any Final Redemption Amount in respect of any Zero Coupon Covered Bond is not paid when due, interest shall accrue on the overdue amount at a rate per annum (expressed as a percentage per annum) equal to the Amortization Yield defined in the Final Terms or Pricing Supplement or at such other rate as may be specified for this purpose in the Final Terms or Pricing Supplement until the date on which, upon due presentation or surrender of the relevant Covered Bond (if required), the relevant payment is made or, if earlier (except where presentation or surrender of the relevant Covered Bond is not required as a precondition of payment), the seventh day after the date on which

the applicable Paying Agent having received the funds required to make such payment, notice is given to the Holders of the Covered Bonds in accordance with Condition 14 that the applicable Paying Agent has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder). The amount of any such interest shall be calculated in accordance with the provisions of Condition 5.08 as if the Rate of Interest was the Amortization Yield, the Outstanding Principal Amount was the overdue sum and the Day Count Fraction was as specified for this purpose in the Final Terms or Pricing Supplement or, if not so specified, 30E/360 (as defined in Condition 5.09).

6. Redemption and Purchase Redemption at Maturity

6.01 Unless previously redeemed, or purchased and cancelled, this Covered Bond shall be redeemed at its Final Redemption Amount specified in the applicable Final Terms or Pricing Supplement in the Specified Currency on the Final Maturity Date.

Without prejudice to Condition 7, if an Extended Due for Payment Date is specified as applicable in the Final Terms or Pricing Supplement for a Series of Covered Bonds and the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date specified in the Final Terms or Pricing Supplement (or after expiry of the grace period set out in Condition 7.01(a)) and, following service of a Notice to Pay on the Guarantor by no later than the date falling one Business Day prior to the Extension Determination Date, the Guarantor has insufficient moneys available in accordance with the Guarantee Priority of Payments to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of Covered Bonds on the date falling on the earlier of (a) the date which falls two Business Days after service of such Notice to Pay on the Guarantor or, if later, the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 7.02) under the terms of the Covered Bond Guarantee or (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the Guarantor under the Covered Bond Guarantee shall be deferred until the Extended Due for Payment Date, provided that in respect of any amount representing the Final Redemption Amount due and remaining unpaid on the earlier of (a) and (b) above, the Guarantor will apply any moneys available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) to pay the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of Covered Bonds on any Interest Payment Date thereafter up to (and including) the relevant Extended Due for Payment Date.

The Issuer shall confirm to the Paying Agents as soon as reasonably practicable and in any event at least 4 Business Days prior to the Final Maturity Date of a Series of Covered Bonds whether payment will be made in full of the Final Redemption Amount in respect of such Series of Covered Bonds on that Final Maturity Date. Any failure by the Issuer to notify the Paying Agents shall not affect the validity or effectiveness of the extension of maturity.

The Guarantor shall notify the relevant holders of the Covered Bonds (in accordance with Condition 14), the Rating Agencies, the Bond Trustee, the Paying Agents and the Registrar (in the case of Registered Covered Bonds) as soon as reasonably practicable and in any event at least one Business Day prior to the dates specified in (a) and (b) of the second paragraph of this Condition 6.01 of any inability of the Guarantor to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of a Series of Covered Bonds pursuant to the Covered Bond Guarantee. Any failure by the Guarantor to notify such parties shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party.

In the circumstances outlined above, the Guarantor shall on the earlier of (a) the date falling two Business Days after the service of a Notice to Pay on the Guarantor or if later the Final Maturity Date (or, in each case, after the expiry of the applicable grace period set out in Condition 7.02) and (b) the Extension Determination Date, under the Covered Bond Guarantee, apply the moneys (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) *pro rata* in part payment of an amount equal to the Final Redemption Amount of each Covered Bond of the relevant Series of Covered Bonds and shall pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such Covered Bond on such date. The obligation of the Guarantor to pay any amounts in respect of the balance of the Final Redemption Amount not so paid shall be deferred as described above. Such failure to pay by the Guarantor shall not constitute a Guarantor Event of Default.

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to the Bond Trustee shall be disregarded for the purposes of determining the amounts to be paid by the Guarantor under the Covered Bond Guarantee in connection with this Condition 6.01.

For the purposes of these Terms and Conditions:

“Extended Due for Payment Date” means, in relation to any Series of Covered Bonds, the date, if any, specified as such in the applicable Final Terms or Pricing Supplement to which the payment of all or (as applicable) part of the Final Redemption Amount payable on the Final Maturity Date will be deferred in the event that the Final Redemption Amount is not paid in full on the Extension Determination Date.

“Extension Determination Date” means, in respect of a Series of Covered Bonds, the date falling two Business Days after the expiry of seven days from (and including) the Final Maturity Date of such Covered Bonds.

“Guarantee Priority of Payments” means the priority of payments relating to moneys received by the Cash Manager for and on behalf of the Guarantor and moneys standing to the credit of the Guarantor Accounts, to be paid on each Guarantor Payment Date in accordance with the Guarantor Agreement.

“Rating Agency” means either Moody’s Investors Service, Inc. or DBRS Limited, to the extent that at the relevant time they provide ratings in respect of the then outstanding Covered Bonds, or their successors and “Rating Agencies” means each Rating Agency.

Early Redemption for Taxation Reasons

6.02 If, in relation to any Series of Covered Bonds (i) as a result of any amendment to, clarification of, or change including any announced proposed change in the laws or regulations, or the application or interpretation thereof of Canada or the UK or any political subdivision thereof or any authority or agency therein or thereof having power to tax or, in the case of Covered Bonds issued by a branch of the Issuer outside Canada, of the country in which such branch is located or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date of such Covered Bonds or any other date specified in the Final Terms or Pricing Supplement, (ii) any judicial decision, administrative pronouncement, published or private ruling, regulatory procedure, rule, notice, announcement, assessment or reassessment (including any notice or announcement of intent to adopt or issue such decision, pronouncement, ruling, procedure, rule, notice, announcement, assessment or reassessment) (collectively, an “administrative action”); or (iii) any amendment to, clarification of, or change in, the official position with respect to or the interpretation of any administrative action or any interpretation or pronouncement that provides for a position with respect to such administrative action that differs from the theretofore generally accepted position, in each of case (i), (ii) or (iii), by any legislative body, court, governmental authority or agency, regulatory body or taxing authority, irrespective of the manner in which such amendment, clarification, change, administrative action, interpretation or pronouncement is made known, which amendment, clarification, change or administrative action is effective or which interpretation, pronouncement or administrative action is announced on or after the date of issue of the Covered Bonds, there is more than an insubstantial risk (assuming any proposed or announced amendment, clarification, change, interpretation, pronouncement or administrative action is effective and applicable) the Issuer would be required to pay additional amounts as provided in Condition 8, and such circumstances are evidenced by the delivery by the Issuer to the Paying Agents and Bond Trustee of (x) a certificate signed by two senior officers of the Issuer stating that the said circumstances prevail and describing the facts leading thereto, and (y) an opinion of independent legal advisers of recognized standing to the effect that the circumstances set forth in (i), (ii) or (iii) above prevail, the Issuer may, at its option and having given no less than 30 nor more than 60 days’ notice (ending, in the case of Floating Rate Covered Bonds, on an Interest Payment Date) to the Holders of the Covered Bonds in accordance with Condition 14 (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Covered Bonds at their Outstanding Principal Amount or, in the case of Zero Coupon Covered Bonds, their Amortized Face Amount (as defined in Condition 6.10) or such Early Redemption Amount as may be specified in, or determined in accordance with the provisions of, the Final Terms or Pricing Supplement, together with accrued interest (if any) thereon, provided, however, that no such notice of redemption may be given earlier than 90 days (or, in the case of Floating Rate Covered Bonds a number of days which is equal to the aggregate of the number of days falling within the then current Interest Period plus 60 days) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Covered Bonds then due.

The Issuer may not exercise such option in respect of any Covered Bond which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Covered Bond under Condition 6.06.

Call Option

6.03 If a Call Option is specified in the Final Terms or Pricing Supplement as being applicable, then the Issuer may, having given the appropriate notice to the Holders in accordance with Condition 14, which Notice shall be irrevocable, and shall specify the date fixed for redemption redeem all or, if so specified in the applicable Final Terms or Pricing Supplement, some only of the Covered Bonds of this Series outstanding on any Optional Redemption Date at the Optional Redemption Amount(s) specified in, or determined in the manner specified in the applicable Final Terms or Pricing Supplement together with accrued interest (if any) thereon on the date specified in such notice.

The Issuer may not exercise such option in respect of any Covered Bond which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Covered Bond under Condition 6.06.

6.04 The appropriate notice referred to in Condition 6.03 is a notice given by the Issuer to the Holders of the Covered Bonds of the relevant Series in accordance with Condition 14, which notice shall be irrevocable and shall specify:

- the Series of Covered Bonds subject to redemption;
- whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of and (except in the case of a Global Covered Bond) the serial numbers of the Covered Bonds of the relevant Series which are to be redeemed;
- the due date for such redemption, which shall be not less than thirty days nor more than 60 days after the date on which such notice is given and which shall be such date or the next of such dates (“**Call Option Date(s)**”) or a day falling within such period (“**Call Option Period**”), as may be specified in the Final Terms or Pricing Supplement and which is, in the case of Covered Bonds which bear interest at a floating rate, a date upon which interest is payable; and
- the Optional Redemption Amount at which such Covered Bonds are to be redeemed.

Partial Redemption

6.05 If the Covered Bonds are to be redeemed in part only on any date in accordance with Condition 6.03:

- such redemption must be for an amount not less than the Minimum Redemption Amount or not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms or Pricing Supplement;
- in the case of a partial redemption of Bearer Definitive Covered Bonds, the Covered Bonds to be redeemed shall be drawn by lot in such European city as the Issuing and Paying Agent may specify, or identified in such other manner or in such other place as the Issuing and Paying Agent may approve and deem appropriate and fair;
- in the case of a Global Covered Bond, the Covered Bonds to be redeemed shall be selected in accordance with the then rules of Euroclear and/or Clearstream, Luxembourg and/or DTC and/or CDS and/or any other relevant clearing system (to be reflected in the records of Euroclear and/or Clearstream, Luxembourg and/or DTC and/or CDS and/or such other relevant clearing system as either a pool factor or a reduction in principal amount, at their discretion); and
- in the case of Registered Definitive Covered Bonds, the Covered Bonds shall be redeemed (so far as may be practicable) *pro rata* to their principal amounts, provided always that the amount redeemed in respect of each Covered Bond shall be equal to a Specified Denomination,

subject always to compliance with all applicable laws and the requirements of any stock exchange on which the relevant Covered Bonds may be listed.

In the case of the redemption of part only of a Registered Definitive Covered Bond, a new Registered Definitive Covered Bond in respect of the unredeemed balance shall be issued in accordance with Conditions 2.04 to 2.08, which

shall apply as in the case of a transfer of Registered Definitive Covered Bonds as if such new Registered Definitive Covered Bonds were in respect of the untransferred balance.

Put Option

6.06 If a Put Option is specified in the Final Terms or Pricing Supplement as being applicable, upon the Holder of any Covered Bond of this Series giving the required notice to the Issuer specified in the applicable Final Terms or Pricing Supplement (which notice shall be irrevocable), the Issuer will, upon expiry of such notice, redeem such Covered Bond subject to and in accordance with the terms specified in the applicable Final Terms or Pricing Supplement in whole (but not in part only) on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in accordance with the provisions of, the applicable Final Terms or Pricing Supplement, together with accrued interest (if any) thereon. In order to exercise such option, the Holder must, not less than 45 days before the Optional Redemption Date where the Covered Bond is a Covered Bond in definitive form held outside Euroclear, Clearstream, Luxembourg, DTC and/or CDS deposit the relevant Covered Bond (together, in the case of a Bearer Definitive Covered Bond that is not a Zero Coupon Covered Bond, with all unmatured Coupons appertaining thereto other than any Coupon maturing on or before the Optional Redemption Date (failing which the provisions of Condition 9.06 apply)) during normal business hours at the specified office of, in the case of a Bearer Covered Bond, any Paying Agent or, in the case of a Registered Covered Bond, the Registrar together with a duly completed early redemption notice (“**Put Notice**”) in the form which is available from the specified office of any of the Paying Agents or, as the case may be, the Registrar specifying, in the case of a Global Covered Bond, the aggregate principal amount in respect of which such option is exercised (which must be a Specified Denomination specified in the Final Terms or Pricing Supplement). Notwithstanding the foregoing, Covered Bonds represented by a Permanent Global Covered Bond or Registered Global Covered Bond shall be deemed to be deposited with the Paying Agent or the Registrar, as the case may be, for purposes of this Condition 6.06 at the time a Put Notice has been received by the Paying Agent or Registrar, as the case may be, in respect of such Covered Bonds. No Covered Bond so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement).

In the case of the redemption of part only of a Registered Covered Bond, a new Registered Definitive Covered Bond in respect of the unredeemed balance shall be issued in accordance with Conditions 2.04 to 2.08 which shall apply as in the case of a transfer of Registered Definitive Covered Bonds as if such new Registered Definitive Covered Bond were in respect of the untransferred balance.

The Holder of a Covered Bond may not exercise such Put Option (i) in respect of any Covered Bond which is the subject of an exercise by the Issuer of its option to redeem such Covered Bond under either Condition 6.02 or 6.03, or (ii) following an Issuer Event of Default.

Purchase of Covered Bonds

6.07 The Issuer or any of its subsidiaries may at any time, but will at no time be obligated to, purchase Covered Bonds in the open market or otherwise and at any price provided that all unmatured Receipts and Coupons appertaining thereto are purchased therewith.

Cancellation of Redeemed and Purchased Covered Bonds

6.08 All unmatured Covered Bonds and Coupons redeemed in accordance with this Condition 6 will be cancelled forthwith and may not be reissued or resold. All unmatured Covered Bonds and Coupons purchased in accordance with Condition 6.07 may be cancelled or may be reissued or resold.

Further Provisions applicable to Redemption Amount and Instalment Amount

6.09 The provisions of Condition 5.07 and the last paragraph of Condition 5.08 shall apply to any determination or calculation of the Redemption Amount or any Instalment Amount required by the Final Terms or Pricing Supplement to be made by the Calculation Agent (as defined in Condition 5.09).

References herein to “**Redemption Amount**” shall mean, as appropriate, the Final Redemption Amount, final Instalment Amount, the Optional Redemption Amount, the Early Redemption Amount or such other amount in the nature of a redemption amount as may be specified in, or determined in accordance with, the provisions of the applicable Final Terms or Pricing Supplement.

6.10 In the case of any Zero Coupon Covered Bond, the Redemption Amount payable shall be the Amortized Face Amount of such Covered Bond. The “**Amortized Face Amount**” shall be an amount equal to the sum of:

- (a) the Issue Price specified in the Final Terms or Pricing Supplement; and
- (b) the product of the Amortization Yield (compounded annually) being applied to the Issue Price from (and including) the Issue Date specified in the Final Terms or Pricing Supplement to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of the Day Count Fraction (as defined in Condition 5.09) specified in the Final Terms or Pricing Supplement.

6.11 If any Redemption Amount (other than the Final Redemption Amount) is improperly withheld or refused or default is otherwise made in the payment thereof, the Amortized Face Amount shall be calculated as provided in Condition 6.10 but as if references in subparagraph (b) to the date fixed for redemption or the date upon which such Zero Coupon Covered Bond becomes due and repayable were replaced by references to the earlier of:

- (a) the date on which, upon due presentation or surrender of the relevant Covered Bond (if required), the relevant payment is made; and
- (b) (except where presentation or surrender of the relevant Covered Bond is not required as a precondition of payment), the seventh day after the date on which, the Paying Agents or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the Holders of the Covered Bonds in accordance with Condition 14 of that circumstance (except to the extent that there is a failure in the subsequent payment thereof to the relevant Holder).

Instalment Covered Bonds

6.12 Any Instalment Covered Bond will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms or Pricing Supplement.

Redemption due to Illegality

6.13 The Covered Bonds of all Series may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days’ notice to the Bond Trustee, the Paying Agents, the Registrar and, in accordance with Condition 14, all holders of the Covered Bonds (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bond of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any advance made by it to the Guarantor pursuant to the Intercompany Loan Agreement, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date. Covered Bonds redeemed pursuant to this Condition 6.13 will be redeemed at their Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to this Condition 6.13, the Issuer shall deliver to the Paying Agents and Bond Trustee a certificate signed by two senior officers of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Paying Agents and Bond Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all holders of the Covered Bonds, Receipholders and Couponholders.

7. Events of Default

Issuer Events of Default

7.01 The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution (as defined in the Trust Deed) referred to in this Condition 7.01 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in CAD converted into CAD at the applicable Covered Bond Swap Rate) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds shall, (but in the case of the happening of any of the events mentioned in sub-paragraphs (b) to (f) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Guarantor that such event is, in its opinion, materially prejudicial to the interests of the holders of the Covered Bonds of any Series) (subject in each case to being indemnified and/or secured to its satisfaction), give notice (an “**Issuer Acceleration Notice**”) in writing to the Issuer that as against the Issuer (but, for the avoidance of doubt, not against the Guarantor under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond shall thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Trust Deed if any of the following events (each, an “**Issuer Event of Default**”) shall occur and be continuing:

- (a) the Issuer fails to pay any principal or interest in respect of the Covered Bonds within 10 Business Days in the case of principal and 30 days in the case of interest, in each case of the respective due date; or
- (b) the Issuer fails to perform or observe any obligations under the Covered Bonds, Receipts or Coupons of any Series, the Trust Deed or any other Transaction Document (other than the Dealership Agreement and any subscription agreement for the Covered Bonds) to which the Issuer is a party (other than any obligation of the Issuer to comply with the Asset Coverage Test and any other obligation of the Issuer specifically provided for in this Condition 7.01) and such failure continues for a period of 30 days (or such longer period as the Bond Trustee may permit) next following the service by the Bond Trustee on the Issuer of notice requiring the same to be remedied (except in circumstances where the Bond Trustee considers such failure to be incapable of remedy in which case no period of continuation will apply and no notice by the Bond Trustee will be required); or
- (c) an Insolvency Event in respect of the Issuer; or
- (d) an Asset Coverage Test Breach Notice has been served and not revoked (in accordance with the terms of the Transaction Documents) on or before the Guarantor Payment Date immediately following the next Calculation Date after service of such Asset Coverage Test Breach Notice; or
- (e) if the Pre-Maturity Test in respect of any Series of Hard Bullet Covered Bonds is breached less than six months prior to the Final Maturity Date of that Series of Hard Bullet Covered Bonds, and the Guarantor has not cured the breach before the earlier to occur of: (i) ten Toronto Business Days from the date that the Seller is notified of the breach of the Pre-Maturity Test and (ii) the Final Maturity Date of that Series of Hard Bullet Covered Bonds; or
- (f) if a ratings trigger prescribed by the Conditions or the Transaction Documents (and not otherwise specifically provided for in this Condition 7.01) is breached and the prescribed remedial action is not taken within the specified time period, unless, in respect of any ratings trigger other than the Account Bank Threshold Ratings, the Standby Account Bank Ratings, the Cash Management Deposit Ratings and the Servicer Deposit Threshold Ratings, such breach occurs at a time that the Guarantor is Independently Controlled and Governed.

For the purposes of these Terms and Conditions “**Calculation Date**” means the last Toronto Business Day of each month.

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 7.01, the Bond Trustee shall forthwith serve a notice to pay (the “**Notice to Pay**”) on the Guarantor pursuant to the Covered

Bond Guarantee and the Guarantor shall be required to make payments of Guaranteed Amounts when the same shall become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or shall take such proceedings against the Issuer in accordance with the first paragraph of Condition 7.03.

The Trust Deed provides that all moneys (the “**Excess Proceeds**”) received by the Bond Trustee from the Issuer or any receiver, liquidator, administrator or other similar official appointed in relation to the Issuer following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, shall be paid by the Bond Trustee, as soon as practicable after receipt thereof by the Bond Trustee, on behalf of the holders of the Covered Bonds of the relevant Series to the Guarantor (or the Cash Manager on its behalf) for the account of the Guarantor and shall be held in the Guarantor Accounts and the Excess Proceeds shall thereafter form part of the Security granted pursuant to the Security Agreement and shall be used by the Guarantor (or the Cash Manager on its behalf) in the same manner as all other moneys from time to time held by the Cash Manager and/or standing to the credit of the Guarantor in the Guarantor Accounts. Any Excess Proceeds received by the Bond Trustee shall discharge pro tanto the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds, Receipts and Coupons. However, the obligations of the Guarantor under the Covered Bond Guarantee are, following a Covered Bond Guarantee Activation Event, unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds shall not reduce or discharge any of such obligations.

By subscribing for Covered Bonds, each holder of the Covered Bonds shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Guarantor in the manner as described above.

Guarantor Events of Default

7.02 The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 7.02 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in CAD converted into CAD at the applicable Covered Bond Swap Rate) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds shall (but in the case of the happening of any of the events described in paragraphs (b) to (f) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Guarantor that such event is, in its opinion, materially prejudicial to the interests of the holders of the Covered Bonds of any Series) (subject in each case to being indemnified and/or secured to its satisfaction) give notice (the “**Guarantor Acceleration Notice**”) in writing to the Issuer and to the Guarantor, that (x) each Covered Bond of each Series is, and each Covered Bond of each Series shall as against the Issuer (if not already due and repayable against it following an Issuer Event of Default), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the Guarantor under the Covered Bond Guarantee shall thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest, in each case as provided in the Trust Deed and thereafter the Security shall become enforceable if any of the following events (each, a “**Guarantor Event of Default**”) shall occur and be continuing:

- (a) default is made by the Guarantor for a period of seven days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series, except in the case of the payment of a Guaranteed Amount when Due for Payment under Condition 6.01 where the Guarantor shall be required to make payments of Guaranteed Amounts which are Due for Payment on the dates specified therein; or
- (b) if default is made by the Guarantor in the performance or observance of any obligation, condition or provision binding on it (other than any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series and any other obligation specifically provided for in this Condition 7.02) under the Trust Deed, the Security Agreement or any other Transaction Document (other than the obligation of the Guarantor to (i) repay the Demand Loan pursuant to the terms of the Intercompany Loan Agreement, or (ii) make a payment under a Swap Agreement if it has insufficient funds therefor) to which the Guarantor is a party and, except where such default is or the effects of such default are, in the opinion of the Bond Trustee, not capable of remedy when no such continuation and notice as is hereinafter mentioned will be required, such default continues for

30 days (or such longer period as the Bond Trustee may permit) after written notice thereof has been given by the Bond Trustee to the Guarantor requiring the same to be remedied; or

- (c) an Insolvency Event in respect of the Guarantor; or
- (d) a failure to satisfy the Amortization Test on any Calculation Date following the occurrence and during the continuance of an Issuer Event of Default; or
- (e) the Covered Bond Guarantee is not, or is claimed by the Guarantor not to be, in full force and effect; or
- (f) if a ratings trigger prescribed by the Conditions or the Transaction Documents (and not otherwise specifically provided for in this Condition 7.02) is breached and the prescribed remedial action is not taken within the specified time period, unless, in respect of any ratings trigger other than the Account Bank Threshold Ratings, the Standby Account Bank Ratings, the Cash Management Deposit Ratings and the Servicer Deposit Threshold Ratings, such breach occurs at a time that the Guarantor is Independently Controlled and Governed.

Following the occurrence of a Guarantor Event of Default and service of a Guarantor Acceleration Notice on the Guarantor, the Bond Trustee may or shall take such proceedings or steps in accordance with the first and second paragraphs, respectively, of Condition 7.03 and the holders of the Covered Bonds shall have a claim against the Guarantor, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount together with accrued but unpaid interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 8) as provided in the Trust Deed in respect of each Covered Bond.

Enforcement

7.03 The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings against the Issuer and/or the Guarantor, as the case may be, and/or any other person as it may think fit to enforce the provisions of the Trust Deed, the Covered Bonds, the Receipts, the Coupons and any other Transaction Document, but it shall not be bound to take any such enforcement proceedings in relation to the Trust Deed, the Covered Bonds, the Receipts or the Coupons or any other Transaction Document unless (i) it shall have been so directed by an Extraordinary Resolution of all the holders of the Covered Bonds of all Series (with the Covered Bonds of all Series taken together as a single Series as described above) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into CAD at the applicable Covered Bond Swap Rate) and (ii) it shall have been indemnified and/or secured to its satisfaction.

The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings against the Guarantor and/or any other person as it may think fit to enforce the provisions of the Security Agreement and may, at any time after the Security has become enforceable; take such steps as it may think fit to enforce the Security, but it shall not be bound to take any such steps unless (i) it shall have been so directed by an Extraordinary Resolution of all the holders of the Covered Bonds of all Series (with the Covered Bonds of all Series taken together as a single Series as described above) or a request in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into CAD at the applicable Covered Bond Swap Rate); and (ii) it shall have been indemnified and/or secured to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee shall, subject to applicable law, only have regard to the interests of the holders of the Covered Bonds of all Series and shall not have regard to the interests of any other Secured Creditors.

No holder of the Covered Bonds, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or the Guarantor or to take any action with respect to the Trust Deed, the Covered Bonds, the Receipts, the Coupons, or the Security unless the Bond Trustee, having become bound so to proceed, fails so to do within a reasonable time and such failure shall be continuing. Notwithstanding any other provision of these Terms and Conditions, for so long as there are U.S. Registered Covered Bonds outstanding, in accordance with Section 316(b) of the Trust Indenture Act, the right of any holder to receive payment of principal and interest on the Covered Bonds on or after the due date for such principal or interest, or to institute suit for the enforcement of payment of that principal or interest, may not

be impaired or affected without the consent of the holders of the Covered Bonds, provided that no such right of enforcement will exist (i) in respect of a postponement of an interest payment which has been consented to by the holders of the Covered Bonds in accordance with the Trust Deed or (ii) to the extent that the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the security granted pursuant to the Trust Deed or the Security Agreement upon any property subject to such security.

