

## Jeet Dhillon

Vice President & Senior Portfolio Manager, TD Wealth, Private Investment Counsel

Jeet Dhillon is Vice President and Senior Portfolio Manager with TD Wealth Private Investment Counsel (TDW PIC) and has over 20 years of investment industry experience, including investment management, portfolio analysis and product management. She is responsible for the design and delivery of distinctive investment management solutions and services to private clients, corporations, individual pension plans and trusts. Jeet's primary role is to provide investment counsel to her clients, specifically to develop and implement investment strategies tailored to meet their individual needs. In addition to her day to day job duties, Jeet also mentors TD employees in their career development and is an active member of TD's South Asian Diversity Committee.

Prior to her current position, Jeet worked as Manager, Strategic Initiatives, assisting Senior Portfolio Managers with research and management of high-net-worth client portfolios while also spearheading strategic business initiatives for TDW PIC's head office. The latter included a focus on the training of investment professionals and development of tools and resources for investment and wealth planning for high net worth clients. Jeet's previous responsibilities also include that of Product Manager for TD Mutual Funds, Training Consultant with Canada Trust Investment Management Group, and Financial Advisor with Canada Trust.

Jeet is a Chartered Financial Analyst and a member of the CFA Institute and the Toronto CFA Society (formerly known as the Toronto Society of Financial Analysts (TSFA)). She graduated from the University of Calgary with a Bachelor of Commerce degree and from Simon Fraser University with a Master in Business Administration (MBA).

Jeet is also a proud mother of two beautiful daughters.