8. Taxation

8.01 All payments (whether in respect of principal or interest) in respect of the Covered Bonds, Receipts and Coupons by or on behalf of the Issuer will be paid free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Canada, any province or territory or political subdivision thereof or any authority or agency therein or thereof having power to tax or, in the case of Covered Bonds, Receipts or Coupons issued by a branch of the Issuer located outside Canada, the country in which such branch is located or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law or the interpretation or administration thereof. In that event, the Issuer will pay such additional amounts as may be necessary in order that the net amounts received by the Holder after such withholding or deduction shall equal the respective amounts of principal and interest which would have been received in respect of the Covered Bonds, Receipts or Coupons (as the case may be), in the absence of such withholding or deduction; except that no additional amounts shall be payable with respect to any payment in respect of any Covered Bond, Receipt or Coupon:

- (a) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments or governmental charges in respect of such Covered Bond, Receipt or Coupon by reason of such person having some connection with Canada or the country in which such branch is located (for these purposes “connection” includes but is not limited to any present or former connection between such holder (or between a fiduciary, seller, beneficiary, member or shareholder of, or possessor of power over such holder if such holder is an estate, trust, partnership, limited liability company or corporation) and such jurisdiction) otherwise than the mere holding of (but not the enforcement of) such Covered Bond, Receipt or Coupon; or
- (b) to, or to a third party on behalf of, a Holder in respect of whom such tax, duty, assessment or governmental charge is required to be withheld or deducted by reason of the Holder or any other person entitled to payments under the Covered Bonds being a person with whom the Issuer is not dealing at arm’s length (within the meaning of the *Income Tax Act* (Canada)), or being a person who is, or does not deal at arm’s length with any person who is, a “specified shareholder” of the Issuer for purposes of the thin capitalization rules in the *Income Tax Act* (Canada); or
- (c) presented for payment more than 30 days after the Relevant Date except to the extent that the Holder thereof would have been entitled to such additional amount on presenting the same for payment on the thirtieth such day; or
- (d) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments or other governmental charges by reason of such Holder’s failure to comply with any certification, identification, documentation or other reporting requirement concerning the nationality, residence, identity or connection with Canada or the country in which such branch is located of such Holder, if (i) compliance is required by law as a precondition to, exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and (ii) the Issuer has given Holders at least 30 days’ notice that Holders will be required to provide such certification, identification, documentation or other requirement; or
- (e) in respect of any estate, inheritance, gift, sales, transfer, personal property or any similar tax, duty, assessment or governmental charge; or
- (f) where any combination of items (a) - (e) applies;

nor will such additional amounts be payable with respect to any payment in respect of the Covered Bonds, Receipts and Coupons to a holder that is a fiduciary or partnership or to any person other than the sole beneficial owner of such Covered Bond, Receipt or Coupon to the extent that the beneficiary or seller with respect to such fiduciary, or member of such partnership or beneficial owner thereof would not have been entitled to receive a payment of such additional amounts had such beneficiary, seller, member or beneficial owner received directly its beneficial or distributive share of such payment.

For the purposes of this Condition 8.01, the term “**Holder**” shall be deemed to refer to the beneficial holder for the time being of the Covered Bonds.

8.02 For the purposes of these Terms and Conditions, the “**Relevant Date**” means, in respect of any Covered Bond, Receipt or Coupon, the date on which payment thereof first become due and payable, or, if the full amount of the moneys payable has not been received by the Paying Agent, or as the case may be, the Registrar on or prior to such due date, the date on which, the full amount of such moneys shall have been so received and notice to that effect shall have been duly given to the Holders in accordance with Condition 14.

8.03 If the Issuer becomes subject generally at any time to any taxing jurisdiction other than or in addition to Canada or the country in which the relevant branch of the Issuer is located, references in Condition 6.02 and Condition 8.01 to Canada or the country in which the relevant branch is located shall be read and construed as references to Canada or the country in which such branch is located and/or to such other jurisdiction(s), provided, for the avoidance of doubt, that the Issuer shall not be considered to be subject generally to the taxing jurisdiction of the United States for purposes of this Condition 8.03 solely because payments in respect of the Covered Bonds, Receipts and Coupons are subject to a U.S. federal withholding Tax imposed under sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), any regulations or agreements thereunder or any official interpretations thereof.

8.04 Any reference in these Terms and Conditions to any payment due in respect of the Covered Bonds, Receipts or Coupons shall be deemed to include any additional amounts which may be payable under this Condition 8. Unless the context otherwise requires, any reference in these Terms and Conditions to “principal” shall include any premium payable in respect of a Covered Bond, any Instalment Amount or Final Redemption Amount, any Excess Proceeds which may be payable by the Bond Trustee under or in respect of the Covered Bonds and any other amounts in the nature of principal payable pursuant to these Terms and Conditions and “interest” shall include all amounts payable pursuant to Condition 5 and any other amounts in the nature of interest payable pursuant to these Terms and Conditions.

8.05 Should any payments made by the Guarantor under the Covered Bond Guarantee be made subject to any withholding or deduction for or on account of taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Canada, any province or territory or political sub-division thereof or any authority or agency therein or thereof having power to tax, or, in the case of payments made by the Guarantor under the Covered Bond Guarantee in respect of Covered Bonds, Receipts or Coupons issued by a branch of the Issuer located outside of Canada, the country in which such branch is located or any political subdivision thereof or by any authority or agency therein or thereof having the power to tax, the Guarantor will not be obliged to pay any additional amounts as a consequence.

9. Payments

Payments – Bearer Covered Bonds

9.01 Conditions 9.02 to 9.07 are applicable in relation to Bearer Covered Bonds.

9.02 Payment of amounts (other than interest) due in respect of Bearer Covered Bonds will be made against presentation and (save in the case of partial payment or payment of an Instalment Amount other than the final Instalment Amount) surrender of the relevant Bearer Covered Bonds at the specified office of any of the Paying Agents.

Payment of Instalment Amounts (other than the final Instalment Amount) in respect of an Instalment Covered Bond which is a Bearer Definitive Covered Bond with Receipts will be made against presentation of the Covered Bond together with the relevant Receipt and surrender of such Receipt.

The Receipts are not and shall not in any circumstances be deemed to be documents of title and if separated from the Covered Bond to which they relate will not represent any obligation of the Issuer. Accordingly, the presentation of a Covered Bond without the relevant Receipt or the presentation of a Receipt without the Covered Bond to which it appertains shall not entitle the Holder to any payment in respect of the relevant Instalment Amount.

9.03 Payment of amounts in respect of interest on Bearer Covered Bonds will be made:

- (a) in the case of a Temporary Global Covered Bond or Permanent Global Covered Bond, against presentation of the relevant Temporary Global Covered Bond or Permanent Global Covered Bond at the specified office of any of the Paying Agents outside (unless Condition 9.04 applies) the United States and, in the case of a Temporary Global Covered Bond, upon due certification as required therein;
- (b) in the case of Bearer Definitive Covered Bonds without Coupons attached thereto at the time of their initial delivery, against presentation of the relevant Bearer Definitive Covered Bonds at the specified office of any of the Paying Agents outside (unless Condition 9.04 applies) the United States; and
- (c) in the case of Bearer Definitive Covered Bonds delivered with Coupons attached thereto at the time of their initial delivery, against surrender of the relevant Coupons or, in the case of interest due otherwise than on an Interest Payment Date, against presentation of the relevant Bearer Definitive Covered Bonds, in either case at the specified office of any of the Paying Agents outside (unless Condition 9.04 applies) the United States.

9.04 Notwithstanding the foregoing (and in relation to payments in U.S. dollars only), payments of amounts due in respect of interest on the Bearer Covered Bonds and exchanges of Talons for Coupon sheets in accordance with Condition 9.07 will not be made at the specified office of any Paying Agent in the United States (as defined in the Code and regulations promulgated thereunder) unless (i) payment in full of amounts due in respect of interest on such Covered Bonds when due or, as the case may be, the exchange of Talons at all the specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (ii) such payment or exchange is permitted by applicable United States law. If clauses (i) and (ii) of the previous sentence apply, the Issuer shall forthwith appoint a further Paying Agent with a specified office in New York City.

9.05 If the due date for payment of any amount due in respect of any Bearer Covered Bond is not a Payment Day (as defined in Condition 9.13), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day, and from such day and thereafter will be entitled to receive payment by cheque on any local banking day, and will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Payment Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.06 or, if appropriate, Condition 5.11.

9.06 Each Bearer Definitive Covered Bond initially delivered with Coupons, Talons or Receipts attached thereto should be presented and, save in the case of partial payment of the Redemption Amount, surrendered for final redemption together with all unmatured Receipts, Coupons and Talons relating thereto, failing which:

- (a) the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the Redemption Amount paid bears to the Redemption Amount due) relating to Bearer Definitive Covered Bonds that are Fixed Rate Covered Bonds or bear interest in fixed amounts will be deducted from the amount otherwise payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at the specified office of any of the Paying Agents at any time within two years of the Relevant Date applicable to payment of such Redemption Amount (whether or not the Issuer's obligation to make payment in respect of such Coupon would otherwise have ceased under Condition 10);
- (b) all unmatured Coupons relating to such Bearer Definitive Covered Bonds that are Floating Rate Covered Bonds or that bear interest in variable amounts (whether or not such Coupons are

surrendered therewith) shall become void and no payment shall be made thereafter in respect of them;

- (c) in the case of Bearer Definitive Covered Bonds initially delivered with Talons attached thereto, all unmaturing Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them; and
- (d) in the case of Bearer Definitive Covered Bonds initially delivered with Receipts attached thereto, all Receipts relating to such Covered Bonds in respect of a payment of an Instalment Amount which (but for such redemption) would have fallen due on a date after such due date for redemption (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them.

The provisions of paragraph (a) of this Condition 9.06 notwithstanding, if any Bearer Definitive Covered Bonds should be issued with a Final Maturity Date and Rate or Rates of Interest such that, on the presentation for payment of any such Bearer Definitive Covered Bond without any unmaturing Coupons attached thereto or surrendered therewith, the amount required by paragraph (a) to be deducted would be greater than the Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Bearer Definitive Covered Bond, such unmaturing Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of paragraph (a) in respect of such Coupons as have not so become void, the amount required by paragraph (a) to be deducted would not be greater than the Redemption Amount otherwise due for payment.

Where the application of the foregoing sentence requires some but not all of the unmaturing Coupons relating to a Bearer Definitive Covered Bond to become void, the relevant Paying Agent shall determine which unmaturing Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

9.07 In relation to Bearer Definitive Covered Bonds initially delivered with Talons attached thereto, on or after the Interest Payment Date of the final Coupon comprised in any Coupon sheet, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside (unless Condition 9.04 applies) the United States in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 10 below. Each Talon shall, for the purpose of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relevant Coupon sheet matures.

Payments – Registered Covered Bonds

9.08 Condition 9.09 is applicable in relation to Registered Covered Bonds.

9.09 Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Covered Bond (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Covered Bond at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by electronic transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the register (the “**Register**”) of holders of the Registered Covered Bonds maintained by the Registrar at the close of business on the third Business Day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (i) a holder does not have a “Designated Account” or (ii) the principal amount of the Covered Bonds held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, “Designated Account” means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a “Designated Bank” and identified as such in the Register and Designated Bank means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Covered Bond (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the Business Day in the city where the specified office of the Registrar is located on the relevant due date to the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the Register at the close of business on (i) the first Clearing System Business Day (in relation to Global Covered Bonds), where “**Clearing System Business Day**” means (x) Monday to Friday inclusive except 25 December and 1 January in the case of Global Covered Bonds held in Euroclear and/or Clearstream, Luxembourg and (y) “Business Day” as defined in Condition 5.09 in the case of Global Covered Bonds held in any other Clearing System; and (ii) the fifteenth day (in relation to Registered Definitive Covered Bonds), whether or not such fifteenth day is a Business Day, before the relevant due date (the “**Record Date**”) at the holder’s address shown in the Register on the Record Date and at the holder’s risk. Upon application of the holder to the specified office of the Registrar not less than three Business Days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Covered Bond, the payment may be made by electronic transfer on the due date in the manner provided in the preceding paragraph. Any such application for electronic transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Covered Bonds which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Covered Bond on redemption and the final instalment of principal will be made in the same manner as payment of the principal in respect of such Registered Covered Bond.

Holders of Registered Covered Bonds will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Covered Bond as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Covered Bonds.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Covered Bond in respect of Covered Bonds denominated in a Specified Currency other than U.S. dollars shall be paid by electronic transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the Guarantor, the Bond Trustee or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

If the due date for payment of any amount due in respect of any Registered Covered Bond is not a Payment Day (as defined in Condition 9.13), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day, and from such day and thereafter will be entitled to receive payment by cheque on any local banking day, and will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Payment Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.06 or, if appropriate, Condition 5.11.

Payments-General Provisions

9.10 Save as otherwise specified in these Terms and Conditions, Conditions 9.11 to 9.14 are applicable in relation to Bearer Covered Bonds and Registered Covered Bonds.

9.11 Payments of amounts due (whether principal, interest or otherwise) in respect of Covered Bonds will be made in the currency in which such amount is due (a) by cheque or (b) at the option of the payee, by transfer to an account denominated in the relevant currency (or in the case of USD, an account to which USD may be credited or transferred) specified by the payee. In the case of Bearer Covered Bonds, if payments are made by transfer, such payments will only be made by transfer to an account maintained by the payee outside of the United States. In no event will payment of amounts due in respect of Bearer Covered Bonds be made by a cheque mailed to an address in the United States. Payments will, without prejudice to the provisions of Condition 8, be subject in all cases to (i) any applicable fiscal or

other laws and regulations in the place of payment and (ii) any withholding or deduction required pursuant to an agreement described in section 1471(b) of the Code or otherwise imposed pursuant to sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof or (without prejudice to the provisions of Condition 8) any law implementing an intergovernmental approach thereto.

9.12 Canadian usury laws

Pursuant to Condition 5.05, a maximum interest rate may be specified in the Final Terms or Pricing Supplement, as applicable. The Criminal Code (Canada) prohibits the receipt of “interest” (as such term is broadly defined therein) at a “criminal rate” (namely, an effective annual rate of interest that exceeds 60 per cent.). Accordingly, the provisions for the payment of interest or a redemption amount in excess of the aggregate principal amount of the Covered Bonds may not be enforceable if the provision provides for the payment of “interest” in excess of an effective annual rate of interest of 60 per cent.

9.13 For the purposes of these Terms and Conditions:

- (a) **“local banking day”** means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the place of presentation of the relevant Covered Bond or, as the case may be, Coupon; and
- (b) **“Payment Day”** means (a) in the case of any currency other than euro, a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) and foreign exchange markets settle payments in the Financial Centre(s) specified in the Final Terms or Pricing Supplement, (b) if TARGET is specified in the Final Terms or Pricing Supplement as a Financial Centre, a TARGET2 Business Day, or (c) in the case of payment in euro, a day which is a TARGET2 Business Day and on which commercial banks and foreign exchange markets are open for general business (including dealings in foreign exchange and foreign currency deposits) in the Financial Centre(s) specified in the Final Terms or Pricing Supplement.

9.14 No commissions or expenses shall be charged to the Holders of Covered Bonds or Coupons in respect of such payments.

10. Prescription

10.01 Subject to applicable law, the Issuer’s obligation to pay an amount of principal and interest in respect of Covered Bonds will cease if the Covered Bonds or Coupons, as the case may be, are not presented within two years after the Relevant Date (as defined in Condition 8.02) for payment thereof.

10.02 In relation to Bearer Definitive Covered Bonds initially delivered with Talons attached thereto, there shall not be included in any Coupon sheet issued upon exchange of a Talon any Coupon which would be void pursuant to Condition 9.06 or this Condition 10 or the maturity date or due date for the payment of which would fall after the due date for the redemption of the relevant Covered Bond, or any Talon the maturity date of which would fall after the due date for the redemption of the relevant Covered Bond.

11. The Paying Agents, the Registrar, Transfer Agents, the Calculation Agent and the Exchange Agent

11.01 The initial Paying Agents, the Registrar and the Transfer Agents and their respective initial specified offices are specified herein. The Issuer and the Guarantor each reserves the right, without approval of the Bond Trustee, at any time to vary or terminate the appointment of any Paying Agent (including the Issuing and Paying Agent), any Transfer Agent(s), the Registrar, the Exchange Agent or the Calculation Agent and to appoint additional or other Paying Agents, Transfer Agents or another Registrar, Exchange Agent or Calculation Agent provided that the Issuer and the Guarantor will at all times maintain (i) an Issuing and Paying Agent, (ii) in the case of Registered Covered Bonds, a Registrar, (iii) following the issuance of Bearer Definitive Covered Bonds, and while any such Bearer Definitive Covered Bonds are outstanding, a Paying Agent (which may be the Issuing and Paying Agent) with a specified office in a continental European city, (iv) so long as the Covered Bonds are admitted to the Official List and to trading on the London Stock Exchange and/or admitted to listing or trading on any other stock exchange or relevant authority, a Paying Agent (in the case of Bearer Covered Bonds) and a Transfer Agent (in the case of Registered Covered Bonds), which may in either case be the Issuing and Paying Agent, each with a specified office in London

and/or in such other place as may be required by the rules of such other stock exchange or other relevant authority, (v) in the circumstances described in Condition 9.04, a Paying Agent with a specified office in New York City, (vi) a Calculation Agent where required by the Terms and Conditions applicable to any Covered Bonds, and (vii) so long as any of the Registered Global Covered Bonds payable in a Specified Currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in the United States (in the case of (i), (ii), (iii) and (vii) with a specified office located in such place (if any) as may be required by the Terms and Conditions). The Agents, the Registrar and the Calculation Agent reserve the right at any time to change their respective specified offices to some other specified office in the same metropolitan area. Notice of all changes in the identities or specified offices of any Agent, the Registrar or the Calculation Agent will be given promptly by the Issuer or the Guarantor to the Holders in accordance with Condition 14.

11.02 The Agents, the Registrar and the Calculation Agent act solely as agents of the Issuer and the Guarantor, and, in certain circumstances of the Bond Trustee, and save as provided in the Agency Agreement or any other agreement entered into with respect to its appointment, do not assume any obligations towards or relationship of agency or trust for any Holder of any Covered Bond, Receipt or Coupon and each of them shall only be responsible for the performance of the duties and obligations expressly imposed upon it in the Agency Agreement or other agreement entered into with respect to its appointment or incidental thereto.

11.03 Notwithstanding the foregoing, the Issuing and Paying Agent, on behalf of itself and the other Paying Agents, shall have the right to decline to act as the Paying Agent with respect of any Covered Bonds issued pursuant to the Programme that are payable and/or dischargeable by the Issuer by the payment or delivery of securities and/or other property or any combination of cash, securities and/or property whereupon the Issuer or an affiliate thereof shall either (i) act as Paying Agent or (ii) engage another financial institution to act as Paying Agent in respect of such Covered Bonds. The Final Terms or Pricing Supplement relating to such Covered Bonds shall include the relevant details regarding the applicable Paying Agent.

12. Replacement of Covered Bonds

If any Covered Bond, Receipt or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Issuing and Paying Agent or any Paying Agent (in the case of Bearer Covered Bonds and Coupons) or of the Registrar or any Transfer Agent (in the case of Registered Covered Bonds) (the “**Replacement Agent**”), subject to all applicable laws and the requirements of any stock exchange on which the Covered Bonds are listed, upon payment by the claimant of all expenses incurred in connection with such replacement and upon such terms as to evidence, security, indemnity and otherwise as the Issuer and the Replacement Agent may require. Mutilated or defaced Covered Bonds, Receipts and Coupons must be surrendered before replacements will be delivered therefor.

13. Meetings of Holders of the Covered Bonds, Modification and Waiver

13.01 *Meetings of Holders of the Covered Bonds*

The Trust Deed contains provisions for convening meetings of the holders of the Covered Bonds (including at a physical location or by means of an electronic platform (such as a conference call or videoconference) or a combination thereof) to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Terms and Conditions or the provisions of the Trust Deed. The quorum at any such meeting in respect of any Covered Bonds of any Series for passing an Extraordinary Resolution is one or more persons holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned meeting one or more persons being or representing holders of the Covered Bonds whatever the nominal amount of the Covered Bonds of such Series so held or represented, except that at any meeting the business of which includes the modification of any Series Reserved Matter (as defined below), the quorum shall be one or more persons holding or representing not less than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one third of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding. An Extraordinary Resolution passed at any meeting of the holders of the Covered Bonds of a Series shall, subject as provided below, be binding on all the holders of the Covered Bonds of such Series, whether or not they are present at the meeting signed a written resolution or provided an electronic consent, and on all Receiptholders and Couponholders in respect of such Series of Covered Bonds. Pursuant to the Trust Deed, the Bond Trustee may convene a single meeting of the holders of Covered Bonds

of more than one Series if in the opinion of the Bond Trustee there is no conflict between the holders of such Covered Bonds, in which event the provisions of this paragraph shall apply thereto mutatis mutandis.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 7 or to direct the Bond Trustee to take any enforcement action (a “**Programme Resolution**”) shall only be capable of being passed at a single meeting of the holders of the Covered Bonds of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the Guarantor or the Bond Trustee or by holders of the Covered Bonds of any Series. The quorum at any such meeting for passing a Programme Resolution is one or more persons holding or representing at least a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or at any adjourned such meeting one or more persons holding or representing Covered Bonds whatever the nominal amount of the Covered Bonds of any Series so held or represented. A Programme Resolution passed at any meeting of the holders of the Covered Bonds of all Series shall be binding on all holders of the Covered Bonds of all Series, whether or not they are present at the meeting, and on all related Receiptholders and Couponholders in respect of such Series of Covered Bonds.

In connection with any meeting of the holders of Covered Bonds of more than one Series the Covered Bonds of any Series not denominated in CAD shall be converted into CAD at the applicable Covered Bond Swap Rate.

13.02 *Modification and Waiver*

The Bond Trustee, the Guarantor and the Issuer may also agree, without the consent of the holders of the Covered Bonds, Receiptholders or Couponholders of any Series and without the consent of the other Secured Creditors (and for this purpose the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter), to:

- (a) any modification of the Covered Bonds of one or more Series, the related Receipts and/or Coupons or any Transaction Document provided that in the opinion of the Bond Trustee such modification is not materially prejudicial to the interests of any of the holders of the Covered Bonds of any Series; or
- (b) any modification of the Covered Bonds of any one or more Series, the related Receipts and/or Coupons or any Transaction Document which is of a formal, minor or technical nature or is in the opinion of the Bond Trustee made to correct a manifest error or to comply with mandatory provisions of law; or
- (c) (i) any modification (other than in respect of a Series Reserved Matter, provided that a Base Rate Modification (as defined below) will not constitute a Series Reserved Matter) to the Conditions and/or any Transaction Document (including, for the avoidance of doubt but without limitation, the Covered Bond Swap Agreement) in relation to the relevant Series of Covered Bonds and subject to the consent only of the Secured Creditors (i) party to the relevant Transaction Document being amended or (ii) whose ranking in any Priorities of Payments is affected that the Issuer considers necessary following the occurrence of an €STR Index Cessation Effective Date or otherwise for the purpose of changing the base rate in respect of the Covered Bonds from a Reference Rate to an alternative base rate (any such rate, an “**Alternative Base Rate**”) (other than in respect of a USD Benchmark) and making such other amendments as are necessary or advisable in the reasonable judgment of the Issuer to facilitate such change (including, without limitation, an Adjustment Spread (if any)) (such amendments, a “**Base Rate Modification**”), provided that:
 - (A) the Issuer certifies to the Bond Trustee in writing (such certificate, a “**Base Rate Modification Certificate**”) that:
 - (1) such Base Rate Modification is being undertaken due to:
 - (I) a material disruption to the relevant Reference Rate, an adverse change in the methodology of calculating the relevant

Reference Rate or the relevant Reference Rate ceasing to exist or be published;

- (II) the insolvency or cessation of business of the administrator of the Reference Rate (in circumstances where no successor administrator has been appointed);
 - (III) a public statement by the administrator of the relevant Reference Rate that it will cease publishing such Reference Rate permanently or indefinitely (in circumstances where no successor administrator for the Reference Rate has been appointed that will continue publication of the relevant Reference Rate) and such cessation is reasonably expected by the Issuer to occur prior to the Final Maturity Date or the Extended Due for Payment Date, as applicable;
 - (IV) a public statement by the supervisor of the administrator of the relevant Reference Rate that such Reference Rate has been or will be permanently or indefinitely discontinued or will be changed in an adverse manner and such cessation is reasonably expected by the Issuer to occur prior to the Final Maturity Date or the Extended Due for Payment Date, as applicable;
 - (V) a public statement by the supervisor of the administrator of the relevant Reference Rate that means such Reference Rate may no longer be used or that its use is or will be subject to restrictions or adverse consequences;
 - (VI) an official announcement by the supervisor of the administrator of the original Reference Rate that the original Reference Rate is no longer representative of its relevant underlying market;
 - (VII) it has become unlawful for any Paying Agent, the Calculation Agent or the Issuer to calculate any payments due to be made to any holders of the Covered Bonds, Receiptholders or Couponholders of any Series using the relevant Reference Rate; or
 - (VIII) the reasonable expectation of the Issuer that any of the events specified in sub-paragraphs (I), (II), (III), (IV), (V), (VI) or (VII) above will occur or exist within six months of the proposed effective date of such Base Rate Modification,
- (2) the modifications proposed are required solely for the purpose of applying the Alternative Base Rate and making consequential modifications to the Conditions and/or any Transaction Document which are, as reasonably determined by the Issuer as necessary or advisable in its reasonable judgement, and the modifications have been drafted solely to such effect; and
 - (3) the consent of each Secured Creditor (x) which is party to the relevant Transaction Document being amended, or (y) whose ranking in any Priorities of Payments is affected has been obtained (evidence of which shall be provided by the Issuer to the Bond Trustee with the Base Rate Modification Certificate) and, subject to Condition 13.02(c)(i)(G), no other consents are required to be obtained in relation to the Base Rate Modification; and

- (B) such Alternative Base Rate is:
- (1) a base rate published, endorsed, approved or recognised by the Bank of England, the FRBNY, the European Commission or the European Central Bank, any regulator in the United States, the UK or the European Union or any stock exchange on which the Covered Bonds are listed, any Relevant Nominating Body for the Specified Currency to which the Reference Rate relates (or any relevant committee or other body established, sponsored or approved by any of the foregoing); or
 - (2) a base rate utilised in a material number of publicly-listed, publicly-offered or benchmark new issues of floating rate covered bonds or floating rate senior unsecured notes prior to the effective date of such Base Rate Modification (for these purposes, five such issues shall be considered material); or
 - (3) a base rate utilised in a publicly-listed, publicly-offered or benchmark new issue of floating rate covered bonds where the issuer (or, in the case of asset backed securities, the originator of the relevant assets) is the Issuer or a Subsidiary of the Issuer,
- (C) at least 30 days' prior written notice of any Base Rate Modification has been given to the Bond Trustee;
- (D) the Base Rate Modification Certificate is provided to the Bond Trustee at the time the Bond Trustee is notified of the Base Rate Modification and on the effective date of such Base Rate Modification;
- (E) with respect to each Rating Agency, the Rating Agency Condition (as specified in Condition 20) has been satisfied;
- (F) the Issuer pays (or arranges for the payment of) all fees, costs and expenses (including legal fees) properly incurred by the Bond Trustee in connection with such Base Rate Modification;
- (G) the Issuer has provided at least 30 days' notice to the Covered Bondholders of the relevant Series of Covered Bonds of the Base Rate Modification in accordance with Condition 14 and by publication on Bloomberg on the "Company News" screen relating to the Covered Bonds (in each case specifying the date and time by which Covered Bondholders must respond), and Covered Bondholders representing at least 10 per cent. of the aggregate Principal Amount Outstanding of the relevant Series of Covered Bonds then outstanding have not notified the Issuer or the Issuing and Paying Agent in accordance with the then current practice of any applicable Clearing System through which such Covered Bonds may be held by the time specified in such notice that such Covered Bondholders do not consent to the Base Rate Modification.

If Covered Bondholders representing at least 10 per cent. of the aggregate Principal Amount Outstanding of the relevant Series of Covered Bonds then outstanding have notified the Issuer or the Issuing and Paying Agent in accordance with the then current practice of any applicable Clearing System through which the Covered Bonds may be held or in the manner specified in the next following paragraph of this Condition 13.02(c)(i) where there is no applicable Clearing System by the time specified in such notice that such Covered Bondholders do not consent to the Base Rate Modification, then the Base Rate Modification will not be made unless an Extraordinary Resolution of the Covered Bondholders of the relevant Series then outstanding is passed in favour of the Base Rate Modification in accordance with this Condition 13.02(c)(i).

Where there is no applicable Clearing System, Covered Bondholders may object in writing to a Base Rate Modification by notifying the Issuer or the Issuing and Paying Agent but any such objection in writing must be accompanied by evidence to the Bond Trustee's satisfaction (having regard to prevailing market practices) of the relevant Covered Bondholder's holding of the Covered Bonds.

With respect to the above-referenced modifications, the Issuer, may determine (acting in good faith and a commercially reasonable manner), or may, in its sole discretion appoint an Independent Financial Adviser to assist in determining, the Alternative Base Rate and an Adjustment Spread (if any), as soon as reasonably practicable, following the satisfaction of the requirements of this Condition 13.02(c)(i). If the Issuer, following consultation with the Independent Financial Adviser (if applicable), acting in good faith and in a commercially reasonable manner and after satisfaction of the requirements of this Condition 13.02(c)(i), determines (i) that an Adjustment Spread is required to be applied to the Alternative Base Rate and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Alternative Base Rate.

An Independent Financial Adviser appointed pursuant to this Condition 13.02(c)(i) shall act in good faith and a commercially reasonable manner (in the absence of bad faith or fraud) shall have no liability whatsoever to the Issuer, Issuing and Paying Agent, the Covered Bondholders, the related Receipholders and/or Couponholders for any determination made by it or for any advice given to the Issuer in connection with any determination made by the Issuer, pursuant to this Condition 13.02(c)(i).

(ii) *Effect of Benchmark Transition Event on USD Benchmark-referenced Floating Rate Covered Bonds*

If the Issuer or the Benchmark Transition Designee determines on or prior to the Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date (each as defined below) have occurred with respect to a USD Benchmark, then the Bond Trustee shall be obliged, without the consent or sanction of the Covered Bondholders being required (including without the requirement to provide Covered Bondholders an opportunity to object) and subject only to the consent of the Secured Creditors (i) party to the relevant Transaction Document being amended or (ii) whose ranking in any Priorities of Payments is affected, subject to the satisfaction of Condition 13.02(c)(ii)(D) (the “**Benchmark Transition Event Conditions**”), to concur with the Issuer or the Benchmark Transition Designee in making any modification (other than in respect of a Series Reserved Matter, provided that neither replacing the then-current USD Benchmark with the Benchmark Replacement nor any Benchmark Replacement Conforming Changes (each as defined below) shall constitute a Series Reserved Matter) of these Conditions or any of the Transaction Documents solely with respect to any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to the USD Benchmark that the Issuer or the Benchmark Transition Designee decides may be appropriate to give effect to the provisions set forth under this Condition 13.02(c)(ii) in relation only to all determinations of the rate of interest payable on any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to a USD Benchmark and any related Covered Bond Swap Agreements, provided that:

- (A) *Benchmark Replacement.* If the Issuer or the Benchmark Transition Designee determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Relevant Time in respect of any determination of the USD Benchmark on any date applicable to any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to a USD Benchmark, subject to satisfaction of the Benchmark Transition Event Conditions, the Benchmark Replacement will replace the then-current USD Benchmark for all purposes relating to any U.S. dollar denominated Floating Rate

Covered Bonds calculated by reference to a USD Benchmark in respect of such determination on such date and all determinations on all subsequent dates.

- (B) *Benchmark Replacement Conforming Changes.* In connection with the implementation of a Benchmark Replacement with respect to any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to a USD Benchmark, the Issuer or the Benchmark Transition Designee will have the right, subject to satisfaction of the Benchmark Transition Event Conditions, to make Benchmark Replacement Conforming Changes with respect to any U.S. dollar denominated Floating Rate Covered Bonds from time to time.
- (C) *Decisions and Determinations.* Any determination, decision or election that may be made by the Issuer or the Benchmark Transition Designee pursuant to this Condition 13.02(c)(ii), including any determination with respect to tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, in each case, solely with respect to any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to a USD Benchmark:
 - (i) will be conclusive and binding absent manifest error;
 - (ii) if made by the Issuer, will be made in the Issuer's sole discretion;
 - (iii) if made by the Benchmark Transition Designee, will be made after consultation with the Issuer, and the Benchmark Transition Designee will not make any such determination, decision or election to which the Issuer objects; and
 - (iv) shall become effective without consent from any other party (including Covered Bondholders), except with respect to Secured Creditors as otherwise provided in this Condition 13.02(c)(ii).

Any determination, decision or election pursuant to the benchmark replacement provisions not made by the Benchmark Transition Designee will be made by the Issuer on the basis as described above. The Benchmark Transition Designee shall have no liability for not making any such determination, decision or election absent bad faith or fraud.

- (D) *Other Conditions.*
 - (i) The Issuer shall certify in writing to the Bond Trustee (such certificate, a "USD Benchmark Base Rate Modification Certificate") that (I) a Benchmark Transition Event and its related Benchmark Replacement Date have occurred specifying the Benchmark Replacement; and (II) that the Benchmark Replacement Conforming Changes have been made in accordance with this Condition 13.02(c)(ii);
 - (ii) The Issuer shall have obtained the consent of each Secured Creditor (x) which is party to the relevant Transaction Document being amended, or (y) whose ranking in any Priorities of Payments is affected (evidence of which shall be provided by the Issuer to the Bond Trustee with the Base Rate Modification Certificate);
 - (iii) with respect to each Rating Agency, the Rating Agency Condition (as specified in Condition 20) has been satisfied; and

- (iv) the Issuer pays (or arranges for the payment of) all fees, costs and expenses (including legal fees) properly incurred by the Bond Trustee in connection with such Base Rate Modification.

The following definitions shall apply with respect to this Condition 13.02(c)(ii):

“USD Benchmark” means, initially, Compounded SOFR, as such term is defined in Condition 5.03; provided that if the Issuer or the Benchmark Transition Designee determines on or prior to the Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Compounded SOFR (or the published daily SOFR used in the calculation thereof) or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement.

“Benchmark Replacement” means the first alternative set forth in the order below that can be determined by the Issuer or the Benchmark Transition Designee as of the Benchmark Replacement Date:

- (i) the sum of: (a) an alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current USD Benchmark and (b) the Benchmark Replacement Adjustment;
- (ii) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment; or
- (iii) the sum of: (a) the alternate rate of interest that has been selected by the Issuer or the Benchmark Transition Designee as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current USD Benchmark for U.S. dollar denominated floating rate covered bonds at such time and (b) the Benchmark Replacement Adjustment.

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Issuer or the Benchmark Transition Designee as of the Benchmark Replacement Date:

- (i) the spread adjustment, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero) that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;
- (ii) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment; and
- (iii) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer or the Benchmark Transition Designee giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current USD Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar denominated floating rate covered bonds at such time.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes with respect to any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to a USD Benchmark (including changes to the definitions

or interpretations of Interest Period, the timing and frequency of determining rates and making payments of interest, the rounding of amounts, changes to the definition of “Corresponding Tenor” solely when such tenor is longer than the Interest Period and other administrative matters) and any related Covered Bond Swap Agreements that the Issuer or the Benchmark Transition Designee decides may be appropriate to reflect the adoption of such Benchmark Replacement with respect to any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to a USD Benchmark in a manner substantially consistent with market practice (or, if the Issuer or the Benchmark Transition Designee decides that adoption of any portion of such market practice is not administratively feasible or if the Issuer or the Benchmark Transition Designee determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Issuer or the Benchmark Transition Designee determines is reasonably practicable).

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (i) in the case of clause (i) or (ii) of the definition of “Benchmark Transition Event,” the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of the USD Benchmark permanently or indefinitely ceases to provide the USD Benchmark; or
- (ii) in the case of clause (iii) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

“Benchmark Transition Designee” means, with respect to any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to a USD Benchmark and a particular obligation to be performed in connection with the transition to a Benchmark Replacement, such investment bank of national standing in the United States as the Issuer may appoint, from time to time, to assist with any benchmark replacement determinations, including for greater certainty, an affiliate of the Issuer.

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current USD Benchmark (including the daily published component used in the calculation thereof, in each case, as applicable):

- (i) a public statement or publication of information by or on behalf of the administrator of the USD Benchmark (or such component) announcing that such administrator has ceased or will cease to provide the USD Benchmark (or such component), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the USD Benchmark (or such component);
- (ii) a public statement or publication of information by the regulatory supervisor for the administrator of the USD Benchmark (or such component), the central bank for the currency of the USD Benchmark

(or such component), an insolvency official with jurisdiction over the administrator for the USD Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the USD Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the USD Benchmark (or such component), which states that the administrator of the USD Benchmark has ceased or will cease to provide the USD Benchmark (or such component), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the USD Benchmark (or such component); or

- (iii) a public statement or publication of information by the regulatory supervisor for the administrator of the USD Benchmark announcing that the USD Benchmark is no longer representative.

“Corresponding Tenor” with respect to a Benchmark Replacement means a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the then-current USD Benchmark.

“Relevant ISDA Definitions” means the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. or any successor thereto, as amended or supplemented from time to time, or any successor definitional booklet for interest rate derivatives published from time to time.

“ISDA Fallback Adjustment” means the spread adjustment, (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the Relevant ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark for the applicable tenor.

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the Relevant ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the USD Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment.

“Reference Time” with respect to any determination of the USD Benchmark means (1) if the USD Benchmark is Compounded SOFR, 3:00 p.m. (New York time) on the U.S. Government Securities Business Day the relevant rate is in respect of (where the Compounded SOFR Convention is SOFR Index Convention) or immediately following the date the relevant rate is in respect of (where the Compounded SOFR Convention is Observation Shift Convention) and (2) if the USD Benchmark is not Compounded SOFR, the time determined by the Issuer or the Benchmark Transition Designee after giving effect to the Benchmark Replacement Conforming Changes.

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

“Unadjusted Benchmark Replacement” means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

To the extent that there is any inconsistency between the conditions set out in this Condition 13.02(c)(ii) and any other Condition, the statements in this section shall prevail with respect to any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to a USD Benchmark.

Nothing in this Condition 13.02(c)(ii) affects the rights of the Covered Bondholders of Covered Bonds other than any U.S. dollar denominated Floating Rate Covered Bonds calculated by reference to a USD Benchmark.

- (iii) For the avoidance of doubt, the Issuer may give effect to an Alternative Base Rate or Benchmark Replacement on more than one occasion provided that the conditions set out in this Condition 13.02(c) are satisfied.

Without prejudice to the obligations of the Issuer under this Condition 13.02(c), any Reference Rate (including in respect of a USD Benchmark) and the fallback provisions provided for in Condition 5.03 will continue to apply unless and until the Bond Trustee has received the USD Benchmark Base Rate Modification Certificate or Base Rate Modification Certificate, as applicable in accordance with this Condition 13.02(c). For the avoidance of doubt, this paragraph shall apply to the determination of the Interest Rate on the relevant Interest Determination Date, and the Rate of Interest applicable to any subsequent Interest Period(s) is subject to the operation of, and to adjustment as provided in, this Condition 13.02(c).

- (d) When implementing any modification pursuant to Condition 13.02(c):

- (A) the Bond Trustee shall not consider the interests of the Covered Bondholders, any other Secured Creditor or any other person and shall act and rely solely and without investigation or liability on any Base Rate Modification Certificate or USD Benchmark Base Rate Modification Certificate or other certificate or evidence provided to it by the Issuer and shall not be liable to the Covered Bondholders, any other Secured Creditor or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person; and
- (B) the Bond Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Bond Trustee, would have the effect of (i) exposing the Bond Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights, powers, authorisations, discretions, indemnification or protections, of the Bond Trustee in the Transaction Documents and/or these Conditions.

The Bond Trustee may also agree, without the consent of the holders of the Covered Bonds of any Series, the related Receiptholders and/or Couponholders, to the waiver or authorization of any breach or proposed breach of any of the provisions of the Covered Bonds of any Series, or determine, without any such consent as described above, that any Issuer Event of Default or Guarantor Event of Default or Potential Issuer Event of Default or Potential Guarantor Event of Default shall not be treated as such, provided that, in any such case, it is not, in the opinion of the Bond Trustee, materially prejudicial to the interests of any of the holders of the Covered Bonds of any Series.

Any such modification, waiver, authorization or determination shall be binding on all holders of the Covered Bonds of all Series of Covered Bonds for the time being outstanding, the related Receiptholders and the Couponholders and the other Secured Creditors, and unless the Bond Trustee otherwise agrees, any such modification shall be notified by the Issuer to the holders of the Covered Bonds of all Series of Covered Bonds for the time being outstanding and the other Secured Creditors in accordance with the relevant terms and conditions as soon as practicable thereafter. Notwithstanding any other provision of these Terms and Conditions, for so long as there are U.S. Registered Covered Bonds outstanding, any such modification, waiver, authorization or determination will be made in accordance with and subject to Section 316 of the Trust Indenture Act. The right of any holder of U.S. Registered Covered Bonds to receive payment of principal and interest will not be impaired unless made in accordance with Section 316 of the Trust Indenture Act.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorization or determination), the Bond Trustee shall have regard to the general interests of the holders of the Covered Bonds of each Series as a class (but shall not have regard to any interests arising

from circumstances particular to individual holders of the Covered Bonds, Receiptholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual holders of the Covered Bonds, the related Receiptholders, Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Bond Trustee shall not be entitled to require, nor shall any holder of the Covered Bonds, Receiptholder or Couponholder be entitled to claim, from the Issuer, the Guarantor, the Bond Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual holders of the Covered Bonds, Receiptholders and/or Couponholders, except to the extent already provided for in Condition 8 and/or in any undertaking or covenant given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

For the purposes of these Terms and Conditions:

“Potential Issuer Event of Default” means any condition, event or act which, with the lapse of time and/ or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute an Issuer Event of Default;

“Potential Guarantor Event of Default” means any condition, event or act which, with the lapse of time and/or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute a Guarantor Event of Default; and

“Series Reserved Matter” in relation to Covered Bonds of a Series means (other than, for the avoidance of doubt, a Base Rate Modification, the replacement of the USD Benchmark to the Benchmark Replacement or effecting Benchmark Replacement Conforming Changes): (i) reduction or cancellation of the amount payable or, where applicable, modification of the method of calculating the amount payable or modification of the date of payment or, where applicable, modification of the method of calculating the date of payment in respect of any principal or interest in respect of the Covered Bonds; (ii) alteration of the currency in which payments under the Covered Bonds, Receipts and Coupons are to be made; (iii) alteration of the majority required to pass an Extraordinary Resolution; (iv) any amendment to the Covered Bond Guarantee or the Security Agreement (except in a manner determined by the Bond Trustee not to be materially prejudicial to the interests of the holders of the Covered Bonds of any Series); (v) except in accordance with Condition 12, the sanctioning of any such scheme or proposal for the exchange or sale of the Covered Bonds for or the conversion of the Covered Bonds into, or the cancellation of the Covered Bonds in consideration of, shares, stock, covered bonds, bonds, debentures, debenture stock and/or other obligations and/or securities of the Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, bonds, covered bonds, debentures, debenture stock and/or other obligations and/or securities as described above and partly for or into or in consideration of cash and for the appointment of some person with power on behalf of the holders of the Covered Bonds to execute an instrument of transfer of the Registered Covered Bonds held by them in favour of the persons with or to whom the Covered Bonds are to be exchanged or sold respectively; and (vi) alteration of specific sections of the Trust Deed relating to the quorum and procedure required for meetings of holders of Covered Bonds.

14. Notices

To Holders of Bearer Definitive Covered Bonds

14.01 Notices to Holders of Bearer Definitive Covered Bonds will be deemed to be validly given if published in a leading daily newspaper having general circulation in London (which is expected to be the Financial Times). The Issuer shall also ensure that notices are duly published in compliance with the requirements of each stock exchange or any other relevant authority on which the Covered Bonds are listed. Any notice so given will be deemed to have been validly given on the date of first such publication (or, if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers). Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Covered Bonds in accordance with this Condition.

To Holders of Registered Definitive Covered Bonds

14.02 Notices to Holders of Registered Definitive Covered Bonds, save where another means of effective communication has been specified herein, will be deemed to be validly given if sent by first class mail (or equivalent) or, if posted to an overseas address, by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day. The Issuer shall also ensure that notices are duly published in compliance with the requirements of each stock exchange or any other relevant authority on which the Covered Bonds are listed.

To Issuer

14.03 Notices to be given by any holder of Covered Bonds to the Issuer shall be in writing and given by lodging the same, together with the relevant Covered Bond or Covered Bonds, with the relevant Paying Agent or the Registrar, as the case may be. While any of the Covered Bonds are represented by a Global Covered Bond, such notice may be given by any accountholder to the Issuing and Paying Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Issuing and Paying Agent or the Registrar and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

Global Covered Bonds

14.04 So long as the Covered Bonds are represented in their entirety by any Global Covered Bonds held on behalf of DTC and/or CDS and/or Euroclear and/or Clearstream, Luxembourg, notices to holders of the Covered Bonds may be given by delivery of the relevant notice to DTC and/or CDS and/or Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Covered Bonds and, in addition, for so long as any Covered Bonds are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of the stock exchange, or as the case may be, other relevant authority so require, such notice will be published in a manner which complies with the rules and regulations of that stock exchange, as the case may be, or any other relevant authority. Any such notice shall be deemed to have been given to the holders of the Covered Bonds on the day on which the said notice was given to DTC and/or CDS and/or Euroclear and/or Clearstream, Luxembourg.

15. Further Issues

The Issuer may from time to time, without the consent of the Holders of any Covered Bonds or Coupons, create and issue further Covered Bonds having the same terms and conditions as such Covered Bonds in all respects (or in all respects except for the first payment of interest, if any, on them and/or the Specified Denomination thereof) so as to form a single series with the Covered Bonds of any particular Series.

16. Currency Indemnity

The currency in which the Covered Bonds are denominated or, if different, payable, as specified in the Final Terms or Pricing Supplement (the “**Contractual Currency**”), is the sole currency of account and payment for all sums payable by the Issuer in respect of the Covered Bonds, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgement or order of a court of any jurisdiction or otherwise) by any Holder of a Covered Bond or Coupon in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first day on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of a Covered Bond or Coupon in respect of such Covered Bond or Coupon the Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the Issuer’s other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of a Covered Bond or Coupon and shall continue in full force and effect despite any judgement, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Covered Bonds or any judgement or order. Any such loss shall be deemed to constitute a loss suffered by the relevant Holder of a Covered Bond or Coupon and no proof or evidence of any actual loss will be required by the Issuer.

17. Waiver and Remedies

No failure to exercise, and no delay in exercising, on the part of the Holder of any Covered Bond, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

18. Branch of Account

18.01 For the purposes of the Bank Act, the branch of the Bank set out in a Covered Bond or the related Final Terms or Pricing Supplement shall be the branch of account (the “**Branch of Account**”) for the deposits evidenced by such Covered Bond.

18.02 Each Covered Bond will be paid without the necessity of first being presented for payment at the Branch of Account.

18.03 If the Branch of Account is not in Canada, the Bank may change the Branch of Account for the deposits evidenced by any Covered Bond, upon not less than seven days’ prior notice to its Holder given in accordance with Condition 14 and upon and subject to the following terms and conditions:

- (a) if such Covered Bond is denominated in Yen, the Branch of Account shall not be in Japan;
- (b) the Issuer shall indemnify and hold harmless the Holders of such Covered Bonds and Coupons relating thereto against any tax, duty, assessment or governmental charge which is imposed or levied upon such Holder as a consequence of such change, and shall pay the reasonable costs and expenses of the Issuing and Paying Agent in connection with such change; and
- (c) notwithstanding (b) above, no change of the Branch of Account may be made unless immediately after giving effect to such change (i) no Issuer Event of Default, Guarantor Event of Default, Potential Issuer Event of Default or Potential Guarantor Event of Default shall have occurred and be continuing and (ii) payments of principal and interest on Covered Bonds of such Series and Coupons relating thereto to Holders thereof (other than Excluded Holders, as hereinafter defined) shall not, in the opinion of counsel to the Issuer, be subject to any taxes, as hereinafter defined, to which they would not have been subject had such change not taken place. For the purposes of this section, an “**Excluded Holder**” means a Holder of a Covered Bond of such Series or Coupon relating thereto who is subject to taxes by reason of such person having some connection with the Relevant Jurisdiction other than the mere holding of a Covered Bond of such Series or Coupon as a non-resident of such Relevant Jurisdiction. “**Relevant Jurisdiction**” means and includes Canada, its provinces or territories and the jurisdiction in which the new Branch of Account is located, and “**taxes**” means and includes any tax, duty, assessment or other governmental charge imposed or levied in respect of the payment of the principal of the Covered Bonds of such Series or interest thereon for or on behalf of a Relevant Jurisdiction or any authority therein or thereof having power to tax.

19. Substitution

Subject as provided in the Trust Deed, the Bond Trustee, if it is satisfied that to do so would not be materially prejudicial to the interests of the holders of the Covered Bonds, may agree, without the consent of the holders of the Covered Bonds, Receiptholders or Couponholders, to the substitution of a Subsidiary of the Issuer in place of the Issuer as principal debtor under the Covered Bonds and the Trust Deed, provided that the obligations of such Subsidiary in respect of the Covered Bonds and the Trust Deed shall be guaranteed by the Issuer in such form as the Bond Trustee may require.

Any substitution pursuant to this Condition 19 shall be binding on the holders of the Covered Bonds, the Receiptholders and the Couponholders and, unless the Bond Trustee agrees otherwise, shall be notified to the holders of the Covered Bonds as soon as practicable thereafter in accordance with Condition 14.

It shall be a condition of any substitution pursuant to this Condition 19 that (i) the Covered Bond Guarantee shall remain in place or be modified to apply mutatis mutandis and continue in full force and effect in relation to any Subsidiary of the Issuer which is proposed to be substituted for the Issuer as principal debtor under the Covered Bonds and the Trust Deed; and (ii) any Subsidiary of the Issuer which is proposed to be substituted for the Issuer is included in the Registry as a registered issuer and that all other provisions of the Covered Bond Legislative Framework and the CMHC Guide are satisfied prior to the substitution of the Issuer.

20. Rating Agency Condition

20.01 By subscribing for or purchasing Covered Bond(s), each holder of Covered Bonds shall be deemed to have acknowledged and agreed that a credit rating of a Series of Covered Bonds by the Rating Agencies is an assessment of credit risk and does not address other matters that may be of relevance to holders of Covered Bonds, including, without limitation, in the case of a confirmation by each Rating Agency that any action proposed to be taken by the Issuer, the Guarantor, the Seller, the Servicer, the Cash Manager, the Bond Trustee or any other party to a Transaction Document will not result in a reduction or withdrawal of the rating of the Covered Bonds in effect immediately before the taking of such action (a “**Rating Agency Condition**”), whether such action is either (i) permitted by the terms of the relevant Transaction Document or (ii) in the best interests of, or not prejudicial to, some or all of the holders of Covered Bonds.

20.02 In being entitled to have regard to the fact that a Rating Agency has confirmed that the then current rating of the relevant Series of Covered Bonds would not be reduced or withdrawn, each of the Issuer, the Guarantor, the Bond Trustee, and the Secured Creditors (including the Holders of Covered Bonds) is deemed to have acknowledged and agreed that confirmation of the satisfaction of the Rating Agency Condition does not impose or extend any actual or contingent liability on the Rating Agencies to the Issuer, the Guarantor, the Bond Trustee, the Secured Creditors (including the Holders of Covered Bonds) or any other person or create any legal relations between the Rating Agencies and the Issuer, the Guarantor, the Bond Trustee, the Secured Creditors (including the Holders of Covered Bonds) or any other person whether by way of contract or otherwise.

20.03 By subscribing for or purchasing Covered Bond(s), each holder of Covered Bonds shall be deemed to have acknowledged and agreed that:

- (a) a confirmation of the satisfaction of the Rating Agency Condition may or may not be given at the sole discretion of each Rating Agency;
- (b) depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that a Rating Agency cannot confirm the satisfaction of the Rating Agency Condition in the time available, or at all, and the Rating Agency shall not be responsible for the consequences thereof;
- (c) a confirmation of the satisfaction of the Rating Agency Condition, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time, and in the context of cumulative changes to the transaction of which the Covered Bonds forms a part; and
- (d) a confirmation of the satisfaction of the Rating Agency Condition represents only a restatement of the opinions given, and shall not be construed as advice for the benefit of any holder of Covered Bonds or any other party.

20.04 If a confirmation of the satisfaction of the Rating Agency Condition or some other response by a Rating Agency is a condition to any action or step or is otherwise required under any Transaction Document and a written request for such confirmation of the satisfaction of the Rating Agency Condition or response is delivered to that Rating Agency by any of the Issuer, the Guarantor and/or the Bond Trustee, as applicable (each a “**Requesting Party**”), and either (i) the Rating Agency indicates that it does not consider such confirmation or response necessary in the circumstances or (ii) within 30 days (or, in the case of Moody’s, 10 Business Days) of actual receipt of such request by the Rating Agency, such request elicits no confirmation or response and/or such request elicits no statement by the Rating Agency that such confirmation or response could not be given, the Requesting Party will be entitled to disregard the requirement for satisfaction of the Rating Agency Condition or affirmation of rating or other response by the Rating Agency and proceed on the basis that such confirmation or affirmation of rating or other response by the Rating Agency is not required in the particular circumstances of the request. The failure by a Rating Agency to respond to a

written request for a confirmation or affirmation shall not be interpreted to mean that such Rating Agency has given any deemed confirmation of the satisfaction of the Rating Agency Condition or affirmation of rating or other response in respect of such action or step.

21. Indemnification of Bond Trustee and Bond Trustee contracting with the Issuer and/or the Guarantor

If, in connection with the exercise of its powers, trusts, authorities or discretions the Bond Trustee is of the opinion that the interests of the holders of the Covered Bonds of any one or more Series would be materially prejudiced thereby, the Bond Trustee shall not exercise such power, trust, authority or discretion without the approval by Extraordinary Resolution of such holders of the relevant Series of Covered Bonds then outstanding or by a direction in writing of such holders of the Covered Bonds of at least 25 per cent. of the Principal Amount Outstanding of Covered Bonds of the relevant Series then outstanding.

The Trust Deed and the Security Agreement contain provisions for the indemnification of the Bond Trustee and for relief from responsibility, including provisions relieving the Bond Trustee from taking any action unless indemnified and/or secured to the satisfaction of the Bond Trustee.

The Trust Deed and the Security Agreement also contain provisions pursuant to which the Bond Trustee is entitled, among other things: (i) to enter into business transactions with the Issuer, the Guarantor and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the Guarantor and/or any of their respective Subsidiaries and affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the holders of the Covered Bonds, Receipholders or Couponholders or the other Secured Creditors; and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

The Bond Trustee will not be responsible for any loss, expense or liability, which may be suffered as a result of any Loans or Related Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organizations or their operators or by intermediaries such as banks, brokers or other similar persons on behalf of the Bond Trustee. The Bond Trustee will not be responsible for: (i) supervising the performance by the Issuer or any other party to the Transaction Documents of their respective obligations under the Transaction Documents and the Bond Trustee will be entitled to assume, until it has written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Transaction Documents under the Transaction Documents; (iii) monitoring the Covered Bond Portfolio, including, without limitation, whether the Covered Bond Portfolio is in compliance with the Asset Coverage Test and/or the Amortization Test; or (iv) monitoring whether Loans and their Related Security satisfy the Eligibility Criteria. The Bond Trustee will not be liable to any holder of the Covered Bonds or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by reasonable and prudent institutional mortgage lenders in the Seller's market in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Transaction Documents.

22. Law and Jurisdiction

The Trust Deed, Agency Agreement, the Covered Bonds and Receipts, Coupons and Talons related thereto and the other Transaction Documents, except as specified therein, are governed by and shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

EXPENSES

Except as otherwise set out in the applicable Final Terms or Pricing Supplement, expenses related to the issue and distribution of each Tranche of Covered Bonds will be paid as agreed in the Dealership Agreement.

USE OF PROCEEDS

Except as otherwise set out in the applicable Final Terms or Pricing Supplement, the net proceeds of the issue of each Tranche of Covered Bonds will be added to the general funds of the Issuer.

(a Canadian chartered Bank)

TEMPORARY GLOBAL COVERED BOND

and

unconditionally and irrevocably guaranteed as to payments of interest and principal by

TD Covered Bond (Legislative) Guarantor Limited Partnership
(established under the Limited Partnerships Act (Ontario))
(the “**Guarantor**”)

This Global Covered Bond is a Temporary Global Covered Bond in respect of a duly authorized issue of Covered Bonds of the Issuer (the “**Covered Bonds**”) of the aggregate Principal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Covered Bonds (the “**Final Terms**”), a copy of which is annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 to the Trust Deed (as defined below) as supplemented, replaced and modified by the Final Terms but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail.

Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and a Third Amended and Restated Trust Deed dated June 30, 2022, (such Third Amended and Restated Trust Deed as further modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) and made between the Issuer, the Guarantor and Computershare Trust Company of Canada as the Bond Trustee for, *inter alios*, the holders of the Covered Bonds.

For value received, the Issuer, subject as hereinafter provided and subject to and in accordance with the Conditions and the Trust Deed, promises to (i) pay to the bearer hereof on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, and (ii) perform all, if any, delivery obligations to be assumed or incurred by it under the Conditions, in each case upon presentation and, at maturity, surrender of this Global Covered Bond at the specified office of the Issuing and Paying Agent at Citibank, N.A. London Branch, Citigroup Centre 2, 25 Canada Square, Canary Wharf, London E14 5LB or such other specified office as may be specified for this purpose in accordance with the Conditions or at the specified office of any of the other Paying Agents located outside the United States, its territories and possessions

(except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

If the Final Terms indicate that this Global Covered Bond is intended to be a new Global Covered Bond (“**NGCB**”), the nominal amount of Covered Bonds represented by this Global Covered Bond shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking SA (“**Clearstream, Luxembourg**”, and together with Euroclear, the “**relevant Clearing Systems**”). The records of the relevant Clearing Systems (which expression in this Global Covered Bond means the records that each relevant Clearing System holds for its customers which reflect the amount of each such customer’s interest in the Global Covered Bonds) shall be conclusive evidence of the nominal amount of Global Covered Bonds represented by this Global Covered Bond and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Covered Bonds represented by this Global Covered Bond at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicate that this Global Covered Bond is not intended to be a NGCB, the nominal amount of the Covered Bonds represented by this Global Covered Bond shall be the amounts stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, III or IV of Schedule One hereto or in Schedule Two hereto.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond the Issuer shall procure that:

- (i) if the Final Terms indicate that this Global Covered Bond is intended to be a NGCB, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered *pro tanto* in the records of the relevant Clearing Systems, and, upon any such entry being made, the nominal amount of the Covered Bonds recorded in the records of the relevant Clearing Systems and represented by this Global Covered Bond shall be reduced by the aggregate nominal amount of the Covered Bonds so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid; or
- (ii) if the Final Terms indicate that this Global Covered Bond is not intended to be a NGCB, details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment, purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment, purchase and cancellation the Principal Amount Outstanding of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment.

Payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will only be made to the bearer hereof to the extent that there is presented to the Issuing and Paying Agent by Clearstream, Luxembourg or Euroclear a certificate in or substantially in the form set out in Part 7 of Schedule 2 to the Trust Deed to the effect that it has received from or in respect of a person entitled to a particular principal amount of the Covered Bonds represented by this Global Covered Bond (as shown by its records) a certificate in or substantially in the form of Certificate “A” as set out in Part 7 of Schedule 2 to the Trust Deed. The bearer of this Global Covered Bond will not (unless upon due presentation of this Global Covered Bond for exchange, delivery of the appropriate number of Definitive Covered Bonds (together, if applicable, with the Receipts, Coupons and Talons appertaining thereto in or substantially in the forms set out in Part 3, Part 4, Part 5 and Part 6 of Schedule 2 to the Trust Deed) or, as the case may be, issue and delivery (or, as the case may be, endorsement) of the Permanent Global Covered Bond is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment hereon due on or after the Exchange Date.

On or after the date (the “**Exchange Date**”) which is 40 days after the Issue Date, this Global Covered Bond may be exchanged (free of charge) in whole or in part for, as specified in the Final Terms, either (a) Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons (on the basis that all the appropriate details have been included on the face of such Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Bearer Definitive Covered Bonds) or (b) either (if the Final Terms indicate that this Global Covered Bond is intended to be a NGCB) interests recorded in the records of the relevant Clearing Systems in a Permanent Global Covered Bond or (if the Final Terms indicate that this is not intended to be a NGCB) a Permanent Global Covered Bond, which, in either case, is in or substantially in the form set out in Part 2 of Schedule 2 to the Trust Deed (together with the Final Terms attached thereto) upon notice being given by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Covered Bond and subject, in the case of Bearer Definitive Covered Bonds, to such notice period as is specified in the Final Terms.

If Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons have already been issued in exchange for all the Covered Bonds represented for the time being by the Permanent Global Covered Bond, then this Global Covered Bond may only thereafter be exchanged for Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons pursuant to the terms hereof.

Presentation of this Global Covered Bond for exchange shall be made by the bearer hereof on any Business Day in London at the office of the Issuing and Paying Agent specified above. The Issuer shall procure that Bearer Definitive Covered Bonds or (as the case may be) the Permanent Global Covered Bond shall be so issued and delivered and (in the case of the Permanent Global Covered Bond where the Final Terms indicate that this Global Covered Bond is intended to be a NGCB) interests in the Permanent Global Covered Bond shall be recorded in the records of the relevant Clearing Systems in exchange for only that portion of this Global Covered Bond in respect of which there shall have been presented to the Issuing and Paying Agent by Euroclear or Clearstream, Luxembourg a certificate in or substantially in the form set out in Part 7 of Schedule 2 to the Trust Deed to the effect that it has received from or in respect of a person entitled to a

particular nominal amount of the Covered Bonds represented by this Global Covered Bond (as shown by its records) a certificate in or substantially in the form of Certificate “A” as set out in Part 7 of Schedule 2 to the Trust Deed.

On an exchange of the whole of this Global Covered Bond, this Global Covered Bond shall be surrendered to the Issuing and Paying Agent. The Issuer shall procure that:

- (i) if the Final Terms indicate that this Global Covered Bond is intended to be a NGCB, on an exchange of the whole or part only of this Global Covered Bond, details of such exchange shall be entered *pro tanto* in the records of the relevant Clearing Systems such that the nominal amount of Covered Bonds represented by this Global Covered Bond shall be reduced by the nominal amount of this Global Covered Bond so exchanged; or
- (ii) if the Final Terms indicate that this Global Covered Bond is not intended to be a NGCB, on an exchange of part only of this Global Covered Bond, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of this Global Covered Bond so exchanged. On any exchange of this Global Covered Bond for a Permanent Global Covered Bond, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two to the Permanent Global Covered Bond and the relevant space in Schedule Two thereto recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the bearer hereof shall (subject as provided in the next paragraph) in all respects (except as otherwise provided herein) be entitled to the same benefits as if he were the bearer of Bearer Definitive Covered Bonds and the relative Receipts, Coupons and/or Talons (if any) in the form(s) set out in Part 3, Part 4, Part 5 and Part 6 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor, the Bond Trustee, the Issuing and Paying Agent and any other Paying Agent as the holder of such principal amount of such Covered Bonds for all purposes other than with respect to the payment of principal and interest on such principal amount of such Covered Bonds, the right to which shall be vested, as against the Issuer and the Guarantor, solely in the bearer of this Global Covered Bond in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

The Issuer confirms that it fully understands and is able to calculate the rate of interest applicable to the Covered Bonds based on the methodology for calculating per annum rates provided for herein. The Issuer hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Covered Bonds or any transaction document, that the interest payable under the Covered Bonds or any transaction document and the calculation thereof has not been adequately disclosed to the Issuer, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

This Global Covered Bond shall not be valid unless authenticated by Citibank, N.A. London Branch, as Issuing and Paying Agent and, if the Final Terms indicate that this Global Covered Bond is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

PERMANENT GLOBAL COVERED BOND

and

unconditionally and irrevocably guaranteed as to payments of interest and principal by

TD Covered Bond (Legislative) Guarantor Limited Partnership
(established under the Limited Partnerships Act (Ontario))
(the “**Guarantor**”)

This Global Covered Bond is a Permanent Global Covered Bond in respect of a duly authorized issue of Covered Bonds of the Issuer (the “**Covered Bonds**”) of the aggregate Principal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Covered Bonds (the “**Final Terms**”), a copy of which is annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 to the Trust Deed (as defined below) as supplemented, replaced and modified by the Final Terms but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms, the Final Terms will prevail.

Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions a Third Amended and Restated Trust Deed dated June 30, 2022, (such Third Amended and Restated Trust Deed as further modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) and made between the Issuer, the Guarantor and Computershare Trust Company of Canada as the Bond Trustee for, *inter alios*, the holders of the Covered Bonds.

For value received, the Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to (i) pay to the bearer hereof on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, and (ii) perform all, if any, delivery obligations to be assumed or incurred by it under the Conditions, in each case upon presentation and, at maturity, surrender of this Global Covered Bond at the specified office of the Issuing and Paying Agent at Citibank, N.A. London Branch, Citigroup Centre 2, 25 Canada Square, Canary Wharf, London E14 5LB or such other specified office as may be specified for this purpose in accordance with the Conditions or at the specified office of any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Covered Bonds.

If the Final Terms indicate that this Global Covered Bond is intended to be a new Global Covered Bond (“**NGCB**”), the nominal amount of Covered Bonds represented by this Global Covered Bond shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking SA (“**Clearstream, Luxembourg**”, and together

with Euroclear, the “**relevant Clearing Systems**”). The records of the relevant Clearing Systems (which expression in this Global Covered Bond means the records that each relevant Clearing System holds for its customers which reflect the amount of each such customer’s interest in the Global Covered Bonds) shall be conclusive evidence of the nominal amount of Global Covered Bonds represented by this Global Covered Bond and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Covered Bonds represented by this Global Covered Bond at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicate that this Global Covered Bond is not intended to be a NGCB, the nominal amount of the Covered Bonds represented by this Global Covered Bond shall be the amounts stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II, III or IV of Schedule One hereto or in Schedule Two hereto.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond the Issuer shall procure that:

- (i) if the Final Terms indicate that this Global Covered Bond is intended to be a NGCB, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered *pro tanto* in the records of the relevant Clearing Systems such that the nominal amount of Covered Bonds represented by this Global Covered Bond shall be reduced by the nominal amount of this Global Covered Bond so redeemed or purchased and cancelled or the amount of such instalment; or
- (ii) if the Final Terms indicate that this Global Covered Bond is not intended to be a NGCB, details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment, purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment.

Where TEFRA D is specified in the applicable Final Terms, the Covered Bonds will initially have been represented by one or more Temporary Global Covered Bonds. On any exchange of any such Temporary Global Covered Bond issued in respect of the Covered Bonds or any part of it for this Global Covered Bond or any part hereof, the Issuer shall procure that:

- (i) if the Final Terms indicate that this Global Covered Bond is intended to be a NGCB, details of such exchange shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Covered Bonds

represented by this Global Covered Bond shall be increased by the nominal amount of the Temporary Global Covered Bond so exchanged; or

- (ii) if the Final Terms indicate that this Global Covered Bond is not intended to be a NGCB, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the Principal Amount Outstanding of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be increased by the nominal amount of the Temporary Global Covered Bond so exchanged.

In certain circumstances further Covered Bonds may be issued which are intended on issue to be consolidated and form a single Series with the Covered Bonds. In such circumstances the Issuer shall procure that:

- (i) if the applicable Final Terms indicate that this Permanent Global Covered Bond is intended to be a NGCB, details of such further Covered Bonds may be entered in the records of the relevant Clearing Systems such that the principal amount of Covered Bonds represented by this Permanent Global Covered Bond may be increased by the amount of such further Covered Bonds so issued; or
- (ii) if the applicable Final Terms indicate that this Permanent Global Covered Bond is not intended to be a NGCB, details of such further Covered Bonds may be entered by or on behalf of the Issuer in Schedule Two hereto and the recording of such exchange or the issue of an additional Tranche shall be signed by or on behalf of the Issuer, whereupon the principal amount of the Covered Bonds represented by this Permanent Global Covered Bond shall be increased by the principal amount of any such Temporary Global Covered Bond so exchanged or any new Tranche so issued.

This Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons in or substantially in the forms set out in Part 3, Part 4, Part 5 and Part 6 of Schedule 2 to the Trust Deed (on the basis that all the appropriate details have been included on the face of such Bearer Definitive Covered Bonds and (if applicable) Receipts, Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Bearer Definitive Covered Bonds) either, as specified in the applicable Final Terms:

- (i) upon not less than 60 days' written notice being given to the Issuing and Paying Agent by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Covered Bond; or
- (ii) upon the occurrence of an Exchange Event.

An “**Exchange Event**” means:

(1) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of at least 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or

(3) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds in definitive form and a certificate to such effect from an Authorized Signatory of the Issuer has been given to the Bond Trustee.

If this Global Covered Bond is exchangeable following the occurrence of an Exchange Event:

- (i) the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (*Notices*) upon the occurrence of such Exchange Event; and
- (ii) in the event of the occurrence of an Exchange Event as described in (1) above, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in this Global Covered Bond) may give notice to the Issuing and Paying Agent requesting exchange.

Any such exchange shall occur on a date specified in the notice not more than 45 days after the date of receipt of the first relevant notice by the Issuing and Paying Agent.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Bearer Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Global Covered Bond.

Any such exchange as aforesaid will be made upon presentation of this Global Covered Bond by the bearer hereof on any Business Day in London at the office of the Issuing and Paying Agent specified above.

The aggregate Principal Amount Outstanding of Bearer Definitive Covered Bonds issued upon an exchange of this Global Covered Bond will be equal to the aggregate Principal Amount Outstanding of this Global Covered Bond. Upon exchange of this Global Covered Bond for Bearer Definitive Covered Bonds, the Issuing and Paying Agent shall cancel it or procure that it is cancelled.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the bearer hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the bearer of Bearer Definitive Covered Bonds and the relative Receipts, Coupons and/or Talons (if any) in the form(s) set out in Part 3, Part 4, Part 5 and Part 6 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and

For the purposes of disclosure pursuant to the *Interest Act* (Canada) and not for any other purpose, where in any Covered Bond (i) a rate of interest is to be calculated on the basis of a year of 360 days, the yearly rate of interest to which the 360 day rate is equivalent is such rate multiplied by the number of days in the year for which such calculation is made and divided by 360, or (ii) a rate of interest is to be calculated during a leap year, the yearly rate of interest to which such rate is equivalent is such rate multiplied by 366 and divided by 365.

This Global Covered Bond is governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

IN WITNESS whereof the Issuer has caused this Global Covered Bond to be signed manually or in facsimile by a person duly authorized on its behalf.

Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment. The Principal Amount Outstanding from time to time of this Global Covered Bond and of the Covered Bonds represented by this Global Covered Bond following any such redemption, payment of an instalment, purchase and cancellation as aforesaid or any exchange as referred to below shall be the Principal Amount Outstanding most recently entered in the Register.

This Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Registered Definitive Covered Bonds without Receipts, Coupons and/or Talons attached (on the basis that all the appropriate details have been included on the face of such Registered Definitive Covered Bonds and the relevant information supplementing, replacing or modifying the Conditions appearing in the Final Terms has been endorsed on or attached to such Registered Definitive Bearer Covered Bonds) either, as specified in the applicable Final Terms:

- (i) upon not less than 60 days' written notice being given to the Registrar by Euroclear Bank SA/NV ("**Euroclear**") and/or Clearstream Banking SA ("**Clearstream, Luxembourg**") acting on the instructions of any holder of an interest in this Global Covered Bond; or

An "**Exchange Event**" means:

(1) in the case of Covered Bonds registered in the name of a nominee for a common depository, or if the applicable Final Terms specifies that this Global Covered Bond is to be held under the NSS, a Common Safekeeper for Euroclear and Clearstream, Luxembourg, the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of at least 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or

(2) in the case of Covered Bonds registered in the name of a nominee for DTC, either the Depository Trust Company ("**DTC**") has notified the Issuer that it is unwilling or unable to continue to act as depository for the Covered Bonds and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act; or

(3) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds in definitive form and a certificate to such effect from an Authorized Signatory of the Issuer has been given to the Bond Trustee.

If this Global Covered Bond is exchangeable following the occurrence of an Exchange Event:

- (i) the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (*Notices*) upon the occurrence of such Exchange Event; and
- (ii) DTC, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in this Global Covered Bond) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (2) above, the Issuer may also give notice to the Registrar requesting exchange.

Any such exchange shall occur on a date specified in the notice not more than 10 days after the date of receipt of the first relevant notice by the Registrar.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Registered Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Global Covered Bond.

Registered Definitive Covered Bonds will be issued in the minimum denominations specified in the Final Terms.

Any such exchange as aforesaid will be made upon presentation of this Global Covered Bond by the registered holder at the office of the Registrar on any Business Day in the place of presentation.

Covered Bonds represented by this Global Covered Bond are transferable only in accordance with, and subject to, the provisions hereof, the Trust Deed and the Agency Agreement (as amended and/or supplemented and/or restated from time to time) and the rules and operating procedures of Euroclear and Clearstream, Luxembourg and DTC.

On any exchange or transfer as aforesaid pursuant to which either (i) Covered Bonds represented by this Global Covered Bond are no longer so represented or (ii) if Covered Bonds not so represented are to be so represented details of such exchange or transfer shall be entered by or on behalf of the Issuer in the Register, whereupon the nominal amount of this Global Covered Bond and the Covered Bonds held by the registered holder hereof shall be increased or reduced (as the case may be) by the nominal amount so exchanged or transferred.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the registered holder hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the registered holder of Registered Definitive Covered Bonds in the form(s) set out in Part A or B (as applicable) of Part 3 of Schedule 3 to the Trust Deed.

In the case of Covered Bonds registered in the name of a nominee of a common depositary, or if the applicable Final Terms specifies that this Global Covered Bond is to be held under the NSS, a

Subject as provided in the Trust Deed, each person who is for the time being shown in the records of DTC as entitled to a particular nominal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by DTC as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be deemed to be the holder of such nominal amount of such Covered Bonds for all purposes other than with respect of payments on, and voting, giving consents and making requests in respect of, such nominal amount of such Covered Bonds for which purpose the registered holder of this Global Covered Bond shall be deemed to be the holder of such nominal amount of the Covered Bonds in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

For the purposes of disclosure pursuant to the *Interest Act* (Canada) and not for any other purpose, where in any Covered Bond (i) a rate of interest is to be calculated on the basis of a year of 360 days, the yearly rate of interest to which the 360 day rate is equivalent is such rate multiplied by the number of days in the year of which such calculation is made and divided by 360, or (ii) a rate of interest is to be calculated during a leap year, the yearly rate of interest to which such rate is equivalent is such rate multiplied by 366 and divided by 365.

The Issuer confirms that it fully understands and is able to calculate the rate of interest applicable to the Covered Bonds based on the methodology for calculating per annum rates provided for herein. The Issuer hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Covered Bonds or any transaction document, that the interest payable under the Covered Bonds or any transaction document and the calculation thereof has not been adequately disclosed to the Issuer, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

This Global Covered Bond is governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

This Global Covered Bond shall not be valid unless authenticated by Citigroup Global Markets Europe AG, as Registrar and, if the Final Terms indicate that this Global Covered Bond is intended to be held under the NSS, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

- (ii) upon the occurrence of an Exchange Event.

An "**Exchange Event**" means:

(1) in the case of Covered Bonds registered in the name of a nominee for a common depository, or if the applicable Final Terms specifies that this Global Covered Bond is to be held under the NSS, a Common Safekeeper for Euroclear and Clearstream, Luxembourg, the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of at least 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or

(2) in the case of Covered Bonds registered in the name of a nominee for DTC, either the Depository Trust Company ("**DTC**") has notified the Issuer that it is unwilling or unable to continue to act as depository for the Covered Bonds and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act; or

(3) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds in definitive form and a certificate to such effect from two Authorized Signatories of the Issuer has been given to the Bond Trustee.

If this Global Covered Bond is exchangeable following the occurrence of an Exchange Event:

- (i) the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (*Notices*) upon the occurrence of such Exchange Event; and
- (ii) DTC, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in this Global Covered Bond) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (2) above, the Issuer may also give notice to the Registrar requesting exchange.

Any such exchange shall occur on a date specified in the notice not more than 10 days after the date of receipt of the first relevant notice by the Registrar.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Registered Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Global Covered Bond.

Registered Definitive Covered Bonds will be issued in the minimum denominations specified in the Final Terms.

Any such exchange as aforesaid will be made upon presentation of this Global Covered Bond by the registered holder at the office of the Registrar on any Business Day in the place of presentation.

Covered Bonds represented by this Global Covered Bond are transferable only in accordance with, and subject to, the provisions hereof, the Trust Deed and the Agency Agreement (as amended and/or supplemented and/or restated from time to time) and the rules and operating procedures of Euroclear and Clearstream, Luxembourg and DTC.

On any exchange or transfer as aforesaid pursuant to which either (i) Covered Bonds represented by this Global Covered Bond are no longer so represented or (ii) if Covered Bonds not so represented are to be so represented details of such exchange or transfer shall be entered by or on behalf of the Issuer in the Register, whereupon the nominal amount of this Global Covered Bond and the Covered Bonds held by the registered holder hereof shall be increased or reduced (as the case may be) by the nominal amount so exchanged or transferred.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the registered holder hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the registered holder of Registered Definitive Covered Bonds in the form(s) set out in Part A or B (as applicable) of Part 3 of Schedule 3 to the Trust Deed.

In the case of Covered Bonds registered in the name of a nominee of a common depositary, or if the applicable Final Terms specifies that this Global Covered Bond is to be held under the NSS, a Common Safekeeper for Euroclear and Clearstream, Luxembourg, each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor, the Bond Trustee, the Registrar and any other Agent as the holder of such principal amount of such Covered Bonds for all purposes other than with respect to the payment of principal and interest on such principal amount of such Covered Bonds, the right to which shall be vested, as against the Issuer and the Guarantor, solely in the registered holder of this Global Covered Bond in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

Subject as provided in the Trust Deed, each person who is for the time being shown in the records of DTC as entitled to a particular nominal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by DTC as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be deemed to be the holder of such

nominal amount of such Covered Bonds for all purposes other than with respect of payments on, and voting, giving consents and making requests in respect of, such nominal amount of such Covered Bonds for which purpose the registered holder of this Global Covered Bond shall be deemed to be the holder of such nominal amount of the Covered Bonds in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

For the purposes of disclosure pursuant to the *Interest Act* (Canada) and not for any other purpose, where in any Covered Bond (i) a rate of interest is to be calculated on the basis of a year of 360 days, the yearly rate of interest to which the 360 day rate is equivalent is such rate multiplied by the number of days in the year of which such calculation is made and divided by 360, or (ii) a rate of interest is to be calculated during a leap year, the yearly rate of interest to which such rate is equivalent is such rate multiplied by 366 and divided by 365.

The Issuer confirms that it fully understands and is able to calculate the rate of interest applicable to the Covered Bonds based on the methodology for calculating per annum rates provided for herein. The Issuer hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Covered Bonds or any transaction document, that the interest payable under the Covered Bonds or any transaction document and the calculation thereof has not been adequately disclosed to the Issuer, whether pursuant to Section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

This Global Covered Bond is governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

This Global Covered Bond shall not be valid unless authenticated by Citigroup Global Markets Europe AG, as Registrar and, if the Final Terms indicate that this Global Covered Bond is intended to be held under the NSS, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Covered Bond to be signed manually or in facsimile by persons duly authorized on its behalf.

annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 to the Trust Deed (as defined below) as supplemented, replaced and modified by the Prospectus Supplement but, in the event of any conflict between the provisions of the said Conditions and the information in the Prospectus Supplement, the Prospectus Supplement will prevail.

Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and a Third Amended and Restated Trust Deed (such Third Amended and Restated Trust Deed as further modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) dated June 30, 2022 and made between the Issuer, the Guarantor and Computershare Trust Company of Canada, as Bond Trustee, for, *inter alios*, the Covered Bondholders.

For value received, the Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to pay to such registered holder on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Covered Bond at the office of the Registrar specified in the Prospectus Supplement.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in the Register. Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment. The Principal Amount Outstanding from time to time of this Global Covered Bond and of the Covered Bonds represented by this Global Covered Bond following any such redemption, payment of an instalment, purchase and cancellation as aforesaid or any exchange as referred to below shall be the Principal Amount Outstanding most recently entered in the Register.

This Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Registered Definitive Covered Bonds without Receipts, Coupons and/or Talons attached (on the basis that all the appropriate details have been included on the face of such Registered Definitive Covered Bonds and the relevant information supplementing, replacing or modifying the Conditions appearing in the Prospectus Supplement has been endorsed on or attached to such Registered Definitive Bearer Covered Bonds) either, (i) as specified in the applicable Prospectus Supplement or (ii) upon the occurrence of an Exchange Event.

An “**Exchange Event**” means in the case of Covered Bonds registered in the name of a nominee for DTC, either (i) the Depository Trust Company (“**DTC**”) has notified the Issuer that it is unwilling or unable to continue to act as depository for the Covered Bonds and no alternative clearing system is available or (ii) DTC has ceased to constitute a clearing agency registered under the Exchange Act; or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds in definitive form and a certificate to such effect from two Authorized Signatories of the Issuer has been given to the Bond Trustee.

If this Global Covered Bond is exchangeable following the occurrence of an Exchange Event set forth in (iii) above, the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (*Notices*) upon the occurrence of such Exchange Event.

Any such exchange shall occur on a date specified in the notice not more than 10 days after the date of receipt of the first relevant notice by the Registrar.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Registered Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Global Covered Bond.

Registered Definitive Covered Bonds will be issued in the minimum denominations specified in the Prospectus Supplement.

Any such exchange as aforesaid will be made upon presentation of this Global Covered Bond by the registered holder at the office of the Registrar on any Business Day in the place of presentation.

Covered Bonds represented by this Global Covered Bond are transferable only in accordance with, and subject to, the provisions hereof, the Trust Deed and the Agency Agreement dated June 25, 2014 (as amended and/or supplemented and/or restated from time to time) and the rules and operating procedures of DTC.

On any exchange or transfer as aforesaid pursuant to which either (i) Covered Bonds represented by this Global Covered Bond are no longer so represented or (ii) if Covered Bonds not so represented are to be so represented details of such exchange or transfer shall be entered by or on behalf of the Issuer in the Register, whereupon the nominal amount of this Global Covered Bond and the Covered Bonds held by the registered holder hereof shall be increased or reduced (as the case may be) by the nominal amount so exchanged or transferred.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the registered holder hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the registered holder of Registered Definitive Covered Bonds in the form(s) set out in Part 5 of Schedule 3 to the Trust Deed.

Subject as provided in the Trust Deed, each person who is for the time being shown in the records of DTC as entitled to a particular nominal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by DTC as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be deemed to be the holder of such nominal amount of such Covered Bonds for all purposes other than with respect of payments on,

and voting, giving consents and making requests in respect of, such nominal amount of such Covered Bonds for which purpose the registered holder of this Global Covered Bond shall be deemed to be the holder of such nominal amount of the Covered Bonds in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

For the purposes of disclosure pursuant to the *Interest Act* (Canada) and not for any other purpose, where in any Covered Bond (i) a rate of interest is to be calculated on the basis of a year of 360 days, the yearly rate of interest to which the 360 day rate is equivalent is such rate multiplied by the number of days in the year of which such calculation is made and divided by 360, or (ii) a rate of interest is to be calculated during a leap year, the yearly rate of interest to which such rate is equivalent is such rate multiplied by 366 and divided by 365.

CANADIAN REGISTERED GLOBAL COVERED BOND

and

unconditionally and irrevocably guaranteed as to payments of interest and principal by

TD Covered Bond (Legislative) Guarantor Limited Partnership
(established under the Limited Partnerships Act (Ontario))
(the “**Guarantor**”)

The Issuer hereby certifies that CDS & Co. is, at the date hereof, entered in the Register as the holder of the aggregate Nominal Amount of CDN _____ of a duly authorized issue of Covered Bonds of the Issuer (the “**Covered Bonds**”) of the Aggregate Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Pricing Supplement applicable to the Covered Bonds (the “**Pricing Supplement**”), a copy of which is annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Covered Bonds as set out in Schedule 1 to the Trust Deed (as defined below) as supplemented, replaced and modified by the Pricing Supplement but, in the event of any conflict between the provisions of the said Conditions and the information in the Pricing Supplement, the Pricing Supplement will prevail.

Words and expressions defined in the Conditions shall bear the same meanings when used in this Global Covered Bond.

This Global Covered Bond is issued subject to, and with the benefit of, the Conditions and a Third Amended and Restated Trust Deed dated June 30, 2022, and made between the Issuer, the Guarantor and Computershare Trust Company of Canada, as Bond Trustee, for, *inter alios*, the Covered Bondholders (such Third Amended and Restated Trust Deed as further modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”).

For value received, the Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to pay to such registered holder on each Instalment Date (if the Covered Bonds are repayable in instalments) and on the Final Maturity Date and/or on such earlier date(s) as all or any of the Covered Bonds represented by this Global Covered Bond may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the

Conditions in respect of such Covered Bonds on each such date and to pay interest (if any) on the Principal Amount Outstanding of the Covered Bonds from time to time represented by this Global Covered Bond calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Global Covered Bond at the specified office of the Canadian Registrar.

Except as required by applicable law, as provided by the rules and procedures of the Book-Entry-Only System or as otherwise provided herein or agreed by the Issuer and CDS, the Covered Bonds represented by this Global Covered Bond will be held under the book-entry-only securities services administered by CDS in accordance with the operating rules and procedures therefore and shall be represented by a single fully-registered permanent Global Covered Bond.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Covered Bonds represented by this Global Covered Bond details of such redemption, payment, purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in the Register. Upon any such redemption, payment of an instalment, purchase and cancellation the nominal amount of this Global Covered Bond and the Covered Bonds represented by this Global Covered Bond shall be reduced by the Principal Amount Outstanding of such Covered Bonds so redeemed or purchased and cancelled or the amount of such instalment. The Principal Amount Outstanding from time to time of this Global Covered Bond and of the Covered Bonds represented by this Global Covered Bond following any such redemption, payment of an instalment, purchase and cancellation as aforesaid or any exchange as referred to below shall be the Principal Amount Outstanding most recently entered in the Register.

This Global Covered Bond may be exchanged (free of charge) in whole, but not in part, for Registered Definitive Covered Bonds without Receipts, Coupons and/or Talons attached (on the basis that all the appropriate details have been included on the face of such Registered Definitive Covered Bonds and the relevant information supplementing, replacing or modifying the Conditions appearing in the Pricing Supplement has been endorsed on or attached to such Registered Definitive Bearer Covered Bonds) upon the occurrence of an Exchange Event.

An “**Exchange Event**” means:

- (i) in the case of Covered Bonds registered in the name of a nominee for CDS,
 - CDS has notified the Issuer that it is unwilling or unable to continue to act as a depository for the Covered Bonds and a successor depository is not appointed by the Issuer within 90 days after receiving such notice; or
 - CDS has ceased to be a recognised clearing agency under the Securities Act (Ontario) or a self-regulatory organisation under the Securities Act (Quebec) or other applicable Canadian securities legislation and a successor is not appointed by the Issuer within 90 days after the Issuer becoming aware that CDS is no longer so authorised; or
 - the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Covered Bonds in definitive form and a certificate to

such effect from an Authorized Signatory of the Issuer has been given to the Bond Trustee.

If this Global Covered Bond is exchangeable following the occurrence of an Exchange Event:

- the Issuer will promptly give notice to Covered Bondholders in accordance with Condition 14 (*Notices*) upon the occurrence of such Exchange Event; and
- in the event of the occurrence of an Exchange Event as described in (1) above, CDS (acting on the instructions of any holder of an interest in this Global Covered Bond) may give notice to the Issuing and Paying Agent requesting exchange.

Any such exchange shall occur on a date specified in the notice not more than 10 days after the date of receipt of the first relevant notice by the Canadian Registrar.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Registered Definitive Covered Bonds for the Principal Amount Outstanding of Covered Bonds represented by this Global Covered Bond.

Registered Definitive Covered Bonds will be issued in the minimum denominations specified in the Pricing Supplement.

Any such exchange as aforesaid will be made upon presentation of this Global Covered Bond by the registered holder at the office of the Canadian Registrar on any Business Day in the place of presentation.

Covered Bonds represented by this Global Covered Bond are transferable only in accordance with, and subject to, the provisions hereof, the Trust Deed and the Agency Agreement, as supplemented by a Supplemental Agency Agreement made on May 31, 2016 (as amended and/or supplemented and/or restated from time to time, the “**Agency Agreement**”) and the rules and operating procedures of CDS.

On any exchange or transfer as aforesaid pursuant to which either (i) Covered Bonds represented by this Global Covered Bond are no longer so represented or (ii) if Covered Bonds not so represented are to be so represented details of such exchange or transfer shall be entered by or on behalf of the Issuer in the Register, whereupon the nominal amount of this Global Covered Bond and the Covered Bonds held by the registered holder hereof shall be increased or reduced (as the case may be) by the nominal amount so exchanged or transferred.

Until the exchange of the whole of this Global Covered Bond as aforesaid, the registered holder hereof shall (subject as provided in the next paragraph) in all respects be entitled to the same benefits as if he were the registered holder of Registered Definitive Covered Bonds in the form(s) set out in Part 7 of Schedule 3 to the Trust Deed.

Subject as provided in the Trust Deed, each person who is for the time being shown in the records of CDS as entitled to a particular nominal amount of the Covered Bonds represented by this Global Covered Bond (in which regard any certificate or other document issued by CDS as to the nominal amount of such Covered Bonds standing to the account of any person shall be conclusive and

binding for all purposes save in the case of manifest error) shall be deemed to be the holder of such nominal amount of such Covered Bonds for all purposes other than with respect of payments on, and voting, giving consents and making requests in respect of, such nominal amount of such Covered Bonds for which purpose the registered holder of this Global Covered Bond shall be deemed to be the holder of such nominal amount of the Covered Bonds in accordance with and subject to the terms of this Global Covered Bond and the Trust Deed.

For the purposes of disclosure pursuant to the *Interest Act* (Canada) and not for any other purpose, where in any Covered Bond (i) a rate of interest is to be calculated on the basis of a year of 360 days, the yearly rate of interest to which the 360 day rate is equivalent is such rate multiplied by the number of days in the year of which such calculation is made and divided by 360, or (ii) a rate of interest is to be calculated during a leap year, the yearly rate of interest to which such rate is equivalent is such rate multiplied by 366 and divided by 365.

3. At least 21 days' notice (exclusive of the day on which the notice is given and the day on which the meeting is to be held) specifying the day and hour of meeting and manner in which it is to be held and, if a physical meeting or hybrid meeting is to be held, the place of the meeting shall be given to the holders of the relevant Covered Bonds prior to any meeting of such holders in the manner provided by Condition 14 (*Notices*). Such notice, which shall be in the English language, shall state generally the nature of the business to be transacted at the meeting thereby convened but (except for an Extraordinary Resolution) it shall not be necessary to specify in such notice the terms of any resolution to be proposed. Such notice shall include statements, if applicable, to the effect that (i) Bearer Covered Bonds may, not less than 48 hours before the time fixed for the meeting, be deposited with Paying Agents or (to their satisfaction) held to their order or under their control or blocked in an account with a clearing system for the purpose of obtaining voting certificates or appointing proxies, or (ii) the holder of Registered Covered Bonds may appoint proxies by executing and delivering a form of proxy in the English language to the specified office of the Registrar not less than 48 hours before the time fixed for the meeting or, in the case of corporations, may appoint representatives by resolution of the directors or other governing body. A copy of the notice shall be sent by post to the Bond Trustee (unless the meeting is convened by the Bond Trustee), and to the Issuer (unless the meeting is convened by the Issuer) and to the Guarantor (unless the meeting is convened by the Guarantor).

4. A meeting that has been validly convened in accordance with paragraph 3 above, may be cancelled by the person who convened such meeting by giving at least 2 days' notice (exclusive of the day on which the notice is given or deemed to be given and of the day of the meeting) to the Covered Bondholders (with a copy to the Bond Trustee where such meeting was convened by the Issuer or to the Issuer where such meeting was convened by the Bond Trustee). Any meeting cancelled in accordance with this paragraph 4 shall be deemed not to have been convened.

5. A person (who may but need not be a Covered Bondholder) nominated in writing by the Bond Trustee shall be entitled to take the chair at the relevant meeting or adjourned meeting but if no such nomination is made or if at any meeting or adjourned meeting the person nominated

shall not be present within 15 minutes after the time appointed for holding the meeting or adjourned meeting the Covered Bondholders present shall choose one of their number to be Chair, failing which the Issuer may appoint a Chair. The Chair of an adjourned meeting need not be the same person as was Chair of the meeting from which the adjournment took place.

6. At any such meeting one or more persons present holding Definitive Covered Bonds or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than one twentieth of the Principal Amount Outstanding of the Covered Bonds of the relevant Series for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution or a Programme Resolution) form a quorum for the transaction of business and no business (other than the choosing of a Chair) shall be transacted at any meeting unless the requisite quorum be present at the commencement of the relevant business. The quorum at any such meeting for passing an Extraordinary Resolution (subject as provided below) or a Programme Resolution shall be one or more persons present holding Definitive Covered Bonds or voting certificates or being proxies or representatives and holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of the relevant Series for the time being outstanding PROVIDED THAT at any meeting the business of which includes any of the following matters (other than in relation to a Programme Resolution) (each of which shall, subject only to Clause 20.02, only be capable of being effected after having been approved by Extraordinary Resolution) namely:

- (A) reduction or cancellation of the amount payable or, where applicable, modification of the method of calculating the amount payable or modification of the date of payment or, where applicable, modification of the method of calculating the date of payment in respect of any principal or interest in respect of the Covered Bonds;
- (B) subject to any applicable redenomination provisions specified in the applicable Final Terms, alteration of the currency in which payments under the Covered Bonds, Receipts and Coupons are to be made;
- (C) alteration of the majority required to pass an Extraordinary Resolution;
- (D) any amendment to the Covered Bond Guarantee or the Security Agreement (except in a manner determined by the Bond Trustee not to be materially prejudicial to the interests of the Covered Bondholders of any Series);
- (E) except in accordance with Condition 12, the sanctioning of any such scheme or proposal as is described in paragraph 18(I) below; and
- (F) alteration of this proviso or the proviso to paragraph 7 below;

(each a “**Series Reserved Matter**”, other than, for the avoidance of doubt, (i) in respect of Covered Bonds issued on or after July 27, 2018, a Base Rate Modification (as defined in Condition 13.02), or (ii) in respect of Covered Bonds issued on or after June 30, 2020, (a) the replacement of the USD Benchmark to the Benchmark Replacement (as such terms are defined in Condition 13.02), or (b) effecting Benchmark Replacement Conforming Changes (as defined in Condition 13.02)), the quorum shall be one or more

persons present holding Definitive Covered Bonds or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of the relevant Series for the time being outstanding.

7. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chair may decide) after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened upon the requisition of Covered Bondholders be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if such day is a public holiday the next succeeding business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall stand adjourned for such period, being not less than 13 clear days nor more than 42 clear days, and to such place as may be appointed by the Chair either at or subsequent to such meeting and approved by the Bond Trustee). If within 15 minutes (or such longer period not exceeding 30 minutes as the Chair may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chair may either (with the approval of the Bond Trustee) dissolve such meeting or adjourn the same for such period, being not less than 13 clear days (but without any maximum number of clear days), and to such place as may be appointed by the Chair either at or subsequent to such adjourned meeting and approved by the Bond Trustee, and the provisions of this sentence shall apply to all further adjourned such meetings. At any adjourned meeting one or more persons present holding Definitive Covered Bonds or voting certificates or being proxies (whatever the nominal amount of the Covered Bonds of the relevant Series so held or represented by them) shall (subject as provided below) form a quorum and shall have power to pass any Extraordinary Resolution, Programme Resolution or other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the requisite quorum been present PROVIDED THAT at any adjourned meeting the quorum for the transaction of business comprising any Series Reserved Matter shall be one or more persons present holding Definitive Covered Bonds or voting certificates or being proxies and holding or representing in the aggregate not less than one-third of the aggregate Principal Amount Outstanding of the Covered Bonds of the relevant Series for the time being outstanding.

8. Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 3 above and such notice shall state the relevant quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

Every question submitted to a meeting which is held only as a physical meeting shall be decided in the first instance by a show of hands and in case of equality of votes the Chair shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Covered Bondholder or as a holder of a voting certificate or as a proxy or as a representative. At a virtual meeting or a hybrid meeting, a resolution put to the vote of the meeting shall be decided on a poll in accordance with paragraph 14 and any such poll will be

deemed to have been validly demanded at the time fixed for holding the meeting to which it relates.

9. At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chair, the Issuer, the Guarantor, the Bond Trustee or any person present holding a Definitive Covered Bond or a voting certificate or being a proxy or representative (whatever the Principal Amount Outstanding of the Covered Bonds so held or represented by him) a declaration by the Chair that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

10. Subject to paragraph 12 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chair directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.

11. The Chair may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.

12. Any poll demanded at any such meeting on the election of a Chair or on any question of adjournment shall be taken at the meeting without adjournment.

13. The Bond Trustee and its lawyers and any director, officer or employee of a corporation being a bond trustee under the Trust Deed and any director or officer of the Issuer or, as the case may be, the Guarantor and its or their lawyers and any other person authorized so to do by the Bond Trustee may attend and speak at any meeting. Save as aforesaid, but without prejudice to the proviso to the definition of “**outstanding**” as set out in the Master Definitions and Construction Agreement, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of Covered Bondholders or join with others in requesting the convening of such a meeting or to exercise the rights conferred on Covered Bondholders by Condition 7 (*Events of Default*) unless he either produces the Definitive Covered Bond or Definitive Covered Bonds of which he is the holder or a voting certificate or is a proxy. No person shall be entitled to vote at any meeting in respect of Covered Bonds held by, for the benefit of, or on behalf of, the Issuer or the Guarantor. Nothing herein shall prevent any of the proxies named in any block voting instruction from being a director, officer or representative of or otherwise connected with the Issuer or the Guarantor.

14. Subject as provided in paragraph 13 hereof at any meeting:

- (A) on a show of hands at a meeting which is held only as a physical meeting every person who is present in person and produces a Bearer Definitive Covered Bond

or voting certificate or is the holder of a Registered Definitive Covered Bond is a proxy or representative shall have one vote; and

- (B) on a poll every person who is so present shall have one vote in respect of each USD1,000 or such other amount as the Bond Trustee may in its absolute discretion stipulate (or, in the case of meetings of holders of Covered Bonds denominated in another currency, such amount in such other currency as the Bond Trustee in its absolute discretion may stipulate) in the Principal Amount Outstanding of the Bearer Definitive Covered Bonds so produced or represented by the voting certificate so produced or in respect of which he is a proxy or representative or in respect of which (being a Registered Definitive Covered Bond) he is the registered holder.

Without prejudice to the obligations of the proxies named in any block voting instruction or form of proxy any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

15. The proxies named in any block voting instruction or form of proxy and representatives need not be Covered Bondholders.

16. Each block voting instruction together (if so requested by the Bond Trustee) with proof satisfactory to the Bond Trustee of its due execution or form of proxy on behalf of the relevant Paying Agent and each form of proxy should be deposited by one relevant Paying Agent or (as the case may be) by the Registrar or the relevant Transfer Agent at such place as the Bond Trustee shall approve not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction propose to vote and in default the block voting instruction or form of proxy shall not be treated as valid unless the Chair of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A copy of each block voting instruction and form of proxy shall (if the Bond Trustee so requires) be deposited with the Bond Trustee before the commencement of the meeting or adjourned meeting but the Bond Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such block voting instruction or form of proxy.

17. Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the relevant Covered Bondholders' instructions pursuant to which it was executed PROVIDED THAT no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent or in the case of a Registered Covered Bond from the holder thereof by the Issuer at its registered office (or such other place as may have been required or approved by the Bond Trustee for the purpose) by the time being 24 hours respectively before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction or form of proxy is to be used.

18. A meeting of the Covered Bondholders shall in addition to the powers hereinbefore given have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 6 and 7 above) namely:

- (A) Power to sanction any compromise or arrangement proposed to be made between the Issuer, the Guarantor, the Bond Trustee, any Appointee and the Covered Bondholders, Receipholders and Couponholders or any of them.
- (B) Power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Bond Trustee, any Appointee, the Covered Bondholders, the Receipholders, Couponholders, or the Issuer or the Guarantor or against any other or others of them or against any of their property whether such rights shall arise under the Trust Deed or the other Transaction Documents or otherwise.
- (C) Power to assent to any modification of the provisions of the Trust Deed or the other Transaction Documents which shall be proposed by the Issuer, the Guarantor, the Bond Trustee or any Covered Bondholder.
- (D) Power to give any authority or sanction which under the provisions of the Trust Deeds is required to be given by Extraordinary Resolution.
- (E) Power to appoint any persons (whether Covered Bondholders or not) as a committee or committees to represent the interests of the Covered Bondholders and to confer upon such committee or committees any powers or discretion which the Covered Bondholders could themselves exercise by Extraordinary Resolution.
- (F) Power to approve of a person to be appointed a trustee and power to remove any trustee or trustees for the time being of the Trust Deed and/or the Security Agreement.
- (G) Power to discharge or exonerate the Bond Trustee and/or any Appointee from all liability in respect of any act or omission for which the Bond Trustee and/or such Appointee may have become responsible under the Trust Deed and/or the Security Agreement.
- (H) Power to authorise the Bond Trustee and/or any Appointee to concur in and execute and do all such deeds, instruments, acts and things as may be necessary to carry out and give effect to any Extraordinary Resolution.
- (I) Power to sanction any scheme or proposal for the exchange or sale of the Covered Bonds for or the conversion of the Covered Bonds into, or the cancellation of the Covered Bonds in consideration of, shares, stock, covered bonds, bonds, debentures, debenture stock and/or other obligations and/or securities of the Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, bonds, covered bonds, debentures, debenture stock and/or other obligations and/or securities as described above and partly for or into or in consideration of cash and for the appointment of some person with power on behalf of the holders of the Covered Bonds to execute an instrument of transfer of the Registered Covered Bonds held by them in favour of the persons with or to whom the Covered Bonds are to be exchanged or sold respectively.

19. Any resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with the Trust Deed shall be binding upon all the Covered Bondholders whether present or not present at such meeting and whether or not voting and upon all Receiptholders and Couponholders and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Covered Bondholders shall be published in accordance with Condition 14 (*Notices*) by the Issuer within 14 days of such result being known PROVIDED THAT the non-publication of such notice shall not invalidate such result.

20. The expression “**Extraordinary Resolution**” when used in the Trust Deed means (a) a resolution passed at a meeting of the Covered Bondholders duly convened and held in accordance with terms of the Trust Deed by a majority consisting of not less than three fourths of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three fourths of the votes cast on such poll; or (b) a resolution in writing signed by or on behalf of Covered Bondholders holding not less than 50 per cent. in Principal Amount Outstanding of the Covered Bonds, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Covered Bondholders.

21. Subject to paragraphs 1 to 20 above and 22 to 24 below and without prejudice to any rights of the Bond Trustee hereunder, the following provisions shall apply to virtual and hybrid meetings:

- (A) The Issuer (with the Bond Trustee’s prior approval) or the Bond Trustee may decide to hold a virtual meeting or a hybrid meeting and, in such case, shall provide details of the means for Covered Bondholders or their proxies or representatives to attend, participate in and/or speak at the meeting, including the electronic platform to be used.
- (B) The Issuer, the Chair or the Bond Trustee may make any arrangement and impose any requirement or restriction as is necessary to ensure the identification of those entitled to take part in the virtual meeting or hybrid meeting and the suitability of the electronic platform. All documentation that is required to be passed between persons at or for the purposes of the virtual meeting or persons attending the hybrid meeting via the electronic platform (in each case, in whatever capacity) shall be communicated by email (or such other medium of electronic communication as the Bond Trustee may approve), provided that the Issuer or its agents shall be solely responsible for facilitating the distribution of all such documentation unless a meeting has been convened by the Bond Trustee.
- (C) All resolutions put to a virtual meeting or a hybrid meeting shall be voted on by a poll in accordance with paragraph 14 above.
- (D) Persons seeking to attend, participate in, speak or join a virtual meeting or a hybrid meeting via the electronic platform, shall be responsible for ensuring that

they have access to the facilities (including, without limitation, IT systems, equipment and connectivity) which are necessary to enable them to do so.

- (E) In determining whether persons are attending, participating in or joining a virtual meeting or a hybrid meeting via the electronic platform, it is immaterial whether any one or more persons attending it are in the same physical location as each other or how they are able to communicate with each other.
- (F) One or more persons who are not in the same physical location as each other may attend a virtual meeting or a hybrid meeting if their circumstances are such that, if they have (or were to have) the right to speak or vote at that meeting, they are (or would be) able to exercise such rights.
- (G) In the case of a virtual meeting via the electronic platform only, the Chair reserves the right to take such steps as the Chair shall determine in its absolute discretion to avoid or minimize disruption at the meeting, which steps may include (without limitation), muting the electronic connection to the meeting of the person causing such disruption for such period of time as the Chair may determine.²⁴
- (H) A person is able to exercise the right to speak at a virtual meeting or a hybrid meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, as contemplated by the relevant provisions of this Schedule.
- (I) A person is able to exercise the right to vote at a virtual meeting or a hybrid meeting when:
 - (i) That person is able to vote, during the meeting, on resolutions put to vote at the meeting;
 - (ii) That person's vote can be taken into account in determining whether or not such resolutions are passed contemporaneously with the votes of all the other persons attending the meeting who are entitled to vote at such meeting; and
 - (iii) The Bond Trustee shall not be responsible or liable to the Issuer, or the Guarantor or any other person for the choice or security of the electronic platform used for any virtual meeting or hybrid meeting or for accessibility or connectivity or the lack of accessibility or connectivity to any virtual meeting or hybrid meeting, notwithstanding any approval that may have been provided by the Bond Trustee to the Issuer, or the Guarantor.

²⁴ In circumstances where there is a persistent speaker or questioner who is disruptive, the Chair may, having given due consideration to the points or questions raised, as a last resort, put that attendee's line on mute so that the business of the meeting may proceed while allowing them to continue to be part of the meeting and to vote at the relevant stage in the meeting.

22. Minutes of all resolutions and proceedings at every meeting of the Covered Bondholders shall be made and entered in books to be from time to time provided for that purpose by the Issuer and any such minutes as aforesaid if purporting to be signed by the Chair of the meeting at which such resolutions were passed or proceedings transacted shall be conclusive evidence of the matters therein contained and until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings transacted thereat to have been duly passed or transacted.

23. (A) If and whenever the Issuer shall have issued and have outstanding Covered Bonds of more than one Series the foregoing provisions of this Schedule shall have effect subject to the following modifications:

- (i) a resolution which in the opinion of the Bond Trustee affects the Covered Bonds of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Covered Bonds of that Series;
- (ii) a resolution which in the opinion of the Bond Trustee affects the Covered Bonds of more than one Series but does not give rise to a conflict of interest between the holders of Covered Bonds of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Covered Bonds of all the Series so affected;
- (iii) a resolution which in the opinion of the Bond Trustee affects the Covered Bonds of more than one Series and gives or may give rise to a conflict of interest between the holders of the Covered Bonds of one Series or group of Series so affected and the holders of the Covered Bonds of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings of the holders of the Covered Bonds of each Series or group of Series so affected;
- (iv) a Programme Resolution shall be deemed to have been duly passed only if passed at a single meeting of the Covered Bondholders of all Series; and
- (v) to all such meetings all the preceding provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Covered Bonds and Covered Bondholders were references to the Covered Bonds of the Series or group of Series in question or to the holders of such Covered Bonds, as the case may be.

(B) If the Issuer shall have issued and have outstanding Covered Bonds which are not denominated in USD in the case of any meeting of holders of Covered Bonds of more than one currency (whether in respect of the meeting or any adjourned such meeting or any poll resulting therefrom) the Principal Amount Outstanding of such Covered Bonds shall be the equivalent in USD at the applicable Covered Bond Swap Rate. In such circumstances, on any poll each person present shall

have one vote for each USD 1,000 (or such other USD amount as the Bond Trustee may in its absolute discretion stipulate) of the Principal Amount Outstanding of the Covered Bonds (converted as above) which he holds or represents.

24. Subject to all other provisions of the Trust Deed the Bond Trustee may without the consent of the Issuer, the Guarantor, the Covered Bondholders, the Receiptholders or the Couponholders prescribe such further regulations regarding the requisitioning and/or the holding of meetings of Covered Bondholders and attendance and voting thereat as the Bond Trustee may in its sole discretion think fit. Such regulations may include (without limitation) such requirements as the Bond Trustee thinks reasonable to satisfy itself that the persons who purport to make any requisition in accordance with this Trust Deed are entitled to do so and as to the form of voting certificates or block voting instructions so as to satisfy itself that persons who purport to attend or vote at a meeting are entitled to do so and/or to facilitate the holding of a virtual meeting or a hybrid meeting.

PART 2

TERMS AND CONDITIONS OF THE N COVERED BONDS

The following are the terms and conditions of the N Covered Bonds (the “**Terms and Conditions**”), which will be incorporated by reference into and (as completed by the applicable Final Terms in relation to a Series of N Covered Bonds) apply to each Series of N Covered Bonds issued after the date of this Trust Deed. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, the N Covered Bond.

This N Covered Bond is one of a Series (as defined below) of Covered Bonds issued by The Toronto-Dominion Bank (the “**Issuer**” or the “**Bank**”) as part of the Issuer’s CAD 80 billion global Covered Bond programme (the “**Programme**”) and constituted by a Third Amended and Restated Trust Deed dated June 30, 2022 (such trust deed as further amended, supplemented or replaced, the “**Trust Deed**”) made between the Issuer, TD Covered Bond (Legislative) Guarantor Limited Partnership, as guarantor (the “**Guarantor**”) and Computershare Trust Company of Canada, as bond trustee (in such capacity, the “**Bond Trustee**” which expression shall include any successor as bond trustee).

The Covered Bonds have the benefit of an agency agreement dated the Programme Date (as amended, supplemented or replaced, the “**Agency Agreement**”) and made between the Issuer, the Guarantor, the Bond Trustee, Citibank, N.A., in its capacities as U.S. registrar (the “**U.S. Registrar**”, which expression shall include any successor in this capacity), transfer agent and paying agent (the “**U.S. Paying Agent**”, which expression shall include any successor in such capacity), Citigroup Global Markets Europe AG, in its capacity as European registrar (the “**European Registrar**”, which expression shall include any successor to Citigroup Global Markets Europe AG, in such capacity, and the “**Registrar**” or “**Registrars**” for a Tranche (as defined below) shall be as specified in the applicable Final Terms (as defined below)), and Citibank, N.A. London Branch, in its capacity as issuing and principal paying agent (the “**Issuing and Paying Agent**”, and which expression shall include any successor to Citibank, N.A. London Branch, in such capacity), calculation agent (the “**Calculation Agent**”, which expression shall include any successor to Citibank, N.A. London Branch in its capacity as such and any substitute calculation agent appointed in accordance with the Agency Agreement either with respect to the Programme or with respect to a particular Series) and as transfer agent and the other transfer agents named therein (collectively, the “**Transfer Agent**” which expression shall include any Registrar and any additional or successor transfer agents), and the paying agents named therein (the “**Paying Agents**”, which expression shall include the Issuing and Paying Agent, the U.S. Paying Agent and any substitute or additional paying agents appointed in accordance with the Agency Agreement either with respect to the Programme or with respect to a particular Series). As used herein, “**Agents**” shall mean the Paying Agents, the Registrar or Registrars, the Exchange Agent and the Transfer Agents.

References in these Terms and Conditions to “**N Covered Bonds**” are to any relevant Series of N Covered Bonds to which these Terms and Conditions are attached.

References in these Terms and Conditions (in particular in Conditions 7 and 13) to “Covered Bonds” are to all covered bonds issued by the Issuer under the Programme (including, for the avoidance of doubt, any N Covered Bonds).

References in these Terms and Conditions to the Final Terms are to Part A of the Final Terms(s) prepared in relation to the relevant Series of N Covered Bonds.

In respect of any N Covered Bonds, references herein to these “Terms and Conditions” are to these terms and conditions and any reference herein to a “**Condition**” is a reference to the relevant Condition of the Terms and Conditions of the relevant N Covered Bonds.

The N Covered Bonds are issued in series (each, a “**Series**”). Each Series will be the subject of Final Terms (each, “**Final Terms**”) prepared in relation to such Series of N Covered Bonds.

The Bond Trustee acts for the benefit of the holders for the time being of the Covered Bonds (the “holders of the Covered Bonds”, which expression shall, in relation to any Covered Bonds represented by a Global Covered Bond, be construed as provided below), the holders of the Receipts (the “**Receiptholders**”) and the holders of the Coupons (the “**Couponholders**”), and for holders of each other series of Covered Bonds in accordance with the provisions of the Trust Deed.

The Guarantor has, in the Trust Deed, irrevocably and unconditionally guaranteed the due and punctual payment of the Guaranteed Amounts in respect of the Covered Bonds as and when the same shall become due for payment on certain dates and in accordance with the Trust Deed (“**Due for Payment**”), but only after the occurrence of a Covered Bond Guarantee Activation Event.

The security for the obligations of the Guarantor under the Covered Bond Guarantee and the other Transaction Documents to which it is a party has been created in and pursuant to, and on the terms set out in, a security agreement (such security agreement as amended, supplemented or replaced the “**Security Agreement**”) dated the Programme Date and made between the Guarantor, the Bond Trustee and certain other Secured Creditors.

These Terms and Conditions include summaries of and are subject to, the provisions of the Trust Deed, the Security Agreement, the Agency Agreement and the other Transaction Documents.

Copies of the Trust Deed, the Security Agreement, the Master Definitions and Construction Agreement (as defined below), the Agency Agreement and each of the other Transaction Documents (other than the Dealership Agreement and any subscription agreements) are available for inspection during normal business hours at the registered office for the time being of the Bond Trustee being at the date of this Trust Deed at 100 University Avenue, 11th Floor, Toronto, Ontario, Canada, M5J 2Y1 and at the specified office of each of the Paying Agents. Copies of the applicable Final Terms of all Covered Bonds of each Series (including in relation to unlisted Covered Bonds of any Series) are obtainable during normal business hours of the specified office of each of the Paying Agents, and any holder of the Covered Bonds must produce evidence satisfactory to the Issuer and the Bond Trustee or, as the case may be, relevant Paying Agent as to its holding of Covered Bonds and identity. The holders of the Covered Bonds, the Receiptholders and Couponholders are deemed to have notice of, or are bound by, and are entitled to the benefit of, all the provisions of, and definitions contained in, the Trust Deed, the Security Agreement, the Master Definitions and Construction Agreement, the Agency Agreement, each of the other

Transaction Documents (other than the Dealership Agreement and any subscription agreements) and the applicable Final Terms which are applicable to them and to have notice of each set of Final Terms relating to each other Series.

Except where the context otherwise requires, capitalized terms used or otherwise defined in these Terms and Conditions shall bear the meanings given to them in the Master Definitions and Construction Agreement made between, *inter alios*, the parties to the Trust Deed on or about the Programme Date (such master definitions and construction agreement as amended, supplemented or replaced, the “**Master Definitions and Construction Agreement**”), a copy of each of which may be obtained as described above.

1. Form, Principal Amount and Currency

Form

1.01 Each N Covered Bond is issued in registered form as a German *Namenschuldverschreibung* and represented by a certificate which bears the manual signature of two duly authorised signatories of the Issuer and is manually authenticated by or on behalf of the Registrar.

The N Covered Bond is a Fixed Rate Covered Bond, a Floating Rate Covered Bond or a Zero Coupon Covered Bond or any appropriate combination thereof, depending on the Interest Basis specified in the applicable Final Terms. The N Covered Bond may also be an Instalment Covered Bond, if specified in the applicable Final Terms.

Principal Amount

1.02 N Covered Bonds are issued in the Principal Amount specified in the Final Terms.

Currency

1.03 The N Covered Bonds are denominated in such currency as may be specified in the Final Terms (the “**Specified Currency**”). Any currency may be so specified, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

2. Title and Transfer

2.01 The rights of the Holder arising from each N Covered Bond and title to the certificate itself pass by assignment and registration in the Register. Except as ordered by a court of competent jurisdiction or as required by mandatory law, the Issuer, any applicable Agents and the Registrar shall deem and treat the registered Holder of any N Covered Bond as the absolute owner thereof and holder of the rights evidenced thereby.

2.02 The rights of the Holder arising from any N Covered Bond and title to the certificate itself may be transferred in whole or in part upon assignment of the relevant rights under the N Covered Bond by the then current Holder to the new Holder and the surrender of the certificate, together with the duly completed and executed form of assignment agreement (which is attached to the certificate) at the specified office of the Registrar and the entry of the new Holder in the Register

by the Registrar. The date stated in the duly completed form of assignment agreement as the date, on which the economic effects of the assignments shall occur, shall be the “**Transfer Date**” to be entered into the Register by the Registrar. Any transfer of part only of a N Covered Bond is permitted only for the minimum assignment amount (the “**Minimum Assignment Amount**”) specified in the relevant Final Terms or an integral multiple thereof.

2.03 If a N Covered has been allocated to the Holder’s restricted assets (*Sicherungsvermögen*), the assignment agreement delivered to the Registrar must contain the consent of the trustee of the Holder or its deputy (*Treuhänder für das Sicherungsvermögen*) to the assignment (as provided in the form of assignment agreement).

2.04 In the case of a transfer of a N Covered Bond in whole and provided the requirements specified above have been met, a new certificate will be issued to the transferee with respect to the N Covered Bond upon request. In the case of a transfer of a part only of any N Covered Bond and provided the requirements specified above have been met, new certificates in respect of the balance transferred and the balance not transferred (as the case may be) will be issued to the transferor and to the transferee respectively upon request.

2.05 Each new certificate to be issued upon transfer of a N Covered Bond (in whole or in part) will, within seven business days (being, for the purposes of this subsection, a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the Registrar) of submission of the certificate and the duly completed and executed form of assignment agreement, be available for collection at the specified office of the Registrar or, at the request of the Holder making such submission and as specified in the relevant form of assignment agreement, be mailed at the risk of the Holder entitled to the new certificate by uninsured mail to such address as may be specified in the form of assignment agreement.

2.06 Transfers of N Covered Bonds will be effected without charge by or on behalf of the Issuer or the Registrar, but upon payment (or the giving of such indemnity as may be required from the Issuer or the Registrar) in respect of any tax or other duties which may be imposed in relation to it.

2.07 Any Holder may not require the transfer of a N Covered Bond to be registered during a period of 15 days ending on any due date for any payment of principal or interest. Any registration of transfer required during such period shall be deemed to have been required on the business day (as referred to in Condition 2.05 above) immediately following the last day of such period.

2.08 Any reference herein to a “N Covered Bond” includes, unless the context otherwise requires, any new N Covered Bond that has been issued upon transfer of any N Covered Bond or part thereof. In the event that the transfer of any N Covered Bond in accordance with this Condition 2 results in two or more new N Covered Bonds (the “**Split**”), the references to “N Covered Bond” and “Holder” and the other provisions of these Terms and Conditions shall apply mutatis mutandis to such N Covered Bonds. For the avoidance of doubt, following any Split, each Holder shall only be entitled *pro rata temporis* to payments under these Terms and Conditions. Any reference herein to “N Covered Bonds” in plural form shall constitute a reference to “N Covered Bond” in singular form. All grammatical and other changes required by the use of the word “N Covered Bond” in

singular form shall be deemed to have been made herein and the provisions hereof shall be applied as if such changes had been made.

2.09 For the purposes of these Terms and Conditions:

- (a) “**Holder**” means the holder of a N Covered Bond registered in the Register maintained by the Registrar. Any reference herein to Holder in plural form shall constitute a reference to Holder in singular form.
- (b) “**Register**” means the register maintained by the Registrar with respect to the N Covered Bonds.

3. Status of the N Covered Bonds

The N Covered Bonds constitute deposit liabilities of the Issuer for purposes of the Bank Act, however the N Covered Bonds will not be insured under the *Canada Deposit Insurance Corporation Act* (Canada), and will constitute legal, valid and binding direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* with all deposit liabilities of the Issuer without any preference among themselves and at least *pari passu* with all other unsubordinated and unsecured obligations of the Issuer, present and future (except as otherwise prescribed by law). Unless otherwise specified in the Final Terms, the deposits to be evidenced by the N Covered Bonds will be taken by the head office of the Issuer in Toronto, but without prejudice to the provisions of Condition 9.

4. Guarantee

Payment of Guaranteed Amounts in respect of the N Covered Bonds when the same shall become Due for Payment has been unconditionally and irrevocably guaranteed by the Guarantor (the “**Covered Bond Guarantee**”) in favour of the Bond Trustee (for and on behalf of the Covered Bondholders) following a Covered Bond Guarantee Activation Event pursuant to the terms of the Trust Deed. The Guarantor shall have no obligation under the Covered Bond Guarantee to pay any Guaranteed Amounts until a Covered Bond Guarantee Activation Event (as defined below) has occurred. The obligations of the Guarantor under the Covered Bond Guarantee are direct and, following the occurrence of a Covered Bond Guarantee Activation Event, unconditional and, except as provided in the Guarantee Priorities of Payment, unsubordinated obligations of the Guarantor, which are secured as provided in the Security Agreement. For the purposes of these Terms and Conditions, a “**Covered Bond Guarantee Activation Event**” means the earlier to occur of (i) an Issuer Event of Default together with the service of an Issuer Acceleration Notice on the Issuer and the service of a Notice to Pay on the Guarantor; and (ii) a Guarantor Event of Default together with the service of a Guarantor Acceleration Notice on the Issuer and the Guarantor. If a Notice to Pay is served on the Guarantor, the Guarantor shall pay Guaranteed Amounts in respect of the N Covered Bonds on the Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

Any payment made by the Guarantor under the Covered Bond Guarantee shall (unless such obligation shall have been discharged as a result of the payment of Excess Proceeds to the Bond Trustee pursuant to Condition 7) discharge *pro tanto* the obligations of the Issuer in respect of such payment under the Covered Bonds, Receipts and Coupons except where such payment has been

declared void, voidable or otherwise recoverable in whole or in part and recovered from the Bond Trustee or the holders of the Covered Bonds.

5. Interest

Interest

5.01 N Covered Bonds may be interest-bearing or non-interest-bearing. The Interest Basis is specified in the applicable Final Terms. Words and expressions appearing in this Condition 5 and not otherwise defined herein shall have the meanings given to them in Condition 5.09.

Interest on Fixed Rate Covered Bonds

5.02 Each Fixed Rate Covered Bond bears interest on its Outstanding Principal Amount from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrears on the Interest Payment Date(s) in each year up to and including the Final Maturity Date if that does not fall on an Interest Payment Date.

Unless otherwise provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on, but excluding, such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount(s) so specified.

As used in these Terms and Conditions, “**Fixed Interest Period**” means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or first) Interest Payment Date.

Interest will be calculated on the Calculation Amount of the Fixed Rate Covered Bonds and will be paid to the Holders of the N Covered Bonds. If interest is required to be calculated for a period ending other than on an Interest Payment Date, or if no Fixed Coupon Amount is specified in the applicable Final Terms, such interest shall be calculated in accordance with Condition 5.08.

Notwithstanding anything else in this Condition 5.02, if an Extended Due for Payment Date is specified in the Final Terms, interest following the Due for Payment Date will continue to accrue and be payable on any unpaid amount in accordance with Condition 5 at a Rate of Interest determined in accordance with Condition 5.03 (in the same manner as the Rate of Interest for Floating Rate Covered Bonds).

Interest on Floating Rate Covered Bonds

5.03 Interest Payment Dates

Each Floating Rate Covered Bond bears interest on its Outstanding Principal Amount from (and including) the Interest Commencement Date and such interest will be payable in arrears on either:

- (a) the Specified Interest Payment Date(s) (each an “**Interest Payment Date**”) in each year specified in the applicable Final Terms; or

- (b) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression, shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date). Interest will be calculated on the Calculation Amount of the Floating Rate Covered Bonds and will be paid to the Holders of the N Covered Bonds.

Rate of Interest

Where the Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be determined by the Calculation Agent on the following basis:

- (a) the Calculation Agent will determine the Reference Rate (if there is only one quotation for the Reference Rate on the Relevant Screen Page) or, as the case may require, the arithmetic mean (rounded, if necessary, to the nearest ten thousandth of a percentage point, 0.00005 being rounded upwards) of the quotations for the Reference Rate in the relevant currency for a period of the duration of the relevant Interest Period on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (b) if, on any Interest Determination Date, no such rate so appears on the Relevant Screen Page or, as the case may be, if fewer than two such quotations for the Reference Rate so appear or if the Relevant Screen Page is unavailable, the Calculation Agent will request appropriate quotations of the Reference Rate and will determine the arithmetic mean (rounded as described above) of the rates at which deposits in the relevant currency are offered by the Reference Banks at approximately the Relevant Time on the Interest Determination Date to prime banks in the Euro-zone (as defined herein) interbank market in the case of EURIBOR for a period of the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;
- (c) if, on any Interest Determination Date, only two or three rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates so quoted; or
- (d) if fewer than two rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates for the Reference Rate quoted by four major banks in the Financial Centre as selected by the Calculation Agent, at approximately 11.00 a.m. (Financial Centre time) on the first day of the relevant Interest Period for loans in the relevant currency to leading European banks

for a period for the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time,

and the Rate of Interest applicable to such N Covered Bonds during each Interest Period will be the sum of the Margin specified in the Final Terms and the Reference Rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates so determined, provided however that if the Calculation Agent is unable to determine a Reference Rate or, as the case may be, an arithmetic mean of rates in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to such N Covered Bonds during such Interest Period will be the sum of the Margin and the rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates determined in relation to such N Covered Bonds in respect of the last preceding Interest Period.

ISDA Rate Covered Bonds

5.04 Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin, if any. For purposes of this Condition 5.04, “**ISDA Rate**” for an Interest Period means a rate equal to the Fixed Rates, Fixed Amounts, Floating Rates or Floating Amounts, as the case may be, as set out in the applicable Final Terms, as would have applied (regardless of any event of default or termination event or tax event thereunder) if the Issuer had entered into a schedule and confirmation and credit support annex, if applicable, in respect of the relevant Series of N Covered Bonds, as applicable, with the Holder of such N Covered Bond under the terms of an agreement to which the ISDA Definitions applied and under which:

- the Fixed Rate Payer, Fixed Amount Payer, Floating Rate Payer or, as the case may be, Floating Amount Payer is the Issuer (as specified in the Final Terms);
- the Effective Date is the Interest Commencement Date;
- the Floating Rate Option (which may refer to a Rate Option or a Price Option, specified in the ISDA Definitions) is as specified in the applicable Final Terms;
- the Designated Maturity is the period specified in the applicable Final Terms;
- the Agent is the Calculation Agent;
- the Calculation Periods are the Interest Periods;
- the Payment Dates are the Interest Payment Dates;
- the relevant Reset Date is the day specified in the applicable Final Terms;
- the Calculation Amount is the principal amount of such N Covered Bond;

- the Day Count Fraction applicable to the calculation of any amount is that specified in the Final Terms (which may be Actual/Actual, Actual/Actual (ISDA), Actual/365 (Fixed), Actual/360, 30E/360, Eurobond Basis, 30/360, 360/360, Bond Basis, 30E/360 (ISDA), Actual/Actual (ICMA) or Act/Act (ICMA)), or if none is so specified, as may be determined in accordance with the ISDA Definitions; and
- the Business Day Convention applicable to any date is that specified in the Final Terms (which may be Following Business Day Convention, Modified Following Business Day Convention, Modified Business Day Convention, Preceding Business Day Convention, FRN Convention or Eurodollar Convention), or if none is so specified, as may be determined in accordance with the ISDA Definitions.

For the purposes of this Condition 5.04, “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

Maximum or Minimum Interest Rate

5.05 If any Maximum or Minimum Interest Rate is specified in the Final Terms, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.

Accrual of Interest after the due date

5.06 Interest will cease to accrue as from the due date for redemption therefor (or, in the case of an Instalment Covered Bond, in respect of each Instalment Amount, on the due date for payment of the relevant Instalment Amount) unless upon due presentation or surrender thereof (if required), payment in full of the Final Redemption Amount or the relevant Instalment Amount is improperly withheld or refused or default is otherwise made in the payment thereof. In such event, interest shall continue to accrue on the principal amount in respect of which payment has been improperly withheld or refused or default has been made (as well after as before any demand or judgment) at the Rate of Interest then applicable or such other rate as may be specified for this purpose in the Final Terms if permitted by applicable law (“**Default Rate**”) until the date on which, upon due presentation or surrender of the relevant N Covered Bond (if required), the relevant payment is made or, if earlier (except where presentation or surrender of the relevant N Covered Bond is not required as a precondition of payment), the seventh day after the date on which, the Issuing and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the Holders of the N Covered Bonds in accordance with Condition 14 that the Issuing and Paying Agent or, as the case may be, the Registrar has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

Interest Amount(s), Calculation Agent and Reference Banks

5.07 If a Calculation Agent is specified in the Final Terms, the Calculation Agent, as soon as practicable after the Relevant Time on each Interest Determination Date (or such other time on such date as the Calculation Agent may be required to calculate any Final Redemption Amount or Instalment Amount, obtain any quote or make any determination or calculation) will determine the

Rate of Interest and calculate the amount(s) of interest payable (the “**Interest Amount(s)**”) in the manner specified in Condition 5.08 below, calculate the Final Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date or, as the case may be, the Final Redemption Amount or any Instalment Amount to be notified to the Issuing and Paying Agent, the Registrar, the Issuer and the Holders in accordance with Condition 14 (except for U.S. Registered Covered Bonds) as soon as possible after their determination or calculation but in no event later than the fourth London Banking Day thereafter. The Interest Amounts and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the N Covered Bonds become due and payable under Condition 7, the Rate of Interest and the accrued interest payable in respect of the N Covered Bonds shall nevertheless continue to be calculated in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of each Rate of Interest, Interest Amount, Final Redemption Amount and Instalment Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon the Issuer and the Holders and neither the Calculation Agent nor any Reference Bank shall have any liability to the Holders in respect of any determination, calculation, quote or rate made or provided by it.

The Issuer will procure that there shall at all times be such Reference Banks as may be required for the purpose of determining the Rate of Interest applicable to the N Covered Bonds and a Calculation Agent, if provision is made for one in the Terms and Conditions.

If the Calculation Agent is incapable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for any Interest Period or to calculate the Interest Amounts or any other requirements, the Bond Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having regard as it shall think fit to the foregoing provision of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all circumstances or, as the case may be, the Bond Trustee shall calculate (or appoint an agent to calculate) the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Calculation Agent. The Calculation Agent may not resign its duties without a successor having been appointed as described above.

Calculations and Adjustments

5.08 The amount of interest payable in respect of any N Covered Bond for any period shall be calculated by applying the Rate of Interest to the Calculation Amount, and, in each case, multiplying such sum by the Day Count Fraction, save that if the Final Terms specifies a specific amount in respect of such period, the amount of interest payable in respect of such N Covered Bond for such Interest Period will be equal to such specified amount.

For the purposes of any calculations referred to in these Terms and Conditions, (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.),

(b) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount and (c) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

where:

where:

The amount of any such interest shall be calculated in accordance with the provisions of Condition 5.08 as if the Rate of Interest was the Amortization Yield, the Outstanding Principal Amount was the overdue sum and the Day Count Fraction was as specified for this purpose in the Final Terms or, if not so specified, 30E/360 (as defined in Condition 5.09).

6. Redemption and Purchase

6.01 Unless previously redeemed, or purchased and cancelled or unless such N Covered Bond is stated in the Final Terms as having no fixed maturity date, this N Covered Bond shall be redeemed at its Final Redemption Amount specified in the applicable Final Terms in the Specified Currency on the Final Maturity Date.

Without prejudice to Condition 7, if an Extended Due for Payment Date is specified as applicable in the Final Terms for a Series of N Covered Bonds and the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date specified in the Final Terms (or after expiry of

the grace period set out in Condition 7.01(a)) and, following service of a Notice to Pay on the Guarantor by no later than the date falling one Business Day prior to the Extension Determination Date, the Guarantor has insufficient moneys available in accordance with the Guarantee Priority of Payments to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of N Covered Bonds on the date falling on the earlier of (a) the date which falls two Business Days after service of such Notice to Pay on the Guarantor or, if later, the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 7.02) under the terms of the Covered Bond Guarantee or (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the Guarantor under the Covered Bond Guarantee shall be deferred until the Extended Due for Payment Date, provided that in respect of any amount representing the Final Redemption Amount due and remaining unpaid on the earlier of (a) and (b) above, the Guarantor will apply any moneys available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) to pay the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of N Covered Bonds on any Interest Payment Date thereafter up to (and including) the relevant Extended Due for Payment Date.

The Issuer shall confirm to the Issuing and Paying Agent as soon as reasonably practicable and in any event at least 4 Business Days prior to the Final Maturity Date of a Series of N Covered Bonds whether payment will be made in full of the Final Redemption Amount in respect of such Series of N Covered Bonds on that Final Maturity Date. Any failure by the Issuer to notify the Issuing and Paying Agent shall not affect the validity or effectiveness of the extension of maturity.

The Guarantor shall notify the relevant holders of the N Covered Bonds (in accordance with Condition 14), the Rating Agencies, the Bond Trustee, the Issuing and Paying Agent and the Registrar as soon as reasonably practicable and in any event at least one Business Day prior to the dates specified in (a) and (b) of the second paragraph of this Condition 6.01 of any inability of the Guarantor to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of a Series of N Covered Bonds pursuant to the Covered Bond Guarantee. Any failure by the Guarantor to notify such parties shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party.

In the circumstances outlined above, the Guarantor shall on the earlier of (a) the date falling two Business Days after the service of a Notice to Pay on the Guarantor or if later the Final Maturity Date (or, in each case, after the expiry of the applicable grace period set out in Condition 7.02) and (b) the Extension Determination Date, under the Covered Bond Guarantee, apply the moneys (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) *pro rata* in part payment of an amount equal to the Final Redemption Amount of each N Covered Bond of the relevant Series of N Covered Bonds and shall pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such N Covered Bond on such date. The obligation of the Guarantor to pay any amounts in respect of the balance of the Final Redemption Amount not so paid shall be deferred as described above. Such failure to pay by the Guarantor shall not constitute a Guarantor Event of Default.

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to the Bond Trustee shall be disregarded for the purposes of determining the amounts to be paid by the Guarantor under the Covered Bond Guarantee in connection with this Condition 6.01.

For the purposes of these Terms and Conditions:

“Extended Due for Payment Date” means, in relation to any Series of N Covered Bonds, the date, if any, specified as such in the applicable Final Terms to which the payment of all or (as applicable) part of the Final Redemption Amount payable on the Final Maturity Date will be deferred in the event that the Final Redemption Amount is not paid in full on the Extension Determination Date; and

Early Redemption for Taxation Reasons

6.02 If, in relation to any Series of N Covered Bonds (i) as a result of any amendment to, clarification of, or change including any announced proposed change in the laws or regulations, or the application or interpretation thereof of Canada or the United Kingdom or any political subdivision thereof or any authority or agency therein or thereof having power to tax or, in the case of N Covered Bonds issued by a branch of the Issuer outside Canada, of the country in which such branch is located or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date of such N Covered Bonds or any other date specified in the Final Terms, (ii) any judicial decision, administrative pronouncement, published or private ruling, regulatory procedure, rule, notice, announcement, assessment or reassessment (including any notice or announcement of intent to adopt or issue such decision, pronouncement, ruling, procedure, rule, notice, announcement, assessment or reassessment) (collectively, an “administrative action”); or (iii) any amendment to, clarification of, or change in, the official position with respect to or the interpretation of any administrative action or any interpretation or pronouncement that provides for a position with respect to such administrative action that differs from the theretofore generally accepted position, in each of case (i), (ii) or (iii), by any legislative body, court, governmental authority or agency, regulatory body or taxing authority, irrespective of the manner in which such amendment, clarification, change, administrative action, interpretation or pronouncement is made known, which amendment, clarification, change or administrative action is effective or which interpretation, pronouncement or administrative action is announced on or after the date of issue of the N Covered Bonds, there is more than an insubstantial risk (assuming any proposed or announced amendment, clarification, change, interpretation, pronouncement or administrative action is effective and applicable) the Issuer would be required to pay additional amounts as provided in Condition 8, and such

circumstances are evidenced by the delivery by the Issuer to the Issuing and Paying Agent and Bond Trustee of (x) a certificate signed by two senior officers of the Issuer stating that the said circumstances prevail and describing the facts leading thereto, and (y) an opinion of independent legal advisers of recognised standing to the effect that the circumstances set forth in (i), (ii) or (iii) above prevail, the Issuer may, at its option and having given no less than 30 nor more than 60 days' notice (ending, in the case of Floating Rate Covered Bonds, on an Interest Payment Date) to the Holders of the N Covered Bonds in accordance with Condition 14 (which notice shall be irrevocable), redeem all (but not some only) of the outstanding N Covered Bonds at their Outstanding Principal Amount or, in the case of Zero Coupon Covered Bonds, their Amortized Face Amount (as defined in Condition 6.10) or such Early Redemption Amount as may be specified in, or determined in accordance with the provisions of, the Final Terms, together with accrued interest (if any) thereon, provided, however, that no such notice of redemption may be given earlier than 90 days (or, in the case of Floating Rate Covered Bonds a number of days which is equal to the aggregate of the number of days falling within the then current Interest Period plus 60 days) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the N Covered Bonds then due.

The Issuer may not exercise such option in respect of any N Covered Bond which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such N Covered Bond under Condition 6.06.

Call Option

6.03 If a Call Option is specified in the Final Terms as being applicable, then the Issuer may, having given the appropriate notice to the Holders in accordance with Condition 14, which Notice shall be irrevocable, and shall specify the date fixed for redemption, redeem all or some only of the N Covered Bonds of this Series outstanding on any Optional Redemption Date at the Optional Redemption Amount(s) specified in, or determined in the manner specified in the applicable Final Terms together with accrued interest (if any) thereon on the date specified in such notice.

The Issuer may not exercise such option in respect of any N Covered Bond which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such N Covered Bond under Condition 6.06.

6.04 The appropriate notice referred to in Condition 6.03 is a notice given by the Issuer to the Holders of the N Covered Bonds of the relevant Series in accordance with Condition 14, which notice shall be irrevocable and shall specify:

- the Series of N Covered Bonds subject to redemption;
- whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of and the serial numbers of the N Covered Bonds of the relevant Series which are to be redeemed;
- the due date for such redemption, which shall be not less than thirty days nor more than 60 days after the date on which such notice is given and which shall be such date or the next of such dates (“**Call Option Date(s)**”) or a day falling within such period (“**Call Option**

Period”), as may be specified in the Final Terms and which is, in the case of N Covered Bonds which bear interest at a floating rate, a date upon which interest is payable; and

- the Optional Redemption Amount at which such N Covered Bonds are to be redeemed.

Partial Redemption

6.05 If the N Covered Bonds are to be redeemed in part only on any date in accordance with Condition 6.03, the N Covered Bonds shall be redeemed (so far as may be practicable) *pro rata* to their principal amounts.

In the case of the redemption of part only of a N Covered Bond, a new N Covered Bond in respect of the unredeemed balance shall be issued in accordance with Conditions 2.02 to 2.08, which shall apply as in the case of a transfer of N Covered Bonds as if such new N Covered Bond were in respect of the untransferred balance.

Put Option

6.06 If a Put Option is specified in the Final Terms as being applicable, upon the Holder of any N Covered Bond of this Series giving the required notice to the Issuer specified in the applicable Final Terms (which notice shall be irrevocable), the Issuer will, upon expiry of such notice, redeem such N Covered Bond subject to and in accordance with the terms specified in the applicable Final Terms in whole (but not in part only) on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in accordance with the provisions of, the applicable Final Terms, together with accrued interest (if any) thereon. In order to exercise such option, the Holder must, not less than 45 days before the Optional Redemption Date deposit the N Covered Bond during normal business hours at the specified office of the Registrar together with a duly completed early redemption notice (“**Put Notice**”) in the form which is available from the specified office of the Registrar. No N Covered Bond so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement).

In the case of the redemption of part only of a N Covered Bond, a new N Covered Bond in respect of the unredeemed balance shall be issued in accordance with Condition 2 which shall apply as in the case of a transfer of N Covered Bonds as if such new N Covered Bond were in respect of the untransferred balance.

The Holder of a N Covered Bond may not exercise such Put Option (i) in respect of any N Covered Bond which is the subject of an exercise by the Issuer of its option to redeem such N Covered Bond under either Condition 6.02 or 6.03, or (ii) following an Issuer Event of Default.

Purchase of N Covered Bonds

6.07 The Issuer or any of its subsidiaries may at any time, but will at no time be obligated to, purchase Covered Bonds in the open market or otherwise and at any price. If purchases are made by tender, tenders must be available to all Holders of the relevant N Covered Bonds alike.

Cancellation of Redeemed and Purchased Covered Bonds

6.08 All unmatured N Covered Bonds redeemed in accordance with this Condition 6 will be cancelled forthwith and may not be reissued or resold.

Further Provisions applicable to Redemption Amount and Instalment Amount

6.09 The provisions of Condition 5.07 and the last paragraph of Condition 5.08 shall apply to any determination or calculation of the Redemption Amount or any Instalment Amount required by the Final Terms to be made by the Calculation Agent (as defined in Condition 5.09).

References herein to “**Redemption Amount**” shall mean, as appropriate, the Final Redemption Amount, final Instalment Amount, the Optional Redemption Amount, the Early Redemption Amount or such other amount in the nature of a redemption amount as may be specified in, or determined in accordance with, the provisions of the applicable Final Terms.

6.10 In the case of any Zero Coupon Covered Bond, the “**Amortized Face Amount**” shall be an amount equal to the sum of:

- (a) the Issue Price specified in the Final Terms; and
- (b) the product of the Amortization Yield (compounded annually) being applied to the Issue Price from (and including) the Issue Date specified in the Final Terms to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such N Covered Bond becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, the calculation in respect of the period of less than a full year shall be made on the basis of the Day Count Fraction (as defined in Condition 5.09) specified in the Final Terms.

6.11 If any Redemption Amount (other than the Final Redemption Amount) is improperly withheld or refused or default is otherwise made in the payment thereof, the Amortized Face Amount shall be calculated as provided in Condition 6.10 but as if references in subparagraph (b) to the date fixed for redemption or the date upon which such Zero Coupon Covered Bond becomes due and repayable were replaced by references to the earlier of:

- (a) the date on which, upon due presentation or surrender of the relevant N Covered Bond (if required), the relevant payment is made; and
- (b) (except where presentation or surrender of the relevant N Covered Bond is not required as a precondition of payment), the seventh day after the date on which, the Issuing and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the Holders of the N Covered Bonds in accordance with Condition 14 of that circumstance (except to the extent that there is a failure in the subsequent payment thereof to the relevant Holder).

Instalment Covered Bonds

6.12 Any Instalment Covered Bond will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms.

Redemption due to Illegality

6.13 The N Covered Bonds of all Series may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Bond Trustee, the Issuing and Paying Agent, the Registrar and, in accordance with Condition 14, all holders of the N Covered Bonds (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any N Covered Bond of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any advance made by it to the Guarantor pursuant to the Intercompany Loan Agreement, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Covered Bonds redeemed pursuant to this Condition 6.13 will be redeemed at their Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to this Condition 6.13, the Issuer shall deliver to the Issuing and Paying Agent and Bond Trustee a certificate signed by two senior officers of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Issuing and Paying Agent and Bond Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all holders of the N Covered Bonds.

7. Events of Default

Issuer Events of Default

7.01 The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution (as defined in the Trust Deed) referred to in this Condition 7.01 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in U.S. dollars converted into U.S. dollars at the applicable Covered Bond Swap Rate) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds shall, (but in the case of the happening of any of the events mentioned in subparagraphs (b) to (f) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Guarantor, that such event is, in its opinion, materially prejudicial to the interests of the holders of the Covered Bonds of any Series) (subject in each case to being indemnified and/or secured to its satisfaction), give notice (an “**Issuer Acceleration Notice**”) in writing to the Issuer that as against the Issuer (but, for the avoidance of doubt, not against the

Guarantor under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond shall thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Trust Deed if any of the following events (each, an “**Issuer Event of Default**”) shall occur and be continuing:

- (a) the Issuer fails to pay any principal or interest in respect of the Covered Bonds within 10 Business Days in the case of principal and 30 days in the case of interest, in each case of the respective due date; or
- (b) the Issuer fails to perform or observe any obligations under the Covered Bonds, Receipts or Coupons of any Series, the Trust Deed or any other Transaction Document (other than the Dealership Agreement and any subscription agreement for the Covered Bonds) to which the Issuer is a party (other than any obligation of the Issuer to comply with the Asset Coverage Test and any other obligation of the Issuer specifically provided for in this Condition 7.01) and such failure continues for a period of 30 days (or such longer period as the Bond Trustee may permit) next following the service by the Bond Trustee on the Issuer of notice requiring the same to be remedied (except in circumstances where the Bond Trustee considers such failure to be incapable of remedy in which case no period of continuation will apply and no notice by the Bond Trustee will be required); or
- (c) an Insolvency Event in respect of the Issuer; or
- (d) an Asset Coverage Test Breach Notice has been served and not revoked (in accordance with the terms of the Transaction Documents) on or before the Guarantor Payment Date immediately following the next Calculation Date after service of such Asset Coverage Test Breach Notice; or
- (e) if the Pre-Maturity Test in respect of any Series of Hard Bullet Covered Bonds is breached less than six months prior to the Final Maturity Date of that Series of Hard Bullet Covered Bonds, and the Guarantor has not cured the breach before the earlier to occur of: (i) ten Toronto Business Days from the date that the Seller is notified of the breach of the Pre-Maturity Test and (ii) the Final Maturity Date of that Series of Hard Bullet Covered Bonds; or
- (f) if a ratings trigger prescribed by the Conditions or the Transaction Documents (and not otherwise specifically provided for in this Condition 7.01) is breached and the prescribed remedial action is not taken within the specified time period, unless, in respect of any ratings trigger other than the Account Bank Threshold Ratings, the Standby Account Bank Ratings, the Cash Management Deposit Ratings and the Servicer Deposit Threshold Ratings, such breach occurs at a time that the Guarantor is Independently Controlled and Governed.

For the purposes of these Terms and Conditions “**Calculation Date**” means the last Toronto Business Day of each month.

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 7.01, the Bond Trustee shall forthwith serve a notice to pay (the “**Notice to Pay**”)

on the Guarantor pursuant to the Covered Bond Guarantee and the Guarantor shall be required to make payments of Guaranteed Amounts when the same shall become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or shall take such proceedings against the Issuer in accordance with the first paragraph of Condition 7.03.

The Trust Deed provides that all moneys (the “**Excess Proceeds**”) received by the Bond Trustee from the Issuer or any receiver, liquidator, administrator or other similar official appointed in relation to the Issuer following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, shall be paid by the Bond Trustee, as soon as practicable after receipt thereof by the Bond Trustee, on behalf of the holders of the Covered Bonds of the relevant Series to the Guarantor (or the Cash Manager on its behalf) for the account of the Guarantor and shall be held in the Guarantor Accounts and the Excess Proceeds shall thereafter form part of the Security granted pursuant to the Security Agreement and shall be used by the Guarantor (or the Cash Manager on its behalf) in the same manner as all other moneys from time to time held by the Cash Manager and/or standing to the credit of the Guarantor in the Guarantor Accounts. Any Excess Proceeds received by the Bond Trustee shall discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds, Receipts and Coupons. However, the obligations of the Guarantor under the Covered Bond Guarantee are, following a Covered Bond Guarantee Activation Event, unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds shall not reduce or discharge any of such obligations.

By subscribing for Covered Bonds, each holder of the Covered Bonds shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Guarantor in the manner as described above.

Guarantor Events of Default

7.02 The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 7.02 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in U.S. dollars converted into U.S. dollars at the applicable Covered Bond Swap Rate) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds shall (but in the case of the happening of any of the events described in paragraphs (b) to (f) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Guarantor that such event is, in its opinion, materially prejudicial to the interests of the holders of the Covered Bonds of any Series) (subject in each case to being indemnified and/or secured to its satisfaction) give notice (the “**Guarantor Acceleration Notice**”) in writing to the Issuer and the Guarantor, that (x) each Covered Bond of each Series is, and each Covered Bond of each Series shall as against the Issuer (if not already due and repayable against it following an Issuer Event of Default), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the Guarantor

under the Covered Bond Guarantee shall thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest, in each case as provided in the Trust Deed and thereafter the Security shall become enforceable if any of the following events (each, a “**Guarantor Event of Default**”) shall occur and be continuing:

- (a) default is made by the Guarantor for a period of seven days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series, except in the case of the payment of a Guaranteed Amount when Due for Payment under Condition 6.01 where the Guarantor shall be required to make payments of Guaranteed Amounts which are Due for Payment on the dates specified therein; or
- (b) if default is made by the Guarantor in the performance or observance of any obligation, condition or provision binding on it (other than any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series and any other obligation specifically provided for in this Condition 7.02) under the Trust Deed, the Security Agreement or any other Transaction Document (other than the obligation of the Guarantor to (i) repay the Demand Loan pursuant to the terms of the Intercompany Loan Agreement, or (ii) make a payment under a Swap Agreement if it has insufficient funds therefor) to which the Guarantor is a party and, except where such default is or the effects of such default are, in the opinion of the Bond Trustee, not capable of remedy when no such continuation and notice as is hereinafter mentioned will be required, such default continues for 30 days (or such longer period as the Bond Trustee may permit) after written notice thereof has been given by the Bond Trustee to the Guarantor requiring the same to be remedied; or
- (c) an Insolvency Event in respect of the Guarantor; or
- (d) a failure to satisfy the Amortization Test on any Calculation Date following the occurrence and during the continuance of an Issuer Event of Default; or
- (e) the Covered Bond Guarantee is not, or is claimed by the Guarantor not to be, in full force and effect; or
- (f) if a ratings trigger prescribed by the Conditions or the Transaction Documents (and not otherwise specifically provided for in this Condition 7.02) is breached and the prescribed remedial action is not taken within the specified time period, unless, in respect of any ratings trigger other than the Account Bank Threshold Ratings, the Standby Account Bank Ratings, the Cash Management Deposit Ratings and the Servicer Deposit Threshold Ratings, such breach occurs at a time that the Guarantor is Independently Controlled and Governed.

Following the occurrence of a Guarantor Event of Default and service of a Guarantor Acceleration Notice on the Guarantor, the Bond Trustee may or shall take such proceedings or steps in accordance with the first and second paragraphs, respectively, of Condition 7.03 and the holders

of the Covered Bonds shall have a claim against the Guarantor, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount together with accrued but unpaid interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 8) as provided in the Trust Deed in respect of each Covered Bond.

Enforcement

7.03 The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings against the Issuer and/or the Guarantor, as the case may be, and/or any other person as it may think fit to enforce the provisions of the Trust Deed, the Covered Bonds, the Receipts, the Coupons and any other Transaction Document, but it shall not be bound to take any such enforcement proceedings in relation to the Trust Deed, the Covered Bonds, the Receipts or the Coupons or any other Transaction Document unless (i) it shall have been so directed by an Extraordinary Resolution of all the holders of the Covered Bonds of all Series (with the Covered Bonds of all Series taken together as a single Series as described above) or so requested in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into U.S. dollars at the applicable Covered Bond Swap Rate) and (ii) it shall have been indemnified and/or secured to its satisfaction.

The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings against the Guarantor and/or any other person as it may think fit to enforce the provisions of the Security Agreement and may, at any time after the Security has become enforceable, take such steps as it may think fit to enforce the Security, but it shall not be bound to take any such steps unless (i) it shall have been so directed by an Extraordinary Resolution of all the holders of the Covered Bonds of all Series (with the Covered Bonds of all Series taken together as a single Series as described above) or a request in writing by the holders of not less than 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into U.S. dollars at the applicable Covered Bond Swap Rate); and (ii) it shall have been indemnified and/or secured to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee shall, subject to applicable law, only have regard to the interests of the holders of the Covered Bonds of all Series and shall not have regard to the interests of any other Secured Creditors.

No holder of the Covered Bonds, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or the Guarantor or to take any action with respect to the Trust Deed, the Covered Bonds, the Receipts, the Coupons, or the Security unless the Bond Trustee, having become bound so to proceed, fails so to do within a reasonable time and such failure shall be continuing. Notwithstanding any other provision of these Conditions, for so long as there are U.S. Registered Covered Bonds outstanding, in accordance with Section 316(b) of the Trust Indenture Act, the right of any holder to receive payment of principal and interest on the Covered Bonds on or after the due date for such principal or interest, or to institute suit for the enforcement of payment of that principal or interest, may not be impaired or affected without the consent of the holders of the Covered Bonds, provided that no such right of enforcement shall exist (i) in respect of a postponement of an interest payment which has been consented to by the holders of the Covered Bonds in accordance with the Trust Deed or (ii) to the extent that the institution or prosecution of

such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the security granted pursuant to the Trust Deed or the Security Agreement upon any property subject to such security.

8. Taxation

8.01 All amounts payable (whether in respect of principal, interest or otherwise) in respect of the N Covered Bonds, will be paid free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Canada, any province or territory or political subdivision thereof or any authority or agency therein or thereof having power to tax or, in the case of N Covered Bonds issued by a branch of the Issuer located outside Canada, the country in which such branch is located or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law or the interpretation or administration thereof. In that event, the Issuer will pay such additional amounts as may be necessary in order that the net amounts received by the Holder after such withholding or deduction shall equal the respective amounts of principal and interest which would have been received in respect of the N Covered Bonds, in the absence of such withholding or deduction; except that no additional amounts shall be payable with respect to any payment in respect of any N Covered Bond:

- (a) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments or governmental charges in respect of such N Covered Bond by reason of his having some connection with Canada or the country in which such branch is located (for these purposes “connection” includes but is not limited to any present or former connection between such holder (or between a fiduciary, seller, beneficiary, member or shareholder of, or possessor of power over such holder if such holder is an estate, trust, partnership, limited liability company or corporation) and such jurisdiction) otherwise than the mere holding of (but not the enforcement of) such N Covered Bond; or
- (b) to, or to a third party on behalf of, a Holder in respect of whom such tax, duty, assessment or governmental charge is required to be withheld or deducted by reason of the Holder or other person entitled to payments under the N Covered Bonds being a person with whom the Issuer is not dealing at arm’s length (within the meaning of the *Income Tax Act* (Canada)), or is, or does not deal at arm’s length with any person who is, a “specified shareholder” of the Issuer for purposes of the thin capitalization rules in the *Income Tax Act* (Canada); or
- (c) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directives; or

- (d) presented for payment by or on behalf of a Holder who would be able to avoid such withholding or deduction by presenting the relevant N Covered Bond to another Paying Agent in a member state of the European Union; or
- (e) presented for payment more than 30 days after the Relevant Date except to the extent that the Holder thereof would have been entitled to such additional amount on presenting the same for payment on the thirtieth such day; or
- (f) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments or other governmental charges by reason of such Holder's failure to comply with any certification, identification, documentation or other reporting requirement concerning the nationality, residence, identity or connection with Canada or the country in which such branch is located of such Holder, if (i) compliance is required by law as a precondition to, exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and (ii) the Issuer has given Holders at least 30 days' notice that Holders will be required to provide such certification, identification, documentation or other requirement; or
- (g) in respect of any estate, inheritance, gift, sales, transfer, personal property or any similar tax, duty, assessment or governmental charge; or
- (h) where any combination of items (a) - (g) applies;

nor will such additional amounts be payable with respect to any payment in respect of the N Covered Bonds to a holder that is a fiduciary or partnership or to any person other than the sole beneficial owner of such N Covered Bond to the extent that the beneficiary or seller with respect to such fiduciary, or member of such partnership or beneficial owner thereof would not have been entitled to receive a payment of such additional amounts had such beneficiary, seller, member or beneficial owner received directly its beneficial or distributive share of such payment.

For the purposes of this Condition 8.01, the term “**Holder**” shall be deemed to refer to the beneficial holder for the time being of the N Covered Bonds.

8.02 For the purposes of these Terms and Conditions, the “**Relevant Date**” means, in respect of any N Covered Bond, the date on which payment thereof first become due and payable, or, if the full amount of the moneys payable has not been received by the Issuing and Paying Agent, or as the case may be, the Registrar on or prior to such due date, the date on which, the full amount of such moneys shall have been so received and notice to that effect shall have been duly given to the Holders in accordance with Condition 14.

8.03 If the Issuer and/or the Guarantor become subject generally at any time to any taxing jurisdiction other than or in addition to Canada or the country in which the relevant branch of the Issuer is located, references in Condition 6.02, Condition 8.01 and Condition 8.05, as applicable, to Canada or the country in which the relevant branch is located shall be read and construed as references to Canada or the country in which such branch is located and/or to such other jurisdiction(s).

8.04 Any reference in these Terms and Conditions to any payment due in respect of the N Covered Bonds shall be deemed to include any additional amounts which may be payable under this Condition 8. Unless the context otherwise requires, any reference in these Terms and Conditions to “**principal**” shall include any premium payable in respect of a N Covered Bond, any Instalment Amount or Final Redemption Amount, any Excess Proceeds which may be payable by the Bond Trustee under or in respect of the N Covered Bond and any other amounts in the nature of principal payable pursuant to these Terms and Conditions and “**interest**” shall include all amounts payable pursuant to Condition 5 and any other amounts in the nature of interest payable pursuant to these Terms and Conditions.

8.05 Should any payments made by the Guarantor under the Covered Bond Guarantee be made subject to any withholding or deduction for or on account of taxes or duties of whatever nature imposed or levied by or on behalf of Canada, any province, territory, political subdivision thereof or any authority or agency therein or thereof having power to tax, or, in the case of payments made by the Guarantor under the Covered Bond Guarantee in respect of N Covered Bonds issued by a branch of the Issuer located outside of Canada, the country in which such branch is located or any political subdivision thereof or by any authority or agency therein or thereof having the power to tax, the Guarantor will not be obliged to pay any additional amounts as a consequence.

9. Payments

9.01 Subject to Condition 9.02 below, payments of principal and interest in respect of N Covered Bonds will be made on the respective due date by transfer to the Designated Account (as defined below) of the Holder appearing in the Register at the close of the business on the fifteenth business day (being for this purpose a day on which banks are open for business in the city where the Specified Office of the Registrar is located) before the relevant due date (the “**Record Date**”). For this purpose “**Designated Account**” means the account (which, in case of payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the Holder with a Designated Bank and which has been notified to the Registrar no later than the Record Date and “**Designated Bank**” means in the case of payment in a Specified Currency (other than euro) a bank in the principal financial centre of the country of such Specified Currency and (in the case of payment in euro) any bank which processes payments in euro.

9.02 If the relevant Final Terms specify that “Partial Interest Upon Transfer(s)” is applicable, in the case of a transfer of a N Covered Bond (in whole or in part) occurring during any Fixed Interest Period, payment of interest on the N Covered Bond or, in the case of a transfer in part on a *pro rata* basis, on the resulting N Covered Bonds, shall be made on the respective due date thereof to (i) the assignor of the N Covered Bond for the period from and including the last Interest Payment Date or the Interest Commencement Date, as the case may be, to but excluding the relevant Transfer Date and (ii) the assignee appearing in the Register as the new Holder on the Record Date, for the period from and including the relevant Transfer Date to but excluding the relevant Interest Payment Date, and (iii) if more than one assignment of the N Covered Bond occurs during one Interest Period, to each Holder, with respect to the period of its holding of the N Covered Bond, for the period from and including each relevant Transfer Date to but excluding the respective next following Transfer Date. This Condition 9.02 shall not apply if the relevant Final Terms specify that “Eurobond Interest Upon Transfer(s)” is applicable.

9.03 Payments will, without prejudice to the provisions of Condition 8, be subject in all cases to (i) any applicable fiscal or other laws and regulations and (ii) FATCA.

9.04 The relevant Holder shall without undue delay surrender any N Covered Bond to the Issuer or the Registrar upon payment of principal and interest, if any, in full.

9.05 If the due date for payment of any amount in respect of any N Covered Bond is not a Payment Day, the Holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to any further interest or other payment in respect of such delay.

9.06 In the case of an inclusion of any N Covered Bond in the restricted assets of the Holder within the meaning of § 66 German Insurance Supervisory Act (*Versicherungsaufsichtsgesetz*), any payments due under the relevant N Covered Bond may be withheld (without interest payable thereon) until the trustee of the Holder or its deputy appointed in accordance with § 70 German Insurance Supervisory Act (*Treuhänder für das Sicherungsvermögen*) has given its consent pursuant to § 72 German Insurance Supervisory Act that any payments due under the N Covered Bond may be made with discharging effect to the account notified by the Holder or another account notified by the trustee or its deputy (as provided for in the form of notification attached each N Covered Bond).

9.07 For the purposes of these Terms and Conditions:

“**Payment Day**” means (a) in the case of any currency other than euro, a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) and foreign exchange markets settle payments in the Financial Centre(s) specified in the Final Terms or (b) in the case of payment in euro, a day which is a TARGET2 Business Day and on which commercial banks and foreign exchange markets are open for general business (including dealings in foreign exchange and foreign currency deposits) in the Financial Centre(s) specified in the Final Terms.

9.08 No commissions or expenses shall be charged to the Holders of N Covered Bonds in respect of such payments.

10. Prescription and Counterclaims

Prescription

10.01 Claims against the Issuer for payment in respect of any amount due under any N Covered Bond shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

Counterclaims

10.02 If so specified in the applicable Final Terms, the Issuer waives any right of set-off against the claims arising from a N Covered Bond as well as the exercise of any pledge, right of retention or other rights through which the claims of the Holder could be prejudiced:

- (a) as long as and to the extent that such claims form part of the restricted assets (*gebundenes Vermögen*) within the meaning of § 54 of the German Act Concerning the Supervision of Insurance Companies (*Gesetz über die Beaufsichtigung der Versicherungsunternehmen - Versicherungsaufsichtsgesetz*) or the N Covered Bond is being held by a German professional pension fund (*Versorgungswerk*);
- (b) as long as and to the extent that such claims belong to funds which serve as cover (*Deckungswerte*) for Pfandbriefe issued pursuant to the German Pfandbrief Act (*Pfandbriefgesetz*) or other domestic covered bonds legislation; or
- (c) as otherwise set out in the Final Terms.

The same applies *mutatis mutandis* in the event of composition or insolvency proceedings.

11. The Paying Agent, the Registrar and the Calculation Agent

11.01 The initial Paying Agent, the Registrar and, as the case may be, the Calculation Agent and their respective initial specified offices are specified in the applicable Final Terms. The Issuer and the Guarantor each reserves the right, without approval of the Bond Trustee, at any time to vary or terminate the appointment of the Paying Agent, the Registrar or the Calculation Agent and to appoint additional or other Paying Agents or another Registrar or Calculation Agent provided that the Issuer and the Guarantor will at all times maintain (i) a Registrar, (ii) a Paying Agent with a specified office in a continental European city and (iii) a Paying Agent in a member state of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directives and (iv) a Calculation Agent where required by the Terms and Conditions applicable to any N Covered Bond. The Agents, the Registrar and the Calculation Agent reserve the right at any time to change their respective specified offices to some other specified office in the same metropolitan area. Notice of all changes in the identities or specified offices of any Agent, the Registrar or the Calculation Agent will be given promptly by the Issuer or the Guarantor to the Holders in accordance with Condition 14.

11.02 The Agents, the Registrar and the Calculation Agent act solely as agents of the Issuer and the Guarantor and, in certain circumstances of the Bond Trustee, and save as provided in the Agency Agreement or any other agreement entered into with respect to its appointment, do not assume any obligations towards or relationship of agency or trust for any Holder of any N Covered Bond and each of them shall only be responsible for the performance of the duties and obligations expressly imposed upon it in the Agency Agreement or other agreement entered into with respect to its appointment or incidental thereto.

12. Replacement of the certificate relating to a N Covered Bond

If the certificate representing any N Covered Bond is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Registrar upon payment by the applicant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. A mutilated or defaced certificate must be surrendered before a replacement certificate will be issued.

13. Meetings of Holders of the Covered Bonds, Modification and Waiver

The Trust Deed contains provisions for convening meetings of the holders of the Covered Bonds to consider any matter affecting their interests, including the modification by Extraordinary Resolution of these Terms and Conditions or the provisions of the Trust Deed. The quorum at any such meeting in respect of any Covered Bonds of any Series for passing an Extraordinary Resolution is one or more persons holding or representing not less than a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned meeting one or more persons being or representing holders of the Covered Bonds whatever the nominal amount of the Covered Bonds of such Series so held or represented, except that at any meeting the business of which includes the modification of any Series Reserved Matter (as defined below), the quorum shall be one or more persons holding or representing not less than two-thirds of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one third of the aggregate Principal Amount Outstanding of the Covered Bonds of such Series for the time being outstanding. An Extraordinary Resolution passed at any meeting of the holders of the Covered Bonds of a Series shall, subject as provided below, be binding on all the holders of the Covered Bonds of such Series, whether or not they are present at the meeting, and on all Receiptholders and Couponholders in respect of such Series of Covered Bonds. Pursuant to the Trust Deed, the Bond Trustee may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between the holders of such Covered Bonds, in which event the provisions of this paragraph shall apply thereto mutatis mutandis.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 7 or to direct the Bond Trustee to take any enforcement action (a “**Programme Resolution**”) shall only be capable of being passed at a single meeting of the holders of the Covered Bonds of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the Guarantor or the Bond Trustee or by holders of the Covered Bonds of any Series. The quorum at any such meeting for passing a Programme Resolution is one or more persons holding or representing at least a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or at any adjourned such meeting one or more persons holding or representing Covered Bonds whatever the nominal amount of the Covered Bonds of any Series so held or represented. A Programme Resolution passed at any meeting of the holders of the Covered Bonds of all Series shall be binding on all holders of the Covered Bonds of all Series, whether or not they are present at the meeting, and on all related Receiptholders and Couponholders in respect of such Series of Covered Bonds.

In connection with any meeting of the holders of Covered Bonds of more than one Series the Covered Bonds of any Series not denominated in U.S. dollars shall be converted into U.S. dollars at the applicable Covered Bond Swap Rate.

The Bond Trustee, the Guarantor and the Issuer may also agree, without the consent of the holders of the Covered Bonds, Receiptholders or Couponholders of any Series and without the consent of the other Secured Creditors (and for this purpose the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter), to:

- (a) any modification of the Covered Bonds of one or more Series, the related Receipts and/or Coupons or any Transaction Document provided that in the opinion of the Bond Trustee such modification is not materially prejudicial to the interests of any of the holders of the Covered Bonds of any Series; or
- (b) any modification of the Covered Bonds of any one or more Series, the related Receipts and/or Coupons or any Transaction Document which is of a formal, minor or technical nature or is in the opinion of the Bond Trustee made to correct a manifest error or to comply with mandatory provisions of law.

The Bond Trustee may also agree, without the consent of the holders of the Covered Bonds of any Series, the related Receiptholders and/or Couponholders, to the waiver or authorization of any breach or proposed breach of any of the provisions of the Covered Bonds of any Series, or determine, without any such consent as described above, that any Issuer Event of Default or Guarantor Event of Default or Potential Issuer Event of Default or Potential Guarantor Event of Default shall not be treated as such, provided that, in any such case, it is not, in the opinion of the Bond Trustee, materially prejudicial to the interests of any of the holders of the Covered Bonds of any Series.

Any such modification, waiver, authorization or determination shall be binding on all holders of the Covered Bonds of all Series of Covered Bonds for the time being outstanding, the related Receiptholders and the Couponholders and the other Secured Creditors, and unless the Bond Trustee otherwise agrees, any such modification shall be notified by the Issuer to the holders of the Covered Bonds of all Series of Covered Bonds for the time being outstanding and the other Secured Creditors in accordance with the relevant terms and conditions as soon as practicable thereafter. Notwithstanding any other provision of these Conditions, for so long as there are U.S. Registered Covered Bonds outstanding, any such modification, waiver, authorization or determination will be made in accordance with and subject to Section 316 of the Trust Indenture Act. The right of any holder of U.S. Registered Covered Bonds to receive payment of principal and interest shall not be impaired unless made in accordance with Section 316 of the Trust Indenture Act.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorization or determination), the Bond Trustee shall have regard to the general interests of the holders of the Covered Bonds of each Series as a class (but shall not have regard to any interests arising from circumstances particular to individual holders of the Covered Bonds, Receiptholders or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual holders of the Covered Bonds, the related Receiptholders, Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political subdivision thereof and the Bond Trustee shall not be entitled to require, nor shall any holder of the Covered Bonds, Receiptholder or Couponholder be entitled to claim, from the Issuer, the Guarantor, the Bond Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual holders of the Covered Bonds, Receiptholders and/or Couponholders, except to the extent already provided for in

Condition 8 and/or in any undertaking or covenant given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

For the purposes of these Terms and Conditions:

“Potential Issuer Event of Default” means any condition, event or act which, with the lapse of time and/or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute an Issuer Event of Default;

“Potential Guarantor Event of Default” means any condition, event or act which, with the lapse of time and/or the issue, making or giving of any notice, certification, declaration, demand, determination and/or request and/or the taking of any similar action and/or the fulfilment of any similar condition, would constitute a Guarantor Event of Default; and

“Series Reserved Matter” in relation to Covered Bonds of a Series means: (i) reduction or cancellation of the amount payable or, where applicable, modification of the method of calculating the amount payable or modification of the date of payment or, where applicable, modification of the method of calculating the date of payment in respect of any principal or interest in respect of the Covered Bonds; (ii) alteration of the currency in which payments under the Covered Bonds, Receipts and Coupons are to be made; (iii) alteration of the majority required to pass an Extraordinary Resolution; (iv) any amendment to the Covered Bond Guarantee or the Security Agreement (except in a manner determined by the Bond Trustee not to be materially prejudicial to the interests of the holders of the Covered Bonds of any Series); (v) except in accordance with Condition 12, the sanctioning of any such scheme or proposal for the exchange or sale of the Covered Bonds for or the conversion of the Covered Bonds into, or the cancellation of the Covered Bonds in consideration of, shares, stock, covered bonds, bonds, debentures, debenture stock and/or other obligations and/or securities of the Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, bonds, covered bonds, debentures, debenture stock and/or other obligations and/or securities as described above and partly for or into or in consideration of cash and for the appointment of some person with power on behalf of the holders of the Covered Bonds to execute an instrument of transfer of the Registered Covered Bonds held by them in favour of the persons with or to whom the Covered Bonds are to be exchanged or sold respectively; and (vi) alteration of specific sections of the Trust Deed relating to the quorum and procedure required for meetings of holders of Covered Bonds.

14. Notices

Notices to the Holders of N Covered Bonds may be given by first class mail (or equivalent) or, if posted to an overseas address, by air mail to it at its address as recorded in the Register. Notices will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day.

15. Further Issues

The Issuer may from time to time, without the consent of the Holders of any N Covered Bond, create and issue further N Covered Bonds having the same terms and conditions as such N Covered

Bond in all respects (or in all respects except for the first payment of interest, if any, on them and/or the denomination thereof).

16. Currency Indemnity

The currency in which the N Covered Bonds are denominated or, if different, payable, as specified in the Final Terms (the “**Contractual Currency**”), is the sole currency of account and payment for all sums payable by the Issuer in respect of the N Covered Bonds, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgement or order of a court of any jurisdiction or otherwise) by any Holder of a N Covered Bond in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first day on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of a N Covered Bond the Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the Issuer’s other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of a N Covered Bond and shall continue in full force and effect despite any judgement, order, claim or proof for a liquidated amount in respect of any sum due in respect of the N Covered Bonds or any judgement or order. Any such loss shall be deemed to constitute a loss suffered by the relevant Holder of a N Covered Bond and no proof or evidence of any actual loss will be required by the Issuer.

17. Waiver and Remedies

No failure to exercise, and no delay in exercising, on the part of the Holder of any N Covered Bond, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

18. Branch of Account

18.01 For the purposes of the Bank Act, the branch of the Bank set out in this N Covered Bond or the Final Terms shall be the branch of account (the “**Branch of Account**”) for the deposits evidenced by this N Covered Bond.

18.02 This N Covered Bond will be paid without the necessity of first being presented for payment at the Branch of Account.

18.03 If the Branch of Account is not in Canada, the Bank may change the Branch of Account for the deposits evidenced by this N Covered Bond, upon not less than seven days’ prior notice to its Holder given in accordance with Condition 14 and upon and subject to the following terms and conditions:

- (a) if this N Covered Bond is denominated in Yen, the Branch of Account shall not be in Japan;
- (b) the Issuer shall indemnify and hold harmless the Holders of the N Covered Bonds against any tax, duty, assessment or governmental charge which is imposed or levied upon such Holder as a consequence of such change, and shall pay the reasonable costs and expenses of the Issuing and Paying Agent in connection with such change; and
- (c) notwithstanding (b) above, no change of the Branch of Account may be made unless immediately after giving effect to such change (i) no Issuer Event of Default, Guarantor Event of Default, Potential Issuer Event of Default or Potential Guarantor Event of Default shall have occurred and be continuing and (ii) payments of principal and interest on N Covered Bonds of this Series relating thereto to Holders thereof (other than Excluded Holders, as hereinafter defined) shall not, in the opinion of counsel to the Issuer, be subject to any taxes, as hereinafter defined, to which they would not have been subject had such change not taken place. For the purposes of this section, an “**Excluded Holder**” means a Holder of a N Covered Bond of this Series relating thereto who is subject to taxes by reason of his having some connection with the Relevant Jurisdiction other than the mere holding of a N Covered Bond of this Series as a non-resident of such Relevant Jurisdiction. “**Relevant Jurisdiction**” means and includes Canada, its provinces or territories and the jurisdiction in which the new Branch of Account is located, and “**taxes**” means and includes any tax, duty, assessment or other governmental charge imposed or levied in respect of the payment of the principal of the N Covered Bonds of this Series or interest thereon for or on behalf of a Relevant Jurisdiction or any authority therein or thereof having power to tax.

19. Substitution

Subject as provided in the Trust Deed, the Bond Trustee, if it is satisfied that to do so would not be materially prejudicial to the interests of the holders of the N Covered Bonds, may agree, without the consent of the holders of the N Covered Bonds, to the substitution of a Subsidiary of the Issuer in place of the Issuer as principal debtor under the N Covered Bonds and the Trust Deed, provided that the obligations of such Subsidiary in respect of the N Covered Bonds and the Trust Deed shall be guaranteed by the Issuer in such form as the Bond Trustee may require.

Any substitution pursuant to this Condition 19 shall be binding on the holders of the N Covered Bonds and, unless the Bond Trustee agrees otherwise, shall be notified to the holders of the N Covered Bonds as soon as practicable thereafter in accordance with Condition 14.

It shall be a condition of any substitution pursuant to this Condition 19 that (i) the N Covered Bond Guarantee shall remain in place or be modified to apply mutatis mutandis and continue in full force and effect in relation to any Subsidiary of the Issuer which is proposed to be substituted for the Issuer as principal debtor under the N Covered Bonds and the Trust Deed; and (ii) any Subsidiary of the Issuer which is proposed to be substituted for the Issuer is included in the Registry as a

registered issuer and that all other provisions of the Covered Bond Legislative Framework and the CMHC Guide are satisfied prior to the substitution of the Issuer.

20. Rating Agency Condition

20.01 By subscribing for or purchasing N Covered Bond(s), each holder of N Covered Bonds shall be deemed to have acknowledged and agreed that a credit rating of a Series of N Covered Bonds by the Rating Agencies is an assessment of credit risk and does not address other matters that may be of relevance to holders of N Covered Bonds, including, without limitation, in the case of a confirmation by each Rating Agency that any action proposed to be taken by the Issuer, the Guarantor, the Seller, the Servicer, the Cash Manager, the Bond Trustee or any other party to a Transaction Document will not result in a reduction or withdrawal of the rating of the N Covered Bonds in effect immediately before the taking of such action (a “**Rating Agency Condition**”), whether such action is either (i) permitted by the terms of the relevant Transaction Document or (ii) in the best interests of, or not prejudicial to, some or all of the holders of N Covered Bonds.

20.02 In being entitled to have regard to the fact that a Rating Agency has confirmed that the then current rating of the relevant Series of N Covered Bonds would not be reduced or withdrawn, each of the Issuer, the Guarantor, the Bond Trustee, and the Secured Creditors (including the holders of N Covered Bonds) is deemed to have acknowledged and agreed that confirmation of the satisfaction of the Rating Agency Condition does not impose or extend any actual or contingent liability on the Rating Agencies to the Issuer, the Guarantor, the Bond Trustee, the Secured Creditors (including the holders of N Covered Bonds) or any other person or create any legal relations between the Rating Agencies and the Issuer, the Guarantor, the Bond Trustee, the Secured Creditors (including the holders of N Covered Bonds) or any other person whether by way of contract or otherwise.

20.03 By subscribing for or purchasing N Covered Bond(s), each holder of N Covered Bonds shall be deemed to have acknowledged and agreed that:

- (a) a confirmation of the satisfaction of the Rating Agency Condition may or may not be given at the sole discretion of each Rating Agency;
- (b) depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that a Rating Agency cannot confirm the satisfaction of the Rating Agency Condition in the time available, or at all, and the Rating Agency shall not be responsible for the consequences thereof;
- (c) a confirmation of the satisfaction of the Rating Agency Condition, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time, and in the context of cumulative changes to the transaction of which the N Covered Bonds forms a part; and
- (d) a confirmation of the satisfaction of the Rating Agency Condition represents only a restatement of the opinions given, and shall not be construed as advice for the benefit of any holder of N Covered Bonds or any other party.

20.04 If a confirmation of the satisfaction of the Rating Agency Condition or some other response by a Rating Agency is a condition to any action or step or is otherwise required under any Transaction Document and a written request for such confirmation of the satisfaction of the Rating Agency Condition or response is delivered to that Rating Agency by any of the Issuer, the Guarantor and/or the Bond Trustee, as applicable (each a “**Requesting Party**”), and either (i) the Rating Agency indicates that it does not consider such confirmation or response necessary in the circumstances or (ii) within 30 days (or, in the case of Moody’s, 10 Business Days) of actual receipt of such request by the Rating Agency, such request elicits no confirmation or response and/or such request elicits no statement by the Rating Agency that such confirmation or response could not be given, the Requesting Party will be entitled to disregard the requirement for satisfaction of the Rating Agency Condition or affirmation of rating or other response by the Rating Agency and proceed on the basis that such confirmation or affirmation of rating or other response by the Rating Agency is not required in the particular circumstances of the request. The failure by a Rating Agency to respond to a written request for a confirmation or affirmation shall not be interpreted to mean that such Rating Agency has given any deemed confirmation of the satisfaction of the Rating Agency Condition or affirmation of rating or other response in respect of such action or step.

21. Indemnification of Bond Trustee and Bond Trustee contracting with the Issuer and/or the Guarantor

If, in connection with the exercise of its powers, trusts, authorities or discretions the Bond Trustee is of the opinion that the interests of the holders of the N Covered Bonds of any one or more Series would be materially prejudiced thereby, the Bond Trustee shall not exercise such power, trust, authority or discretion without the approval by Extraordinary Resolution of such holders of the relevant Series of N Covered Bonds then outstanding or by a direction in writing of such holders of the N Covered Bonds of at least 25 per cent. of the Principal Amount Outstanding of N Covered Bonds of the relevant Series then outstanding.

The Trust Deed and the Security Agreement contain provisions for the indemnification of the Bond Trustee and for relief from responsibility, including provisions relieving the Bond Trustee from taking any action unless indemnified and/or secured to the satisfaction of the Bond Trustee.

The Trust Deed and the Security Agreement also contain provisions pursuant to which the Bond Trustee is entitled, among other things: (i) to enter into business transactions with the Issuer, the Guarantor and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the Guarantor and/or any of their respective Subsidiaries and affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the holders of the N Covered Bonds or the other Secured Creditors; and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

The Bond Trustee will not be responsible for any loss, expense or liability, which may be suffered as a result of any Loans or Related Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by

intermediaries such as banks, brokers or other similar persons on behalf of the Bond Trustee. The Bond Trustee will not be responsible for: (i) supervising the performance by the Issuer or any other party to the Transaction Documents of their respective obligations under the Transaction Documents and the Bond Trustee will be entitled to assume, until it has written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Transaction Documents under the Transaction Documents; (iii) monitoring the Covered Bond Portfolio, including, without limitation, whether the Covered Bond Portfolio is in compliance with the Asset Coverage Test and/or the Amortization Test; or (iv) monitoring whether Loans and their Related Security satisfy the Eligibility Criteria. The Bond Trustee will not be liable to any holder of the N Covered Bonds or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by reasonable and prudent institutional mortgage lenders in the Seller's market in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Transaction Documents.

22. Governing Law; Jurisdiction; Partial Invalidity

Governing Law

22.01 With the exception of Conditions 3 (Status of the N Covered Bonds), 7 (Events of Default), 13 (Meetings of Holders of the Covered Bonds, Modification and Waiver), 19 (Substitution), 20 (Rating Agency Condition) and 21 (Indemnification of Bond Trustee and Bond Trustee contracting with the Issuer and/or the Guarantor) of these Terms and Conditions, which are governed by, and shall be construed in accordance with, the laws of the Province of Ontario and the federal laws of Canada applicable therein, the N Covered Bonds and all rights and obligations arising under the N Covered Bonds (including any non-contractual rights and obligations) are governed by, and shall be construed in accordance with, the laws of the Federal Republic of Germany.

The Trust Deed, Agency Agreement and the other Transaction Documents, except as specified therein, are governed by and shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

Place of Jurisdiction

22.02 The courts of the Province of Ontario (Canada) shall have the exclusive jurisdiction for any actions or other legal proceedings arising out of or in connection with the N Covered Bonds and the Issuer, the Guarantor, any applicable Agent and any Holder waive any right to invoke, and undertake not to invoke, any claim of *forum non conveniens* and irrevocably submit to the jurisdiction of the courts of Ontario in respect of any action or proceeding relating in any way to the N Covered Bonds.

Partial Invalidity

22.03 If any provision of these Terms and Conditions is or becomes invalid or unenforceable in whole or in part, the remaining provisions shall remain unaffected thereby. Invalid or unenforceable provisions shall be deemed to be replaced by such valid and enforceable provisions which taking into consideration the purpose and intent of these Terms and Conditions have to the

extent legally possible the same economic effect as the invalid or unenforceable provisions. This shall apply mutatis mutandis to any gap (*Lücke*) in these Terms and Conditions.
